We have reviewed the report prepared by Fayette Community Council On Aging And Aged, Inc. and opined upon by RBSK Partners PC, Independent Public Accountants, for the period January 1, 2016 to December 31, 2016. Per the *Independent Auditor's Report* the financial statements included in the report present fairly the financial condition of Fayette Community Council On Aging And Aged, Inc. as of December 31, 2016 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, RBSK Partners PC prepared all required independent auditor's reports in accordance with generally accepted auditing standards and guidelines established by the State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

Independent Auditor's Report

To the Board of Directors
Fayette Community Council on Aging & Aged, Inc.

We have audited the accompanying financial statements of Fayette Community Council on Aging & Aged, Inc. (a nonprofit organization), which comprise the statements of assets, liabilities, and net assets – modified cash basis as of December 31, 2016 and 2015, and the related statements of revenues, expenses and other changes in net assets – modified cash basis and functional expenses – modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting as described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of Fayette Community Council on Aging & Aged, Inc. as of December 31, 2016 and 2015, and its revenues, expenses, and other changes in net assets for the years then ended in accordance with the modified cash basis of accounting as described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Notes to Financial Statements

December 31, 2016 and 2015

1. Summary of Significant Accounting Policies

This summary of significant accounting policies of Fayette Community Council on Aging & Aged, Inc. (the Agency) is presented to assist in understanding the Agency's financial statements. The financial statements and notes are representations of the Agency's management, who is responsible for their integrity and objectivity. These accounting policies conform to the modified cash basis method of accounting and have been consistently applied in the preparation of the financial statements.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis method of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

The Agency

The Agency is a nonprofit organization established in 1973, whose purpose is to study and determine the needs of the aging and aged population of Fayette County, Indiana; to cooperate with the appropriate governmental units and agencies, carry out, on a county level, its objectives and programs related to the needs, problems, and opportunities pertaining to older persons; and to coordinate and evaluate the existing programs or services for the elderly including obtaining, receiving, and distributing any funds. The Agency operates a senior citizens center that offers services and programs to the elderly of Fayette County, Indiana, for the purpose of keeping them active, independent, and to provide assistance to help prevent the premature institutionalization of Fayette County senior citizens. The Agency is incorporated under the Indiana General Not-for-Profit Corporation Act.

Basis of Accounting

The financial statements of the Agency have been prepared on the modified cash basis of accounting. Accordingly, certain revenues and the related assets are recognized when received rather than when earned and certain expenses are recognized when paid rather than when the obligation is incurred. As such, the Agency does not record accounts receivable, grants receivable, inventory, prepaid expenses, accounts payable, accrued expenses and deferred revenue.

Basis of Presentation

The Agency reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

1. Summary of Significant Accounting Policies *(Continued)*

Basis of Presentation *(continued)*

Under these provisions, net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Agency and changes therein are classified and reported as follows:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may be met or will be met either by actions of the Agency and/or the passage of time.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained permanently by the Agency. Generally, the donors of these assets permit the Agency to use all or part of the income earned on related investments for general or specific purposes.

Functional Expenses

Functional expenses have been allocated between Program Services and Supporting Services based on an analysis of personnel time and space utilized for the related activities.

Cash Equivalents

The Agency considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. The Agency did not hold any cash equivalents at December 31, 2016 and 2015.

Inventory

Minor materials and supplies are charged to expense during the period of purchase. As a result, no inventory is recognized for these items in the financial statements.

The thrift shop inventory, consisting of used clothing and miscellaneous household items, which are donated, is recognized in the financial records of the Agency at its fair value when sold. This is due to the fact that these items do not have a readily determinable fair value. The Agency believes that the most objective value is determined by how much the Agency receives when the items are sold. Donated items are sorted and salvageable items are offered for sale. Nursing home residents, fire victims, and other people in need are given items at no charge. As a result, no inventory is recognized in the statement of assets, liabilities and net assets – modified cash basis and in-kind thrift shop inventory donations are recorded only when sold.

1. Summary of Significant Accounting Policies *(Continued)*

Donated Assets and Services

Donated use of facilities are recorded as contributions at the net present value of their estimated fair rental values at the date of donation. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Agency reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Agency reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Donated assets that are restricted by the donor are reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the donation is recognized.

Donated services are recognized as contributions if the services (a) create or enhance non-financial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Agency. Volunteers also donate their time and perform a variety of tasks throughout the year that assist the Agency with specific programs and various committee assignments that are not recognized as contributions in the financial statements since the criteria above are not met. During 2016 and 2015 volunteers donated 8,137 hours and 8,404 hours, respectively, to the Organization.

Income Taxes

The Organization is a tax-exempt entity under Section 501(a) of the Internal Revenue Code (the Code) as an organization described in Section 501(c)(3) and similar state provisions. The Organization is not classified as a private foundation.

The Organization's tax returns are subject to examination by taxing authorities, generally for a period of three years from the date of filing. As of December 31, 2016, the Organization's 2013, 2014, 2015 and 2016 tax returns were subject to examination.

Advertising Costs

Advertising costs are expensed as incurred.

