WINCHESTER COMMUNITY LIBRARY
NOTES TO FINANCIAL INFORMATION

Note 1. Introduction

The Library was established under the laws of the State of Indiana. The Library provides the following services: public safety, health and social services, culture and recreation, and general administrative services.

Note 2. Fund Accounting

The Library uses funds to report on its cash and investments and the results of its operations on a cash basis. Fund accounting is designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain governmental functions or activities.

Note 3. Budgets

The operating budget is initially prepared and approved at the local level. In addition, funds for which property taxes are levied are subject to final approval by the Indiana Department of Local Government Finance.

Note 4. Property Taxes

Property taxes levied are collected by the County Treasurer and are distributed to the Library in June and December. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by February 15. These rates were based upon the preceding year's March 1 (lien date) assessed valuations adjusted for various tax credits. Taxable property is assessed at 100% of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which become delinquent if not paid by May 10 and November 10, respectively. All property taxes collected by the County Treasurer and available for distribution were distributed to the Library on or prior to December 31 of the year collected.

Note 5. Deposits and Investments

Deposits, made in accordance with Indiana Code 5-13, with financial institutions in the State of Indiana at year end were entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statute (IC 5-13-9) authorizes the Library to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 6. Pension Plan

Public Employees' Retirement Fund

Plan Description

The Library contributes to the Indiana Public Employees' Retirement Fund (PERF), a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the PERF Board, most requirements of the system, and give the Library authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3% of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

PERF administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

Public Employees' Retirement Fund
Harrison Building, Room 800

Ph. (317) 233-4162

Funding Policy and Annual Pension Cost

The contribution requirements of the plan members for PERF are established by the Board of Trustees of PERF.
