TO: THE OFFICIALS OF THE TOWN OF MONON, WHITE COUNTY, INDIANA

This report is supplemental to the audit report of the Town of Monon (Town), for the period from January 1, 2020 to December 31, 2023. It has been provided as a separate report so that the reader may easily identify any Audit Results and Comments that pertain to the Town. It should be read in conjunction with the Financial Statements Audit Report of the Town, which provides our opinions on the Town's financial statements. This report may be found at www.in.gov/sboa/.

As authorized under Indiana Code 5-11-1, we performed procedures to determine compliance with applicable Indiana laws and uniform compliance guidelines established by the Indiana State Board of Accounts. The Audit Results and Comments contained herein describe the identified reportable instances of noncompliance found as a result of these procedures. Our tests were not designed to identify all instances of noncompliance; therefore, noncompliance may exist that is unidentified.

Any Official Response to the Audit Results and Comments, incorporated within this report, was not verified for accuracy.

Beth Kelley, CPA, CFE
Deputy State Examiner

AUDIT RESULTS AND COMMENTS

CARES ACT FUND

Condition and Context

The Town had not properly accounted for the Coronavirus Relief Fund (CRF) in accordance with the options outlined in State Examiner Directive 2020-3.

- The Town did not properly establish a separate CARES grant fund for the CRF grant that followed the uniform chart of accounts.
- Reimbursements from the Indiana Finance Authority (IFA) were receipted into the General Fund instead of a designated CARES grant fund.
- Expenditures were paid in 2020 from various funds as follows:
 - General Fund - \$1,959
 - Park and Recreation - Operating - \$692
 - LIT-Economic Development (formerly CEDIT) - \$164
 - Wastewater Operating - \$101
 - Civic Center - \$75

The funds above were not reimbursed for expenditures except for the General Fund.

Criteria

Each local unit of government that receives an allocation from the Coronavirus Relief Fund administered by IFA shall establish a separate CARES grant fund with a fund number consistent with memorandum *Accounting and Appropriation of COVID-19 Grants, April 29, 2020* (updated September 29, 2020).

All Reimbursements received from IFA shall be receipted into a separate CARES grant fund that is specific to IFA reimbursements. . . .

Transactions for public health and safety payroll costs must be accounted for through one of these two prescribed options.

Option One. Reimbursements received from IFA shall be receipted into the separate CARES grant fund. The reimbursed amount for public health and safety payroll costs originally incurred in the general fund (or other fund) will be moved to the separate CARES grant fund through a reversing entry. This action will reinstate the general fund (or other fund) cash balance and re-appropriate the general fund (or other fund) in a similar manner to IC 6-1.1-18-9(1) for those disbursements. This reversal must be done in the same budget year that the original transaction was posted.

CLERK-TREASURER
TOWN OF MONON
AUDIT RESULTS AND COMMENTS
(Continued)

Once the disbursement is reversed within the general fund (or other fund), it must be posted as a disbursement in the separate CARES grant fund. Documentation must be maintained so the audit trail can be followed. The accounting system must tie the original claim for the disbursement to the separate CARES grant fund by specific reference or notation in a comment section.

Once option one is completed, the cash balance of the separate CARES grant fund will be zero. **No money shall remain in the separate CARES grant fund. . . .**

Option Two. Reimbursements received from IFA shall be receipted into the separate CARES grant fund. A claim will be created against the separate CARES grant fund for the reimbursed amount in favor of the general fund. This claim must be supported by documentation of the public health and safety payroll costs that have been expensed from the general fund or other funds.

The amount of the claim will be receipted into the general fund cash balance. Normal appropriation procedures will apply to these funds.

Once option two is completed, the cash balance of the separate CARES grant fund will be zero. **No money shall remain in the separate CARES grant fund. This option requires a resolution or ordinance as detailed in the memorandum CARES Reimbursement of Public Health and Safety Payroll Costs, September 30, 2020. . . .**

Transactions for other permitted costs reimbursed by IFA must be accounted for through one of the following prescribed frameworks.

