INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Ohio County Rescue Services, Inc.

We have audited the accompanying Statement of Financial Position – Modified Cash Basis of Ohio County Rescue Services, Inc. (a not-for-profit organization) as of December 31, 2008, and the related Statement of Activities – Modified Cash Basis for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and guidelines established by the Indiana State Board of Accountants. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ohio County Rescue Services, Inc. as of December 31, 2008, and the changes in net assets for the year then ended, on the basis of accounting described in Note 2.

OHIO COUNTY RESCUE SERVICES, INC.  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2008

**NOTE 1 – SUMMARY OF ACTIVITIES**

Ohio County Rescue Services, Inc. (the Organization) is a not-for-profit organization established for the purpose of providing emergency services for the City of Rising Sun, Indiana, Ohio County, Indiana and surrounding areas. The organization is also involved in promoting safety education and awareness. Ohio County Rescue Services, Inc. receives support in the form of revenue sharing from riverboat gaming, payments for services rendered, grants, and contributions.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

METHOD OF ACCOUNTING

The Organization's financial statements are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The modified cash basis of accounting differs from generally accepted accounting principles primarily in that under the modified cash basis of accounting, revenue is recognized when cash or other assets are received, rather than when earned, and expenses are recognized when paid, rather than when incurred, with certain exceptions.

BASIS OF PRESENTATION

The presentation of the Organization's financial statements follows the recommendations of the American Institute of Certified Public Accountants in its FASB Statement of Financial Accounting Standard Number 117, "Financial Statements of Not-For-Profit Organizations".

NET ASSETS

Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified as follows:

Permanently Restricted Net Assets – Net assets that are subject to donor-imposed restrictions that they be maintained permanently by the Organization.

Temporarily Restricted Net Assets – Net assets that are subject to donor-imposed stipulations that may or will be met by actions of the Organization and/or the passage of time.

Unrestricted Net Assets – Net assets not subject to any donor-imposed stipulations.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

DONATED MATERIALS AND SERVICES

No amounts have been reflected in the financial statements for donated services since the requirements for revenue recognition have not been met. Nevertheless, a substantial number of volunteers donated significant amounts of their time to the Organization's operations and program services.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2008

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.)**

USE OF ESTIMATES

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

INCOME TAXES

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and therefore, has no provision for federal income taxes.

CASH AND CASH EQUIVALENTS

For purposes of the financial statements, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

COMPENSATED ABSENCES

The organization maintains a policy in which full-time employees become eligible for one-week paid vacation upon the completion of one year of service and are also eligible for paid personal and sick days. Available vacation time is increased, depending on the length of service, up to a maximum of three weeks paid vacation after seven years of service. Employees entitled to paid vacation and personal days must use those days during the year earned and cannot carry them over to following years. As such, there is no accrual made for compensated absences.

**NOTE 3 – CONCENTRATION OF CREDIT RISK**

The Organization normally maintains sufficient cash to meet its anticipated operating needs. The balance, at times, may exceed federally insured limits, but did not do so at December 31, 2008.

**NOTE 4 – FIXED ASSETS AND DEPRECIATION**

It is the policy of the Organization to capitalize machinery, equipment, furniture, and fixtures at cost and depreciate them over the estimated useful lives of each asset. At December 31, 2008, capitalized assets consisted mainly of the Organization's emergency vehicles and related equipment and building furnishings. The assets are being depreciated using the straight-line method over useful lives of between five and seven years. Depreciation expense recorded for 2008 was \$46,146.

**NOTE 5 – ORGANIZATION SUPPORT**

During the year ended December 31, 2008, the Organization received proceeds from revenue sharing agreements with the City of Rising Sun and Ohio County for general operating purposes. During 2008, the Organization also received funding from the City of Rising Sun and Ohio County for staffing expenses. The Organization received a total of \$130,000 from this funding agreement. The Organization also received \$25,000 in general operating funding from Ohio County.

