## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
South Central Region 8 Workforce Board, Inc.  
Bloomington, Indiana

We have audited the accompanying statement of financial position of South Central Region 8 Workforce Board, Inc. (the "Organization") as of June 30, 2007 and the related statement of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the South Central Region 8 Workforce Board, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of South Central Region 8 Workforce Board, Inc. as of June 30, 2007, and the changes in its net assets and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 9, 2008 on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over the financial reporting or on compliance. That report is an integral part of an

audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of the Organization taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U. S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations," and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material aspects, in relation to the basic financial statements taken as a whole.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**NATURE OF OPERATIONS**

The South Central Region 8 Workforce Board, Inc. (the “Organization”) is an Indiana non-profit corporation comprised of representatives from the private sector, labor, education, economic development and community based organizations. The Organization provides policy guidance and oversight to the WorkOne system in Indiana's Region 8 Economic Growth Region. The Region 8 Economic Growth Region includes Brown, Daviess, Greene, Lawrence, Martin, Monroe, Orange and Owen counties.

The Organization serves as a catalyst to promote collaborative relationships between business, education, labor, and service providers to support workforce development efforts and regional economic growth. The majority of the Organization’s financial support is received from federal and state government grants that originate with the U.S. Department of Labor and Indiana Department of Workforce Development.

The Organization’s financial management functions are contracted with Crowe Chizek and Company, a private CPA firm, which serves as the fiscal agent for all funding sources.

**BASIS OF ACCOUNTING**

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

**FINANCIAL STATEMENT PRESENTATION**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

For the year ended June 30, 2007, the organization did not have any net assets.

**EXPENSE ALLOCATION**

The costs of providing various programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**SOUTH CENTRAL REGION 8 WORKFORCE BOARD, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2007**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**GOVERNMENT GRANTS**

Support funded by grants is recognized as the Organization performs the contracted services under grant agreements. Grant revenue is recognized as earned as the eligible expenses are incurred. No allowance for uncollectible grants has been recorded. Grant expenditures are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required. Amounts required prior to expenditures being incurred are reflected as unearned revenue on the statement of financial position.

**INCOME TAX STATUS**

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a)(2).

**CONTRIBUTIONS**

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. If a restriction is fulfilled in the same time period in which the contribution is received, the Organization reports the support as unrestricted. The Organization did not receive contributions during the year ended June 30, 2007.

**CONTRIBUTED SERVICES**

Contributions of services are recognized as revenue at their estimated fair value only when the services received create or enhance non-financial assets or require specialized skills possessed by the individuals providing the service and the service would typically need to be purchased if not donated.

No amounts have been reflected in the financial statements for donated services. The Organization pays for most services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs, solicitations, and various committee assignments. The volunteer's time does not meet the requirements for recognition under Statement of Financial Accounting Standards (SFAS) No. 116 "*Accounting for Contributions Received and Contributions Made*".

**SOUTH CENTRAL REGION 8 WORKFORCE BOARD, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2007**

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

**USE OF ESTIMATES**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

**COST ALLOCATION**

Joint costs are allocated to benefiting programs using various allocation methods depending on the type of joint cost being allocated. Joint costs are those costs incurred for the common benefit of all agency programs, which cannot be readily identified with a final cost objective.

**PROPERTY AND EQUIPMENT**

As of June 30, 2007, all property and equipment acquired by the Organization was purchased with funds provided by the State of Indiana and therefore owned by the State of Indiana. Expenditures for maintenance and repairs are expensed when incurred.

**STATEMENT OF FINANCIAL ACCOUNTING STANDARD NO. 144**

SFAS No. 144, "*Accounting for the Impairment or Disposal of Long-Lived Assets*," requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. SFAS No. 144 has not materially affected the Organization's net change in unrestricted net assets, statement of financial position or statement of cash flows.

**NOTE 2 – GRANTS RECEIVABLE**

Grants receivable as of June 30, 2007 consisted of the following:

Indiana Department of Workforce Development

\$ 405,740

**SOUTH CENTRAL REGION 8 WORKFORCE BOARD, INC.**  
**NOTES TO FINANCIAL STATEMENTS**  
**JUNE 30, 2007**

**NOTE 3 – CONCENTRATION OF CREDIT RISK**

The Organization maintains a cash balance at a single bank. The account is insured the Federal Deposit Insurance Corporation up to \$100,000. At times throughout the year, the balance in this account may exceed \$100,000.

The Organization receives a substantial amount of its support from federal and state governments. A significant reduction of the level of support, if this were to occur, may have a significant effect on the Organization's programs and activities.

Financial awards from federal, state and local governmental entities in the form of grants are subject to financial and compliance audits by funding agencies. Such audits could result in claims against the Organization for disallowed costs or noncompliance with grantor restrictions. No provision has been made for any liabilities that may arise from such audits since the amounts, if any, cannot be determined at this date.

**NOTE 4 – STATE OWNED PROPERTY AND EQUIPMENT**

As of June 30, 2007, the Organization controlled State owned equipment and furniture costing \$315,750. These assets were purchased with funds provided by the State of Indiana. Per contract and grant agreements, title to any assets purchased with State funds remains with the State and are reported as assets in the financial statements of the State of Indiana. Therefore, assets purchased with State funds are not reflected in the financial statements of the Organization.

**NOTE 5 – TRANSITION REVENUE AND EXPENSES**

During the year ended June 30, 2007, the Organization received the benefit of transition funds expended by the Indiana Department of Workforce Development on behalf of the Organization to assist with the basic start-up costs. These expenses include legal fees, incorporation fees, insurance premiums, and website development. Per generally accepted accounting principles (GAAP), the economic benefit of these expenses is recognized as revenue in the Organization's statement of activities and as an offsetting expense in the statement of functional expenses. For the year ended June 30, 2007, the total amount of transition funds expended on behalf of the Organization was \$68,294.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE  
AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
South Central Region 8 Workforce Board, Inc.  
Bloomington, Indiana

We have audited the financial statements of South Central Region 8 Workforce Board, Inc. (a nonprofit organization), as of and for the year ended June 30, 2007, and have issued our report thereon dated January 9, 2008. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered South Central Region 8 Workforce Board, Inc.'s internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. As significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with accounting principles generally accepted in the United States of America such that there is more than a remote likelihood that a misstatement of the Organization's financial statements that is more than inconsequential will not be prevented or detected by the Organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Organization's internal control.

Our consideration of internal control was for the limited purpose described in the second paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether South Central Region 8 Workforce Board, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the board of directors, management, others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL  
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133**

To the Board of Directors  
South Central Region 8 Workforce Board, Inc.  
Bloomington, Indiana

Compliance

We have audited the compliance of South Central Region 8 Workforce Board, Inc. with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2007. South Central Region 8 Workforce Board, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of South Central Region 8 Workforce Board, Inc.'s management. Our responsibility is to express an opinion on South Central Region 8 Workforce Board, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about South Central Region 8 Workforce Board, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of South Central Region 8 Workforce Board, Inc.'s compliance with those requirements.

In our opinion, South Central Region 8 Workforce Board, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended June 30, 2007.

Internal Control Over Compliance

The management of South Central Region 8 Workforce Board, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered South Central Region 8 Workforce Board, Inc.'s internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Entity's internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the board of directors, management, others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
