The accompanying notes are an integral part of the financial information.

LOST RIVER TOWNSHIP, MARTIN COUNTY
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

LOST RIVER TOWNSHIP
EXAMINATION RESULTS AND COMMENTS

DEPOSIT OF PUBLIC FUNDS

Instances were noted during the 2007 examination, where the Trustee was not making any deposits within the month or was making deposits only once a month.

Indiana Code 5-13-6-1(c) states in part: "The public funds collected by township trustees shall be deposited in the designated depository on or before the first and fifteenth day of each month."

CONDITION OF RECORDS

The following deficiencies relating to the recordkeeping were noted:

- (1) 2007 Record balances were not reconciled to depository balances.

Indiana Code 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance shall agree. If the reconciled bank balance is less than the subsidiary or control ledgers, then the responsible official or employee may be held personally responsible for the amount needed to balance the fund. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

- (2) The Financial and Appropriation Record for 2007 was not posted timely and not adequately maintained, disbursements were not carried to the appropriate budget classification, and approved appropriations were not posted.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

A similar comment was in the prior report.

APPROPRIATIONS

The records presented for examination indicated the following expenditures in excess of budgeted appropriations:

<u>Fund</u>	<u>Year</u>	<u>Excess Amount Expended</u>
Cumulative Fire	2007	<u>\$ 1,000</u>

LOST RIVER TOWNSHIP
EXAMINATION RESULTS AND COMMENTS
(Continued)

Indiana Code 6-1.1-18-4 states in part: ". . . the proper officers of a political subdivision shall appropriate funds in such a manner that the expenditures for a year do not exceed its budget for that year as finally determined under this article."

SUPPORTING DOCUMENTATION

Supporting documentation for disbursements made during 2006 was not presented for examination. More than one-half the payments made during 2007 did not contain adequate supporting documentation, such as receipts, invoices, and other public records. Due to the lack of supporting information, the validity and accountability for some money disbursed could not be established.

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

LIST OF EMPLOYEES NOT FILED WITH COUNTY TREASURER

Officials or employees of the Township had money due from the Township, but a list of such employees was not certified to the County Treasurer.

Indiana Code 6-1.1-22-14(a) states in part: "On or before June 1 and December 1 of each year . . . the disbursing officer of each political subdivision . . . shall certify the names and addresses of each person who has money due from the political subdivision to the treasurer of each county in which the political subdivision is located."

CONFLICT OF INTEREST DISCLOSURE

David Butler performed cemetery care services for the Township and is the spouse of Alice D. Butler, Township Trustee. A Uniform Conflict of Interest Disclosure Statement does not appear to have been filed.

Dale Brown, Township Clerk during 2008, is the spouse of Mildred Brown, Township Board member. A Uniform Conflict of Interest Disclosure Statement does not appear to have been filed.

Indiana Code 35-44-1-3 states in part:

"(a) A public servant who knowingly or intentionally: (1) has a pecuniary interest in; or (2) derives a profit from; a contract or purchase connected with an action by the governmental entity served by the public servant commits conflict of interest, a Class D felony . . ."

"(c) This section does not prohibit a public servant from having a pecuniary interest in or deriving a profit from a contract or purchase connected with the governmental entity served . . . (3) if the public servant; (A) is an elected public servant . . . and (B) makes a disclosure under subsection (d)(1) through (d)(6)."

"(g) A public servant has a pecuniary interest in a contract or purchase if the contract or purchase will result or is intended to result in an ascertainable increase in the income or net worth of: (1) the public servant; or (2) a dependent of the public servant who: (A) is under the direct or indirect administrative control of the public servant; or (B) receives a contract or purchase order that is reviewed, approved, or directly or indirectly administered by the public servant . . ."

"(k) As used in this section, 'dependent' means any of the following: (1) The spouse of a public servant. (2) A child, stepchild, or adoptee (as defined in IC 31-3-4-1) of a public servant who is: (A) unemancipated; and (B) less than eighteen (18) years of age. (3) Any individual more than one-half (2) of whose support is provided during a year by the public servant."

BOARD MINUTES

Minutes of meetings of the governing body were not available for examination.

Indiana Code 5-14-1.5-4(b) states: "As the meeting progresses, the following memoranda shall be kept:

- (1) The date, time, and place of the meeting.
- (2) The members of the governing body recorded as either present or absent.
- (3) The general substance of all matters proposed, discussed, or decided.
- (4) A record of all votes taken, by individual members if there is a roll call.
- (5) Any additional information required under IC 5-1.5-2-2.5 or IC 20-12-63-7.

ANNUAL REPORT

An annual report for calendar year 2007 was not presented for examination.

The Township Trustee's Report of Receipts and Disbursements for the Calendar Year is an abstract report of receipts and disbursements for the calendar year. The annual report shall be prepared, verified, and filed with the State Board of Accounts within 30 days after the close of each fiscal year. The report must be published, within four weeks after the third Tuesday after the first Monday in January, one time in accordance with IC 5-3-1. SALES TAX

Sales tax was paid for some purchases.

Governmental funds generally are exempt from the payment of sales tax on qualifying purchases. Respective tax agencies should always be contacted concerning tax exemptions and payments. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

CAPITAL ASSET RECORDS

Information presented for examination did not indicate an inventory or record of capital assets using Form 369.

Every governmental unit should have a complete inventory of all capital assets owned which reflects their acquisition value. Such inventory should be recorded on the applicable Capital Asset Ledger. A complete inventory should be taken at least every two years for good internal control and for verifying account balances carried in the accounting records. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)
