Indianapolis, IN 46240

We have reviewed the report prepared by Indiana Math and Science Academy- North Indianapolis, Inc. and opined upon by Donovan CPAs, Independent Public Accountants, for the period July 1, 2016 to June 30, 2017. Per the *Independent Auditors' Report* the financial statements included in the report present fairly the financial condition of Indiana Math and Science Academy- North Indianapolis, Inc. as of June 30, 2017 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Donovan CPAs prepared all required independent auditor's reports in accordance with generally accepted auditing standards and guidelines established by the State Board of Accounts.

In addition to the report presented herein, a Supplemental Audit Report for Indiana Math and Science Academy- North Indianapolis, Inc., was prepared in accordance with the guidelines established by the State Board of Accounts.

The Financial Statements and Independent Auditors' Report and the Supplemental Audit Report are filed in our office as a matter of public record.

Independent Auditors' Report

The Board of Directors
Indiana Math and Science Academy - North Indianapolis, Inc.

Report on the Financial Statements

We have audited the accompanying financial statements of Indiana Math and Science Academy - North Indianapolis, Inc. which comprise the statements of financial position as of June 30, 2017 and 2016, the related statements of activities and change in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Northside Office | 9292 N. Meridian Street, Suite 150, Indianapolis, IN 46260 | 317.844.8300

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Indiana Math and Science Academy - North Indianapolis, Inc. as of June 30, 2017 and 2016, and the changes in its net assets, functional expenses, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 12, 2017 on our consideration of Indiana Math and Science Academy - North Indianapolis, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Indiana Math and Science Academy - North Indianapolis, Inc.'s internal control over financial reporting and compliance.

INDIANA MATH AND SCIENCE ACADEMY - NORTH INDIANAPOLIS, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended June 30, 2017 and 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General – Indiana Math and Science Academy - North Indianapolis, Inc. (the "School") is a public benefit not-for-profit organization incorporated under the laws of the State of Indiana. The School operates a public charter school established under Indiana Code 20-24 and is sponsored by the Office of Education Innovation of the Mayor of the City of Indianapolis (“Mayor’s Office”). The School provided educational instruction to approximately 560 students in grades kindergarten through twelve during the 2016 - 2017 academic school year.

Accounting Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Grants Receivable – Grants receivable relate primarily to activities funded under federal grants and legislation enacted by the State of Indiana and balances owed to related entities. The School believes that it is operating in compliance with regulatory requirements and as such no allowance for doubtful accounts is deemed necessary.

Affiliated Entities Receivable – Affiliated entities receivables are amounts due from schools operated by the same management company, Concept Schools, Inc. The Schools periodically loan cash to one another to assist with meeting cash flow needs. The School believes the entire balance of the affiliated entities receivables is collectible, and as such, no allowance for doubtful accounts is deemed necessary.

Property and Equipment – Purchases of assets and expenditures that materially increase value or extend useful lives are capitalized and are included in the accounts at cost. Routine maintenance and repairs and minor replacement costs are charged to expense as incurred.

Depreciation is provided over the estimated useful lives of the respective assets using the straight-line method. The estimated useful lives generally are as follows:

Leasehold improvements	40 years
Furniture and equipment.....	3 to 5 years
Textbooks	5 years

Deferred Rent Payable – In 2016, the School had an operating lease on the school facility which contained a provision for future rent increases. In accordance with accounting principles generally accepted in the United States of America, the School recorded monthly rent expense equal to the total payments due over the lease term, divided by the number of months of the lease term. The difference between rent expense recorded and the amount paid was reflected as deferred rent payable in the accompanying statements of financial position as of June 30, 2016. In 2017, the School signed a new operating lease agreement on the school facility which contained only nominal future rent increases. As such, no deferred rent payable exists as of June 30, 2017.

INDIANA MATH AND SCIENCE ACADEMY - NORTH INDIANAPOLIS, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended June 30, 2017 and 2016

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, Continued

Revenue Recognition – Revenues primarily come from resources provided under the Indiana Charter Schools Act. Under the Act, the School receives an amount per student in relation to funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment, and is paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized in the year in which educational services are rendered.

