Board of Directors
Hope of Evansville, Inc.
608 Cherry Street
Evansville, IN 47713-1521

We have reviewed the audit report prepared by Timothy J. Otte, CPA, PC, Independent Public Accountant, for the period October 1, 2009 to September 30, 2010. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountants' opinion, the financial statements included in the report present fairly the financial condition of the Hope of Evansville, Inc., as of September 30, 2010, and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountants' report is filed with this letter in our office as a matter of public record.

We call your attention to the findings in the report. The Schedule of Findings and Question Costs included two Financial Statement Findings and two Major Federal Program Findings relating to material weakness in internal control due to lack of segregation of duties and a significant deficiency due to absence of controls over the preparation of financial statements and disclosures.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Hope of Evansville, Inc.
Evansville, IN 47713

We have audited the accompanying statement of financial position of Hope of Evansville, Inc. Inc. (a nonprofit organization) as of September 30, 2010 and the related statements of activities, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Hope of Evansville, Inc. as of September 30, 2010, and the changes in net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated March 10, 2011, on our consideration of Hope of Evansville, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of the audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements taken as a whole.

HOPE OF EVANSVILLE, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2010

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Mission

The Organization provides counseling and assistance with housing needs for clients located in the Evansville, Indiana area under the guidelines established by the Housing and Urban Development provisions.

Basis of Accounting

The financial statements of the Organization are prepared on the accrual basis, where revenues are recognized when earned and expenditures are recognized when incurred.

Tax Status

The Organization is exempt from income tax under section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made. The Organization is not classified as a private foundation. The Organization's Federal Exempt from Income Tax Returns (Form 990) is subject to examination by the IRS, generally for three years after they were filed.

Financial Statement Presentation

Financial statement presentation follows the U.S. generally accepted accounting principles promulgated by the Financial Accounting Standards Board. Under those principles, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Property and Equipment

Property and equipment are valued at cost. The Organization follows the practice of capitalizing all expenditures for equipment in excess of \$500. Depreciation is computed on the straight-line method. Maintenance and repairs are charged to operations when incurred.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that effect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

HOPE OF EVANSVILLE, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2010

Notes Receivable- Debtors

Notes receivable consists of secured and unsecured loans with debtors that are located in the tri-state area. Provision for credit losses on notes receivable is made in amounts required to maintain an adequate allowance to cover anticipated losses. The accounts are charged against the allowance when they are determined to be uncollectible. During the year ended September 30, 2010, the Organization received \$595 of principal payments. No current portion of notes receivable was made during the year because of uncertainty of collection.

NOTE 2- OPERATING LEASES

The Organization leases its office space on a month-to-month basis requiring payments of \$650. Rent paid for the year ended September 30, 2010 was \$7,800.

NOTE 3- CONCENTRATIONS

For the years ended September 30, 2010 the Organization received 43% of its support from one grant source.

NOTE 4- LINE OF CREDIT

A \$35,000 unsecured revolving line of credit with a The City of Evansville, of which \$35,000 was used at September 30, 2010. The loan is non-interest bearing and is to be utilized with the Down Payment Assistance Program.

In addition, the Organization has a \$25,000 line of credit with a local bank, of which \$25,000 was unused at September 30, 2010. Interest is payable monthly and carries a variable interest rate equal to the bank's prime rate with an initial rate of 7.0%. The credit line is unsecured.

NOTE 5- DEPOSITS HELD IN A FINANCIAL INSTITUTION

Financial instruments, which potentially subject the Organization to concentrations of credit risk, consist principally of cash and cash equivalents. At times, such cash and cash equivalents in banks are in excess of the FDIC insurance limit. Credit risk with respect to cash and cash equivalents is minimized by using high-credit quality financial institutions.

NOTE 6- RETIREMENT PLAN

The Organization has established a (SIMPLE IRA) retirement plan. Under the plan, employees may contribute up to \$10,500 (\$14,000 for employees who will be at least fifty by the end of the year) of their pre-tax compensation and the Organization will match up to 3% of each participating employee's pretax contribution. Plan expenses incurred for the year ended September 30, 2010 was \$3,542.

HOPE OF EVANSVILLE, INC.
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2010

NOTE 7- INTR LOAN PROGRAM

The Organization is the fiscal agent for the Improving Neighborhoods Through Revitalization (INTR) loan program. \$1 million in funds have been provided for the construction of fourteen new homes in a designated low-income area in downtown Evansville. Proceeds from sales of homes must be maintained in a separate bank account to be used for future construction projects. The Indiana Housing and Community Development Authority (IHCDA) are providing subsidies of up to \$45,000 for construction costs of each new home. As of September 30, 2010, \$1,395,933 in construction costs has been spent on homes that have not been sold.

During the fiscal year, the Organization utilized the final \$494,860 in loan funds from the IHCDA- INTR loan program to be used in the construction of properties. At September 30, 2010, the balance obligated to the IHCDA was \$633,888 less the development subsidies for the remaining seven unsold properties of \$315,000 which equals \$318,888. During the year, \$91,112 was paid back to the IHCDA.

NOTE 8-- COMMITMENTS AND CONTINGENCIES

Support funded by grants is recognized as the Organization performs the contracted services or incurs outlays eligible for reimbursements under the grant agreements. Grant activities and outlays are subject to audit and acceptance by the granting agency and, as a result of such audit, adjustments could be required. Grant funds related to economic development totaled \$73,911 which could potentially be required to be paid back to the City of Evansville if the Organization is not going to make future loans or collect on the active loans. In addition, any interest earned is required to be paid back to the City of Evansville (DMD). At September 30, 2010, the balance owed was \$150.

