We have reviewed the Financial Statements and Independent Auditors' Report prepared by Donovan P.C., Independent Public Accountants, for the period July 1, 2014 to June 30, 2015. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Public Accountants' opinion, the financial statements included in the report present fairly the financial condition of the Drexel Foundation for Educational Excellence, Inc., as of June 30, 2015, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In addition to the report presented herein, a Supplemental Audit Report for Drexel Foundation for Educational Excellence, Inc. was prepared in accordance with the guidelines established by the State Board of Accounts.

The Financial Statements and Independent Auditors' Report and the Supplemental Audit Report are filed in our office as a matter of public record.

INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Drexel Foundation for Educational Excellence, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of **Drexel Foundation for Educational Excellence, Inc. d/b/a Thea Bowman Leadership Academy**, which comprise the statements of financial position as of June 30, 2015 and 2014, the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Drexel Foundation for Educational Excellence, Inc. as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 5 to the financial statements, Drexel Foundation received notice from its charter sponsor that it would not renew Drexel Foundation's charter school agreement effective June 30, 2016. Drexel Foundation is in process of applying for a charter from other approved Indiana charter school sponsors. Without an executed charter agreement, state-provided school funding will cease as of June 30, 2016. Our opinion is not modified with respect to this matter.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 14, 2016 on our consideration of Drexel Foundation for Educational Excellence, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Drexel Foundation for Educational Excellence, Inc.'s internal control over financial reporting and compliance.

(1) Summary of Significant Accounting Policies

General

Drexel Foundation for Educational Excellence, Inc. d/b/a Thea Bowman Leadership Academy (the "School") is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. The School operates a public charter school established under Indiana Code 20-24 and is sponsored by Ball State University. The School has entered into a service agreement with American Quality Schools Corporation, an organization incorporated in the State of Illinois, to provide curriculum, managerial, administrative, and financial services to the School.

Accounting Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Accounts Receivable

Accounts receivable relate primarily to activities funded under federal grants and legislation enacted by the State of Indiana. The School believes that it is operating in compliance with regulatory requirements and as such no allowance for doubtful accounts is deemed necessary.

Revenue Recognition

Revenues primarily come from resources provided under the Indiana Charter Schools Act. Under the Act, the School receives an amount per student in relation to the funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment, and is paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized in the school year in which educational services are rendered.

A portion of the School's revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants in the amount of costs and expenses at the time they are incurred.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies, Continued

Property and Equipment

Purchases of these assets and expenditures that materially increase value or extend useful lives are capitalized and are included in the accounts at cost. Routine maintenance and repairs, minor replacement costs, and equipment purchases with a unit cost of less than \$1,000 are charged to expense as incurred.

Depreciation is provided over the estimated useful lives of the respective assets using the straight-line method. The estimated useful lives generally are as follows:

Structures and improvements	15 to 39 years
Equipment	3 to 7 years
Furniture and fixtures	7 years

Taxes on Income

Drexel Foundation for Educational Excellence, Inc. has received a determination from the U.S. Treasury Department stating that it qualifies under the provisions of Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization; however, the School would be subject to tax on income unrelated to its tax-exempt purpose. For the years ended June 30, 2015 and 2014, no accounting for federal and state income taxes was required to be included in the accompanying financial statements.

Professional accounting standards require the School to recognize a tax liability only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax liability that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax liability is recorded. The School has examined this issue and has determined that there are no material contingent tax liabilities or questionable tax positions. Tax years ending after 2011 are open to audit for both federal and state purposes.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies, Continued

Cash Equivalents

The School considers all short-term debt securities purchased with an original maturity of three months or less to be cash equivalents.

Debt Issuance Costs

Costs associated with securing financing under the Indiana Finance Authority Education Facilities Revenue Bonds have been deferred and are being amortized over the term of the bonds (30 years) using the straight-line method.

Subsequent Events

The School evaluated subsequent events through March 14, 2016, the date these financial statements were available to be issued. Events occurring through that date have been evaluated to determine whether a change in the financial statements or related disclosures would be required. See Note 5 for a description of significant subsequent events.

Reclassifications

Certain figures for 2014 that were previously reported have been reclassified for comparative purposes.

