We have reviewed the audit report prepared by Pamela J. Simpson, CPA, Independent Public Accountant, for the period January 1, 2010 to December 31, 2010. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountant's opinion, the financial statements included in the report present fairly the financial condition of the Logansport Housing Authority, as of December 31, 2010 and the results of its operations for the period then ended, on the basis of accounting described in the report.

The Independent Public Accountant's report is filed with this letter in our office as a matter of public record.

Independent Auditor's Report

Board of Commissioners
Logansport Housing Authority
Logansport, Indiana

I have audited the accompanying financial statements of the Logansport Housing Authority, as of and for the year ended December 31, 2010, as listed in the table of contents. These financial statements are the responsibility of the Logansport Housing Authority's management. My responsibility is to express opinions on these financial statements based on my audit.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinions.

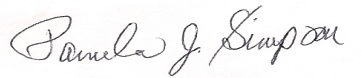

In my opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the financial position of Logansport Housing Authority, as of December 31, 2010 and the respective changes in financial position and cash flows for the year end in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, I have also issued my report dated August 16, 2011 on my consideration of the Logansport Housing Authority's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements with other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of my audit.

The Management's Discussion and Analysis on pages 3 through 6 are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, I did not audit the information and express no opinion on it.

My audit was conducted for the purpose of forming opinions on the financial statements of the Logansport Housing Authority, taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the U. S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the financial statements of the Logansport Housing Authority. The accompanying financial data schedule and other additional statements and schedules listed as supplemental data in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements of the Logansport Housing Authority. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and, in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Management's Discussion and Analysis

As management of Logansport Housing Authority, we offer the readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the year ended December 31, 2010. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements.

Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Executive Director, Logansport Housing Authority, 719 Spencer Street, Suite 100, Logansport, Indiana 46947, (574) 753-4666.

Overview of the Financial Statements

The financial statements included in this annual report are those of a special-purpose government engaged in a business-type activity. The following statements are included:

- Statement of Net Assets – reports the Authority's current financial resources (short term spendable resources) with capital assets and long-term debt obligations.
- Statement of Revenues, Expenses, and Changes in Net Assets reports the Authority's operating and non-operating revenues, by major source along with operating and non-operating expenses and capital contributions.
- Statement of Cash Flows – reports the Authority's cash flows from operating, investing, capital and non-capital activities.

Future Events (New Business)

There are no future events planned by the Authority during the fiscal year ending December 31, 2011 that will significantly affect the Authority's Net Assets either positively or negatively.

Condensed Comparative Financial Statements

Analysis of Entity Wide Net Assets

Total Assets for FYE 2010 was \$558,384 and at FYE 2009 the amount was \$532,966. This represents a net increase of \$25,418.

Cash increased by \$23,294. Cash increased overall because of the decrease in expenses.

Other Current Assets increased by \$2,658. The cause of this comes from a large amount of write off of fraud recovery.

Capital Assets decreased by \$534. The change in Capital Assets will be presented in the section of this analysis entitled Analysis of Capital Assets.

Current Liabilities decreased by \$99,667. The cause of this was no prepayment of subsidy from HUD.

Noncurrent Liabilities increased by \$10,654. The reason for the increase was an increase of FSS participants investment accounts.

The table below illustrates our analysis:

	<u>2010</u>	<u>2009</u>	<u>Variances</u>	<u>Percentage Change</u>

Note 1 - Summary of Significant Accounting Policies

(a) Organization and Reporting Entity -

The Logansport Housing Authority was established by the City of Logansport pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Under the United States Housing Act of 1937, as amended, the U.S. Department of Housing and Urban Development (HUD) had direct responsibility for administering low-rent housing programs in the United States. Accordingly, HUD has entered into a contract with the Authority for the purpose of assisting in financing the acquisition, construction and leasing of housing units and to make annual contributions (subsidies) to the program for the purpose of maintaining its low-rent character.

In evaluating the Authority as a reporting entity, management has addressed its relationship with the City of Logansport and concluded that the City does not maintain an oversight responsibility for the Authority's operations. An independent Board of Commissioners, appointed by the Mayor, is responsible for the activities of the Authority. The Authority recruits and employs its executive staff and has substantial legal authority to control its affairs without requiring approval of the City government. Debt incurred by the Authority is not an obligation of the City; the City does not review or approve the Authority's budget, is not entitled to any surplus funds generated by the Authority's operations and is not responsible for any deficits incurred by the Authority.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The members do not serve at the discretion of the Mayor, i.e. they can only be removed for cause. The Authority's Board elects its own chairperson.

