Board of Directors
Aging & Community Services of South Central Indiana, Inc.
d/b/a Thrive Alliance
Bartholomew County, Indiana

We have reviewed the audit report of Aging & Community Services of South Central Indiana, Inc. d/b/a Thrive Alliance, which was opined upon by Barnes, Dennig & Co., Ltd., Independent Public Accountants, for the period July 1, 2022 to June 30, 2023. Per the *Independent Auditors' Report* the financial statements included in the report present fairly the financial condition of Aging & Community Services of South Central Indiana, Inc. d/b/a Thrive Alliance, as of June 30, 2023, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Barnes, Dennig & Co., Ltd. prepared the audit report in accordance with guidelines established by the State Board of Accounts.

This report is filed with this letter in our office as a matter of public record.

A handwritten signature in cursive script that reads "Tammy R. White".

Tammy R. White, CPA
Deputy State Examiner

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Aging & Community Services of South Central Indiana, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of the Organization as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Independent Auditors' Report
(Continued)**

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 15, 2024 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

AGING & COMMUNITY SERVICES OF SOUTH CENTRAL INDIANA, INC
(A MEMBER OF THRIVE ALLIANCE)

Notes to Financial Statements

NOTE 1 NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Aging & Community Services of South Central Indiana, Inc. (the Organization) is a not-for-profit corporation. The Organization was founded in 1981 to provide services to elderly and disabled persons in the Bartholomew, Brown, Decatur, Jackson and Jennings County areas in the state of Indiana. The Organization is primarily supported through federal and state government grants. In 2013, the Organization created a supporting organization called Thrive Alliance.

The Organization's direct services include: information and referral, care management, congregate meals, home delivered meals, homemaker, handy chore, outreach, advocacy, Foster Grandparents Program, nursing home preadmission screening, Medicaid Waiver, Caring Connections (volunteers), Guardianship, wellness classes and First Steps. The Organization provides grants through Older Americans Act funds for: senior center operations, transportation, legal services, nursing home ombudsman, adult day care and medication assistance. Through the use of state funds, the Organization purchases on behalf of consumers: attendant care, homemaker services, home health aide, respite care, owner occupied rehabilitation and emergency response systems.

Financial Statement Presentation

The financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles (GAAP). The Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions, which are available for use in general operations and not subject to donor restrictions; and net assets with donor restrictions, which are either temporary in nature, such as those that will be met by the passage of time or other events specified by the donor, or are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. There were no net assets with donor restrictions for 2023 or 2022.

Recently Adopted Accounting Guidance – Leases

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, *Leases*) to increase transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The Organization adopted the standard effective July 1, 2022 and recognized and measured leases existing at, or entered into after, July 1, 2022 (the beginning of the period of adoption) through a cumulative effect adjustment, with certain practical expedients available.

The Organization elected the available practical expedients to account for the existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

AGING & COMMUNITY SERVICES OF SOUTH CENTRAL INDIANA, INC
(A MEMBER OF THRIVE ALLIANCE)

Notes to Financial Statements
(Continued)

NOTE 1 NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recently Adopted Accounting Guidance – Leases - Continued

As a result of the adoption of the new lease accounting guidance, the Organization recognized on July 1, 2022 (beginning of the year of adoption) a lease liability of \$351,290, which represents the present value of the remaining operating lease payments of \$362,550, discounted using a risk-free rate of 2.84%, and a right-of-use asset of \$351,290, which represents the operating lease liability of \$351,290.

Cash

Cash includes all cash in bank depository accounts. The Organization maintains its cash in bank deposit accounts, which, at times, may exceed federally insured limits. The Organization has not experienced any losses in such accounts. The Organization believes it is not exposed to any significant credit risk on cash.

Grants Receivable

Grants receivable are stated at the amount billed to the funding agencies. If necessary, the Organization provides an allowance for doubtful accounts, which is based upon a review of outstanding receivables and existing economic conditions. Delinquent receivables are written off based on specific circumstances of the funding Organization. As of June 30, 2023 and 2022, the Organization considered all balances collectible; therefore, no allowance was necessary.

