We have reviewed the audit report prepared by Agresta, Storms & O'Leary, PC, Independent Public Accountants, for the period January 1, 2008 to December 31, 2008. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountants' opinion, the financial statements included in the report present fairly the financial condition of the Huffer Memorial Children's Center, Inc., as of December 31, 2008, and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountants' report is filed with this letter in our office as a matter of public record.

INDEPENDENT AUDITORS' REPORT

Board of Directors
Huffer Memorial Children's Center, Inc.
Muncie, Indiana

We have audited the accompanying statement of financial position of Huffer Memorial Children's Center, Inc. (a nonprofit organization) as of December 31, 2008, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of the Center's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with U.S. generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Huffer Memorial Children's Center, Inc. as of December 31, 2008, and the changes in its net assets and its cash flows for the year then ended in conformity with U.S. generally accepted accounting principles.

In accordance with *Government Auditing Standards*, we have also issued our report dated September 29, 2009, on our consideration of Huffer Memorial Children's Center, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Huffer Memorial Children's Center, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by *U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Huffer Memorial Children's Center, Inc. (the Center), is an Indiana nonprofit corporation, incorporated on February 18, 1965, for the purpose of providing childcare for the economically disadvantaged. The Center is supported through a block grant from Indiana Family and Social Services, Indiana Department of Education, service fees, United Way, and contributions.

Basis of Presentation

The Center reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Property, Equipment and Depreciation

Property and equipment are stated at cost. Depreciation is provided over the estimated useful lives of the respective assets on a straight-line basis. It is the policy of the Center to capitalize property and equipment over \$1,000.

Revenue Recognition

Revenue and other support are recorded as unrestricted, temporarily restricted, or permanently restricted, depending on the existence and/or nature of any donor restrictions. Contract revenues are recorded in the period in which the service was provided. Donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Income Taxes

The Center is exempt from federal income tax under the provisions of *Section 501(c)(3)* of the *Internal Revenue Code* and, therefore, has made no provision for federal income taxes in the accompanying financial statements. In addition, the Center has been determined by the Internal Revenue Service not to be a private foundation within the meaning of *Section 509(a)* of the *Internal Revenue Code*. Accordingly, no accounting for federal or state income taxes is required in the accompanying financial statements.

HUFFER MEMORIAL CHILDREN'S CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)*Accounts Receivable*

Accounts receivable are stated at unpaid balances. Management of the Center believes the amounts are fully collectible and, therefore, have not recorded a reserve for uncollectible amounts at December 31, 2008. No interest is charged on past due amounts.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

Statement of Cash Flows

For purposes of the statement of cash flows, the Center considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

Economic Dependency

The Center is economically dependent on the funding received from the State of Indiana and the United Way.

Credit Risks

The Center, at any point in time, has significant receivables principally from federal, state, and county welfare programs. Management does not believe there are any undue credit risks resulting from these assets due to the approval status of the contracts.

The Center places its cash and cash equivalents with high credit quality institutions. At times, such amounts may be in excess of the FDIC insured limit.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

HUFFER MEMORIAL CHILDREN'S CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

2. INVESTMENTS

Marketable securities consist of equity investments. \$19,364 of the equity investments can only be used for future building additions.

Investment gain in the statements of activities is comprised of the following:

| | | |
|------------------------|----|-------------------|
| Dividends and interest | \$ | 2,631 |
| Loss on investments | | <u>(3,915)</u> |
| | | <u>\$ (1,284)</u> |

The aggregate carrying value of investments in the statements of financial position is as follows:

| | | |
|-------------------|----|---------------|
| Equity securities | \$ | <u>19,364</u> |
|-------------------|----|---------------|

The fair value of equity securities has been determined using market value at December 31, 2008.

3. PROPERTY, EQUIPMENT, AND DEPRECIATION

A summary of property and equipment is as follows:

| | | |
|------------------------------------|--|----------------|
| Building | | 10 to 50 years |
| Kitchen equipment | | 5 to 12 years |
| Office furniture and equipment | | 3 to 12 years |
| Classroom and playground equipment | | 3 to 10 years |
| Vehicles | | 7 years |

Depreciation expense was \$46,712 for the year ended December 31, 2008.

