Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Charter School of the Dunes, Inc. and Affiliate, which comprise the consolidated statements of financial position as of June 30, 2016 and 2015, and the related consolidated statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

CHARTER SCHOOL OF THE DUNES, INC. AND AFFILIATE
NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
For the Years Ended June 30, 2016 and 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General – Charter School of the Dunes, Inc. is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana that operates a public charter school established under Indiana Code 20-24. Charter School of the Dunes, Inc. maintains control over CSOTD Holdings, Inc., a public benefit not-for-profit organization established in April 2012 and organized for the purpose of construction of a building to serve as an educational facility.

Principles of Consolidation – The accompanying consolidated financial statements include the accounts of Charter School of the Dunes, Inc. and its affiliate, CSOTD Holdings, Inc., collectively referred to as the “School”. All significant intercompany transactions and balances have been eliminated in consolidation.

Accounting Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Grants Receivable – Grants receivable relate to activities funded under federal grants and legislation enacted by the State of Indiana. The School believes that it is operating in compliance with regulatory requirements and as such no allowance for doubtful accounts is deemed necessary.

Deferred Loan Costs – Costs associated with securing financing under loan agreements with BMO Harris Bank and NNMF SUB-CDE XVII, LLC have been deferred and are being amortized over the terms of the loans using the straight-line method. Amortization of deferred loan costs is included in interest expense and amounted to \$22,146 for both of the years ended June 30, 2016 and 2015.

Revenue Recognition – Revenues primarily come from resources provided under the Indiana Charter Schools Act. Under the Act, the School receives an amount per student in relation to the funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment, and is paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized in the year in which educational services are rendered.

A portion of the School’s revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants in the amount of costs and expenses at the time they are incurred.

Property and Equipment – Purchases of assets and expenditures that materially increase value or extend useful lives are capitalized and are included in the accounts at cost. Routine maintenance and repairs and minor replacement costs are charged to expense as incurred.

Depreciation is provided over the estimated useful lives of the respective assets using the straight-line method. The estimated useful lives generally are as follows:

Building and improvements	35 years
Furniture and equipment	3 to 5 years
Textbooks	5 years

For the Years Ended June 30, 2016 and 2015

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Taxes on Income – Charter School of the Dunes, Inc. and its affiliate, CSOTD Holdings, Inc., have received determinations from the U.S. Treasury Department stating that they qualify under the provisions of Section 501(c)(3) of the Internal Revenue Code as tax-exempt organizations; however, each entity would be subject to tax on income unrelated to its tax-exempt purpose. For the years ended June 30, 2016 and 2015 no accounting for federal and state income taxes was required to be included in the accompanying consolidated financial statements.

Professional accounting standards require the School to recognize a tax liability only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax liability that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax liability is recorded. The School has examined this issue and has determined that there are no material contingent tax liabilities or questionable tax positions. The tax years ending after 2012 are open to audit for both federal and state purposes.

Subsequent Events – The School evaluated subsequent events through December 2, 2016, the date these financial statements were available to be issued. Events occurring through that date have been evaluated to determine whether a change in the financial statements or related disclosures would be required.

NOTE 2 - RESTRICTED CASH

Restricted cash represents loan proceeds received by CSOTD Holdings, Inc. that are restricted by the lender for payment of financing related costs. Restricted cash was comprised of the following account balances as of June 30:

	<u>2016</u>	<u>2015</u>
Asset management fees	\$ 369,831	\$ 473,722
Stabilization asset management fee	<u>101</u>	<u>101</u>
	<u>\$ 369,932</u>	<u>\$ 473,823</u>

NOTE 3 - NOTE RECEIVABLE

The note receivable is due from Chase NMTC CSOTD Investment Fund, LLC, an entity created to facilitate the funding and construction of the School’s facility. The note carries an interest rate of 1% per annum and is secured by all assets of Chase NMTC CSOTD Investment Fund, LLC, consisting primarily of its interest in NNMF SUB-CDE XLII, LLC. Interest only is payable on the note until December 1, 2019, at which time it converts to an amortizing loan payable in equal installments of principal and interest through December 1, 2042.

NOTE 3 - NOTE RECEIVABLE, Continued

The School borrowed funds from BMO Harris Bank, which when combined with its own resources were loaned to Chase NMTC CSOTD Investment Fund, LLC. Chase NMTC CSOTD Investment Fund, LLC was able to secure an additional equity investment in order to complete the funding required for the project. Chase NMTC CSOTD Investment Fund, LLC, in turn, loaned the amount necessary for construction of the facility to CSOTD Holdings, Inc. through an affiliated entity (NNMF SUB-CDE XVII, LLC). See Note 4 for information regarding these debt obligations.

NOTE 4 - NOTES PAYABLE

Notes payable consisted of the following at June 30:

	<u>2016</u>	<u>2015</u>
Note payable to BMO Harris Bank	\$ 7,063,913	\$ 7,570,913
Note payable to NNMF SUB-CDE XVII, LLC	9,237,456	9,237,456
Note payable to NNMF SUB-CDE XVII, LLC	3,567,544	3,567,544
Note payable to Food Service Professionals, Inc.	76,393	96,366
Note payable to the Indiana Common School Fund	450,000	-
	<u>20,395,306</u>	<u>20,472,279</u>
Less: current portion	<u>(631,198)</u>	<u>(532,611)</u>
Long-term portion	<u>\$ 19,764,108</u>	<u>\$ 19,939,668</u>

The note payable to BMO Harris Bank required interest payments only until January 2014, when it converted to an amortizing loan with a term of 25 years. The loan provides for interest at 5.39%, of which interest at 4.91% is subsidized by the U.S. Treasury from the purchase of Qualified School Construction Bonds; however, the subsidy is subject to reduction dependent upon federal sequestration adjustments. The loan is secured by a blanket lien on all School business assets, including a collateral assignment of the School's loan to Chase NMTC CSOTD Investment Fund, LLC. The loan agreement contains certain covenants that limit the School's ability to create liens, incur debt, and change management. The loan agreement also contains covenants requiring the maintenance of required reserves, and establishes a minimum debt service coverage ratio (1.20/1) and minimum levels of student enrollment. The School was in compliance with covenants for the 2016 fiscal year.

