TO: THE OFFICIALS OF TIPTON COUNTY SOIL AND WATER
CONSERVATION DISTRICT, TIPTON COUNTY, INDIANA

As authorized under Indiana Code 5-11-1, we performed certain procedures to the accounting records and related documents of Tipton County Soil and Water Conservation District (District), for the period of January 1, 2012 to December 31, 2015, to determine compliance with applicable Indiana laws and uniform compliance guidelines established by the Indiana State Board of Accounts.

Our procedures were designed solely to satisfy the requirements of Indiana Code 5-11-1. Because our procedures were not designed to opine on the District's financial statements, we did not follow auditing standards generally accepted in the United States of America. Accordingly, we do not express an opinion on any basic financial statement of the District.

Management is responsible for preparing and maintaining its accounting records and related documents, as well as compliance with applicable state laws and uniform compliance guidelines established by the Indiana State Board of Accounts.

The Annual Financial Reports filed by the District can be found on the Gateway website: <https://gateway.ifionline.org/>.

The Comments contained herein describe the identified reportable instances of noncompliance found as a result of the procedures we performed. Our procedures were not designed to identify all instances of noncompliance; therefore, noncompliance may exist that is unidentified.
