MONROE TOWNSHIP, PUTNAM COUNTY
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Township on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

PAYROLL DEDUCTIONS

Payments to some employees were made without payroll deductions for taxes.

Political subdivisions are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings, and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Governmental units should file accurate reports required by federal and state agencies. Noncompliance may require corrective action.
