We have reviewed the audit report prepared by Velma Butler & Company, LTD, Independent Public Accountants, for the period July 1, 2016 to June 30, 2017. In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts. Per the Independent Auditor's Report, the financial statements included in the report present fairly the financial condition of the Fort Wayne Housing Authority, as of June 30, 2017 and the results of its operations for the period then ended, on the basis of accounting described in the report.

The audit report is filed with this letter in our office as a matter of public record.

Report on the Financial Statements

We have audited the accompanying financial statements of the primary government business type activities and the discretely presented component unit of the Housing Authority of the City of Fort Wayne (Authority), for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents. We did not audit the financial statements of the discretely presented component unit for the year ended December 31, 2016. These financial statements were audited by other auditors, whose report dated March 24, 2017, express an unmodified opinion, and our opinion, in so far as it relates to the amounts included for the discretely presented component unit of the Authority, is based on the report of other auditors.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk of assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the audit report of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the primary government and the discretely presented component unit of the Authority, as of June 30, 2017, and the respective changes in financial position and where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 through 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose for forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The accompanied financial data schedules and the schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the other information are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The accompanying supplementary information such as financial data schedules and schedule of expenditures of federal awards is the responsibility of management and was derived from the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional

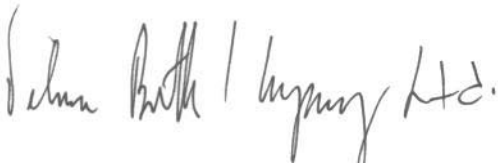

procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 27, 2017 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

Summarized Comparative Information

We previously audited the Authority's 2016 financial statements, and we expressed an unmodified opinion on those audited financial statements dated December 9, 2016. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2016, is consistent, in all material respects, with the audited financial statements from which it has been derived.

MANAGEMENT'S DISCUSSION AND ANALYSIS

This section of the Housing Authority of the City of Fort Wayne, Indiana (Authority) annual financial report presents management's discussion and analysis of the Authority's financial performance during the fiscal year that ended on June 30, 2017. The management's discussion and analysis includes information on the past, present and future events that have been enacted, adopted, agreed upon, and/or contracted by the Authority. It focuses on analysis of the financial statements and the improvements in the Authority's management.

We are pleased to submit the financial statements of the Authority for the year ended June 30, 2017. The accuracy of the data presented in the financial statements, as well as its completeness and fairness of presentation, is the responsibility of management. All necessary disclosures to enable the reader to gain an understanding of the Authority's financial affairs have been included in the footnotes accompanying the general purpose financial statements. The purpose of the financial statements is to provide complete and accurate financial information that complies with reporting requirements of the U.S. Department of Housing and Urban Development ("HUD") and the Governmental Accounting Standards Board. The Authority's financial statements are prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") as applied to government units.

FINANCIAL HIGHLIGHTS

- Total assets were \$27 million at June 30, 2017, and decreased by \$1.3 million from \$28.3 million at June 30, 2016, mainly due to changes in current assets and capital assets.
- Net capital assets were \$19.539 million at June 30, 2017, and had a decrease of approximately \$499 thousand from \$20.038 million at June 30, 2016. This was primarily due to depreciation of capital assets.
- Total liabilities decreased by \$419 thousand to \$7.528 million at June 30, 2017 from 7.947 million at June 30, 2016.

- Total net position was \$19.434 million at June 30, 2017, a decrease of about approximately \$882 thousand from prior year balance of \$20.316 million. This was due to primarily decreases in capital assets.
- Total revenue was \$22.886 million at June 30, 2017, an increase of approximately \$627 thousand from the June 30, 2016, balance of \$22.259 million. The increase was primarily due to an increase from tenant rents and operating subsidies.
- Total expenses increased by \$999 thousand to \$23.768 million at June 30, 2017 from \$22.769 million at June 30, 2016.

USING THIS REPORT

The financial statements are designed to provide readers with a broad overview of the Authority's finances in a manner similar to a private sector business.

The *Statement of Net Position* presents information on all of the Authority's assets and liabilities, with the difference between the two reported as net position. Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating, or otherwise changing in a dramatic manner.

The *Statement of Revenues, Expenses, and Changes in Net Position* presents information detailing how the Authority's net position changed during the fiscal year. All changes in the net position are reported as soon as the underlying event given rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., depreciation and earned but unused vacation leave).

