INDEPENDENT ACCOUNTANT'S REPORT

TO: THE OFFICIALS OF THE KANKAKEE RIVER BASIN COMMISSION, PORTER COUNTY, INDIANA

We have examined the schedules of receipts, disbursements, and cash and investment balances of the Kankakee River Basin Commission (Commission), for the period of January 1, 2004 to December 31, 2005. The Commission's management is responsible for the schedules. Our responsibility is to express an opinion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence supporting the schedule of receipts, disbursements, and cash and investment balances and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion.

In our opinion, the schedules referred to above present fairly, in all material respects, the cash transactions of the Commission for the years ended December 31, 2004 and 2005, based on the criteria set forth in the uniform compliance guidelines established by the Indiana State Board of Accounts.

KANKAKEE RIVER BASIN COMMISSION
NOTES TO SCHEDULES

Note 1. Introduction

The Commission was established under the laws of the State of Indiana (IC 14-30). The Commission coordinates the development of the Kankakee River Basin. The following counties participate in the River Basin: Lake, Porter, LaPorte, St. Joseph, Newton, Jasper, Starke, and Marshall.

Note 2. Fund Accounting

The Commission uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The Commission does not prepare an operating budget.

Note 4. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depositary Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Commission to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.