December 31, 2016 and 2015

1. Summary of Significant Accounting Policies *(Continued)*

Depreciation

The Agency records purchased land, building and equipment at cost less accumulated depreciation. The estimated fair value of donated property is recorded. Depreciation is computed using the straight-line method over the estimated useful lives of the assets as follows:

Asset	Year
Land improvements	15
Buildings	40
Equipment	3-7
Transportation equipment	3-7

The Agency reports expirations of donor restrictions by reclassifying temporarily restricted net assets to unrestricted net assets evenly each year over the term of the restriction. All acquisitions of property and equipment in excess of \$500 and all expenditures for major repairs, renewals, and betterments that materially prolong the useful lives of assets are capitalized.

When an asset is disposed of, its accumulated depreciation is deducted from its original cost and any gain or loss arising from its disposal is credited or charged to earnings.

Public Support

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of revenues, expenses and other changes in net assets – modified cash basis as net assets released from restrictions.

Going Concern Evaluation

Management evaluates whether there are conditions or events that raise substantial doubt about the Agency's ability to continue as a going concern for a period of one year from the date the financial statements are issued.

Subsequent Events

Management has evaluated subsequent events through September 14, 2017, the date the financial statements were available to be issued. No events occurred through this date that required recognition or additional disclosure in the financial statements.

2. Property and Equipment

Property and equipment consisted of the following at December 31, 2016:

	Cost	Accumulated Depreciation	Book Value
Land	\$ 75,172	\$ ---	\$ 75,172
Buildings	686,877	323,489	363,388
Equipment	34,873	29,585	5,288
Transportation Equipment	460,211	296,086	164,125
	<hr/>		
Totals	\$ 1,257,133	\$ 649,160	\$ 607,973

Property and equipment consisted of the following at December 31, 2015:

	Cost	Accumulated Depreciation	Book Value
Land	\$ 75,172	\$ ---	\$ 75,172
Buildings	684,958	305,330	379,628
Equipment	33,773	27,915	5,858
Transportation Equipment	509,715	344,518	165,197
	<hr/>		
Totals	\$ 1,303,618	\$ 677,763	\$ 625,855

Certain assets included in property and equipment are temporarily restricted as to use or disposition. Some of these assets are held subject to conditional title and /or mortgage to ensure compliance with restrictions. Assets subject to donor or grantor restrictions, either wholly or in part, as of December 31 were as follows:

Transportation Equipment	Restricted Cost	Expired Restrictions	Unexpired Restricted Cost
2016	\$ 209,140	\$ 67,910	\$ 141,230
2015	175,090	25,241	149,849

3. Commitments and Contingencies

Certain grants and contracts require the fulfillment of certain conditions as set forth in the instrument. Failure to fulfill the conditions could result in the return of the funds to grantors. Although that is a possibility, the Organization deems the contingency remote, since by accepting the funds and their terms, it has accommodated the objectives of the organization to the provisions of the grant or contract.

Fayette Community Council on Aging & Aged, Inc.

Notes to Financial Statements *(Continued)*

December 31, 2016 and 2015

4. Major Customers/Grantors and Concentration of Credit Risk

Major customers/grantors are those that account for more than 10% of the Organization's total support and revenue. For the years ended December 31, 2016 and 2015, two customers/grantors accounted for approximately 79% and 83% of revenue and support, respectively.

A material part of the Agency's support and revenue is dependent upon contracts with the Indiana Department of Transportation, the loss of which could have a materially adverse effect on the Agency. During the years ended December 31, 2016 and 2015 these funds accounted for \$ 279,043 (52%) and \$360,033 (57%) of total support and revenue, respectively.

A material part of the Agency's support and revenue is dependent upon contracts with Medicaid, the loss of which could have a materially adverse effect on the Agency. During the years ended December 31, 2016 and 2015 these funds accounted for \$ 143,922 (27%) and \$162,369 (26%) of total support and revenue, respectively.

5. Interest in Assets Held at Community Foundation

The Agency has established an endowment fund with the Fayette County Community Foundation, for the benefit of the Agency. The Agency has granted variance power to the Community Foundation, thus the Community Foundation has full authority and discretion as to the investment and reinvestment of the assets.

Using the modified cash basis of accounting, the endowment funds held at the Community Foundation are not included in the accompanying financial statements. Only when distributions are paid to the Agency from the endowment fund is the contribution revenue recognized. During the years ended December 31, 2016 and 2015 funds totaling \$330 and \$312 were received from the endowment fund, respectively. The fair market value of the funds held at the Community Foundation at December 31, 2016 and 2015 was \$9,881 and \$8,997, respectively.

6. Split-Interest Agreement

The Agency is a beneficiary under a trust administered by a local financial institution. During 2010, a donor established a trust naming the Agency and several other individuals and organizations as beneficiaries. Under terms of the split-interest agreement, each beneficiary will receive a pro rata share of the net income (as defined by the trust agreement) earned by the trust each year for 25 years to be used for designated purposes. After 25 years, the trust is to terminate and the remaining trust assets are to be distributed to the then remaining beneficiaries. During the years ended December 31, 2016 and 2015 funds totaling \$3,574 and \$3,300 were received from the trust, respectively.

The assets of the trust are not included in the financial statements of the Agency since the financial statements are prepared on a modified cash basis method of accounting. No beneficiary of the trust may assign, transfer, pledge, mortgage or in any way encumber or dispose of its interest in the trust.