In-Kind Contributions

The Organization has recorded in-kind contributions for food and other services of \$0 and \$47,283 for 2023 and 2022, respectively, which is included in other revenues. GAAP requires that only contributions of service received that create or enhance a nonfinancial asset or require a specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by the donation be recorded.

Government Fees and Grants

Support funded by grants is recognized as the Organization performs the contracted services or incurs outlays eligible for reimbursement under the grant agreements. Grant activities and outlays are subject to audit and acceptance by the granting organization and, as a result of such audit, adjustments could be required. At June 30, 2023 and 2022 the Organization had available award balances (conditional promises to give) of Federal, state, and local grants of \$1,331,585 and \$1,596,758, respectively.

Contributions

Gifts of cash and other assets received without donor stipulations are reported as without donor restrictions revenue and net assets. Gifts received with a donor stipulation that limits their use are reported as donor restricted revenue and net assets. When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Gifts having donor stipulations which are satisfied in the period the gift is received are reported as without donor restrictions revenue.

AGING & COMMUNITY SERVICES OF SOUTH CENTRAL INDIANA, INC
(A MEMBER OF THRIVE ALLIANCE)

Notes to Financial Statements
(Continued)

NOTE 1 NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue Recognition

The Organization identifies a contract with a customer for revenue recognition when there is approval and commitment from both parties, the rights of the parties and payment terms are identified, the contract has commercial substance, and the collectability of consideration is probable. The Organization evaluates each contract to determine the number of distinct performance obligations in the contract, which requires the use of judgment. To determine the proper revenue recognition method, the Organization evaluates whether two or more contracts should be combined and accounted for as one single contract and whether the combined or single contract should be accounted for as a single or more than one performance obligation.

Revenue from contracts with customers is primarily recognized from Medicaid Waiver. Due to the nature of the contracts, there is no variable consideration and only one performance obligation. Such revenue is conditioned upon meeting a certain performance obligation, and amounts received are recognized as revenue once the requirement has been met. Once a care management service activity is performed, the Organization bills Medicaid at the current waiver rate and the performance obligation is considered to have been met. Each activity has a fixed rate (\$134.33 in 2023 and 2022) for various care management activities and are eligible to be billed once per month.

The Organization bills Medicaid at the end of each month for the services provided during the month and payment is expected upon submission of claims for service, usually within 30 days. Contracts are considered to have commercial substance as they all involve a care service and are then eligible to be billed for reimbursement for the care managers time spent on the activity. Contract receivables at June 30, 2023, were \$105,483 Contract receivables June 30, 2022 and 2021 were \$148,825 and \$2,670, respectively.

Functional Expenses

The costs of providing the various programs and other activities have been summarized in the statement of functional expenses. Costs are charged directly to the programs they benefit whenever possible. Certain overhead costs that cannot be directly charged to an individual program are allocated to the various programs they benefit using relevant statistical allocation bases. The most significant allocations were salaries and related expenses which were allocated based on time and effort, contracted services and other expenses were allocated based on usage between program and support services.

Leases

The Organization leases building space. The Organization determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets and lease liabilities on the statement of financial position.

ROU assets represent the right to use an underlying asset for the lease term and lease liabilities represent the obligation to make lease payments arising from the lease. Operating lease right-of-use ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most leases do not imply an implicit rate, a risk-free rate is used based on the information available at commencement date in determining the present value of lease payments. Operating lease ROU assets also includes any lease payments made and excludes lease incentives. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense is recognized on a straight-line basis over the lease term.

**AGING & COMMUNITY SERVICES OF SOUTH CENTRAL INDIANA, INC
(A MEMBER OF THRIVE ALLIANCE)**

**Notes to Financial Statements
(Continued)**

NOTE 1 NATURE OF THE ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Leases - continued

The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

In evaluating contracts to determine if they qualify as a lease, the Organization considers factors such as if they have obtained substantially all of the rights to the underlying asset through exclusivity, if they can direct the use of the asset by making decisions about how and for what purpose the asset will be used and if the lessor has substantive substitution rights. This evaluation may require significant judgment.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of the revenues, expenses, gains, losses and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of Indiana law. However, the Organization is subject to federal income tax on any unrelated business taxable income.

The Organization's IRS Forms 990 are subject to review and examination by federal and state authorities. The Organization believes it has appropriate support for any tax positions taken, and therefore, does not have any uncertain income tax positions that are material to the financial statements.

