Board of Directors
Mental Health Association in Indiana, Inc.
d/b/a Mental Health America of Indiana
Marion County, Indiana

We have reviewed the audit report of Mental Health Association in Indiana, Inc. d/b/a Mental Health America of Indiana, which was opined upon by Blue & Co., LLC, Independent Public Accountants, for the period July 1, 2022 to June 30, 2023. Per the *Independent Auditor's Report* the financial statements included in the report present fairly the financial condition of Mental Health America in Indiana, Inc. d/b/a Mental Health America of Indiana as of June 30, 2023 and the results of its operations for the period then ended, on the basis of accounting described in the report.

We call your attention to the finding included in the report on pages 25 and 26. Please see the Schedule of Findings and Questioned Costs for complete details related to the finding. Management's Corrective Action Plan appears on page 28.

In our opinion, Blue & Co., LLC prepared the audit report in accordance with the guidelines established by the Indiana State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

Tammy R. White, CPA
Deputy State Examiner

REPORT OF INDEPENDENT AUDITORS

Board of Directors
Mental Health America of Indiana, Inc.
Indianapolis, Indiana

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Mental Health Association in Indiana, Inc. d/b/a Mental Health America of Indiana, Inc. (the Organization), a nonprofit organization, which comprise the consolidated statements of financial position as of June 30, 2023 and 2022, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources, issued by the Indiana State Board of Accounts. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Board of Directors
Mental Health America of Indiana, Inc.
Indianapolis, Indiana

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Board of Directors
Mental Health America of Indiana, Inc.
Indianapolis, Indiana

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidated schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the consolidated schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 24, 2025 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the *Government Auditing Standards* internal control over financial reporting and compliance.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The consolidated financial statements include the accounts of Mental Health Association in Indiana, Inc. d/b/a Mental Health America of Indiana, Inc., (MHAI), Indiana Mental Health Memorial Foundation, Inc. (Foundation) and Community Addiction Services of Indiana, Inc. known as Emberwood Center (Emberwood), collectively referred to as the "Organization". These entities are incorporated as a nonprofit corporations under the laws of the State of Indiana. The Organization's mission is to work for Indiana's mental health and victory over mental illness. This is achieved through programs that provide prevention, education, counseling, crisis, recovery and other services related to mental health.

The significant accounting policies followed by the Organization in the preparation of its consolidated financial statements are summarized below.

Principles of Consolidation

The consolidated financial statements include the accounts of the wholly controlled subsidiaries of MHAI, Foundation and Emberwood. All material inter-company transactions and accounts have been eliminated in the consolidated financial statements.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers highly liquid investments available for operating purposes with an original maturity of 90 days or less to be cash and cash equivalents. The Organization maintains its cash in bank deposit accounts which at times may exceed federally insured limits. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Program and Grants Receivable

The Organization records outstanding/invoiced program and grants as receivables. The Organization expects receipt for these receivables within the next year according to contracts and related agreements. As of June 30, 2023 and 2022, grants receivable were approximately \$6,289,000 and \$3,645,000, respectively. No allowance was deemed necessary for these receivables as of June 30, 2023 and 2022. Program and grants receivable approximated \$1,399,000 as of July 1, 2021.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Property, Equipment, and Depreciation

Property and equipment are stated at cost. Donated items are recorded at fair value at the date of the donation. Costs of improvements are capitalized, and costs of repairs and maintenance are expensed as incurred. Depreciation is recorded over the estimated useful lives of the assets utilizing the straight-line method. The lives of these assets range from 3 to 30 years.

Investments and Investment Return

Investments consist of cash, equity securities, mutual funds, corporate bonds, and government securities which are reported at fair value. Investment return, net of any investment expenses, includes interest, dividends and net realized and unrealized gains and losses which are reported as nonoperating gains (losses) in the statements of activities and changes in net assets. Interest income is recorded on the accrual basis.

Deferred Revenue

Deferred revenue consists of membership dues and refundable advances from members and grantors. As of July 1, 2021, deferred revenue approximated \$703,000.