Consequently, in accordance with evaluating the criteria set forth in Section 2100 and 2600 of the Governmental Accounting Standards Board Codification, management has concluded that the Logansport Housing Authority is a separate reporting entity. All funds and programs of the Housing Authority are included in these statements. The Housing Authority has no component units.

(b) Method of Accounting -

The financial statements of the Housing Authority have been prepared on the accrual basis of accounting and accordingly, reflect all significant receivables, payables and other liabilities.

The Housing Authority applies all relevant Governmental Accounting Standards Board (GASB) pronouncements. The funds apply Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989, unless those pronouncements conflict or contradict GASB pronouncements, in which case, GASB prevails.

Note 1 - Summary of Significant Accounting Policies

(c) Financial Statement Presentation

Although a formal policy has not been adopted, in financial statement preparation the Authority distinguishes operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services in connection with the Authority's principal ongoing operations. Principal operating revenues are tenant rents and HUD grants. Operating expenses include administration, maintenance, insurance, depreciation, utilities, housing assistance payments and other general expenses. All revenues and expenses not meeting these definitions are reported as non-operating revenues and expenses.

(d) Funds -

Each of the programs of the Housing Authority are organized on a basis of fund accounting, using a separate set of self balancing accounts as prescribed by HUD. The programs of the Housing Authority are:

- * Housing Choice Vouchers

These programs are all accounted for within the 'Proprietary' (enterprise) fund as described below:

Proprietary Fund Types:

Proprietary funds use the economic resources measurement focus and utilize the accrual basis of accounting. All assets and liabilities associated with a proprietary fund's activities are included on the fund statement. Proprietary fund equity is segregated into Invested in Capital Assets Net of Related Debt, Restricted Net Assets and Unrestricted Net Assets.

(e) Cash and Cash Equivalents -

For purposes of the statement of cash flows, although not a formal policy, the Housing Authority considers all highly liquid investments to be cash equivalents. The term "highly liquid" refers to investments with a maturity of one (1) month or less when purchased to be cash equivalents.

(f) Fixed Assets -

For the purpose of determining, distinguishing and recording materials and non-expendable equipment and personal property purchased or acquired in connection with development, management, and maintenance of public housing developments owned or operated, the Housing Authority follows the following capitalization policy:

If the initial cost of a piece of equipment and/or other personal property is two hundred fifty dollars (\$250) or more and the anticipated life or useful life of said equipment or property is more than one (1) year, the same shall be capitalized and recorded as non-expendable equipment and charged as a capital expenditure.

(g) Net Assets -

GASB Statement 34 requires the classification of net assets into three components as defined below:

- 1) Invested in capital assets, net of related debt - this component of net assets consists of capital assets, net of accumulated depreciation, costs to be recovered from future revenues and unamortized debt expense reduced by outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets.
- 2) Restricted - this component of net assets consist of constraints placed on net assets use through external constraints imposed by creditors, contributors or laws and regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.
- 3) Unrestricted - this component of net assets consists of net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt."

(h) Income Tax -

The Authority, organized as a non-profit corporation subsidized by the Federal government, is exempt from Federal and State income taxes.

(I) Annual Contributions/Subsidies and Other Grants

Annual contributions and subsidies received from the Department of HUD are recorded as grant revenues.

Other grants are recognized when program expenditures are incurred. Such revenue is subject to review by the Department of Housing and Urban Development and may result in disallowance in subsequent periods.

Note 1 - Summary of Significant Accounting Policies

- (j) The Housing Authority adopts a budget annually. The budgets is submitted to the Board of Commissioners for approval. Subsequent budget revisions may also be required to be submitted for approval.
- (k) The preparation of financial statements in conformity with generally accepted accounting principles require the Housing Authority to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2 - Cash and Investments

Statutes authorize the Housing Authority to invest in certificates of deposit, money market funds, United States government securities and repurchase agreements fully collateralized by United States government securities.

All cash and investments are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC) or other equivalent insurance company of the depository financial institutions. The deposits exceeding the insured or registered limits are public funds covered by the State of Indiana Public Deposit Fund.

