As authorized under Indiana Code 5-11-1, we performed certain procedures to the accounting records and related documents of the Rome City Conservancy District (District), for the period of January 1, 2019 to December 31, 2022. The objective of this engagement was to determine compliance with applicable Indiana laws, regulations, and uniform compliance guidelines (Guidelines) established by the Indiana State Board of Accounts pursuant to Indiana Code 5-11-1-24. The objective of this engagement is not to opine on compliance or financial activity of the District as this engagement was not conducted in accordance with any standards established by an authoritative standard setting body, and, as such, we do not provide any opinions on compliance or financial activity.

Management is responsible for preparing and maintaining its accounting records and related documents in accordance with applicable Indiana laws, regulations, and Guidelines. Management's responsibility also includes, but is not limited to, complying with other applicable Indiana laws, regulations, and Guidelines concerning how it operates: authorized sources and uses of funds; what reports are required to be prepared and filed; and what depositories and investment types are allowable.

We fulfilled our responsibility as detailed in the first paragraph, using procedures that verified the appropriate accounting for and reporting of cash, receipts, and disbursements; and the appropriate sources and uses of funds in accordance with applicable Indiana laws, regulations, and Guidelines. Expanding the scope and nature of these procedures can and does occur in specific circumstances.

The Comments contained herein, if any, describe the identified reportable instances of noncompliance found during our engagement.
