REPORT OF INDEPENDENT AUDITORS

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

We have audited the accompanying financial statements of Paramount School of Excellence, Inc. (Paramount), a nonprofit organization, which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Guidelines for the Audits of Charter Schools Performed by Private Examiners*, issued by the Indiana State Board of Accounts. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Paramount as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 1, 2017, on our consideration of Paramount's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Paramount's internal control over financial reporting and compliance.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

1. SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

Paramount School of Excellence, Inc. (Paramount) is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. Paramount operates a public charter school established under Indiana Code 20-24 and is sponsored by the Mayor's Office of the City of Indianapolis. Paramount provides educational instruction to students in grades kindergarten through eighth grade.

Basis of Accounting

Paramount prepares its financial statements using the accrual basis of accounting. Accrual accounting requires the recognition of revenues when they are earned and measurable in the accounting period when services are provided, and the recognition of expenses in the period in which they occur.

Use of Estimates

The preparation of financial statements in conformity with the accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Paramount considers highly liquid investments available for operating purposes with an original maturity of 90 days or less to be cash and cash equivalents. Paramount maintains its cash in accounts, which at times, may exceed federally insured limits. Paramount has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Accounts Receivable

Accounts receivable represent the uncollected portion of funds from amounts awarded to Paramount. Accounts receivable are reported net of an allowance for doubtful accounts. There were no allowances, as of June 30, 2017 and 2016, respectively, based on management's estimate of the amount of receivables that will be collected.

Prepaid Expenses

Prepaid expenses relate to advance payments on products or services that will be used for future programs or activities.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Investments – Restricted by Debt Instrument

Investments consist of certificates of deposit recorded at contract value. The investments serve as collateral for debt instrument and are restricted to use. See the Long-Term Debt note for further information.

Property, Equipment and Depreciation

Property and equipment are recorded at cost, or if donated, at fair market value at date of donation, and include expenditures for new additions and repairs which substantially increase the useful lives of existing property and equipment. Maintenance repairs and minor renewals are expenses as incurred. When property and equipment are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts and any resulting gain or loss for the period is recognized. Depreciation is provided over the estimated useful life of each class of depreciable asset, ranging from 3-40 years, and is computed on using the straight-line method. Depreciation expense was approximately \$275,000 and \$351,000 for 2017 and 2016, respectively.

Debt Issuance Costs

Debt issuance costs represent costs incurred in connection with the issuance of long-term debt. Such costs are amortized over the term of the respective debt. The costs incurred in issuing the debt are classified with long-term debt, as a deduction, and are amortized over the respective term of the debt.

Contributions

Unconditional promises to give cash and other assets to Paramount are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. Paramount reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. Temporarily restricted net assets are those that are restricted as to time or purpose. When the restriction expires, the net assets are reclassified to unrestricted net assets and are reported in the statement of activities and changes in net assets as net assets released from restriction. Absent any donor-imposed restrictions, gifts of cash and other assets are recorded as unrestricted net assets.

Donated Services

Donated services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by Paramount. Volunteers also provide program services throughout the year that are not recognized as contributions in the financial statements unless the recognition criteria are met. These services include volunteering at events and clerical work.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Net Assets Classifications

Net assets are classified into one of three classes of net assets based on the absence or existence of donor-imposed restrictions. A description of each class follows:

Unrestricted net assets - The unrestricted net asset class includes general assets and liabilities of Paramount. The unrestricted net assets of Paramount may be used at the discretion of management to support Paramount's purpose and operations.

Temporarily restricted net assets - The temporarily restricted net asset class relate to gifts with explicit donor-imposed restrictions that have not been met as to a specified purpose, or to later periods of time or after specified dates. The temporarily restricted net assets balance was approximately \$37,000 and \$-0- as of June 30, 2017 and 2016, respectively.

Permanently restricted net assets - The permanently restricted net asset class includes assets for which the donor has stipulated that the contribution be maintained in perpetuity. There were no permanently restricted net assets as of June 30, 2017 and 2016.

State and Federal Support

Paramount receives state funds that have been designated for charter schools from the Indiana Department of Education. The State of Indiana uses a formula based on the number of students enrolled in the school during the year to determine the amount of funds Paramount receives. Paramount also receives federal support through a variety of programs administered by the Department of Education and United States Department of Agriculture.

Paramount derives a significant portion of its revenue from state and federal funding programs (approximately 96% and 98% in 2017 and 2016, respectively). The receipt of future revenues by Paramount is subject to among other factors, state and federal policies affecting education, economic conditions, and other conditions which are impossible to predict.

