GILL TOWNSHIP, SULLIVAN COUNTY
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Township on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

OFFICIAL BOND

The following official bond was not filed in the Office of the County Recorder:

Linda K. Land

Also, the Trustee's bond is a continuation certificate.

IC 5-4-1-5.1(b) states in part: "Every elected or appointed officer, official, deputy, or employee of a political subdivision . . . shall file the bond in the office of the county recorder . . ."

Effective July 1, 2009, IC 5-4-1-18 states in part:

"(c) Except as provided in subsections (h) and (i), the fiscal bodies of the respective units shall fix the amount of the bond of . . . township trustees . . . as follows:

- (1) The amount of annual coverage must equal thirty thousand dollars (\$30,000) for each one million dollars (\$1,000,000) of receipts of the officer's office during the last complete fiscal year before the purchase of the bond, subject to subdivision (2).
- (2) The amount of annual coverage may not be less than thirty thousand dollars (\$30,000) nor more than three hundred thousand dollars (\$300,000) unless the fiscal body approves a greater amount of annual coverage for the officer or employee. . . ."

The State Board of Accounts is of the audit position continuation certificates or renewals should not be used in lieu of obtaining the required annual bond coverage. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)