Consolidated Financial Statement Presentation and Net Assets

The accompanying consolidated financial statements have been prepared on the accrual basis and have been prepared with a focus on the entity as a whole. Net assets, support, revenues, gains, and losses are classified based on the existence or absence of donor restrictions. Accordingly, the net assets of the Organization are classified and reported as follows:

- Net assets without donor restrictions: Net assets that are currently available for operating purposes under the direction of the board or designated by the board for specific use.
- Net assets with donor restrictions: Net assets subject to donor stipulations for specific operating purposes or time restrictions. These include donor restrictions requiring the net assets be held in perpetuity or for a specified term with investment return available for operations or specific purposes. As of June 30, 2023 and 2022, the Organization did not have any net assets with donor restrictions.

Membership and Program Fees

Membership fees are paid by members for three distinct benefits: advocacy efforts, member services, and discounted annual conference and program fees. These dues are recognized as contract liabilities at the time they are received and recognized as revenues as performance obligations over the membership period.

Program fees (including event sponsorships and event registrations) are recognized as contract liabilities when received and recognized as revenue in the period in which the program occurs. To the extent receipt of fee has not occurred as of the program, a receivable is accrued. These fees are recognized as the performance obligations are satisfied over the period of time that the event occurs. There are no significant financing components and no variable consideration with regard to these fees.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Contributions and Public Support

The Organization recognizes contributions and public support when cash or other assets are received. Conditional promises to give, that is, those with a measurable performance or other barrier and a right of return, are not recognized until the conditions on which they depend have been met.

The Organization receives cost-reimbursable federal and state grants for providing services in specific program areas. Federal and state grants are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Receipt of these funds is subject to the fulfillment of certain obligations by the Organization as prescribed by these programs and funds may be subject to repayment upon a determination of noncompliance made by a funding agency. The receipt of future revenues by the Organization is subject to among other factors, federal and state policies, economic conditions that may include an inability to control expenses in periods of inflation, increased competition, market pressures and other conditions which are impossible to predict. Amounts received prior to incurring qualifying expenditures are reported as deferred revenue in the statements of financial position.

The Organization reports gifts of land, buildings, and equipment as support without donor restriction unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Donor and time restrictions that are met in the same period as they are received are reported as net assets without donor restrictions.

Income Taxes

The consolidated entities of the Organization are organized as a not-for-profit corporation under Section 501(c)(3) of the United States Internal Revenue Code. As such, the Organization is generally exempt from federal and state income taxes. However, the Organization is required to file Federal Form 990 – Return of Organization Exempt from Income Tax, which is an informational return only.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability if they have taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Organization and has concluded that as of June 30, 2023 and 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying consolidated financial statements. The Organization is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Organization has filed its Federal Form 990 tax returns through June 30, 2023. These income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions).

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Functional Expenses Allocation

The costs of providing program and supporting services have been summarized on a natural basis in the consolidated statements of activities and changes in net assets and have been summarized on a functional basis in the consolidated statements of functional expenses. Certain costs have been allocated among one program, general and administrative and fundraising categories based on actual direct expenditures incurred and cost allocations based upon time and effort spent by the Organization's personnel, which primarily include salaries and wages, employee benefits, professional fees, travel and related expenses. The other expenses that are allocated include insurance, rent and leases, repairs and maintenance, supplies, utilities, interest, depreciation, and other, which are allocated based on a ratio of total direct expenses charged to the category to total expenses. Although the methods used were appropriate, alternative methods may provide different results.

Retirement Plan

The Organization maintains a contributory defined contribution plan, which covers employees who meet certain eligibility requirements and provides a profit-sharing contribution by the Organization. The Organization recognized retirement plan expense of approximately \$27,000 and \$9,000 for 2023 and 2022, respectively.

Subsequent Events

The Organization has evaluated events or transactions occurring subsequent to the financial position date for recognition and disclosure in the accompanying consolidated financial statements through the date the consolidated financial statements were available to be issued which is April 24, 2025.

2. CHANGE IN ACCOUNTING PRINCIPLE

On July 1, 2022, the Organization adopted the new lease accounting standard issued by the Financial Accounting Standards Board (FASB) and codified in the Accounting Standards Codification (ASC) as Topic 842 (ASC 842). The lease standard in ASC 842 intended to improve financial reporting about leasing transactions. The Organization applied the modified retrospective approach to all lease agreements when adopting ASC 842. In addition, the Organization elected the available practical expedients to account for its existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether any expired or existing contracts contain a lease, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs, if any, before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement. In addition, the Organization elected the hindsight practical expedient to determine the lease term for existing leases as well as the short-term lease exemption practical expedient which excludes leases with a term of twelve months or less at commencement date. The Organization's adoption of ASC 842 did not have a significant impact on the accompanying consolidated financial statements.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