Advertising

Paramount uses advertising to promote its programs among the audiences it serves. The production costs of advertising are expensed as incurred. Advertising expense totaled approximately \$69,000 and \$20,000 during 2017 and 2016, respectively, and is included within operating expenses within the statement of activities and changes in net assets.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Income Taxes

Paramount is a not-for-profit corporation as defined by Section 501(c)(3) of the Internal Revenue Code and, accordingly, is exempt from federal and state income taxes. As such, Paramount is generally exempt from income taxes. However, Paramount is required to file Federal Form 990 – Return of Organization Exempt from Income Tax which is an informational return only.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by Paramount and recognize a tax liability if Paramount has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by Paramount, and has concluded that as of June 30, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying financial statements. Paramount is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Paramount filed its federal and state income tax returns for periods through June 30, 2016. The income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions).

Reclassification

Certain 2016 amounts in the financial statements have been reclassified to conform to the 2017 presentation. Any reclassifications had no impact on previously reported net assets or change in net assets.

Going Concern Evaluation

Management evaluates whether there are conditions or events that raise substantial doubt about Paramount's ability to continue as a going concern for a period of one year from the date the financial statements are available to be issued.

Subsequent Events

Paramount has evaluated events or transactions occurring subsequent to the statement of financial position date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued which is December 1, 2017.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Recently Issued Accounting Standards

On May 28, 2014, the Financial Accounting Standards Board (the FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The core principle of this new guidance is that "an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services". On August 12, 2015, the FASB further amended this guidance and issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606)*, which deferred the effective date for all entities by one year. These new standards, which Paramount is not required to adopt until its year ending June 30, 2020, deal with the timing of reporting revenues from contracts with customers, and disclosures related thereto.

On February 25, 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*. This new standard, which Paramount is not required to adopt until its year ending June 30, 2021, is intended to improve financial reporting about leasing transactions by requiring entities that lease assets to recognize on their statement of financial position the assets and liabilities for the rights and obligations created by those leases, and to provide additional disclosures regarding the leases. Leases with terms (as defined in the ASU) of twelve months or less are not required to be reflected on an entity's statement of financial position.

On August 18, 2016, the FASB issued ASU No. 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities (Topic 958)* that amends how a not-for-profit organization classifies its net assets, as well as the information it presents in financial statements and notes about its liquidity, financial performance, and cash flows. This new standard, which Paramount is not required to adopt until its year ending June 30, 2019, requires improved presentation and disclosures to help not-for-profits provide more relevant information about their resources (and the changes in those resources) to donors, grantors, creditors, and other users. This ASU completes the first phase of a two phase project to amend not-for-profit financial reporting requirements.

On November 17, 2016, the FASB issued ASU No. 2016-18, *Statement of Cash (Topic 230) – Restricted Cash*. This new standard intends to eliminate diversity in practice by requiring the statement of cash flows to present the change in the total cash and cash equivalents, which will include restricted cash and cash equivalents. Paramount will be required to adopt this new standard in the year ending June 30, 2020.

Paramount is presently evaluating the effects that these ASUs will have on its future financial statements, including related disclosures.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

2. CHANGE IN ACCOUNTING PRINCIPLES

During 2017, Paramount adopted ASU No. 2015-03, *Interest – Imputation of Interest*, which simplifies the presentation of debt issuance costs by presenting them as direct deduction from face amount of the related long-term debt. Previously, debt issuance costs were aggregated and presented as a deferred charge within the other assets section on the statements of financial position. Debt issuance costs will continue to be amortized over the term of the related debt, but are now are presented as a component of interest expense in the statements of activities and changes in net assets.

The 2016 financial statements have been retroactively restated to adopt this new guidance as detailed in the following table:

	As previously reported	Change	Restated
<u>Statement of financial position</u>			
Debt issuance costs, net	\$ 84,550	\$ (84,550)	\$ -0-
Long-term debt, net of current portion	\$ 5,368,286	\$ (84,550)	\$ 5,283,736
<u>Statement of activities and changes in net assets</u>			
Depreciation and amortization	\$ 355,689	\$ (4,450)	\$ 351,239
Interest expense	\$ 119,092	\$ 4,450	\$ 123,542

Depreciation and amortization	\$ 355,689	\$ (4,450)	\$ 351,239
Amortization of debt issuance costs	\$ -0-	\$ 4,450	\$ 4,450

Also during 2017, Paramount adopted ASU No. 2014-15, *Presentation of Financial Statements – Going Concern (Topic 205-40): Disclosure of Uncertainties about an Entity's Ability to Continue as a Going Concern*. ASU No. 2014-15 requires management to evaluate whether there are conditions or events that raise substantial doubt about the entity's ability to continue as a going concern for a period of one year from the date the financial statements are available to be issued. When conditions or events that raise substantial doubt exist, additional disclosures will be required to enable financial statement users to understand those conditions or events, management's evaluation of them and management's plans that either alleviated substantial doubt, or are intended to mitigate the conditions or events that raise substantial doubt. The adoption of ASU No. 2014-15 did not have a material effect on the accompanying financial statements.