The *Statement of Cash Flows* provides information about the Authority's cash receipts and cash payments during the reporting period. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing, and capital and related financing activities.

These financial statements report on the functions of the Authority that are principally supported by intergovernmental revenues. The Authority's function is to provide decent, safe, and sanitary housing to low-income and special needs populations, which is primarily funded with grant revenues received from the U.S. Department of Housing and Urban Development (HUD).

OVERVIEW OF THE FINANCIAL STATEMENTS

The Authority's basic financial statements are presented as an enterprise fund whose operations include the low rent, housing choice voucher programs, various other programs, a blended component unit and a discretely presented component unit.

Fund Financial Statements are groupings of accounts used to maintain control over resources segregated for specific activities or objectives. The Authority, like other state, local, or quasi-

governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The Authority's funds only consisted of a *Proprietary Fund*.

The Authority's *Proprietary Fund* is comprised of enterprise funds with "business-type" activities intended to recover all or a portion of their costs through fees and charges for services. Since the Authority maintains its activities in enterprise funds, its Proprietary Fund financial statements provide information about the activities of the Authority as a whole.

Low-Rent Public Housing - Under the Low Rent Housing Program, the Authority rents units it owns to low-income families. The Low Rent Public Housing Program is operated under an annual contribution contract (ACC) with HUD, and HUD provides an operating subsidy to enable the Authority to provide housing at a rent that is based upon 30% of a family's adjusted gross household income. Additionally, the Authority receives various State and Local grants that are used to improve the quality of the housing offered.

Capital Fund Program (CFP) - The Low Rent Public Housing Program also includes the CFP, which is the primary funding source for physical management improvements to the Authority's properties. CFP funding is based on a formula allocation that takes into consideration the size and age of the authorities housing stock.

Section 8 Housing Choice Vouchers - The Housing Choice Voucher is the federal government's programs for assisting low-income families, the elderly, and the disabled to afford decent, safe, and sanitary housing in the private market. The programs are administered locally by public housing authorities (PHAs). The PHAs receive funds from HUD to administer the programs. A housing subsidy is paid to the landlord directly by the PHA on behalf of the participating family. The family then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program.

Various Other Grant Programs - The Authority participates in Resident Opportunity for Self Sufficiency (ROSS) and receives Local funding, which assists the needs of the residents.

Component Units - The Authority has oversight responsibility including financial accountability, appointment of voting majority, imposition of will, financial benefit to or burden on a primary organization, financial accountability as a result of fiscal dependency, potential for dual inclusion, and organizations included in the reporting entity although the primary organization is not financially accountable. Based upon the application of these criteria, the Authority includes all component units of which the Authority appointed a voting majority of the units' board; the Authority is either able to impose its will on the unit or a financial benefit or burden relationship exists.

Blended Component Units - Blended component units are separate legal entities that meet the component unit criteria described above and whose governing body is the same or substantially the same as the Authority's Board of Commissioners of the component unit provides services entirely to the Authority.

These component units' funds are blended into those of the Authority's by appropriate activity type to compose the primary government presentation. The Authority has included as a blended component unit the activity for Housing Opportunities Program, Inc. (HOP) and Southside Senior Villas, LLC. HOP is a non-profit development corporation whose mission is to promote home ownership among participants. Southside Senior Villas, LLC is a limited liability company organized and has ownership of the project, Southside Senior Villas. These entities are blended component units because the authority owns 100 percent of both entities.

Discretely Presented Component Units - Discretely presented component units are separate legal entities that meet the component unit criteria described above, but do not meet the criteria for blending. The Authority has included as a discretely presented component unit the activity for Brooklyn Manor, L.P. This entity is shown as a discretely presented component unit because the Authority is financially accountable for it, but does not have the same or substantially the same governing body over the entity. HOP serves as one of the developers for the project. The Authority serves as the property manager for the project.

Additionally, the Authority is required to undergo an annual single audit as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Information related to this single audit, including a schedule of expenditures of federal awards, the independent auditor's reports on internal controls and compliance with applicable laws and regulations, and a schedule of findings and questioned costs.

FINANCIAL ANALYSIS OF THE AUTHORITY

Net Position

Net position represents the difference between total assets and total liabilities.

Depreciation expense was \$1,170,046. Construction in progress totaled \$1,246,038 and capital additions were \$680,206. Disposals totaled \$9,182 in 2017.

