We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Putnam County Housing Authority, Indiana, (Authority), as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise the Putnam County Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Putnam County Housing Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Putnam County Housing Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Putnam County Housing Authority, as of June 30, 2016 and the changes in financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages iii through viii be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Report on Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Putnam County Housing Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the *Title 2 U.S. Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the Financial Data Schedule - HUD Prescribed Format are presented for purposes of additional analysis and are not a required part of the basic financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the above described supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Putnam County Housing Authority

Management's Discussion and Analysis (MD&A) June 30, 2016 (Unaudited)

This section of the Putnam County Housing Authority, Indiana's (Authority) annual financial report presents our management's discussion and analysis of the Authority's financial performance during the fiscal year ended on June 30, 2016. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. Please read and consider the information presented in conjunction with the financial statements as a whole.

For accounting purposes, the Housing Authority is classified as an enterprise fund. Enterprise funds account for activities similar to those found in the private business sector, where the determination of net income is necessary or useful to sound financial administration. Enterprise funds are reported using the full accrual method of accounting in which all assets, all deferred outflows of resources, all liabilities, and all deferred inflows of resources, associated with the operation of these funds are included on the Statement of Net Position. The focus of enterprise funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL HIGHLIGHTS

- The term "net position" refers to the difference between assets plus deferred outflows of resources less liabilities and deferred inflows of resources. The Authority's total net position as of June 30, 2016 was \$15,839. The net position decreased by \$3,444, a decrease of 17.9% from the prior year.
- The Authority had an \$18,603 net decrease in the Section 8 Housing Choice Voucher Program and a \$15,159 net increase in the Rural Rental Housing Loan Program.
- Revenues for the Authority were \$739,887 for the year ended June 30, 2016. This was an increase of \$19,673 or 2.7% over the prior year.
- Expenses for the Authority were \$743,331 for the year ended June 30, 2016. This was a decrease of \$22,177 or 2.9% from the prior year.
- Rental revenue for the Authority was \$15,413 for the year ended June 30, 2016, an increase of \$1,560 or 11.3% over the prior year. HUD operating grants for the Authority was \$556,855 for the year ended June 30, 2016, a decrease of \$20,337 or 3.5% from the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report includes this *Management Discussion and Analysis* report, the *Basic Financial Statements* and the *Notes to the Financial Statements*. This report also contains the Financial Data Schedule (FDS) as referenced in the section of *Supplemental Information*. The Authority's financial statements are presented as fund level financial statements because the Authority only has proprietary funds.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Required Financial Statements

The financial statements of the Housing Authority report information of the Authority using accounting methods similar to those used by private sector companies. These statements offer short- and long-term financial information about its activities. The Statement of Net Position includes all the Authority's assets, deferred outflows of resources, liabilities, and deferred inflows of resources and provides information about the nature and amounts of investments in resources (assets and deferred outflows of resources) and obligations of the Authority creditors (liabilities and deferred inflows of resources). It also provides the basis for evaluating the capital structure of the Authority and assessing the liquidity and financial flexibility of the Authority.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Fund Net Position. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the Statement of Cash Flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

Supplemental Information

This report also contains the Financial Data Schedule (FDS) as referenced in the section of *Supplemental Information*. HUD has established *Uniform Financial Reporting Standards* that require Housing Authority's to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) for the year ended June 30, 2016 and is required to be included in the audit reporting package.

FINANCIAL ANALYSIS

Net position may serve, over time, as a useful indicator of a government's financial position. As stated in the table on the following page, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$15,839 at the close of the year ended June 30, 2016 down from \$19,283 in fiscal year 2015. The decrease in net position of \$3,444 was due to the reasons noted below.

- Current and other assets include cash, receivables, and prepaid expenses. Of the \$10,644 decrease in this category, cash decreased \$20,353, receivables increased \$8,939, and prepaid expenses increased \$770.
- Capital assets decreased \$2,308 because current year depreciation exceeded capital asset additions. Change in capital assets is explained in section titled "Capital Assets and Debt Administration" of this analysis.

Management's Discussion and Analysis (MD&A) - Continued

FINANCIAL ANALYSIS (CONTINUED)

- Current liabilities increased \$3,645 from FY 2015 primarily due to a \$7,564 increase in current portion of accrued compensated absences which was partially offset by a \$4,508 decrease in current portion of long-term debt.
- Noncurrent liabilities decreased \$13,153 from FY 2015 due to principal payments on long-term debt.

The unrestricted net position was \$144,615 as of June 30, 2016. This amount may be used to meet the Authority's ongoing obligations. The Authority has sufficient funds to meet requirements for cash outlays for seven months. The restricted net position was \$321 as of June 30, 2016. This amount may only be used for housing assistance payments in the Housing Choice Voucher program. At the end of the current fiscal year, the Authority is able to report positive balances in all categories of net position. The same situation held true for the prior fiscal year.

In determining the financial reporting entity, the Housing Authority complies with the provisions of GASB Statement No. 14 as amended by GASB No. 39 and GASB No. 61, "The Financial Reporting Entity," and includes all component units, if any, of which the Housing Authority appointed a voting majority of the units' board; the Housing Authority is either able to impose its will on the unit or a financial benefit or burden relationship exists. There are no agencies, organizations or activities meeting this criteria.

1b. GASB Implementation

The Housing Authority has implemented the Governmental Accounting Standards Board (GASB) Statements number 62, 63 and 65 for those audits with financial statements for periods beginning after December 15, 2011.

Governmental Accounting Standards Board (GASB) Statements 68 was implemented effective for fiscal years beginning June 15, 2014 and there after.

The Housing Authority has no deferred outflows of resources or deferred inflows of resources.

