INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT  
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

TO: THE OFFICIALS OF THE CHRISTEL HOUSE ACADEMY, MARION COUNTY, INDIANA

We have audited the accompanying financial statement of the Christel House Academy (School Corporation), for the years ended June 30, 2010 and 2011. The financial statement is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the financial statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1, the School Corporation prepares its financial statement on the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting noted above is a different basis than that used in the prior year.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and results of operations of the School Corporation for the years ended June 30, 2010 and 2011, on the basis of accounting described in Note 1.

In accordance with Government Auditing Standards, we have also issued a report dated January 23, 2012, on our consideration of the School Corporation's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

INDEPENDENT AUDITOR'S REPORT ON THE FINANCIAL STATEMENT  
AND SUPPLEMENTARY SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS  
(Continued)

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations, and is not a required part of the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and, in our opinion, is fairly stated, in all material respects, in relation to the financial statement taken as a whole.

Our audit was conducted for the purpose of forming an opinion on the School Corporation's financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis and Schedule of Capital Assets are presented for additional analysis and are not required parts of the financial statement. The Combining Schedules of Receipts, Disbursements, Other Financing Sources (Uses), and Cash and Investment Balances – Regulatory Basis and Schedule of Capital Assets have not been subjected to the auditing procedures applied by us in the audit of the financial statement and, accordingly, we express no opinion on them.

The School Corporation's response to the Audit Results and Comments identified in our audit is described in the accompanying section of the report entitled Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the School Corporation's management, Board of Directors, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**TO: THE OFFICIALS OF THE CHRISTEL HOUSE ACADEMY, MARION COUNTY, INDIANA**

We have audited the financial statement of the Christel House Academy (School Corporation), for the years ended June 30, 2010 and 2011, and have issued our report thereon dated January 23, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the School Corporation's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the School Corporation's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON  
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL STATEMENT  
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS  
(Continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School Corporation's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

The School Corporation's response to the findings identified in our audit is described in the accompanying section of the report entitled Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on it.

This report is intended solely for the information and use of the School Corporation's management, Board of Directors, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

NOTES TO FINANCIAL STATEMENT

**Note 1. Summary of Significant Accounting Policies**

**A. Reporting Entity**

School Corporation, as used herein, shall include, but is not limited to, school townships, school towns, school cities, consolidated school corporations, joint schools, metropolitan school districts, township school districts, county schools, united schools, school districts, cooperatives, educational service centers, community schools, community school corporations, and charter schools.

The School Corporation was established under the laws of the State of Indiana. The School Corporation operates under a Board of School Trustees form of government and provides educational services.

The accompanying financial statement presents the financial information for the School Corporation (primary government).

**B. Basis of Accounting**

The financial statement is reported on a regulatory basis of accounting prescribed by the State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

**C. Cash and Investments**

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

**D. Receipts**

Receipts are presented in the aggregate on the face of the financial statement. The aggregate receipts include the following sources:

Local sources which include taxes, revenue from local governmental units other than school corporations, transfer tuition, transportation fees, investment income, food services, school corporation activities, revenue from community services activities, and other revenue from local sources.

Intermediate sources which include distributions from the County for fees collected for or on behalf of the School Corporation including educational license plate fees, congressional interest, riverboat distributions, and other similar fees.

State sources which include distributions from the State of Indiana to be used by the School Corporation for various purposes. Included in state sources are unrestricted grants, restricted grants, revenue in lieu of taxes, and revenue for or on behalf of the School Corporation.

Temporary loans which include money received from a loan obtained to pay current expenses prior to the receipt of revenue from taxes levied for that purpose. These loans, sometimes designated tax anticipation warrants, must be repaid from the next semiannual distribution of local property taxes levied for such fund.

Other receipts which include amounts received from various sources which include return of petty cash, return of cash change, insurance claims for losses, sale of securities, and other receipts not listed in another category above.

*E. Disbursements*

Disbursements are presented in the aggregate on the face of the financial statement. The aggregate disbursements include the following uses:

Instruction which includes outflows for regular programs, special programs, adult and continuing education programs, summer school programs, enrichment programs, remediation, and payments to other governmental units.

Support services which include outflows for support services related to students, instruction, general administration, and school administration. It also includes outflows for central services, operation and maintenance of plant services, and student transportation.

Noninstructional services which include outflows for food service operations and community service operations.