Notes Payable

The Authority has five notes payable to various financial institutions totaling \$6,456,543. All notes require principal and interest payments and are secured by a mortgage on the property. Current portion of notes total \$260,608 and long term portion totals \$6,195,935. The notes mature in range from 2024 to 2049. The Authority maintains escrow deposits for repairs related to the notes.

Additional information can be found in the Notes to Financial Statements.

Revenues

As shown in Table 3, the Authority's total operating revenues increased to \$21.904 million by \$171 thousand or 0.8 percent for the year ended June 30, 2017.

Expenses primarily increased in administrative expenses and tenant services, which was offset by decreases in housing assistance payments.

BUDGETARY CONTROL

For the operating budget, management submits a proposed budget for revenues and expenses for all programs, functions, activities, or objectives for the following fiscal year to the governing body ("Board"). The Board reviews, approves and adopts the budget. Operating monies are determined by rents and operating subsidies provided by HUD, as established by Congress. The operating subsidy is dependent on the availability of federal funds.

The Authority prepares annual five year budgets for its capital grants and project budget for other grants. Capital project budgets are approved and are adopted for five years by the Board and HUD based on Federal funding. They are then annualized to strengthen monitoring and completion benchmarks. Budgeted and actual costs are compared to the five year plan and are monitored by the Authority and HUD. Line item variances are resolved and approved by HUD.

CONTACTING THE AUTHORITY'S FINANCIAL MANAGEMENT

This Authority's financial report is designed to provide a general overview of the Authority's finances for all those with an interest and to demonstrate the Authority's accountability for the money it receives. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Carolyn Nichter, Fiscal Services Director, Housing Authority of the City of Fort Wayne, 7315 Hanna St., Fort Wayne, IN 46816 or call (260) 267-9300.

NOTES TO THE FINANCIAL STATEMENTS

Note 1 - Summary Of Significant Accounting Policies

The financial statements of the Authority have been prepared in accordance with accounting principles generally accepted in the United States of America, as applicable to governmental units.

A. Organization and Program Description

The Housing Authority of the City of Fort Wayne (the Authority) was established by the City of Fort Wayne pursuant to laws of the State of Indiana to transact business and to have powers as defined therein. The Authority is not a component unit of the City, but was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development (HUD) and other applicable Federal Agencies.

The United States Department of Housing and Urban Development (HUD) has direct responsibility for administering housing programs under the United States Housing Act of 1937, as amended. HUD is authorized to enter into contracts with local housing authorities and to provide funds to assist the Public Housing Authorities (PHAs) in financing the acquisition, construction, and/or leasing of housing units; to make housing assistance payments; and to make annual contributions (subsidies) to PHAs for the purpose of maintaining the low rent character of the local housing program.

The Authority is governed by a Board of Commissioners appointed by the office of the Mayor, and has governance responsibilities over all activities related to all housing activities within the City. The Board of Commissioners has decision making authority and the power to designate management. The Authority's Board elects its own chairperson and each member can only be removed for cause.

As required by accounting principles generally accepted in the United States of America, the accompanying financial statements present the various program activities of the Authority. The Authority's assets, liabilities and results of operations are segregated into public housing and grant programs as follows:

Low Rent Housing - The low rent housing program provides subsidized housing to low income residents. The Authority is the owner of public housing units located throughout the city. The Authority receives revenue from dwelling rental income and operating subsidies and capital repair funds from HUD. "Capital Funds," provided by HUD, are used to improve the physical condition, management and operation of existing public housing developments. The low rent housing program is reported as an enterprise fund.

Section 8 Housing Choice Voucher Program - The Authority participates in the Housing Choice Voucher Program. This program is designed to provide privately owned, decent, safe and sanitary housing to low income families. The Authority provides assistance to low income persons seeking decent, safe and sanitary housing by subsidizing rents between such persons and owners of existing private housing. Under the program, the Authority enters into housing

FOR THE YEAR ENDED JUNE 30, 2017

assistance payment contracts with eligible landlords. To fund the program, the Authority enters into annual contribution contracts with HUD for the receipt of rental subsidies. The Housing Choice Voucher program is also reported as an enterprise fund.

Various Other Grant Programs - The Authority participates in Resident Opportunity for Self Sufficiency (ROSS) and receives Local funding, which assists the needs of the residents.

