Evansville, IN 47713

We have reviewed the audit report prepared by Riney, Hancock & Co., PSC, Independent Public Accountants, for the period October 1, 2007 to September 30, 2008. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountants' opinion, the financial statements included in the report present fairly the financial condition of the Community Coordinated Child Care of Southern Indiana, Inc., as of September 30, 2008, and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountants' report is filed with this letter in our office as a matter of public record.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Community Coordinated Child Care of Southern Indiana, Inc.

We have audited the accompanying statements of financial position of Community Coordinated Child Care of Southern Indiana, Inc. (a nonprofit organization), as of September 30, 2008 and 2007, and the related statements of activities, functional expenses, and cash flows for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Community Coordinated Child Care of Southern Indiana, Inc. as of September 30, 2008 and 2007, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated February 17, 2009 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audits.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements of Community Coordinated Child Care of Southern Indiana, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements, and in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Evansville, Indiana

COMMUNITY COORDINATED CHILD CARE OF SOUTHERN INDIANA, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2008 and 2007

1. **Organization and Summary of Significant Accounting Policies**

Nature of Organization

Community Coordinated Child Care of Southern Indiana, Inc. (the Organization) is a nonprofit child care resource and referral agency serving parents, children, and child care providers in Evansville, Indiana and surrounding counties. The Organization is a sponsor of the U.S. Department of Agriculture's Child and Adult Care Food Program, a government reimbursement program for day care providers. The Organization also receives funding from the U.S. Department of Health and Human Service's Child Care and Development Block Grant.

Basis of Presentation

Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor imposed stipulations that may or will be met with the passage of time or by actions of the Organization. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of revenues, expenses, and changes in net assets as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor imposed stipulations that shall be maintained permanently by the Organization.

There were no restricted net assets as of September 30, 2008 and 2007.

Cash and Cash Equivalents

The Organization considers all cash on hand, and in banks with an original maturity of 90 days or less to be cash and cash equivalents. There were no cash equivalents at September 30, 2008 and 2007.

COMMUNITY COORDINATED CHILD CARE OF SOUTHERN INDIANA, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2008 and 2007

1. **Organization and Summary of Significant Accounting Policies, Continued**

Grants Receivable

The Organization receives most of its funding from grants. A grant receivable is recognized to the extent that the expenditures are incurred in the manner specified by the grants. No allowance for doubtful accounts is considered necessary due to the nature of the relationship with the granting agencies.

Property and Equipment

Property and equipment are carried at cost or, if donated, at fair market value at the date acquired. Assets donated with explicit restrictions regarding their use are reported as restricted support until such restrictions expire. Absent donor stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation expense is computed by the straight-line method over estimated useful lives of the related assets. Acquisitions of property and equipment in excess of \$300 are capitalized.

Contributions

Contributions are recognized when a donor makes an unconditional promise to give to the Organization. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. Donor restricted contributions whose restrictions are met within the same year as received are reported as unrestricted contributions in the accompanying financial statements.

Compensated Absences

Obligations arising from accrued compensated absences for vested amounts of paid time off totaled \$6,258 at September 30, 2008, and are included in accrued expenses in the accompanying financial statements. There were no obligations at September 30, 2007.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

COMMUNITY COORDINATED CHILD CARE OF SOUTHERN INDIANA, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2008 and 2007

1. Organization and Summary of Significant Accounting Policies, Continued

Advertising

The Organization expenses advertising costs as incurred.

Income Taxes

The Organization is exempt from income taxes as a nonprofit corporation under Internal Revenue Code Section 501(c)(3), and accordingly, no provision for income taxes has been recorded in the financial statements.

Estimates

The preparation of financial statements in conformity with the basis of accounting described above requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

2. Pension Plan

The Organization has a simplified employee pension plan covering all full time employees with one year of service. The Organization contributes five percent of eligible wages. Contributions were \$23,935 and \$16,420 for the years ended September 30, 2008 and 2007, respectively.

