Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. NOTES TO FINANCIAL STATEMENTS

December 31, 2015 and 2014

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Marion Grant County Convention and Visitors Bureau, Inc. (the Organization) is a non-profit organization located in Marion, Indiana, Grant County. The Organization was formed to promote and develop the tourism industry in Grant County for the economic growth of the community.

Pursuant to I.C. 6-9-18, the Grant County Convention, Recreation and Visitors Commission (Commission) serves as the Board of Directors of the Organization. As such, the Commission has both control and economic interest in the Organization. Consequently, the Organization is considered a wholly owned subsidiary of the Commission. These financial statements present only the financial position, changes in net assets and cash flows of the Organization.

Income Taxes

The Organization is exempt from income tax under Section 501(c)(4) of the Internal Revenue Code. The Organization has been classified as an organization that is not a private foundation under Section 509(a) of the Internal Revenue Code.

Estimates

The process of preparing financial statements in conformity with the modified cash basis of accounting requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

(continued)

1. **ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**(continued)

Basis of Accounting

The Organization's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenues are recognized when received rather than when earned, and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. Modifications to the cash basis include recognition of fixed assets and related depreciation and payroll tax withholdings. This basis differs from generally accepted accounting principles primarily because the Organization has not recognized accounts payable and accruals and their related effects on earnings in the accompanying financial statements.

Fixed Assets

Fixed assets are stated at cost or, if donated, at fair value at the date of the gift. All items with a cost in excess of \$2,000 and a useful life in excess of five years are capitalized. The Organization follows the policy of providing depreciation on the straight-line method for financial reporting purposes over the estimated useful lives of the related assets.

Contributions

All contributions are considered to be available for the general operations of the Organization unless specifically restricted by the donor. Gifts of cash and other assets are reported as temporarily restricted or permanently restricted support if they are received with donor stipulations that limit their use. In the case of temporarily restricted support, when the restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. By definition, permanently restricted support must be maintained in perpetuity. Restrictions on these net assets do not expire and no assets are reclassified in the statement of activities.

Reclassifications

Certain reclassifications have been made to conform prior years' financial statements to the current presentation. These reclassifications have no effect on previously reported operating results.

Subsequent Events

Management has evaluated subsequent events through March 29, 2016, the date which the financial statements were available for issue.