B. Reporting Entity

The reporting entity for the Authority includes its Enterprises Funds. The Authority is a separate governmental entity created for the purpose of constructing, maintaining, and operating public housing and providing rental assistance to low income and elderly persons. Most funding is provided by the United States Department of Housing and Urban Development (HUD). All funds and programs are included in these statements.

Component Units

Blended Component Units -The Authority owns 100 percent of the Housing Opportunities Program, Inc. (HOP) and Southside Senior Villas, LLC (SSV). The Authority included these companies as blended component units in the Basic Financial Statements. The Authority and its component units have substantively the same governing body criterion and (1) financial burden and benefit relationships, (2) the Authority has operational responsibilities for activities of the component, or (3) the component units provide services almost entirely for the benefit of the Authority.

The Authority has included these companies as blended component units the activities of the Housing Opportunities Program, Inc. (HOP) and Southside Senior Villas, LLC. HOP is a non-profit development corporation whose mission is to promote home ownership among participants.

Southside Senior Villas, LLC is a limited liability company which owns the Southside Senior Villas project. The Authority owns 100 percent of both entities.

Discretely Presented Component Units - Discretely presented component units are separate legal entities that meet the component unit criteria described above, but do not meet the criteria for blending because it does not have substantively the same Board. The Authority includes the Brooklyn Manor, L.P., a discretely presented component unit.

The Authority's discretely presented component unit has a fiscal year end of December 31, 2016, and is audited by another accounting firm. The financials from that audit report are relied on for this reporting period.

*Financial statements for the component units may be obtained from the Fiscal Services Director of the Fort Wayne Housing Authority, at their office at 7315 Hanna St., Fort Wayne, Indiana, 46816.

C. Measurement Focus, Basis of Accounting and Basis of Presentation

The accounts of the Authority are organized and operated on the basis of fund accounts. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounts segregate funds according to their intended purpose and are used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

Enterprise Funds are accounted for on the flow of economic resources measurement focus and use the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time they are incurred. All assets and liabilities associated with the operation of these funds are included on the balance sheet.

D. Fund Accounting

Accounts are organized on the basis of funds. Each fund represents a separate program with a separate set of self-balancing accounts. All funds are reported as enterprise funds and are grouped as follows:

- PHA-Owned Housing consists of HUD-financed public housing owned by the Authority. Individual funds account for activities of the low-rent housing program, each capital fund phase, and the central office cost center. The funds are collectively as low rent housing.
- Section 8 Program consists of HUD payment of rents for tenants in privately owned housing and fees to the housing authority for operating the program. An individual fund is use for the Housing Choice Voucher Program.
- Various other programs which the Authority operates, including Residential Opportunity and Self Sufficiency, blended component units, and other various state and local programs are accounted for in individual funds.
- Component unit funds consist of the financing activities of the construction of mixed income housing units and the issuance of bonds to develop affordable housing.

Proprietary Funds - The Authority's operations are accounted for in a single *Enterprise Fund*. Enterprise Funds account for those operations that are financed and operated in a manner similar to private business or where the Authority has decided that the determination of revenues earned, costs incurred and/or net income are necessary for management accountability.

Management's Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the

THE HOUSING AUTHORITY OF THE CITY OF FORT WAYNE, INDIANA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2017

reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents - Cash and cash equivalents are defined as short-term, highly liquid investments that are both: readily convertible to known amounts of cash and so near their maturity that they present insignificant risk of changes in value because of changes in interest rates. This includes all demand deposits, saving accounts and certificates of deposits or short-term investments with a maturity date of three months or less. Restricted assets include cash legally restricted as to their use. The primary restricted assets are related to the low rent, housing opportunity program, component unit and housing choice voucher program for various funds restricted for tenants. The housing choice voucher program has additional restricted funds for future housing assistance payments.

Investments - Investments are stated at fair value in accordance with GASB Statement No. 31, *Accounting and Financial Reporting for Certain Investments and for External Investment Pools* and GASB Statement No. 40 *Deposit and Investment Risk Disclosures*. Federal statutes authorize investment of excess federal funds in instruments guaranteed by the federal government. The Authority has adopted this policy for all invested funds, whether or not they are federal funds. GASB Statement No. 40 requires general disclosures by investment type with disclosures of the specific risks to which those investments are exposed. Investments exposed to credit risk, custodial credit risk, concentration of credit risk (5% of total net position), interest rate risk, and foreign currency risk must be disclosed, and the government reporting unit is required to describe their deposit or investment policies (or the lack of a policy) that relate to the risks stated above, if they are subject to them.

