Board of Directors
Johnson County Association
for Retarded Citizens, Inc.
3500 N. Morton
P.O. Box 216
Franklin, IN 46131

We have reviewed the audit report prepared by Mid-America Audit & Tax, Inc., Independent Public Accountants, for the period January 1, 2008 to December 31, 2008. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountants' opinion, the financial statements included in the report present fairly the financial condition of the Johnson County Association for Retarded Citizens, Inc., as of December 31, 2008, and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountants' report is filed with this letter in our office as a matter of public record.

Independent Auditors' Report

To the Board of Directors
Johnson County Association for Retarded Citizens, Inc.
Franklin, Indiana

We have audited the accompanying statements of financial position of Johnson County Association for Retarded Citizens, Inc. (a nonprofit organization) as of December 31, 2008 and 2007, and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Johnson County Association for Retarded Citizens, Inc., as of December 31, 2008 and 2007, and the changes in its net assets and cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 28, 2009, on our consideration of Johnson County Association for Retarded Citizens, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of Johnson County Association for Retarded Citizens, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

JOHNSON COUNTY ASSOCIATION FOR RETARDED CITIZENS, INC.

Notes to Financial Statements
Years Ended December 31, 2008 and 2007

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of the Organization

Johnson County Association for Retarded Citizens, Inc. (the "Organization") was incorporated as an Indiana Not-for-Profit Corporation and was organized exclusively to provide charitable and educational programs to persons living in Johnson County and surrounding counties. The Organization is committed to empowering people with disabilities through meaningful employment, increased independence and increased community integration. In carrying out its mission, the Organization relies on government funding. The Indiana Division of Disability, Aging, and Rehabilitative Services provides a significant amount of the total support and revenue of the Organization.

Basis of Presentation

Financial statement presentation follows the recommendation of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations*. Under the SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets – unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Allowance for Uncollectible Accounts

The Organization uses the allowance method for recognition of bad debt expense. The allowance for doubtful accounts is maintained at a level which, in management's judgment, is adequate to absorb potential losses inherent in the receivable portfolio. The amount of the allowance is based on management's evaluation of the collectibility of various types of receivables including billing and payment timetables and historical loss experience for each funding source. No interest is charged on receivables. Receivables are continually reviewed and are written-off when all reasonable possibility of collection or rebilling (which varies by source) has been exhausted. Management has determined that an allowance of \$20,000 relating to accounts receivable is necessary for the years ended December 31, 2008 and 2007.

Revenue Recognition and Concentration

The Organization contracts with various State and Federal agencies to provide a wide variety of rehabilitation services to persons with developmental disabilities. The Organization vouchers the governmental agencies monthly and quarterly, based on current activity and the original amount of the grant. Revenue is recognized as services are performed. However, final determination may vary because of regulations pertaining to disbursements. Differences in estimated amounts and actual settlements are reflected as charges or credits upon settlement or payment.

Non-governmental contract revenue is recorded at established charges when the service is rendered.

Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all liquid investments with original maturity dates of three months or less to be cash equivalents.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the benefiting programs and supporting services. The Statement of Functional Expenses represents direct costs for each activity. Indirect costs are allocated to each program area according to an allocation formula previously approved by the major funding entities (Indiana Department of Transportation and Indiana Family and Social Services Administration) to determine total cost of each service.

Tax Exemption

Johnson County Association for Retarded Citizens, Inc. has been ruled exempt from Federal income taxes under Internal Revenue Code Section 501(c)(3) and is not considered a private foundation by the Internal Revenue Service.

NOTE 2 – PROPERTY AND EQUIPMENT ACCOUNTING METHODS

Property and equipment are stated at cost, or for donations, at fair market value at the date of donation, and include expenditures for new additions and repairs, which substantially increase the useful lives of existing property and equipment. Governmental units funding property and equipment through grants retain a security interest over various periods.

Depreciation is computed using the straight-line method over estimated useful lives of three to forty years. The Organization's policy dictates that expenditures relating to property, equipment and vehicles exceeding \$500 (not including labor) are depreciated as fixed assets, including repairs which increase the value or extend the useful life of the asset.

Donations of property and equipment are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use, and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time, with the exception of Section 5310 Grant vehicles which are placed into service immediately and reclassified when the useful life criteria are met and INDOT releases the title.

The land at 3500 North Morton, Franklin, IN on which the Organization's current building sits was purchased with grant funds (plus local match). The Organization has in the past been advised by the service division granting those funds (Indiana Vocational Rehabilitation Services) that use of the land is restricted to purposes compatible with the intent of the grant and if sold, a proportionate amount of the proceeds must be given back.

NOTE 3 – CONCENTRATIONS OF CREDIT RISKS

The Organization is located in Franklin, Indiana. The Organization provides services to individuals and companies which are billed in arrears at least monthly. Public transit funding is billed on a quarterly basis. The majority of individual services are provided under grant contracts or provider agreements with state agencies. Companies are provided credit in the normal course of business without collateral.

The Organization also receives contributions from governmental sources that are not included as service revenue.

The Organization maintains deposits in federally insured financial institutions. At times these deposits exceed federally insured limits; however, management monitors the soundness of these financial institutions and feels the Organization's risk is negligible.

NOTE 4 – RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets are available for the following purposes as of December 31, 2008 and 2007:

	<u>2008</u>	<u>2007</u>
Transportation Program	\$ 262,617	\$ 95,694
Children Programs	<u>6</u>	<u>76</u>

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Johnson County Association for Retarded Citizens, Inc.
Franklin, Indiana

We have audited the financial statements of Johnson County Association for Retarded Citizens, Inc. (a nonprofit organization) as of and for the year ended December 31, 2008, and have issued our report thereon dated September 28, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Johnson County Association for Retarded Citizens, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Johnson County Association for Retarded Citizens, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the Organization's financial statements that is more than inconsequential will not be prevented or detected by the Organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Organization's internal control.

Our consideration of the internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Johnson County Association for Retarded Citizens, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant

agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain other matters that we reported to management of Johnson County Association for Retarded Citizens, Inc. in a separate letter dated September 28, 2009.

This report is intended solely for the information and use of the audit committee, management, board of directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Mid-America Audit & Tax, Inc.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE
TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Directors
Johnson County Association for Retarded Citizens, Inc.
Franklin, Indiana

Compliance

We have audited the compliance of Johnson County Association for Retarded Citizens, Inc. with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended December 31, 2008. Johnson County Association for Retarded Citizens, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Johnson County Association for Retarded Citizens, Inc.'s management. Our responsibility is to express an opinion on Johnson County Association for Retarded Citizens, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Johnson County Association for Retarded Citizens, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Johnson County Association for Retarded Citizens, Inc.'s compliance with those requirements.

In our opinion, Johnson County Association for Retarded Citizens, Inc., complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended December 31, 2008.

Internal Control over Compliance

The management of Johnson County Association for Retarded Citizens, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Johnson County Association for Retarded Citizens, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A control deficiency in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Johnson County Association for Retarded Citizens, Inc.'s response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. We did not audit Johnson County Association for Retarded Citizens, Inc.'s, response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the audit committee, management, board of directors and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

To the Board of Directors
Johnson County Association for Retarded Citizens, Inc.
Franklin, Indiana

Our report on our audits of the basic financial statements of Johnson County Association for Retarded Citizens, Inc., for the years ended December 31, 2008 and 2007 appears on pages 1-2. We conducted our audits in accordance with U.S. generally accepted auditing standards for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary data on page 22 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