Custodial Credit Risk

- a. Deposits - Custodial credit risk is the risk that in the event of a financial institution failure, the Authority's deposits may not be returned or that the Authority will not be able to recover collateral securities in the possession of an outside party.
- b. Investments - Custodial credit risk is the risk that in the event of the failure of the depository, the Authority will not be able to recover the value of its investments or collateral securities that are in the possession of the outside party.

Credit Risk Investments, Concentration of Credit Risk and Interest Rate Risks - Investments

Credit Risk is the risk that an issuer or other counter party to an investment will not fulfill its obligations. The Housing Authority has no investment policy that limits its investment choices other than the limitation of state law and/or the Department of Urban Development regulations.

Concentrations of Credit Risk is the risk of loss attributed to the amount of the investment in a single issuer. The Authority does not have a formal investment policy covering the concentration of credit risk.

Investment Rate Risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Housing Authority has no formal policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Note 2 - Cash and Investments (Continued)

The cash deposits held at financial institutions can be categorized according to three levels of risk. These three levels of risk are as follows:

Category 1 - Deposits which are insured or collateralized with securities held by the Housing Authority or by its agent in the Housing Authority's name.

Category 2 - Deposits which are collateralized with securities held by the pledging financial institution's trust department or agent in the Housing Authority's name.

Category 3 - Deposits which are not collateralized or insured.

Based on the three levels of risk, all of the Housing Authority's funds are classified as Category 1.

Federal Grants

In the normal course of operations, the Housing Authority receives grant funds from the Department of Housing and Urban Development. The programs are subject to audit by agents of HUD, the purpose of which is to ensure compliance with conditions precedent to the granting of funds. Any liability for reimbursement which may arise as a result of these audits is not believed to be material.

Note 13 - Risk Management

The Housing Authority carries commercial insurance coverage to cover exposure and the risk of losses related to torts, thefts, damages, destruction of assets, errors and omissions, injuries, natural disasters and defalcation.

For insured programs there has been no significant reduction in insurance coverage. Settled claims have not exceeded insurance coverage or the risk pool coverage in the current or past three years.

Note 14 - Economic Dependency

The Housing Authority received most of its revenue (99%) from the United States Department of Housing and Urban Development. This funding is subject to federal government appropriations and potential funding reductions.

**Report on Internal Control Over Financial Reporting and on Compliance
and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

Board of Commissioners
Logansport Housing Authority
Logansport, Indiana

I have audited the financial statements of Logansport Housing Authority as of and for the year ended December 31, 2010, and have issued my report thereon dated August 16, 2011. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Logansport Housing Authority's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Logansport Housing Authority's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of Logansport Housing Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be material weaknesses, as defined above.

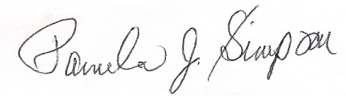

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Logansport Housing Authority's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

I noted certain matters that I reported to management of Logansport Housing Authority in a separate letter dated August 16, 2011.

This report is intended solely for the information and use of management, Board of Commissioners, others within the entity, and Housing and Urban Development and is not intended to be and should not be used by anyone other than these specified parties.

Independent Auditor's Report on Compliance With Requirements That Could Have a Direct and Material Effect on Each Major Program and on Internal Control Over Compliance in Accordance With OMB Circular A-133

Board of Commissioners
Logansport Housing Authority
Logansport, Indiana

Compliance

I have audited Logansport Housing Authority's compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of Logansport Housing Authority's major federal programs for the year ended December 31, 2010. Logansport Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Logansport Housing Authority's management. My responsibility is to express an opinion on Logansport Housing Authority's compliance based on my audit.

I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Logansport Housing Authority's compliance with those requirement and performing such other procedures as I considered necessary in the circumstances. I believe that my audit provides a reasonable basis for my opinion. My audit does not provide a legal determination of Logansport Housing Authority's compliance with those requirements.

In my opinion, Logansport Housing Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2010. However, the results of my auditing procedures disclosed instances of noncompliance with those requirements, which are required to be reported in accordance with OMB Circular A-133 and which are described in the accompanying schedule of findings and questioned costs as items (2010-1).

Internal Control Over Compliance

Management of Logansport Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing my audit, I considered Logansport Housing Authority's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing my opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of Logansport Housing Authority's internal control over compliance.