Credit risk is the risk of loss attributed to the magnitude of an agency's investment in a single user. All investments are insured by governmental securities or registered and held by the Authority or its agent in the Authority's name. The Authority does not have a policy limiting its exposure to concentrations of credit risk.

Credit risk is also the risk that an issuer or other counterparty to a debt investment will not fulfill its obligation. The Authority's statement of investment objectives and guidelines states that investments in non-convertible fixed-income securities other than short-term securities will be restricted to issues with a maximum fixed or expected average maturity of ten years and will be made primarily in (1) securities issued or guaranteed by the U.S. government or its agencies (2) marketable issues of non-nuclear utility companies rated at the time of purchase within the three highest grades assigned by Moody's Investor Services, Inc (Aaa, Aa or A) or by Standard & Poor's (AAA, AA or A) and (3) bond mutual funds which invest primarily in bonds with rating of A and higher.

Foreign currency risk is the risk that changes in the exchange rates will adversely affect the fair value of an investment. The Authority does not have a policy limiting its exposure to foreign currency risks.

THE HOUSING AUTHORITY OF THE CITY OF FORT WAYNE, INDIANA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2017

Receivables - Receivables consist of all revenues earned at year-end but not yet received. Allowances for uncollectible receivables are based on historical trends and periodic aging of receivables.

Inter-program Due to/from - During the course of operations, numerous transactions occur between individual funds for goods provided or services rendered. These receivables and payables are classified as "due from other funds" or "due to other funds" on the fund balance sheet.

Inventories - Inventories are valued at average cost and cost of expendable supplies held for consumption. The cost of inventories are recorded as expenditures when consumed, rather than when purchased.

Risk Management - The Authority is exposed to various risks of loss related to tort; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority manages these various risks of loss with the following insurance coverage: worker's compensation, property and equipment, liability, flood and automobile. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Authority. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

Capital Assets - Capital Assets consist of assets purchased or acquired at a cost of \$5,000 or greater. All capital assets are stated at historical costs or estimated historical cost if actual cost is unavailable, except for donated capital assets which are recorded at their estimated fair value at the date of donation. Capital assets depreciated using straight-line method of depreciation over their estimated useful lives as follows:

Building	40 years
Building Improvements	7 - 40 years
Furniture, Equipment & Machinery	3 - 10 years

Compensated Absences - The Authority allows regular full-time employees to accumulate the following compensated absences.

Unused vacation leave is paid upon termination. The liability for these compensated absences is recorded as short-term and long-term liabilities based on historical trends.

Regular full-time employees are advanced a total of six (6) personal/sick day per year, beginning January 1st of each year. Employees hired after January 1st, whether full time or part time, accrue at a rate of .02307 hours per pay period from the beginning date of employment until January 1st of the next year.

THE HOUSING AUTHORITY OF THE CITY OF FORT WAYNE, INDIANA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2017

Employees who accumulate sick leave up to 1,000 hours and 10 years of service and retire or is voluntarily terminated will be paid 1 hour for every 3 hours of leave accumulated. Employee with less than 1,000 hours will be paid \$1 for each accumulated hour.

No employee has reached the 1,000 hour limit, therefore no liability is recorded for accumulating rights of the employees to receive sick pay benefits.

Net Position - Net position is comprised of three categories: (1) net investment in capital assets, (2) restricted net position, and (3) unrestricted net position. Each component of net position is reported separately on the statement of net position.

(1) Investment in capital assets, net of related debt - The component of net position that reports the difference between capital assets less both the accumulated depreciation and the outstanding balance of debt, excluding unspent proceeds, that is directly attributable to the acquisition, construction or improvement of these capital assets.

(2) Restricted - the component of net position that reports the amount of revenue from a federal or state award for service programs in excess of expenditures. These funds are restricted for the use of the related federal or state program.

(3) Unrestricted - The difference between the assets and liabilities that is not reported in the net position invested in capital, net of related debt or net position restricted for federal and state programs.