 NOTES TO FINANCIAL STATEMENTS  
 FOR THE YEAR ENDED DECEMBER 31, 2008

**NOTE 5 – ORGANIZATION SUPPORT – cont.**

The Organization is economically dependent on this support. A summary of the support received from the City of Rising Sun and Ohio County, as well as the percentage of total revenue from each source is displayed below.

	REVENUE SHARING	STAFFING SUPPORT	GENERAL SUPPORT	TOTAL	%
City of Rising Sun	\$ 138,007	\$ 65,000	\$ -	\$ 203,007	37%
Ohio County	43,743	65,000	25,000	133,743	25%
Total	181,750	130,000	25,000	336,750	62%

**NOTE 6 – BUILDING RENT**

On February 1, 2003, the Organization entered into a lease agreement with the Rising Sun Emergency Services Board for use of a newly constructed building that also houses the Rising Sun Volunteer Fire Department and Ohio County 911 Services. The terms of the lease were \$1,000 monthly rent, payable at the 1<sup>st</sup> of each month for twelve months.

The lease described above expired on January 31, 2004. According to the terms of the lease, after its expiration, the Organization became a month-to-month tenant with rent payments to be determined every six months. Total rent payments made for 2008 were \$17,625. The Organization is currently still a tenant in the building and has no plans to move.

**NOTE 7 – ENDOWMENT INVESTMENTS**

During 2000, Ohio County Rescue Services, Inc. established an endowment investment account through the Ohio County Community Foundation. This account is maintained by the foundation for the benefit of the Organization. The account was created with unrestricted funds, and is not subject to withdrawal restrictions; therefore, it has been included in unrestricted net assets. Interest, dividends, and capital gains earned by the account are reinvested.

During the year ended December 31, 2008, the Organization received matching contributions from the Ohio County Community Foundation for Organization funds transferred into the fund. The amounts transferred and matching contributions received are shown in the table below.

In accordance with Financial Accounting Standard Number 124 "Accounting for Certain Investments Held by Not-For-Profit Organizations", investments are carried at fair market value. An unrealized loss has been recorded for the year ended December 31, 2008, to the extent that the fair market value of the investments at year end are lower than the fair market value of the investments at the previous year end, adjusted for any purchases, reinvestments, and sales during the period. The amount of unrealized loss recorded for the year is \$15,548.

OHIO COUNTY RESCUE SERVICES, INC.  
 NOTES TO FINANCIAL STATEMENTS  
 FOR THE YEAR ENDED DECEMBER 31, 2008

**NOTE 7 – ENDOWMENT INVESTMENTS – cont.**

A summary of the endowment investment account is as follows:

Fair Market Value - Beg. Of Year	\$ 46,501
Matching Contributions	1,070
Interest and Dividends Reinvested	1,889
Fees Charged	(625)
Realized Loss on Investments	-
Unrealized Gain (Loss) on Investments	<u>(15,548)</u>
Fair Market Value - End of Year	<u>\$ 33,287</u>

Due to the risk associated with equity securities, it is at least reasonably possible that changes in fair market value will occur in the near term, and that such changes could materially affect the amounts reported in the financial statements.

**NOTE 8 – LONG TERM DEBT**

During the year ended December 31, 2008, the Organization paid off a bank note prior to its original maturity. The balance of the note at December 31, 2007 was \$53,671. Terms of the long-term debt consisted of the following:

	<u>2008</u>
Bank note payable in semi-annual installments of \$9,572, including interest at 4.0%, through December 2010. Collateral consists of a certain vehicle with an undepreciated cost of \$135,983 at December 31, 2008.	\$ -

Less: Current Portion of Long Term Debt	<u>-</u>
	<u>Long Term Debt \$ -</u>

**NOTE 9 – BEQUEST/SUBSEQUENT EVENT**

During the year ended December 31, 2008, the Organization received a bequest in the amount of \$4899. It also received notification that additional funds, in the form of invested assets, would be distributed once the final estate was settled. During February 2009, the Organization received investments with a fair market value of \$19,614 as a final distribution from the bequest.