1c. Basis of Presentation

Financial statements of the reporting entity's programs are organized and reported as an enterprise fund and are accounted for by providing a set of self-balancing accounts that constitute its assets, liabilities, net position, revenues, and expenditure/expenses. Enterprise funds are used to account for business-like activities provided to its tenants. These activities are financed primarily by user charges and/or Federal funding and the measurement of financial activity focuses on net income measurement similar to the private sector. The reporting entity includes all of the Authority's programs as an enterprise fund.

1c. Basis of Presentation (Continued)

Following is a description of the Authority's programs:

Program	Brief Description
Housing Choice Vouchers	Accounts for activities of the Voucher program which assists very low-income families, the elderly, and the disabled to afford decent, safe and sanitary housing in the private market.
Rural Rental Housing	Accounts for activities of the Northview Apartments which is a HUD Section 8 New Construction/Rural Development 515, apartment complex. The complex consists of four buildings divided into 24 units. There are 6 one-bedroom apartments, 14 two bedroom apartments and 4 three bedroom apartments. The mortgage for the property is held by U.S. Department of Agriculture Rural Development (Formerly the Farmers Home Administration) as part of their Section 515 Loan Program. The low income tenants pay income bases rent with the balance of the rent subsidized through the HUD Section 8 New Construction Program. The Housing Authority obtained the property in December of 1995, with assistance from both Rural Development and HUD because the original owner defaulted on his mortgage with Rural Development.

1d. Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of the measurement focus applied.

Measurement Focus

In the financial statements, the "economic resources" measurement focus is used as follows:

- ▶ The proprietary fund utilizes an "economic resources" measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

1d. Measurement Focus and Basis of Accounting (Continued)

Basis of Accounting

In the financial statements, the proprietary fund utilizes the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

1e. Assets, Liabilities, and Equity

Cash

For the purpose of the Statement of Net Position, "cash and cash equivalents" includes all demand, savings accounts, and certificates of deposits or short-term investments with an original maturity of three months or less. For the purpose of the Statement of Cash Flows, "cash and cash equivalents" include all demand and savings accounts, and certificates of deposit or short-term investments with an original maturity of three months or less.

Interprogram Receivables and Payables

During the course of operations, numerous transactions occur within individual programs that may result in amounts owed between these programs. Offsetting interprograms, if any, are eliminated for financial statement presentation.

Receivables

Receivables consist of all revenues earned at year-end and not yet received. Tenant accounts receivable, fraud recovery and accounts receivable from U.S. Department of Housing and Urban Development compose the majority of receivables. Allowances for uncollectible accounts receivable are based upon historical trends and the periodic aging of accounts receivable.

Budgets and Budgetary Accounting

The Authority adopts a formal operating budget each year for its operating programs and on a project length basis for its capital expenditures which are approved by the Board of Commissioners and submitted to the Department of Housing and Urban Development for their approval, if required.

Estimates and Assumptions

The Authority uses estimates and assumptions in preparing financial statements. These estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses.

All capital assets are valued at historical cost, or estimated historical cost if actual is unavailable, except for donated capital assets which are recorded at their estimated fair value at the date of donation.

Depreciation of all exhaustible capital assets is recorded as an allocated expense depending on the program where the asset is shown, in the Statement of Revenues, Expenses and Changes in Net Position, with accumulated depreciation reflected in the Statement of Net Position. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. The range of estimated useful lives by type of asset is as follows:

Buildings	10 - 40	years
Furniture, equipment and machinery - dwelling	-	years
Furniture, equipment and machinery - administration	3 - 7	years
Leasehold improvements	15	years

The liability for these compensated absences is recorded as short-term and long-term liabilities based on historical trends. In accordance with the provisions of GASB Statement No. 16, no liability is recorded for non-vesting accumulating rights to receive sick pay benefits.

SECTION III
REPORTS ON COMPLIANCE
AND
ON INTERNAL CONTROL

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit
of Financial Statements Performed in Accordance with
*Government Auditing Standards***

Board of Commissioners
Putnam County Housing Authority
Greencastle, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the Putnam County Housing Authority, Indiana, (Authority), as of and for the year ended June 30, 2016, and the related notes to the financial statements, which collectively comprise Putnam County Housing Authority's basic financial statements, and have issued our report thereon dated February 9, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Putnam County Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Putnam County Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Putnam County Housing Authority's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Putnam County Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance For Each Major Federal Program;
Report on Internal Control over Compliance Required by Uniform Guidance**

Board of Commissioners
Putnam County Housing Authority
Greencastle, Indiana

Report on Compliance for Each Major Federal Program

We have audited the Putnam County Housing Authority, Indiana's compliance with the types of compliance requirements described in the *OMB Compliance Supplement*, that could have a direct and material effect on each of the Putnam County Housing Authority's major federal programs for the year ended June 30, 2016. The Putnam County Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Putnam County Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of *Title 2 U.S. Code of Federal Regulations, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on the major federal programs occurred. An audit includes examining, on a test basis, evidence about the Putnam County Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance with each major program. However, our audit does not provide a legal determination of the Putnam County Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Putnam County Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major Federal programs identified above for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the Putnam County Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Putnam County Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the *Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Putnam County Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirements of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit the attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be *material weaknesses or significant deficiencies*. We did not identify any deficiencies in internal control over compliance that we consider to be *material weaknesses*, as defined above. However, material weaknesses may exist that have not been identified.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund and the aggregate remaining fund information of the Putnam County Housing Authority, Indiana, as of and for the year ended June 30, 2016, and the related notes of the financial statements, which collectively comprise the Putnam County Housing Authority, Indiana's basic financial statements. We issued our report thereon dated February 9, 2017, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of the management and was derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of our testing based on the requirements of *Uniform Guidance*. Accordingly, this report is not suitable for any other purpose.