3. Long-term Debt

Long-term debt consists of a note payable to a private company at a 5.5 percent interest rate, secured by a building and land. Monthly installments are \$2,303 including interest, with a balloon payment of \$337,132 due March 1, 2011. The outstanding balances were \$355,651 and \$363,491 at September 30, 2008 and 2007, respectively.

Long-term debt maturities are as follows for the years ended September 30:

2009	\$ 8,282
2010	8,749
2011	<u>338,620</u>
	<u>\$ 355,651</u>

COMMUNITY COORDINATED CHILD CARE OF SOUTHERN INDIANA, INC.

NOTES TO FINANCIAL STATEMENTS

Years Ended September 30, 2008 and 2007

4. Leases

The Organization leases equipment under a noncancelable operating agreement expiring in March 2009. Total rent expense was \$450 and \$810 for the years ended September 30, 2008 and 2007, respectively. Future minimum lease payments are \$324 for the year ended September 30, 2009.

5. Concentrations of Credit Risk

Financial instruments that potentially subject the Organization to credit risk consist principally of cash on deposit at financial institutions. Cash in banks may, at times, exceed federal deposit insurance limits. The Organization attempts to minimize this risk by using high-credit, quality financial institutions.

The Organization received approximately 72% and 57% of its revenue from federal grants during the years ended September 30, 2008 and 2007, respectively. The Organization also received approximately 25% and 41% of its revenue from a private funding source during the years ended September 30, 2008 and 2007, respectively. These funds are to be used for designated purposes only. If, based upon the grantors' review, the funds are considered not to have been used for the intended purpose, the grantors may request a refund of monies advanced, or refuse to reimburse the Organization for its expenditures. The amount of such future refunds and unreimbursed expenditures, if any, is not expected to be significant. Continuation of the Organization's grant programs is predicated upon the grantors' satisfaction that the funds provided are being spent as intended and the grantors' intent to continue their programs.

COMMUNITY COORDINATED CHILD CARE OF SOUTHERN INDIANA, INC.

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Year Ended September 30, 2008

Board of Directors
Community Coordinated Child Care of Southern Indiana, Inc.

We have audited the financial statements of Community Coordinated Child Care of Southern Indiana, Inc. (a nonprofit organization), as of and for the year ended September 30, 2008, and have issued our report thereon dated February 17, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Community Coordinated Child Care of Southern Indiana, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Coordinated Child Care of Southern Indiana, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the organization's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Coordinated Child Care of Southern Indiana, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

**REPORT ON COMPLIANCE WITH REQUIREMENTS
 APPLICABLE TO EACH MAJOR PROGRAM AND
 ON INTERNAL CONTROL OVER COMPLIANCE IN
 ACCORDANCE WITH OMB CIRCULAR A-133**

Board of Directors
 Community Coordinated Child Care of Southern Indiana, Inc.

Compliance

We have audited the compliance of Community Coordinated Child Care of Southern Indiana, Inc. (a nonprofit organization), with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended September 30, 2008. The Organization's major federal program is identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the Organization's management. Our responsibility is to express an opinion on Community Coordinated Child Care of Southern Indiana, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Community Coordinated Child Care of Southern Indiana, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on Community Coordinated Child Care of Southern Indiana, Inc.'s compliance with those requirements.

In our opinion, Community Coordinated Child Care of Southern Indiana, Inc. complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended September 30, 2008.

Internal Control Over Compliance

The management of Community Coordinated Child Care of Southern Indiana, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered Community Coordinated Child Care of Southern Indiana, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Community Coordinated Child Care of Southern Indiana, Inc.'s internal control over compliance.

A *control deficiency* in an entity's internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect noncompliance with a type of compliance requirement of a federal program on a timely basis. A *significant deficiency* is a control deficiency, or a combination of control deficiencies, that adversely affects the entity's ability to administer a federal program such that there is more than a remote likelihood that noncompliance with a type of compliance requirement of a federal program that is more than inconsequential will not be prevented or detected by the entity's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that material noncompliance with a type of compliance requirement of a federal program will not be prevented or detected by the entity's internal control.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, others within the entity, the Board of Directors, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