3. PROPERTY AND EQUIPMENT

Property and equipment consist of the following as of June 30, 2023 and 2022:

| | 2023 | 2022 |
|------------------------------------|---------------------|---------------------|
| Buldings and building improvements | \$ 1,876,000 | \$ 1,858,745 |
| Land and land improvements | 294,697 | 294,697 |
| Furnishings and equipment | 146,190 | 146,190 |
| Software | 234,797 | 190,771 |
| Construction in process | -0- | 24,410 |
| Less accumulated depreciation | 1,450,576 | 1,323,930 |
| | <u>\$ 1,101,108</u> | <u>\$ 1,190,883</u> |

There were no significant commitments related to property and equipment as of June 30, 2023.

4. INVESTMENTS

Investments, at fair value, consist of the following as of June 30, 2023 and 2022:

| | 2023 | 2022 |
|---------------------------|---------------------|---------------------|
| Cash | \$ 29,341 | \$ 32,729 |
| Equity securities | 221,256 | 190,887 |
| Equity mutual funds | 565,538 | 470,724 |
| Fixed income mutual funds | 193,529 | 221,771 |
| Corporate bonds | 35,108 | 34,964 |
| Government securities | 56,817 | 58,425 |
| | <u>\$ 1,101,589</u> | <u>\$ 1,009,500</u> |

Investment return consists of the following for 2023 and 2022:

| | 2023 | 2022 |
|---------------------------|------------------|---------------------|
| Unrealized gains (losses) | \$ 52,272 | \$ (237,122) |
| Realized gains | 13,050 | 29,148 |
| Interest and dividends | 39,762 | 56,433 |
| Investment fees | (12,641) | (13,811) |
| | <u>\$ 92,443</u> | <u>\$ (165,352)</u> |

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

5. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2023 and 2022:

- *Equity securities*: Valued at the closing price reported on the active market on which the individual securities are traded.
- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Organization are open-end mutual funds registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Organization are actively traded.
- *Corporate bonds*: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.
- *Government securities*: Valued using pricing models maximizing the use of observable inputs for similar securities.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Assets measured at fair value on a recurring basis as of June 30, 2023 and 2022 are as follows:

| | June 30, 2023 | | | |
|---------------------------|---------------|------------|-----------|---------|
| | Total | Level 1 | Level 2 | Level 3 |
| Assets | | | | |
| Investments | | | | |
| Equity securities | \$ 221,256 | \$ 221,256 | \$ -0- | \$ -0- |
| Equity mutual funds | 565,538 | 565,538 | -0- | -0- |
| Fixed income mutual funds | 193,529 | 193,529 | -0- | -0- |
| Corporate bonds | 35,108 | -0- | 35,108 | -0- |
| Government securities | 56,817 | -0- | 56,817 | -0- |
| | 1,072,248 | \$ 980,323 | \$ 91,925 | \$ -0- |
| Cash | 29,341 | | | |
| Total investments | \$ 1,101,589 | | | |

| | June 30, 2022 | | | |
|---------------------------|---------------|------------|-----------|---------|
| | Total | Level 1 | Level 2 | Level 3 |
| Assets | | | | |
| Investments | | | | |
| Equity securities | \$ 190,887 | \$ 190,887 | \$ -0- | \$ -0- |
| Equity mutual funds | 470,724 | 470,724 | -0- | -0- |
| Fixed income mutual funds | 221,771 | 221,771 | -0- | -0- |
| Corporate bonds | 34,964 | -0- | 34,964 | -0- |
| Government securities | 58,425 | -0- | 58,425 | -0- |
| | 976,771 | \$ 883,382 | \$ 93,389 | \$ -0- |
| Cash | 32,729 | | | |
| Total investments | \$ 1,009,500 | | | |

The Organization holds investments which are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying consolidated financial statements.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

6. LIQUIDITY AND AVAILABILITY OF RESOURCES

The Organization's financial assets available and liquidity resource available for general expenditure within one year of the June 30, 2023 and 2022 statement of financial position dates are as follows:

| | <u>2023</u> | <u>2022</u> |
|---|---------------------|---------------------|
| Financial assets | | |
| Cash and cash equivalents | \$ 462,289 | \$ 69,507 |
| Program and grants receivable | 6,289,245 | 3,644,645 |
| | <u>6,751,534</u> | <u>3,714,152</u> |
| Liquidity resource | | |
| Bank line of credit (\$-0- in use as of June 30, 2023 - matures in March 2026) | <u>335,000</u> | <u>53,000</u> |
| Total financial assets and liquidity resource | <u>\$ 7,086,534</u> | <u>\$ 3,767,152</u> |

As part of the Organization's liquidity management, it has a policy to structure financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Organization periodically invests excess cash in investments. The Organization has no plans to liquidate investments for general expenditure.