Facilities acquisition and construction which includes outflows for the acquisition, development, construction, and improvement of new and existing facilities.

Debt services which include fixed obligations resulting from financial transactions previously entered into by the School Corporation. It includes all expenditures for the reduction of the principal and interest of the School Corporation's general obligation indebtedness.

*F. Other financing sources and uses*

Other financing sources and uses are presented in the aggregate on the face of the financial statement. The aggregate other financing sources and uses include the following:

Transfers in which includes money received by one fund as a result of transferring money from another fund. The transfers are used for cash flow purposes as provided by various statutory provisions.

*G. Fund Accounting*

Separate funds are established, maintained, and reported by the School Corporation. Each fund is used to account for money received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the School Corporation. The money accounted for in a specific fund may only be available for use for certain, legally restricted purposes. Additionally, some funds are used to account for assets held by the School Corporation in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units and therefore the funds cannot be used for any expenditures of the unit itself.

**Note 2. Budgets**

The operating budget is initially prepared and approved at the local level. The fiscal officer of the School Corporation submits a proposed operating budget to the governing board for the following calendar year. The budget is subject to final approval by the School Corporation's chartering agency.

**Note 3. Deposits and Investments**

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana at year end should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the School Corporation to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

**Note 4. Risk Management**

The School Corporation may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third party. The establishment of a self-insurance fund allows the School Corporation to set aside money for claim settlements. The self-insurance fund would be included in the financial statement. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks. These risks may also be mitigated by the School Corporation by recording as a disbursement and replacement items purchased.

**Note 5. Pension Plans**

*A. Public Employees' Retirement Fund*

*Plan Description*

The Indiana Public Employees' Retirement Fund (PERF) is a defined benefit pension plan. PERF is an agent multiple-employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. All full-time employees are eligible to participate in this defined benefit plan. State statutes (IC 5-10.2 and 5-10.3) govern, through the Indiana Public Retirement System (INPRS) Board, most requirements of the system, and give the School Corporation authority to contribute to the plan. The PERF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. The employer may elect to make the contributions on behalf of the member.

INPRS administers the plan and issues a publicly available financial report that includes financial statements and required supplementary information for the plan as a whole and for its participants. That report may be obtained by contacting:

The TRF retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3 percent of compensation, plus the interest credited to the member's account. AUDIT RESULTS AND COMMENTS

***INTERNAL CONTROLS OVER THE AUTHORIZATION OF SALARIES AND WAGES***

The controls over the authorization of salaries and wages were insufficient. Sufficient evidence was not provided to document proper approval of salaries and wages by the Board of Directors. The following deficiencies and errors were noted:

1. Payroll worksheets were prepared by the school's administration for each school year and used to develop a budget amount for salaries and wages. The total amount budgeted for salaries and wages was approved by the Board of Directors, but individual salaries and wages did not show any evidence of approval by the Board of Directors.
2. Employee contracts were prepared for employees using the "base" salary or wage amount from the payroll worksheet, but did not include stipends or other additional wages paid to employees and were not signed by the Board of Directors.
3. Employee contracts were not executed in a timely manner. Employee contracts for the 2009-2010 school year were not signed until May 2010.
4. Seven out of twelve employees reviewed for the 2010-2011 school year did not have current contracts in their personnel file. These contracts were not presented for audit. This included the Treasurer who did not have a contract for 2009-2010 or 2010-2011 school years.
5. Wages paid to the seven employees noted above did not agree with the amounts on the payroll worksheet. Differences between the amounts paid and amounts on the payroll worksheet were immaterial.
6. Information provided to the School's payroll servicing company regarding employee compensation, as well as any changes in compensation, was informal and did not provide adequate evidence of authorization from the Board of Directors.

Failure to maintain adequate controls over the authorization of salaries and wages could result in unauthorized compensation being paid to employees.

Governmental units should have internal controls in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets and all forms of information processing are necessary for proper internal control. AUDIT RESULTS AND COMMENTS  
(Continued)

Controls over the receipting, disbursing, recording, and accounting for the financial activities are necessary to avoid substantial risk of invalid transactions, inaccurate records and financial statements and incorrect decision making. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 9)

All compensation and benefits paid to officials and employees must be included in the labor contract, salary ordinance, resolution, or salary schedule adopted by the governing body unless otherwise authorized by statute. Compensation should be made in a manner that will facilitate compliance with state and federal reporting requirements. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 13)

***AVERAGE DAILY MEMBERSHIP (ADM) - LACK OF DOCUMENTATION***

School records to support the ADM claimed by the School Corporation for the September 18, 2009, and September 17, 2010, count dates were not presented for audit. Therefore, ADM could not be verified.