Framework One. Reimbursements received from IFA shall be receipted into the separate CARES grant fund. Reimbursed disbursements originally incurred in another fund will be moved to the separate CARES grant fund through a reversing entry. This action will reinstate the fund cash balance and reappropriate the fund in a similar manner to IC 6-1.1-18-9(1) for those disbursements. This reversal must be done in the same budget year that the original transaction was posted.

Once the disbursement is reversed within the original fund, it must be posted as a disbursement in the separate CARES grant fund. Documentation must be maintained so the audit trail can be followed. The accounting system must tie the original claim for the disbursement to the separate CARES grant fund by specific reference or notation in a comment section.

Once these steps are completed, the balance of the separate CARES grant fund will be zero. **No money shall remain in the separate CARES grant fund. . . .**

Framework Two. If IFA has provided reimbursement based on unpaid invoices or purchase orders, then reimbursements received from IFA shall be receipted into the separate CARES grant fund. The expenditures to vendors will be made through the CARES grant fund and these expenditures must match the application made to IFA. If the actual invoice or invoices relating to a purchase order is less than the purchase order, then the difference in the money expended to the vendor and the amount received for the purchase order from IFA must be returned to IFA. The items on the invoice must match the items on the purchase order. All documentation must be maintained.

Once these steps are completed, the balance of the separate CARES grant fund will be zero. **No money shall remain in the separate CARES grant fund. . . .**

CLERK-TREASURER
TOWN OF MONON
AUDIT RESULTS AND COMMENTS
(Continued)

Framework Three. If you have created a negative balance in your CARES fund based on expenditures made in anticipation of receipt of reimbursement for allowable expenditures where invoices have already been submitted to IFA then leave as is and receipt reimbursement when received, bringing the balance in the separate CARES grant fund to zero. Going forward, expend any anticipated allowable expenditures from a fund with an appropriation and follow framework one. If a negative balance in the CARES grant fund is not fully reimbursed, then the unreimbursed amount will require a reverse entry and posting of the expenditure to the general or other appropriate fund within an appropriated line item.

Once these steps are completed, the balance of the separate CARES grant fund will be zero. **No money shall remain in the separate CARES grant fund.** . . .

(State Examiner Directive 2020-3)

INTERNAL CONTROLS

The same comment also appeared in prior Report B55239.

Condition and Context

There were deficiencies in the internal control system of the Town related to financial transactions and reporting. The Town had not separated incompatible activities related to payroll disbursements. The Clerk-Treasurer independently prepared the payroll and recorded payroll disbursements without a system of oversight or review to ensure accuracy.

Criteria

The Indiana State Board of Accounts (SBOA) is required under Indiana Code 5-11-1-27(e) to define the acceptable minimum level of internal control standards. To provide clarifying guidance, the State Examiner compiled the standards contained in the manual, *Uniform Internal Control Standards for Indiana Political Subdivisions*. All political subdivisions subject to audit by SBOA are expected to adhere to these standards. The standards include adequate control activities. According to this manual:

"Control activities are the actions and tools established through policies and procedures that help to detect, prevent, or reduce the identified risks that interfere with the achievement of objectives. Detection activities are designed to identify unfavorable events in a timely manner whereas prevention activities are designed to deter the occurrence of an unfavorable event. Examples of these activities include reconciliations, authorizations, approval processes, performance reviews, and verification processes.

An integral part of the control activity component is segregation of duties. . . .

There is an expectation of segregation of duties. If compensating controls are necessary, documentation should exist to identify both the areas where segregation of duties are not feasible or practical and the compensating controls implemented to mitigate the risk. . . ."

CLERK-TREASURER
TOWN OF MONON
EXIT CONFERENCE

The contents of this report were discussed on April 22, 2024, with Annette Sipkema, Clerk-Treasurer; Timothy L. Brown, former Clerk-Treasurer; Ken Hickman, President of the Town Council; Toni Onken, Town Council member; and Jamie Myers, Town Council member.