It is the Authority's policy to first apply restricted resources when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

Fair Value - GASB Statement No. 72, Fair Value Measurement and Application, is effective for periods beginning after June 15 2015 with earlier application encouraged. This Statement should improve financial reporting by clarifying the definition of fair value for financial reporting purposes. This Statement requires disclosures to be made about fair value measurements, the level of fair value hierarchy and valuation techniques. The disclosures should be organized by type asset or liability reported at fair value. The Authority's implementation did not have a material impact on the financial statements as a result of this pronouncement.

Pension - The Authority has established a 457(b) deferred compensation plan for its employees in accordance with Internal Revenue Code Section 501. The plan is administrated by a private administrator. All contributions are immediately vested. For calendar years 2016 and 2017, salary deferral could exceed \$18,000.

Operating Revenues and Expenses - Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the Authority are charges to customers for rents and subsidies received from HUD or other grantor agencies, and are

THE HOUSING AUTHORITY OF THE CITY OF FORT WAYNE, INDIANA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2017

recorded as operating revenue on the Statement of Revenues, Expenses, and Change in Net Position. Capital grant funds are recorded as capital contributions.

Operating expenses include the cost of sales and services, administrative expense, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Concentration of Risk - During the year ended June 30, 2017, the Authority received approximately 84 percent of its revenue from HUD.

Federal Awards - Federal grants for reimbursable programs are recognized as revenue in the year related program expenditures are incurred. Awards received prior to meeting revenue recognition criteria are recorded as deferred revenue. Operating grants are recorded as revenue in the year earned.

Compliance - The Authority is subject to various federal, state and local laws and regulations and contractual regulations.

Financial Information for 2016 - The financial statements include certain prior-year summarized comparative information in total but not by net position class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Authority's financial statements for the year ended June 30, 2016, from which the summarized information was derived.

Note 2 - Budget Information

Enterprise Funds - The Authority is required by contractual agreements to adopt annual operating budgets for all its enterprise funds receiving federal expenditure awards. The Fiscal Services Director prepares all budgets on a HUD basis, which is materially consistent with accounting principles generally accepted in the United States of America.

Operating budgets for the year are prepared for all program activities. Budgets are submitted by the Authority's Executive Director and approved by resolutions of the Board of Commissioners and/or HUD.

Appropriations for capital projects are authorized at the fund and expenditure level, and effective budgetary control is achieved through periodic budgeting and reporting requirements.

Note 3 - Cash and Cash Equivalents

Cash and cash equivalents totaled \$5,628,754 at June 30, 2017, and are maintained in commercial checking accounts and are readily available. Cash amounts in excess of the \$250,000 is insured by the government and collateralized by government securities and held in the pledging financial institutions' trust departments in the Authority's name.

**THE HOUSING AUTHORITY OF THE CITY OF FORT WAYNE, INDIANA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED JUNE 30, 2017**

Amounts in excess of \$500,000 are swept into investment accounts daily. HUD regulations require authorities to maintain funds in accounts that are fully collateralized by United States government securities. The Authority is in compliance with all state and local laws and regulations regarding cash equivalents.

Of the total cash on hand the breakdown between unrestricted and restricted is shown below:

Unrestricted Cash	\$ 4,698,515

amount of \$1,310,000. The interest rate is 3.95 percent annually and matures on April 1, 2049. Principal and interest payments are \$5,761.13. The note is secured by the real estate. As of June 30, 2017, the outstanding balance was \$1,259,575.

The Authority obtained a construction to permanent loan from Star Financial Bank for the construction of properties owned by the Authority. The construction loan amount was for \$450,000. The balance turned into a permanent loan on November 15, 2014 for the amount of \$197,943. Monthly consecutive principal and interest payments began December 15, 2014 using an interest rate of 6.64% and will be paid off after 15 years. As of June 30, 2017, the balance was \$143,968.

The Authority also has a financing agreement with Federal Home Loan Bank for \$350,000 subject to the Affordable Housing Program to be used for construction projects. As of June 30, 2017, the outstanding balance on this loan was \$350,000.

The Authority obtained funds from Capital One Public Funding to acquire, lease and install equipment. The agreement bears an interest rate of 4.75 percent per annum, and matures on January 1, 2035. As of June 30, 2017, the outstanding portion of the bond was \$2,758,000.

Note 13 - Prepaid Rents

At June 30, 2017, the Authority had \$52,073, in prepaid rents.

Note 14 - Family Self Sufficiency Escrow

At June 30, 2017 the Authority had Family and Self Sufficiency (FSS) escrow of \$315,560 of amounts due to tenants. Of the total FSS escrows, \$276,870 is considered current and \$38,690 is long-term.