NOTE 9- SUBSEQUENT EVENTS

The Organization has evaluated subsequent events and transactions through March 10, 2011, the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Hope of Evansville, Inc. and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Hope of Evansville, Inc.

We have audited the financial statements of Hope of Evansville, Inc. as of and for the year ended September 30, 2010, and have issued our report thereon dated March 10, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Hope of Evansville, Inc.'s internal control over financial reporting as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Hope of Evansville, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as described in the accompanying schedule of findings and questioned costs, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We considered the deficiency as described in the accompanying schedule of findings and questioned costs as item B1 to be a material weakness.

A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item B2 to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Hope of Evansville, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standard*.

This report is intended solely for the information and use of the board of directors and management of Hope of Evansville, Inc. and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Timothy J. Otte, C.P.A., P.C.

Timothy J Otte CPA PC

Newburgh, IN
March 10, 2011

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH
REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB
CIRCULAR A-133**

To the Board of Directors
Hope of Evansville, Inc.

Compliance

We have audited Hope of Evansville, Inc.'s compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended September 30, 2010. Hope of Evansville, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements is the responsibility of Hope of Evansville, Inc.'s management. Our responsibility is to express an opinion on Hope of Evansville, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program identified in the accompanying schedule of findings and questioned costs occurred. An audit includes examining, on a test basis, evidence about Hope of Evansville, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Hope of Evansville, Inc.'s compliance with those requirements.

In our opinion, Hope of Evansville, Inc. complied, in all material respects, with the compliance requirements referred to above that are applicable to its major federal program identified in the accompanying schedule of findings and questioned costs for the year ended September 30, 2010.

Internal Control Over Compliance

The management of Hope of Evansville, Inc. is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit, we considered Hope of Evansville, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Hope of Evansville, Inc.'s internal control over compliance

Our consideration of the internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses in internal control over compliance and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified a certain deficiency in internal control over compliance that we consider to be a material weakness and a significant deficiency.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a remote possibility that material noncompliance with a type of compliance of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and question costs as items B1 to be a material weakness.

A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and question costs as item B2 to be a significant deficiency.

This report is intended for the information of the board of directors and management of Hope of Evansville, Inc. and federal awarding agencies and pass-through entities and is intended to be and should not be used by anyone else other than the specified parties.

Timothy J. Otte, C.P.A., P.C.

Newburgh, IN
March 10, 2011

HOPE OF EVANSVILLE, INC.
SCHEDULE OF FINDINGS AND QUESTIONED COSTS
YEAR ENDED SEPTEMBER 30, 2010

A. SUMMARY OF AUDITOR'S RESULTS

1. The auditor's report expresses an unqualified opinion on the financial statements of Hope of Evansville, Inc.
2. Two significant deficiencies disclosed during the audit of the financial statements are reported in the Report on Internal Control over Financial Reporting and Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance *Government Auditing Standards*. One of the conditions is reported as a material weakness.
3. No instances of noncompliance material to the financial statements of Hope of Evansville, Inc. were disclosed during the audit.
4. Two significant deficiencies disclosed during the audit of the major federal award program are reported in the Report on Compliance with Requirements Applicable to each Major program and Internal Control Over Compliance Required By OMB Circular A-133. One of the conditions is reported as a material weakness.
5. The auditor's report on compliance for the major federal award programs for Hope of Evansville, Inc. expresses an unqualified opinion on the major federal program.
6. Audit findings that are required to be reported in accordance with Section 510(a) of OMB Circular A-133 are reported in this Schedule.
7. The programs tested as major programs under CFDA #14.218 included:
 - Home Investment Partnerships Program DPA
 - Home Investment Partnerships Program- New Construction
 - CDBG-R Neighborhood Pride Initiative Project
 - CDBG- Housing Counseling Services
 - Neighborhood Stabilization Program
8. The threshold for distinguishing Types A and B programs was \$300,000.
9. Hope of Evansville, Inc. was not determined to be a low risk auditee.

B. FINDINGS- FINANCIAL STATEMENT AUDIT

MATERIAL WEAKNESS

B1. Condition: The size of the organization precludes the implementation of an effective internal control system due to the lack of segregation of duties.

Criteria: Segregation of duties is a vital part of an effective internal control structure.

Effect of condition: The internal control system is weak.

Cause of condition: The small size of the organization.

Recommendation: Continued involvement of the board of directors in reviewing records.

SIGNIFICANT DEFICIENCY

B2. Condition: The size of the organization precludes the implementation of an effective internal control system due to the absence of controls over the preparation of financial statements and disclosures.

Criteria: Preparation of financial statements and disclosures is considered a vital part of internal control structure.

Effect of condition: The internal control system is weak.

Cause of condition: The small size of the organization.

Recommendation: Continued involvement of the board of directors in reviewing records.

C. FINDINGS AND QUESTIONED COSTS- MAJOR FEDERAL AWARD PROGRAMS AUDIT

C1. The findings from the financial statements audit listed in section B of this report also are considered findings related to the audit of the major federal award program.

To whom it may concern:

Re: Corrective actions pursuant to fiscal year 2009/2010 audit

Findings: B1 and B2 (Page 15 of the report) Corrective Action

Considering the size of our staff and available resources, it is not possible to segregate duties and have a more effective internal control system. We do believe that we are utilizing the best internal control system possible.

Sincerely,

Tom Coe- Executive Director
Hope of Evansville, Inc.