(2) Long-Term Debt

Long-term debt as of June 30, 2015 and 2014 consisted of Indiana Finance Authority Educational Facilities Revenue Bonds, Series 2009. The loan principal is payable in annual installments that increase from \$230,000 to \$2,890,000 through October 2039. Interest payments are made semi-annually at rates that range from 6% to 7% in accordance with the bond agreement. The bond obligation is secured by land, structures, and improvements.

DREXEL FOUNDATION FOR EDUCATIONAL EXCELLENCE, INC.

THEA BOWMAN LEADERSHIP ACADEMY

Notes to Financial Statements

(2) Long-Term Debt, Continued

The bond obligation contains certain covenants that limit the School's ability to create liens, incur indebtedness or guarantees, dispose of assets, or change the nature of the business. The bond obligation also contains financial maintenance covenants establishing a minimum debt service coverage ratio. The School did not meet the minimum debt service coverage ratio in the year ended June 30, 2015.

Future maturities of long-term debt are as follows:

<u>Year Ended June 30:</u>	
2016	\$ 275,000
2017	295,000
2018	310,000
2019	330,000
2020	350,000
Thereafter	<u>16,640,000</u>
	<u>\$18,200,000</u>

(3) Leases

The School conducts its elementary school operations from facilities that are leased under a noncancelable operating lease that expires in June 2017. The lease provided for an initial minimum annual rental payment of \$115,000, which increases by three percent each year through June 2017. The minimum annual rental payment is based on an enrollment of 300 students. There is an additional monthly charge for each student in excess of 300. The School also leases certain items of equipment under leases that are accounted for as operating leases. The equipment leases extend through February 2017.

Future minimum rental payments required under these leases are as follows:

<u>Year Ended June 30:</u>	
2016	\$ 155,912
2017	141,985

DREXEL FOUNDATION FOR EDUCATIONAL EXCELLENCE, INC.

Notes to Financial Statements

(4) Retirement Plan

Retirement benefits for school employees are provided by the Indiana State Teachers' Retirement Fund ("TRF") and the Indiana Public Employees' Retirement Fund ("PERF"), both of which are cost-sharing multiple-employer defined benefit retirement plans governed by the State of Indiana and administered by the Indiana Public Retirement System ("INPRS") Board. Substantially all full-time employees are eligible to participate. INPRS acts as a common administrative and investment agent for units of state and local government in Indiana. Contribution requirements are determined by the INPRS Board. Under the plans, the School contributes 7.5% of compensation for teaching faculty to TRF. The contribution to PERF for other employees was 10.25% of compensation until December 31, 2014, and 11.2% thereafter. Participants are required to contribute 3% of compensation to an annuity saving account that can be withdrawn when the participant terminates employment. The School voluntarily makes this contribution on behalf of the participants.

Should the School elect to withdraw from TRF or PERF, the School could be subject to a withdrawal fee. The School's contributions represent an insignificant percentage of the total contributions received by TRF or PERF. As of June 30, 2014 (the latest year reported), both TRF and PERF were more than 80% funded. A copy of the complete annual report for the year ended June 30, 2014 can be obtained at:

www.in.gov/inprs/files/2014INPRSCAFRBook_Web.pdf

Retirement plan expense was \$541,895 and \$496,209 for the years ended June 30, 2015 and 2014.

(5) Subsequent Events

Subsequent to June 30, 2015, the School received notice from its charter sponsor, Ball State University, that it would not be renewing the School's charter upon termination on June 30, 2016. The School is in process of applying for a charter from other approved Indiana charter school sponsors. As of the date of this audit, the School had not secured a sponsor commitment for the 2016-17 academic year. Without a new charter agreement, all state funding will cease as of June 30, 2016.

DREXEL FOUNDATION FOR EDUCATIONAL EXCELLENCE, INC.
d/b/a
THEA BOWMAN LEADERSHIP ACADEMY

Notes to Financial Statements

(6) Commitments

The School operates under a charter granted by Ball State University. As the sponsoring organization, Ball State University exercises certain oversight responsibilities. Under this charter, the School has agreed to pay to Ball State University an annual administrative fee equal to 3% of state tuition payments received. The charter remains in effect until June 30, 2016, and is renewable thereafter by mutual consent (see Note 5). Payments under this agreement were \$187,153 and \$212,140 for the years ended June 30, 2015 and 2014.