A portion of the School's revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants in the amount of costs and expenses at the time they are incurred.

Taxes on Income – Indiana Math and Science Academy - North Indianapolis, Inc. has received a determination from the U.S. Treasury Department stating that it qualifies under the provisions of Section 501(c)(3) of the Internal Revenue Code as a tax-exempt organization; however, the organization would be subject to tax on income unrelated to its tax-exempt purpose. For the years ended June 30, 2017 and 2016, no accounting for federal and state income taxes was required to be included in the accompanying financial statements.

Professional accounting standards require the School to recognize a tax liability only if it is more likely than not the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax liability that is greater than 50% likely of being realized on examination. For tax positions not meeting the more-likely-than-not test, no tax liability is recorded. The School has examined this issue and has determined that there are no material contingent tax liabilities or questionable tax positions. Tax years ending after 2013 are open to audit for both federal and state purposes.

Subsequent Events – The School evaluated subsequent events through December 12, 2017 the date these financial statements were available to be issued. Events occurring through that date have been evaluated to determine whether a change in the financial statements or related disclosures would be required.

NOTE 2 - GOING CONCERN CONSIDERATIONS

The School experienced a decrease in its student population during the year ended June 30, 2017, which was the primary cause of an overall decrease in revenue of approximately \$365,000 compared to the year ended June 30, 2016. Despite the loss of revenue, total expenses increased approximately \$223,000 over the year ended June 30, 2016. These factors combined to cause a negative change in net assets and a decrease in cash of approximately \$385,000 and \$380,000, respectively. These factors raise substantial doubt about the School's ability to continue as a going concern.

The School's management has addressed these concerns by conducting a thorough review of its enrollment process. The School identified key drivers of successes and created a strategic plan focused on a new systematic process for enrollment. The plan identified timelines and action steps along with key performance indicators, targets, and accountability measures.

INDIANA MATH AND SCIENCE ACADEMY - NORTH INDIANAPOLIS, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended June 30, 2017 and 2016

NOTE 2 - GOING CONCERN CONSIDERATIONS, Continued

Throughout this process, the School's regional office held weekly progress monitoring meetings to review the success of the plan. Additionally, at each Board meeting, members were provided an update on the progress on the implementation of the plan. As a result of these efforts, the average daily membership increased from 546 students in the spring semester of 2017 to 676 students in the fall semester of 2017, which is six more students than the budgeted full-time equivalent enrollment target for the school year 2017-18.

The School anticipates continuing as a going concern for the foreseeable future.

NOTE 3 - LINE OF CREDIT

The School had a \$100,000 revolving line of credit with BMO Harris Bank, which was closed in March 2017. Drawings against the line of credit bore interest at 2.0% above the lender's prime rate and were secured by all business assets.

NOTE 4 - LEASES

The School has entered into an operating lease agreement with Experimental Learning and Entrepreneurship Foundation, Inc. for its school facility. The lease agreement extends through July 31, 2025. The lease provides for monthly rental payments with nominal increases annually over the term of the agreement. Under the lease, the School is responsible for repairs, maintenance, and utilities. The School also leased office equipment under operating leases which expired in June 2017.

Total lease expense under operating leases for the years ended June 30, 2017 and 2016 was \$811,062 and \$821,179, respectively.

A schedule of minimum lease obligations are as follows for the years ending June 30:

2018	\$	729,420
2019		733,275
2020		748,872
2021		767,603
2022		786,896
Thereafter		<u>1,702,252</u>
	\$	<u>5,468,318</u>

INDIANA MATH AND SCIENCE ACADEMY - NORTH INDIANAPOLIS, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended June 30, 2017 and 2016

NOTE 5 - RETIREMENT PLAN

The School provides retirement benefits covering substantially all full-time employees. Retirement benefits are provided by the Indiana State Teachers' Retirement Fund ("TRF") and the Indiana Public Employees' Retirement Fund ("PERF"), both of which are cost-sharing multiple-employer defined benefit retirement plans governed by the State of Indiana and administered by the Indiana Public Retirement System ("INPRS") Board. Contribution requirements of plan members are determined annually by the INPRS Board. Under the plans, the School contributed 7.5% of compensation for eligible teaching faculty to TRF and 11.2% of compensation for other eligible employees to PERF. Should the School elect to withdraw from TRF or PERF, the School could be subject to a withdrawal fee. The School's contributions represent an insignificant percentage of the total contributions received by TRF or PERF. As of June 30, 2016 (the latest year reported), both TRF and PERF were more than 80% funded.