3. LONG-TERM DEBT

Long-term debt as of June 30, 2017 and 2016 is summarized as follows:

	2017	2016
Indiana Finance Authority Educational Facilities Revenue Bonds Payable, Series 2015, maturing in December 2041, fixed interest rate of 3.39% as of June 30, 2017, principal payments due in monthly installments ranging from \$10,600 to \$13,700 plus interest, secured by property and a certificate of deposit with a total net book value of approximately \$9,434,000 and \$7,576,000 as of June 30, 2017 and 2016, respectively.	\$ 5,108,462	\$ 4,453,174
Mortgage payable to IFF, paid in full in 2017	-0-	512,022
Loan payable to Indiana Common School Fund and the State Board of Education, maturing in July 2026, fixed interest rate of 1.0%, semi-annual principal and interest payments ranging from \$25,000 to \$30,000 plus interest, secured by property with a net book value of approximately \$475,000 and \$500,000 as of June 30, 2017 and 2016, respectively.	475,000	500,000
	5,583,462	5,465,196
Less unamortized debt issuance costs	(95,091)	(84,550)
Less current portion	(186,051)	(96,910)
	\$ 5,302,320	\$ 5,283,736

In December 2015, the Indiana Finance Authority (IFA) issued the IFA Educational Facilities Revenue Bonds Series 2015 (Series 2015 Bonds) in the amount of \$5,175,000. Also in December 2015, Paramount, IFA and NBI entered into a Bond Purchase Agreement whereby NBI purchased from IFA all the Series 2015 Bonds in a private placement. The interest rate on the Series 2015 Bonds was variable at the prime rate less .78% (2.72% as of June 30, 2016) through the completion of the renovation and expansion phase which was December 2016. Once the renovation and expansion phase was complete, the interest rate became fixed at 3.39% through December 2021. The fixed interest rate will be adjusted after 2021 for another 5-year period based on the tax-exempt borrowing rate at that time. The fixed interest rate will be adjusted every 5 years through the Series 2015 Bonds maturity date of 2041. Additionally, NBI has agreed to hold the Series 2015 Bonds through the maturity date in 2041.

In March 2016, Paramount entered into a mortgage agreement in the amount of \$1,500,000 with IFF (an Illinois not for profit corporation) to finance a portion of the cost of construction, equipping, renovation and improvement of certain facilities. The interest rate was fixed at 6.375% for the first 5 years of the mortgage agreement. For each 5-year period after the initial 5-year period, the rate was to be adjusted to a fixed rate as defined in the mortgage agreement. The mortgage payable matured in November 2031 and was subordinated to the Series 2015 Bonds. The mortgage was paid in full during 2017.

PARAMOUNT SCHOOL OF EXCELLENCE, INC.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

In December 2015, the Indiana Common School Fund and the State Board of Education issued a \$500,000 loan to Paramount. This agreement requires semi-annual principal payments to be made as reductions of Paramount's distributive share of the State Tuition Support. The interest rate is fixed at 1% for duration of the agreement. The loan payable matures in July 2026.

Paramount has agreed to certain covenants, which, among other things, limit additional indebtedness and guarantees and require Paramount to maintain specific financial ratios. Management believes they are in compliance with the covenants as of June 30, 2017 and 2016.

Aggregate future maturities for long-term debt obligations for the years succeeding June 30, 2017 are as follows:

Year Ending June 30,	
2018	\$ 186,051
2019	190,801
2020	195,268
2021	200,790
2022	205,916
Thereafter	4,604,636
	<u>\$ 5,583,462</u>

In 2016, Paramount entered into a capital lease for equipment. The capital lease runs through November 2017 with an interest rate of 3.50% with annual payments of principal and interest of approximately \$36,800. As of June 30, 2017 and 2016, the cost of the equipment was approximately \$106,000. Accumulated depreciation totaled approximately \$73,000 and \$36,000 as of June 30, 2017 and 2016, respectively. Future payments on the capital lease for the year succeeding June 30, 2017 are approximately \$37,000, which includes interest of approximately \$4,000.

4. PENSION PLANS

403(b) Plan

Paramount's eligible faculty and administrative staff are participants in a 403(b) tax deferred annuity retirement plan (the Plan). Paramount may make a discretionary matching contribution on participant deferrals and may make a discretionary profit sharing contribution to the Plan. Paramount's contribution to the Plan, net of forfeitures, was approximately \$211,000 and \$184,000 during 2017 and 2016, respectively.