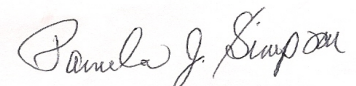

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. I did not identify any deficiencies in internal control over compliance that I consider to be *material weaknesses*, as defined above. However, I identified certain deficiencies in internal control over compliance that I consider to be significant deficiencies as described in the accompanying schedule of findings and questioned costs as items (2010-1). A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Logansport Housing Authority's responses to the finding identified in my audit are described in the accompanying schedule of findings and questioned costs. I did not audit Logansport Housing Authority's responses and, accordingly, I express no opinion on the responses.

This report is intended solely for the information and use of management, Board of Commissioners, others within the entity, Housing and Urban Development, federal awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

STATUS OF PRIOR AUDIT FINDINGS

The prior audit report for the period ended December 31, 2009 contained one federal award finding.

Finding 2009-1: Incomplete Section 8 Participant Files

HUD regulations require that all participant files contain adequate documentation to support a participant's eligibility and the accurate calculation of Housing Assistance Payments (HAP). During a test of participant eligibility (30 files examined) incomplete documentation and incorrect calculations of HAP were noted.

While some problems previously noted were corrected during the current year, others still persist. This finding continues.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
CURRENT FINDINGS AND RECOMMENDATIONS**

Section II - Financial Statement Audit Findings

There were no financial statement audit findings discussed with Sharon Roach, Executive Director, during the course of the audit or at an exit conference held August 10, 2010.

Section III - Federal Award Audit Findings

There was one federal award audit findings discussed with Sharon Roach, Executive Director, during the course of the audit and at an exit conference held August 10, 2010.

Finding 2010-1: Incomplete Section 8 Participant Files

Condition and Criteria: HUD regulations require that all participant files contain adequate documentation to support a participant's eligibility and the accurate calculation of Housing Assistance Payments (HAP). During my current year test of participant eligibility (40 files examined) I noted incomplete documentation and incorrect calculations of HAP as follows: (a) EIV reports were not used in many interim calculations (b) anticipated medical expenses (such as spend down allowances) were not properly verified or calculated in five files (c) not all files contained rent reasonable/comparabilities when rent increases were requested by landlords (d) one file had several documents indicating that the two adults in the household had a marital relationship, but the wife was listed as "other adult".

Effect: It cannot be determined if the Section 8 participants were eligible and their HAP assistance was calculated in accordance with HUD regulations.

Cause: The applications used by the agency were not detailed to provide adequate information when processing applications, certifications and recertifications. Proper quality control procedures had not been implemented to assure that only eligible participants were provided Housing Assistance. The procedures in place did not provide adequate assurance that correct data was collected and used in accurate assistance payment calculations for each eligible participant.

Auditor's Recommendation: The application filled out by all participants should be reviewed and expanded to provide all information needed to process the application and certification. I recommend that quality control procedures be reviewed and revised to ensure that all required documentation is maintained in each file to support eligibility and exemptions. Procedures should be developed to ensure that all intake staff are familiar with the policies established in the Housing Authority's Section 8 Administrative Plan and that they are trained in the proper procedures for consistently applying those policies and HUD regulations.

Grantee Response: The application had been updated, but the new form had not yet been used. It will be reviewed again for adequacy and to determine it provides complete information. The Admin Plan will be reviewed and updated by the Executive Director and intake staff. Additional quality assurance reviews will be conducted by the Executive Director to determine that the policies are being adhered to in the future.

Logansport Housing Authority
Logansport, Indiana

In planning and performing my audit of the financial statements of Logansport Housing Authority as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United State of America, I considered the Housing Authorities internal control over financial reporting (internal control) as a basis for designing my auditing procedures for the purpose of expressing my opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Logansport Housing Authority's internal control. Accordingly, I do not express an opinion on the effectiveness of Logansport Housing Authority's internal control.

The administration of the Housing Authority is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgements by the administration are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use of disposition and that transactions are executed in accordance with authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

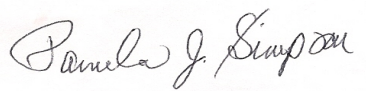

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

My study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. However, my study and evaluation disclosed certain conditions in the following areas of which you should be aware in order to improve operating efficiencies and strengthen internal controls:

1. While reviewing current policies and procedures of the Logansport Housing Authority, it was noted that the agency does not have a formal travel policy. A formal policy is needed to insure that only reasonable and allowable travel expenses are incurred when an employee or authorized representative of the agency travels on behalf of the Housing Authority.

This communication is intended solely for the information and used of management, the Board of Commissioners, and others within the housing authority, and is not intended to be and should not be used by anyone other than these specified parties. Please feel free to contact me if you have any questions.