Subsequent Event Evaluation

In preparing its financial statements, the Organization has evaluated events subsequent to the statement of financial position date through February 15, 2024, which is the date the financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY

At June 30, 2023 and 2022 financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the statement of financial position date, comprised the following:

	2023	2022
Cash	\$ 608,120	\$ 1,065,076
Grants receivable	1,300,595	926,727
Accounts receivable	143,366	163,637
	\$ 2,052,081	\$ 2,155,440

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

AGING & COMMUNITY SERVICES OF SOUTH CENTRAL INDIANA, INC
(A MEMBER OF THRIVE ALLIANCE)

Notes to Financial Statements
(Continued)

NOTE 3 BOARD DESIGNATED CASH

The Organization utilizes a third party to handle unemployment claims. Quarterly deposits are made into the account based on the projected unemployment claims as established by the third party. In 2014, the third party stated that excess funds held in the account could be returned to the Organization if not needed. The Board is currently leaving the cash in the account with the third party for use on future unemployment claims.

NOTE 4 GRANT REVENUE AND RECEIVABLE

The Organization's grant revenue and related receivables at June 30, 2023 and 2022 consisted of the following:

June 30, 2023	Federal Assistance Listing No.	Revenue 06/30/2023	Collections 06/30/2023	Receivable 06/30/2023

Notes to Financial Statements
(Continued)

NOTE 5 OPERATING LEASES (Continued)

Other information related to the operating leases is as follows:

Operating cash flows:	\$ 156,630
Weighted average remaining lease term:	1.33 years
Weighted average discount rate:	2.84%

Future lease payments under leases as of June 30, 2023 is as follows:

2024	\$ 154,440
2025	<u>51,480</u>
Total lease payments	205,920
Less present value discount	<u>(3,607)</u>
Present value of lease liability	<u><u>\$ 202,313</u></u>

Lease disclosures for the year ended June 30, 2022

The Organization leases their administrative office and outreach offices under noncancelable operating leases that expire in various years through October 2024. Total rental expense for the years ended June 30, 2022 was approximately \$198,000. Future annual minimum lease payments at June 30, 2023 were approximately \$191,000 in 2023, \$154,000 in 2024 and \$51,000 in 2025.

NOTE 6 RELATED PARTY TRANSACTIONS

In 2013, the Organization and Housing Partnerships, Inc. (HPI) formed a supporting organization called Thrive Alliance. The Organization and HPI remain separate entities. The executive director of the Organization is contracted to be HPI's executive director with a portion of the executive director's time to be billed back to HPI.

Amounts due from HPI totaled \$37,883 and \$14,812 as of June 30, 2023 and 2022 respectively and is included in account receivable. Total transactions for 2023 and 2022 were \$92,384 and \$94,174, respectively.

**Notes to the Schedule of Expenditures of Federal Awards
Year Ended June 30, 2023**

NOTE 1 BASIS OF PRESENTATION

The schedule of expenditures of federal awards includes the federal grant activity of the Organization for the year ended June 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented on this schedule may differ from those amounts presented, or used in, the preparation of the basic financial statements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures on the schedule are reported on the accrual basis of accounting in accordance with generally accepted accounting principles. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3 INDIRECT COST RATE

The Organization has elected not to use the 10% de minimis indirect cost rate allowed under Uniform Guidance.

**Independent Auditors' Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards**

Board of Directors
Aging & Community Services of South Central Indiana, Inc.
Columbus, Indiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Aging & Community Services of South Central Indiana, Inc. (the Organization), which comprise the statement of financial position as June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 15, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Independent Auditors' Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*
(Continued)**

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable of any other purpose.

**Independent Auditors' Report on Compliance for Each Major Program
and on Internal Control over Compliance Required by the Uniform Guidance**

Board of Directors
Aging & Community Services of South Central Indiana, Inc.
Columbus, Indiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Aging & Community Services of South Central Indiana, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Organization's compliance with the requirements of each major federal program as a whole.

**Independent Auditors' Report on Compliance for Each Major Federal Program
and on Internal Control over Compliance Required by Uniform Guidance
(Continued)**

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