NOTES TO THE FINANCIAL STATEMENTS JUNE 30, 2017 AND 2016

Indiana Public Retirement System

Paramount elected to become a participating employer in the Indiana Public Retirement System (INPRS). INPRS resulted from legislation passed in 2010 that merged the Public Employees' Retirement Fund (PERF) and the Indiana Teachers' Retirement Fund (TRF), with the merger of the funds being effective as of July 1, 2011.

TRF is a defined benefit pension plan. TRF is also a cost-sharing multiple employer public employee retirement system, which provides retirement benefits to plan members and beneficiaries. The plan is recorded as a multiemployer plan, which was established by the State of Indiana. All employees engaged in teaching or in the supervision of teaching in the public schools of the State of Indiana are eligible to participate. Indiana Code (IC 5-10.2) governs, through the INPRS Board, most requirements of the system, and give Paramount authority to contribute to the plan. The retirement benefit consists of the pension provided by employer contributions plus an annuity provided by the member's annuity savings account. The annuity savings account consists of members' contributions, set by state statute at 3% of compensation, plus interest credited to the member's account. Paramount's required contribution rate is 7.5%. Paramount may elect to make additional contributions on behalf of the member. Retirement plan contributions for TRF were approximately \$28,000 and \$37,000 for 2017 and 2016, respectively. The plan is not governed by the Employee Retirement Income Security Act of 1974 and is not required to file a Federal Form 5500, Annual Return/Report of Employee Benefit Plan. There were no surcharges imposed and there is no expiration date of the plan included in state statutes. Upon withdrawing from TRF, Paramount, would be obligated for its proportionate share of the plan's unfunded vested benefits. Paramount has no intention of withdrawing from the plan. A complete copy of the annual report for the year ended June 30, 2016 can be obtained at www.in.gov/inprs.

5. NET ASSETS

Temporarily restricted net assets are available for the following purposes as of June 30, 2017 and 2016 as follows:

	2017	2016
Comprehensive Counseling Initiative	\$ 29,998	\$ -0-
Success Through Education, Agriculture and Mentoring	7,500	-0-
	<u>\$ 37,498</u>	<u>\$ -0-</u>

6. RISKS AND UNCERTAINTIES

Paramount provides education instruction services to families residing in Marion and surrounding counties in Indiana, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana. Changes in state legislation could significantly affect Paramount. Additionally, Paramount is subject to monitoring and audit by state agencies. Those examinations may result in additional liabilities to be imposed on Paramount.

7. COMMITMENTS AND CONTINGENCIES

Operating Leases

Paramount leases certain equipment and modular classrooms under operating leases expiring at various times through June 2021. Total lease expense for 2017 and 2016 was approximately \$61,000 and \$67,000, respectively, and has been included in occupancy expense in the statements of activities and changes in net assets. Future minimum lease payments for operating leases are as follows:

Year Ending June 30,		
2018	\$	19,956
2019		19,956
2020		19,956
2021		19,956
		<u>19,956</u>
	\$	<u>79,824</u>

Litigation

Paramount may be involved in litigation and regulatory investigations arising in the course of business. After consultation with legal counsel, management estimates that these matters will be resolved without material adverse effect on the future financial position, results of operations or cash flows of Paramount.

Basis of Presentation

The accompanying schedule of expenditures of federal awards (SEFA) includes the federal grant activity of Paramount for the year ended June 30, 2017, and is presented on the accrual basis of accounting. The information in this SEFA is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance)*. Therefore, some of the amounts presented in this SEFA may differ from amounts presented in or used in the preparation of the basic financial statements. The basic financial statement classifications may include other financial activity for reporting purposes.

Summary of Significant Accounting Policies

Expenditures report on this SEFA are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Paramount has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Amounts Passed through to Subrecipients

Paramount did not pass through any federal awards to subrecipients during 2017.

REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF THE FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Paramount School of Excellence, Inc. (Paramount) which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and changes in net assets, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 1, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Paramount's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Paramount's internal control. Accordingly, we do not express an opinion on the effectiveness of Paramount's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Paramount's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Paramount's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Paramount's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

Report on Compliance for Each Major Federal Program

We have audited Paramount School of Excellence, Inc.'s, (Paramount) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Paramount's major federal programs for the year ended June 30, 2017. Paramount's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Paramount's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Paramount's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Paramount's compliance.

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

Opinion on Each Major Federal Program

In our opinion, Paramount complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Paramount is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Paramount's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Paramount's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over their compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that were not identified.

Board of Directors
Paramount School of Excellence, Inc.
Indianapolis, Indiana

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