The notes payable to NNMF SUB-CDE XVII, LLC relate to borrowings by CSOTD Holdings, Inc. to finance the construction of the school facility. The loans each provide for interest only at .9% per annum to be paid until December 1, 2019, when they convert to amortizing loans with a term of 27 years. The loans are secured by all business assets.

The note payable to Food Service Professionals, Inc. is non-interest bearing and is payable in monthly installments of \$2,142 through December 2019. The note is collateralized by specific items of equipment.

The note payable to Indiana Common School Fund requires semi-annual payments of principal and interest from January 2017 to July 2026, with interest at 1% per annum.

A schedule of minimum lease obligations is as follows for the years ending June 30:

NOTE 6 - RETIREMENT PLAN

The School provides retirement benefits covering substantially all full-time employees. Retirement benefits are provided by the Indiana State Teachers' Retirement Fund ("TRF") and the Indiana Public Employees' Retirement Fund ("PERF"), both of which are cost-sharing multiple-employer defined benefit retirement plans governed by the State of Indiana and administered by the Indiana Public Retirement System ("INPRS") Board. Contribution requirements of plan members are determined annually by the INPRS Board. Under the plans, the School contributed 7.5% of compensation for eligible teaching faculty to TRF and 11.2% of compensation for other eligible employees to PERF. Should the School elect to withdraw from TRF or PERF, the School could be subject to a withdrawal fee. The School's contributions represent an insignificant percentage of the total contributions received by TRF or PERF. As of June 30, 2015 (the latest year reported), both TRF and PERF were more than 80% funded.

Retirement plan expense was \$217,416 and \$210,600 for the years ended June 30, 2016 and 2015, respectively.

NOTE 7 - CONTINGENCY

In 2014, the School received a penalty assessment from the Internal Revenue Service in the amount of \$50,000 relating to the late filing of Form 990, Return of Organization Exempt from Income Tax, for the year ended June 30, 2012. The School has filed an appeal of this assessment requesting that the penalty be waived. A final determination has not been made. No liability for this assessment has been included in the accompanying consolidated financial statements.

NOTE 8 - COMMITMENTS

The School operates under a charter granted by Calumet College of Saint Joseph. As the sponsoring organization, Calumet College of Saint Joseph exercises certain oversight responsibilities. Under the charter, the School agreed to pay the sponsor an annual administrative fee equal to 3% of state tuition support. Payments under this agreement were \$72,409 and \$87,122 for the years ended June 30, 2016 and 2015, respectively.

As part of the financing of the school facilities, the School has agreed to pay NNMF SUB-CDE XVII, LLC an asset management fee in the amount of \$78,571 per year for as long as the construction project loans remain outstanding. In addition, the School is responsible for certain tax and accounting fees incurred by NNMF SUB-CDE XVII, LLC. Expense for the years ended June 30, 2016 and 2015 relating to these fees was \$87,211 and \$78,571, respectively.

NOTE 9 - RISKS AND UNCERTAINTIES

The School provides education services to families residing in Lake and surrounding counties in Indiana, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect the School. Additionally, the School is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on the School.

Financial instruments that potentially subject the School to concentrations of credit risk consist principally of receivables from the State of Indiana. At June 30, 2016 and 2015, substantially all of the accounts receivable balance was due from the State of Indiana. In addition, deposits are maintained at BMO Harris Bank and are insured up to the FDIC insurance limit.

NOTE 10 - FUNCTIONAL EXPENSE REPORTING

The costs of providing educational activities have been summarized on a functional basis in the consolidated statements of functional expenses. Accordingly, certain expenses have been allocated between program and management services.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER CONSOLIDATED
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

The Board of Directors
Charter School of the Dunes, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Charter School of the Dunes, Inc. (the "School") and Affiliate, which comprise the consolidated statement of financial position as of June 30, 2016, and the related consolidated statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 2, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH
THE UNIFORM GUIDANCE

The Board of Directors
Charter School of the Dunes, Inc.

Report on Compliance for Each Major Federal Program

We have audited Charter School of the Dunes, Inc.'s (the "School") compliance with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2016. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School's compliance.

Opinion on Each Major Federal Program

In our opinion, Charter School of the Dunes, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control over Compliance

Management of Charter School of the Dunes, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

SUMMARY SCHEDULE OF PRIOR YEAR AUDIT FINDINGS
For the Year Ended June 30, 2016

FINANCIAL STATEMENT FINDINGS

FINDING 2015-001
FINANCIAL ACCOUNTING

Condition – In 2015, it was noted that various conditions existed that resulted in a misstatement of the financial statements relating primarily to the failure to record liabilities for employment contracts, purchase contracts, and operating expenses. Numerous audit entries were required to correct account balances.

Recommendation – The auditor recommended that procedures be implemented to assure prompt communication of contractual obligations to the contracted accountants, and that financial reports be subject to formal internal review to assure that they reflect all significant transactions.

Current Status – Efforts were made to correct the condition noted above, which sufficiently mitigated the 2015 finding.