7. LINE OF CREDIT

In February 2022, the Organization entered into a revolving line of credit agreement with a principal amount not to exceed \$335,000. At June 30, 2023 and 2022, the balance on the line of credit was \$-0- and \$282,000, respectively. The line of credit bears variable interest at prime rate plus 1.00% per annum. As of June 30, 2023, the interest rate was 8.50%. Borrowings are collateralized by substantially all assets of the Organization. The line of credit expires on March 31, 2026.

8. LONG-TERM DEBT

In April 2015, the Organization entered into a mortgage agreement for the main building with principal amount of \$291,000. At June 30, 2023 and 2022, the balance on the mortgage loan was approximately \$161,000 and \$181,000, respectively. The mortgage loan features monthly principal and interest, fixed at 5.20% per annum, payments for the 180-month period beginning April 2015 through April 2030. The promissory note is secured by property and equipment with a net book value of approximately \$160,000 as of June 30, 2023.

In October 2020, the Organization entered into a mortgage agreement for the Carriage House with principal amount of \$139,000. At June 30, 2023 and 2022, the balance on the mortgage loan was approximately \$109,000 and \$121,000, respectively. The mortgage loan features monthly principal and interest, fixed at 4.90% per annum, payments for the 120-month period beginning November 2020 through November 2030. The promissory note is secured by property and equipment with a net book value of approximately \$109,000 as of June 30, 2023.

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS JUNE 30, 2023 AND 2022

Scheduled future payments of long-term debt are as follows:

| Year Ending December 31, | | |
|-----------------------------|----|----------------|
| 2024 | \$ | 32,611 |
| 2025 | | 34,699 |
| 2026 | | 36,530 |
| 2027 | | 38,458 |
| 2028 | | 40,473 |
| Thereafter | | 87,806 |
| | \$ | <u>270,577</u> |

9. PUBLIC SUPPORT

The Organization received approximately 85% and 82% of its total revenue, gains and support for 2023 and 2022, respectively, from public support. The majority of the public support revenue for 2023 and 2022, was received directly from the federal government or passed through the State of Indiana. Grants receivable related to the public support approximated 70% and 61% of total assets as of June 30, 2023 and 2022, respectively. In the event that this public support was to be significantly reduced or eliminated, it is likely that the Organization would need to reduce its current operations.

The Organization does not expect in any way that the support from these sources will be lost in the near term. Public support for 2023 and 2022 consists of the following:

| | 2023 | 2022 |
|--|----------------------|---------------------|
| Public support | | |
| US Department of Health and Human Services | \$ 10,035,488 | \$ 6,488,472 |
| State of Indiana | 1,496,880 | 284,116 |
| Other | 365,866 | 511,322 |
| Total public support | <u>\$ 11,898,234</u> | <u>\$ 7,283,910</u> |

MENTAL HEALTH AMERICA OF INDIANA, INC.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS YEAR ENDED JUNE 30, 2023

1. BASIS OF PRESENTATION

The accompanying consolidated schedule of expenditures of federal awards (SEFA) includes the federal award activity of Mental Health Association in Indiana, Inc. d/b/a Mental Health America of Indiana, Inc. (the Organization) under programs of the federal government for the year ended June 30, 2023. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the SEFA presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, functional expenses, or cash flows of the Organization.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the SEFA are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

3. SUBRECIPIENTS

The Organization did not pass-through federal awards to subrecipients during the year ended June 30, 2023.

**REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL REPORTING
 AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
 PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
 Mental Health America of Indiana, Inc.
 Indianapolis, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources, issued by the Indiana State Board of Accounts, the consolidated financial statements of Mental Health Association in Indiana, Inc. d/b/a Mental Health America of Indiana (the Organization), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated April 24, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2023-001, that we consider to be a significant deficiency.

