AUDIT RESULTS AND COMMENTS  
JULY 1, 2023 TO JUNE 30, 2024**

**AVERAGE DAILY MAINTENANCE (ADM) TESTING – ENROLLMENT**

Enrollment documents are required to be maintained by the Indiana Department of Education (IDOE) for each student. In addition, the School has adopted a policy requiring additional documents to be obtained at enrollment. The process used did not result in maintaining consistent and complete enrollment records for 7 students of the 60 tested for enrollment. It was noted in testing that 7 out of 60 students did not have a birth certificate on file.

Officials shall maintain records (enrollment applications, attendance records, reporting forms, etc.) which substantiate the number of students claimed for ADM. A student claimed for ADM must be an “eligible pupil.” An eligible pupil is a student that is enrolled and attending. IC 20-43-1-11.5 defines “Enrolled” as registered with a school corporation to attend educational programs offered by or through the school corporation; and attending these educational programs or receiving education services. IC 20-43-1-7.5 defines “Attending” as physical or virtual presence of a student with the expectation of continued services in the education programs for which the student is registered.

Records such as paper or electronic enrollment applications, as well as copies of birth certificates and attendance records, etc., as determined by policy or normal practice by the School should be maintained.