Retirement plan expense was \$196,574 and \$188,842 for the years ended June 30, 2017 and 2016, respectively.

NOTE 6 - REFUNDABLE ADVANCES

The School has been awarded grants from the Indiana Department of Education to provide educational instruction. The grants are considered to be exchange transactions. Accordingly, revenue is recognized when earned and expenses are recognized as incurred. The School had refundable grant advances in excess of expenditures of \$7,273 as of both June 30, 2017 and 2016.

NOTE 7 - COMMITMENTS

The School operates under a charter granted by the Mayor's Office. As the sponsoring organization, the Mayor's Office exercises certain oversight responsibilities. This charter agreement remains in effect until June 30, 2024 and is renewable by mutual consent. Effective July 1, 2016, the Mayor's Office began assessing a fee equal to 1% of the basic tuition support received by the School. The fee for the year ended June 30, 2017 was \$28,137.

The School has contracted with Concept Schools, Inc. to provide ongoing training and consultation, personnel, recruitment and admissions, and other services. Under the terms of the agreement, the School has agreed to pay an amount equal to 10% of revenues, as defined, for such services. For fiscal years 2017 and 2016, Concept Schools, Inc. agreed to reduce its fee by \$400,904 and \$147,635, respectively. This fee reduction is included in contribution income in the accompanying statements of activities and change in net assets. Expense under this agreement was \$400,904 and \$467,635 for the years ended June 30, 2017 and 2016, respectively. This agreement is renewable annually.

INDIANA MATH AND SCIENCE ACADEMY - NORTH INDIANAPOLIS, INC.

NOTES TO THE FINANCIAL STATEMENTS

For the Years Ended June 30, 2017 and 2016

NOTE 8 - RISKS AND UNCERTAINTIES

The School provides education services to families residing in Marion and surrounding counties in Indiana, and is subject to the risks of economic and competitive forces at work within this geographic area.

The majority of revenues relate to legislation enacted by the State of Indiana and grants awarded under federal programs. Changes in state or federal legislation could significantly affect the School. Additionally, the School is subject to monitoring and audit by state and federal agencies. Those examinations may result in additional liability to be imposed on the School.

Financial instruments that potentially subject the School to concentrations of credit risk consist principally of receivables from the State of Indiana. At June 30, 2017 and 2016, substantially all of the grants receivable balance was due from the State of Indiana. In addition, deposits are maintained at BMO Harris Bank and are insured up to the FDIC insurance limit.

NOTE 9 - FUNCTIONAL EXPENSE REPORTING

The costs of providing the educational activities have been summarized on a functional basis in the statements of activities. Accordingly, certain expenses have been allocated between program and management services.

INDIANA MATH AND SCIENCE ACADEMY - NORTH INDIANAPOLIS, INC.
NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended June 30, 2017

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal award activity of Indiana Math and Science Academy - North Indianapolis, Inc. (the "School") under programs of the federal government for the year ended June 30, 2017. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, functional expenses, or cash flows of the School.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Donovan CPAs

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Board of Directors
Indiana Math and Science Academy - North Indianapolis, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Indiana Math and Science Academy - North Indianapolis, Inc. (the "School"), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 12, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH *THE UNIFORM GUIDANCE*

The Board of Directors
Indiana Math and Science Academy - North Indianapolis, Inc.

Report on Compliance for Each Major Federal Program

We have audited Indiana Math and Science Academy - North Indianapolis, Inc.'s (the "School") compliance with the types of compliance requirements described in the U.S. *Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2017. The School's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the School's compliance.

Northside Office | 9292 N. Meridian Street, Suite 150, Indianapolis, IN 46260 | 317.844.8300

Opinion on Each Major Federal Program

In our opinion, Indiana Math and Science Academy - North Indianapolis, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of Indiana Math and Science Academy - North Indianapolis, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program as a basis for designing auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
