The accompanying notes are an integral part of the financial information.

SPRINGFIELD TOWNSHIP, FRANKLIN COUNTY
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Township was established under the laws of the State of Indiana. The Township provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Township uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Township in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Township on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Township to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

SPRINGFIELD TOWNSHIP, FRANKLIN COUNTY
EXAMINATION RESULTS AND COMMENTS

CONDITION OF RECORDS

The following deficiencies relating to the recordkeeping were noted. A similar comment was in prior Report B33999.

- (1) Record balances were not reconciled to depository balances.

IC 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance should agree. If the reconciled bank balance is less than the subsidiary or control ledgers, then the responsible official or employee may be held personally responsible for the amount needed to balance the fund. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

- (2) There were a considerable number of posting errors. These errors included deposits not receipted and checks and receipts not recorded in the proper amounts.

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

- (3) The 2008 and 2009 Annual Reports did not agree with the ledger.

Officials and employees are required to use State Board of Accounts prescribed or approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

Political subdivisions are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings, and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Governmental units should file accurate reports required by federal and state agencies. Noncompliance may require corrective action. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

PUBLIC RECORDS RETENTION

Bank statements for August and September 2009 were not available for examination.

IC 5-15-6-3(f) concerning destruction of public records, states in part: "Original records may be disposed of only with the approval of the commission according to guidelines established by the commission."

Supporting documentation such as receipts, canceled checks, tickets, invoices, bills, contracts, and other public records must be available for audit to provide supporting information for the validity and accountability of monies disbursed. Payments without supporting documentation may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

PAYROLL DEDUCTIONS

Payments to employees were made without payroll deductions for taxes.

Political subdivisions are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings, and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Governmental units should file accurate reports required by federal and state agencies. Noncompliance may require corrective action. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

Each governmental unit is responsible for compliance with all rules, regulations, guidelines, and directives of the Internal Revenue Service and the Indiana Department of Revenue. All questions concerning taxes should be directed to these agencies. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

Officials and employees have the duty to pay claims and remit taxes in a timely fashion. Failure to pay claims or remit taxes in a timely manner could be an indicator of serious financial problems which should be investigated by the governmental unit. Additionally, officials and employees have a responsibility to perform duties in a manner which would not result in any unreasonable fees being assessed against the governmental unit.

Any penalties, interest or other charges paid by the governmental unit may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)

LIST OF EMPLOYEES NOT FILED WITH COUNTY TREASURER

Officials or employees of the Township had money due from the Township, but a list of such employees was not certified to the County Treasurer.

IC 6-1.1-22-14(a) states in part: "On or before June 1 and December 1 of each year . . . the disbursing officer of each political subdivision . . . shall certify the names and addresses of each person who has money due the person from the political subdivision to the treasurer of each county in which the political subdivision is located."

OVERDRAWN FUND BALANCES

The Township Assistance Fund was overdrawn in 2008 and 2009.

The balance of any fund may not be reduced below zero. Routinely overdrawn funds could be an indicator of serious financial problems which should be investigated by the governmental unit. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 13)
