As authorized under Indiana Code 5-11-1, we performed certain procedures to the accounting records and related documents of the Monroe Central School Corporation, Extracurricular Accounts (School ECAs), for the period of July 1, 2021 to June 30, 2023. The objective of this engagement was to determine compliance with applicable Indiana laws, regulations, and uniform compliance guidelines (Guidelines) established by the Indiana State Board of Accounts pursuant to Indiana Code 5-11-1-24. The objective of this engagement is not to opine on compliance or financial activity of the School ECAs as this engagement was not conducted in accordance with any standards established by an authoritative standard setting body, and, as such, we do not provide any opinions on compliance or financial activity.

Management is responsible for preparing and maintaining its accounting records and related documents in accordance with applicable Indiana laws, regulations, and Guidelines. Management's responsibility also includes, but is not limited to, complying with other applicable Indiana laws, regulations, and Guidelines concerning how it operates: authorized sources and uses of funds and what reports are required to be prepared and filed.

We fulfilled our responsibility as detailed in the first paragraph, by applying procedures over cash, receipts, and disbursements. Expanding the scope and nature of these procedures can and does occur in specific circumstances.

The Comments contained herein, if any, describe the identified reportable instances of noncompliance found during our engagement. Our procedures were not designed to identify all instances of noncompliance; therefore, noncompliance may exist that is unidentified. Any Official Response to the Comments incorporated within this report was not verified for accuracy.