4. LINE OF CREDIT

The Center has a \$50,000 line of credit. Borrowings bear interest at prime and the note is unsecured. At December 31, 2008, there were no outstanding borrowings on the line of credit.

5. RESTRICTIONS/LIMITATIONS ON NET ASSETS

Temporarily restricted net assets are available for the following purposes:

| | | |
|---------------------------|--|------------------|
| Future Building Additions | | <u>\$190,345</u> |
|---------------------------|--|------------------|

HUFFER MEMORIAL CHILDREN'S CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

6. FUNCTIONAL ALLOCATION

The costs of providing programs and activities have been summarized on a functional basis below. Accordingly, certain costs have been allocated among programs and supporting services benefited.

| | | |
|------------------------|----|-----------|
| Program services | \$ | 1,284,629 |
| Management and general | | 130,097 |
| Fundraising | | 22,287 |
| | | 22,287 |
| | \$ | 1,437,013 |

7. RETIREMENT PLAN

The Center has a 403(b) savings plan whereby an employee can contribute and defer taxes on compensation contributed to the plan. The Center does not contribute to the plan.

8. FAIR VALUE MEASUREMENTS

The Center adopted SFAS No. 157 "Fair Value Measurement" for financial assets and liabilities during the year ended December 31, 2008.

SFAS establishes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. This hierarchy requires that the Organization maximize the use of observable inputs and minimize the use of unobservable inputs. The three levels of inputs used to measure fair value are as follows:

- Level 1 – Quoted prices in active markets for identical assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets and liabilities in active markets, similar assets and liabilities in markets that are not active or can be corroborated by observable market data.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets and liabilities. This includes certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

The adoption of SFAS 157 by the Corporation did not have a material impact on the financial statements.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND ON
INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
Huffer Memorial Children's Center, Inc.
Muncie, Indiana

We have audited the financial statements of Huffer Memorial Children's Center, Inc. as of and for the year ended December 31, 2008, and have issued our report thereon dated September 29, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the Organization's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the Organization's financial statements that is more than inconsequential will not be prevented or detected by the Organization's internal control.

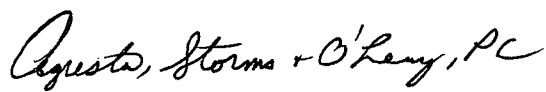

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the Organization's internal control.

Our consideration of internal control was for the limited purpose described in the second paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the audit committee, board of directors, management, others within the organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH *OMB CIRCULAR A-133*

Board of Directors
Huffer Memorial Children's Center, Inc.
Muncie, Indiana

Compliance

We have audited the compliance of Huffer Memorial Children's Center, Inc. (Organization) with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended December 31, 2008. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to its major federal program is the responsibility of the Organization's management. Our responsibility is to express an opinion on the Organization's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures, as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Organization's compliance with those requirements.

In our opinion, the Organization complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 2008.

Internal Control over Compliance

The management of Huffer Memorial Children's Center, Inc. is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Organization's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A control deficiency in an Organization's internal control over compliance exists when the design or operation of a control does not allow management or employees within a timely period, in the normal course of performing their assigned functions, to prevent or detect noncompliance with applicable requirements of laws, regulations, contracts and grants that would have a direct and material effect on a major federal program. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the Organization's ability to administer a major federal program in accordance with applicable requirements of laws, regulations, contracts and grants such that there is more than a remote likelihood that the Organization's noncompliance that is more than inconsequential will not be prevented or detected by the Organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies that results in more than a remote likelihood that material noncompliance with applicable requirements of laws, regulations, contracts and grants in relation to a major federal program will not be prevented or detected by the Organization's internal control.

Our consideration of internal control over compliance was for the limited purpose described in the fourth paragraph and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the Board of Directors, management, others within the Organization, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY INFORMATION

Board of Directors
Huffer Memorial Children's Center, Inc.
Muncie, Indiana

Our report on our audit of the basic financial statements of Huffer Memorial Children's Center, Inc., for the year ended December 31, 2008, appears on page 1. That audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of Revenue and Other Support is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
