To the Board of Directors of
KIPP Indianapolis, Inc.:

We have audited the financial statements of KIPP Indianapolis, Inc. (the School) as of and for the year ended June 30, 2015 and have issued our report thereon dated January 25, 2016.

In connection with that audit and with our consideration of KIPP Indy's internal controls as required by the *Guidelines for the Audits of Charter Schools Performed by Private Examiners* (Guide), Issued by the Indiana State Board of Accounts, we performed procedures prescribed under the Guide for the year ended June 30, 2015.

As required by the Guide, we performed procedures to test compliance with the requirements that are applicable to the School. Our procedures were substantially narrower in scope than an audit, the objective of which is the expression of an opinion on the School's compliance with these requirements. Accordingly, we do not express such an opinion.

The results of our tests disclosed instances of noncompliance with those requirements, which is described in the accompanying Schedule of Findings.

The purpose of this report is solely to describe the scope of our testing over compliance with the requirements prescribed under the Guide and the results of that testing, and not to provide a legal determination of compliance with those requirements. Accordingly, this report is not suitable for any other purpose.

AUDIT RESULTS AND COMMENT

ADM AND STUDENT INFORMATION REPORTING NOT FILED TIMELY

The Spring submissions for KIPP Unite Elementary and KIPP Middle College Preparatory were signed by the Executive Director on March 10, 2015. Per the Indiana Department of Education (IDOE) ADM Submissions Guidelines, the final report must be signed by the Director and mailed to the IDOE by March 4, 2015.

Not later than the date established by the Indiana Department of Education (IDOE) for determining ADM, and after May 31 each year, the organizer shall submit to IDOE the following information on a form prescribed by IDOE: (1) the number of students enrolled in the charter school, (2) the name and address of each student, (3) the name of the school corporation which the student has legal settlement, (4) the name of the school corporation, if any, that the student attended during the immediately preceding school year, (5) the grade level in which the student will enroll in the charter school, IC 20-24-7-2 (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 9)

COMPENSATION FOR CERTAIN TEACHERS DID NOT AGREE WITH OFFER LETTER IN EMPLOYEE PERSONNEL FILE

Four of fifteen employees tested were compensated more than their employment offer letter retained in their employee personnel file. Upon inquiry, School officials noted that an error was discovered late in the school year whereby certain employees were paid 4% more than their original offer letter. As the error was discovered late in the school year, no adjustments were made to compensation.

All compensation and benefits paid to employees must be included in the labor contract or salary schedule unless otherwise authorized by statute. Compensation must be made in a manner that will facilitate compliance with state and federal reporting requirements (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 10, Compensation)

CASH RECEIPTS FROM TICKET SALES WERE NOT DEPOSITED DAILY

All three of the basketball games' ticket sales receipts tested, which was a total dollar value of \$141, were not deposited on the next business day following the event.

Tickets, goods for sale, billings and other collections are considered accountable items for which a corresponding deposit must be made in the bank accounts of the charter school (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 10). All charter school money must be deposited in the designated depository not later than the business day following the receipt of funds on business days of the depository in the same form in which the funds were received. Timely receipts and deposits are required to provide the organizer and charter school administration with current information necessary for all financial decisions (Accounting and Uniform Compliance Guidelines Manual for Indiana Charter Schools, Part 8).