The School contracted with American Quality Schools Corporation, a not-for-profit organization incorporated in the State of Illinois, to provide management, administrative and educational programming services. Under the terms of the agreement, the School agreed to pay an amount equal to 7% of revenues, as defined, for such services. Management fee expense under this contract was \$654,825 and \$723,386 for the years ended June 30, 2015 and 2014, respectively. The contract, which commenced July 1, 2010, expired on June 30, 2015, and the School elected to not renew the agreement.

For the 2015-16 academic year, the School entered into a one-year agreement with The Leona Group, LLC to provide financial, management, administrative, and educational programming services. The fee for these services will be \$500,000 for the year ending June 30, 2016.

(7) Risks and Uncertainties

The School provides education services to families residing in Lake and surrounding counties in Indiana, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect the School. Additionally, the School is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on the School.

Financial instruments that potentially subject the School to concentrations of credit risk consist principally of receivables from the State of Indiana. At June 30, 2015 and 2014, substantially all of the grants receivable balance was due from the State of Indiana. In addition, deposits are maintained at J.P. Morgan Chase Bank and BMO Harris Bank, and frequently exceed the FDIC insurance limit.

THEA BOWMAN LEADERSHIP ACADEMY

Notes to Financial Statements

(8) Contingencies

The School is subject to various claims and legal proceedings covering a range of matters that arise in the ordinary course of providing educational instruction. Management believes that any liability that may ultimately result from the resolution of these matters will not have a material adverse effect on the financial position or financial activities of the School. The School has not recorded a liability with respect to such proceedings.

(9) Functional Expense Reporting

The costs of providing the educational activities have been summarized on a functional basis in the statements of activities. Accordingly, certain expenses have been allocated between program and management services. Following is a summary of expenses comprising each program and service for the years ended June 30, 2015 and 2014:

Notes to the Schedule of Expenditures of Federal Awards

Year Ended June 30, 2015

(1) Basis of Presentation

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal grant activity of Drexel Foundation for Educational Excellence, Inc. (the “School”) under programs of the federal government for the year ended June 30, 2015. The information in this schedule is presented in accordance with the requirements of the Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets or cash flows of the School.

(2) Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-122, *Cost Principles for Non-Profit Organizations*, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

The Board of Directors
Drexel Foundation for Educational Excellence, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of **Drexel Foundation for Educational Excellence, Inc., d/b/a Thea Bowman Leadership Academy** (the "School"), which comprise the statement of financial position as of June 30, 2015, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated March 14, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

The Board of Directors
Drexel Foundation for Educational Excellence, Inc.

Report on Compliance for Each Major Federal Program

We have audited **Drexel Foundation for Educational Excellence, Inc. d/b/a Thea Bowman Leadership Academy's** (the "School") compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2015. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School's compliance.

Opinion on Each Major Federal Program

In our opinion, Drexel Foundation for Educational Excellence, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2015.

Report on Internal Control Over Compliance

Management of Drexel Foundation for Educational Excellence, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

SIGNIFICANT DEFICIENCY

FINDING NO. 2014-001

PROCUREMENT POLICY

Condition

During the 2014 audit, it was noted that the School conducted a number of procurement actions in excess of \$50,000, including computer purchases, contracted tutoring, and educational materials purchases, and did so without a written procurement policy governing purchase transactions.

Recommendation

The auditor recommended that the School develop a written procurement policy that is responsive the School's various procurement needs.

Current Status

A formal written procurement policy was created and adopted for use in March 2015.

SIGNIFICANT DEFICIENCY

FINDING NO. 2014-002

FINANCIAL REPORTING

Condition

During the 2014 fiscal year, the School determined that expenditures for the 2013 fiscal year had not been claimed for reimbursement. A claim for these expenditures was submitted and paid in fiscal 2014. The expenditures were not properly reported on the Schedule of Expenditures of Federal Awards (SEFA) for fiscal year 2013.

Recommendation

The auditor recommended that procedures be implemented to assure that the terms and conditions of each grant are identified and responsibility be assigned for accurate financial reporting.

Current Status

No further action is required. The School was in compliance for the 2014 fiscal year.