Officials shall maintain records (enrollment cards, rosters, reporting forms, etc.) which substantiate the number of students claimed for ADM.

The building level official (Principal, Assistant Principal, etc.) is responsible for reporting ADM to the School Corporation Central Office, should provide a written certification of ADM to properly document responsibility. The certification should at a minimum include a statement detailing the names and location of the records used (these records must be retained for public inspection and audit) to substantiate ADM claimed. (Accounting and Uniform Compliance Guidelines Manual for Indiana Public School Corporations, Chapter 8)

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

TO: THE OFFICIALS OF THE CHRISTEL HOUSE ACADEMY, MARION COUNTY, INDIANA

Compliance

We have audited the compliance of the Christel House Academy (School Corporation) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement that are applicable to each of its major federal programs for the years ended June 30, 2010 and 2011. The School Corporation's major federal programs are identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of the School Corporation's management. Our responsibility is to express an opinion on the School Corporation's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of the School Corporation's compliance with those requirements.

In our opinion, the School Corporation complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the years ended June 30, 2010 and 2011.

Internal Control Over Compliance

Management of the School Corporation is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the School Corporation's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School Corporation's internal control over compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS  
APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER  
COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133  
(Continued)

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

The School Corporation's response to the findings identified in our audit is described in the accompanying Official Response. We did not audit the School Corporation's response and, accordingly, we express no opinion on the response.

This report is intended solely for the information and use of the School Corporation's management, Board of Directors, others within the entity, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties. In accordance with Indiana Code 5-11-5-1, this report is a part of the public records of the State Board of Accounts and of the office examined.

CHRISTEL HOUSE ACADEMY  
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

**Note 1. Basis of Presentation**

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Christel House Academy (School Corporation) and is presented in accordance with the cash and investment basis of accounting used in the preparation of the financial statement. Accordingly, the amount of federal awards expended is based on when the disbursement related to the award occurs except when the federal award is received on a reimbursement basis. In these instances the federal awards are considered expended when the reimbursement is received.

Circular A-133 requires an annual audit of nonfederal entities expending a total amount of federal awards equal to or in excess of \$500,000 in any fiscal year unless by constitution or statute a less frequent audit is required. In accordance with Indiana Code (IC 5-11-1 et seq.), audits of school corporations shall be conducted biennially. Such audits shall include both years within the biennial period.

**Note 2. Noncash Assistance**

The School Corporation expended the following amount of noncash assistance for the years ending June 30, 2010 and 2011. This noncash assistance is also included in the federal expenditures presented in the schedule.

EXIT CONFERENCE

The contents of this report were discussed on January 23, 2012, with Carey Dahncke, Treasurer; Carlos Alexander, Business Manager; and Murvin Enders, Chairman of the Board of Directors. The Official Response has been made a part of this report and may be found on page 38.

To Whom It May Concern:

This is a public response to the State Board of Accounts audit comments performed November 2011- January 2012.

*Comment #1: Internal Controls over the authorization of salaries and wages*

Christel House Academy will create an internal change to our salary approval process to include a schedule of annual salaries/wages by individual employee, to be approved by the Board in the same format as the Approval of Vouchers. Changes will be approved in quarterly Board meetings using the same process. In the past, the Board was provided with a range of salaries by position for approval as a part of the budgeting process. Additionally, internal changes to certain human resources processes will be made, in conjunction with additional utilization of our outside HR vendor software, to aid us in ensuring paperwork is properly documented in personnel files.

*Comment #2: Average Daily Membership (ADM) - lack of documentation*

It had been the school's past practice to use electronic records to verify the headcount for ADM. In order to comply with the State Board of Accounts' requirements in the area of ADM reporting, a new process will be established to first produce a paper record indicating the name of each student enrolled by class and grade, verified by the teacher and principal, prior to the creation of the official ADM record for the Indiana Department of Education.

Christel House Academy continues to strive to be a beacon of excellence in both our academic and operational practices. These changes will increase the internal accounting controls for the Academy and will ensure we are fully compliant with the State Board of Account expectations.

Respectfully yours,

Carey J. Dahncke, Principal and Director