Board of Directors
Mental Health America of Indiana, Inc.
Indianapolis, Indiana

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Organization's Response to Findings

Government Auditing Standards require the auditor to perform limited procedures on the Organization's response to the findings identified in our audit and described in the accompanying schedule of findings and questioned costs. The Organization's response was not subjected to the other auditing procedures applied in the audit of the consolidated financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE FOR EACH MAJOR PROGRAM
 AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

Board of Directors
 Mental Health America of Indiana, Inc.
 Indianapolis, Indiana

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited Mental Health Association in Indiana, Inc. d/b/a Mental Health America of Indiana's (the Organization) compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2023. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above is that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

Basis for Opinion on Each Major Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgement made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Organization's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Board of Directors
Mental Health America of Indiana, Inc.
Indianapolis, Indiana

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

MENTAL HEALTH AMERICA OF INDIANA, INC.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED JUNE 30, 2023

Section I - Summary of audit results:

Financial Statements

Type of auditor's report issued: Unmodified

Internal control over financial reporting:

Material weakness(es) identified? yes no

Significant deficiency(ies) identified that are not considered to be material weakness(es)? yes none reported

Noncompliance material to financial statements noted? yes no

Federal Awards

Internal controls over major programs:

Material weakness(es) identified? yes no

Significant deficiency(ies) identified that are not considered to be material weakness(es)? yes none reported

Type of auditor's report issued on compliance for major programs: Unmodified

Any audit findings disclosed that are required to be reported in accordance with 2 CFR section 200.516(a)? yes no

Identification of major programs:

| <u>Federal Assistance Listing Number</u> | <u>Name of Federal Programs or Clusters</u> |
|--|--|
| 21.027 | Coronavirus State and Local Fiscal Recovery Funds |
| 93.788 | Opioids/Stimulant Misuse Training and Education Outreach |

Dollar threshold used to distinguish between type A and B programs: \$750,000

Auditee qualified as low-risk auditee? yes no

Section II – Findings related to consolidated financial statements reported in accordance with Government Auditing Standards:

Finding 2023-001 – Financial Close and Reporting and Delay in Reporting – Significant Deficiency

Criteria – Management is responsible for establishing and maintaining effective internal control over financial reporting inclusive of meeting reporting deadlines as part of the closing process.

MENTAL HEALTH AMERICA OF INDIANA, INC.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS YEAR ENDED JUNE 30, 2023

Additionally, per Title 2, Appendix VII, the data collection form should be submitted within a nine-month period subsequent to June 30, 2023.

Condition and Context – The Organization’s June 30, 2023 consolidated financial statements closing process experienced delays due to certain turnover in management, capacity constraints, and a delay in engaging and independent auditor and the Organization did not meet their reporting deadline of March 31, 2024.

Cause – The Organization’s controls over financial close and reporting did not operate effectively during the year ended June 30, 2023.

Effect – The financial close and the data collection form were not submitted in a timely manner.

Recommendation – We recommend management strengthen its existing policies and procedures surrounding financial close and reporting, including prioritizing risks based on their potential impact on the timeliness of financial reporting. Management should also clearly define responsibilities related to the financial reporting process.

Management’s Response – While it did not impact the accuracy of the consolidated financial statements, management agrees with the recommendation to strengthen existing policies and procedures surrounding financial close and reporting. During 2024 and 2025, the Organization has adopted stronger close processes to ensure the timeliness and accuracy of reporting. The Organization has adopted policies which include:

- Month-end check lists that ensure completeness of general ledger transactions
- Month-end, quarter-end and year-end deadlines that ensure timeliness of financial reporting
- Additional oversight, through the hiring of an Accounting Manager, that ensures accuracy of GAAP reporting

Section III – Findings and questioned costs relating to Federal awards:

None reported

Section IV – Summary schedule of prior audit findings:

Finding 2022-001 – Financial Close and Reporting and Delay in Reporting – Significant Deficiency

Condition – The Organization’s June 30, 2022 consolidated financial statements closing process experienced delays due to certain turnover in management, capacity constraints, and a delay in engaging and independent auditor and the Organization did not meet their reporting deadline of March 31, 2024.

Recommendation – We recommend management strengthen its existing policies and procedures surrounding financial close and reporting, including prioritizing risks based on their potential impact on the timeliness of financial reporting. Management should also clearly define responsibilities related to the financial reporting process.