Note 15 - Employee Benefit Plans

During August 1990, the Authority established a defined contribution plan under the governmental 457(b) Deferred Compensation plan (the Plan). The Plan is governed by the Internal Revenue Code and the Treasury regulations.

The Plan Document addresses all of the provisions of the plan. The plan is administered by a private plan administrator. Employees can contribute a set dollar amount or 1% to 15% of their bi-weekly paycheck. In no event can those contributions exceed \$18,000 annually for calendar year 2017.

The Authority contributes 3% of salary for those that elect to participate and will match 50% of the employee contributions up to 6%. For the fiscal period ended June 30, 2017, the Authority made contributions to the Plan under these terms in the amount of \$100,529.

THE HOUSING AUTHORITY OF THE CITY OF FORT WAYNE, INDIANA
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDED JUNE 30, 2017

The total plan assets at June 30, 2017, were \$1,008,607, as follows:

<u>Description</u>	<u>Amount</u>
Beginning Balance	\$ 871,290
Additions	184,708

Note 16 - Operating Lease Commitments

The Authority has three operating leases for office equipment (copiers). One lease began in fiscal year 2016 for a three year period with monthly payments of \$327 and expires in fiscal year 2019. The second lease began in fiscal year 2017 for a three year period with monthly payments of \$1,650 and expires in fiscal year 2020. The third lease began in fiscal year 2017 for a four year period with monthly payments of \$425 and expires in fiscal year 2021. Future lease payments are as follows:

<u>Annual Lease Payment</u>	
2018	\$ 28,824
2019	27,189
2020	21,600
2021	4,250
Total	<u>\$ 81,863</u>

Note 17 - Administrative Fees

The Authority receives an "Administrative Fee" as part of each of the annual contributions contract from HUD to cover the costs (including overhead) of administering the Housing Choice Voucher Housing Assistance programs.

Note 18 - Allocation of Cost

The Authority allocates expenses not attributable to a specific program to all programs under management. The basis for this allocation was the number of units or staff in each program. Management considers this to be an equitable method of allocation.

Note 19 - Subsequent Events

Management has performed an analysis of activities and transactions subsequent to June 30, 2017, to determine the need for any adjustments to and/or disclosure within the audited financial statements for the year ended June 30, 2017. Management has performed their analysis through November 27, 2017, the date the financial statements were issued.

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED JUNE 30, 2017**

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards includes the federal grant activity of the Housing Authority of the City of Fort Wayne, Indiana (Authority) and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of the Authority's consolidated financial statements.

The schedule summarizes the federal funds expended by the Authority under the programs of the federal government during the year ended June 30, 2016. The awards are classified into major and non-major program categories in accordance with the provisions of the Uniform Guidance. The schedule of expenditures of federal awards displays the Authority's expenditures charged to federal programs for the year ended June 30, 2017, and should be read in conjunction with the Authority's consolidated financial statements.

The Authority did not elect to use the 10% de minimis cost rate as covered in 2 CFR 200.414 Indirect (F&A) costs.

Note 2 - Sources of Funding

The schedule includes all grants and contracts entered into directly between the Authority and agencies and departments of the federal government, as well as federal funds passed-through to the Authority by primary recipients. The Authority provided no part of its direct grant federal dollars to sub-recipients.

Note 3 - Sub-recipients

There were no sub-recipients for the year ended June 30, 2017.

Note 4 - Loans Outstanding

There were no federal loans outstanding for the year ended June 30, 2017.

Note 5 - Non-Cash Assistance

The Authority provided no non-cash assistance for the year ended June 30, 2017.

Note 6 - Insurance

The Authority had no federal insurance for the year ended June 30, 2017.

SINGLE AUDIT REPORTS

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed
In Accordance with Government Auditing Standards**

Indianapolis, Indiana 46204

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the primary government business type activities and the discretely presented component unit of the Housing Authority of the City of Fort Wayne, Indiana (Authority), as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, and have issued our report thereon dated November 27, 2017. We did not audit the financial statements of the discretely presented component unit for the year ended December 31, 2016. These financial statements were audited by other auditors, whose report dated March 24, 2017, express an unmodified opinion, and our opinion, in so far as it relates to the amounts included for the discretely presented component unit of the Authority, is based on the report of other auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control

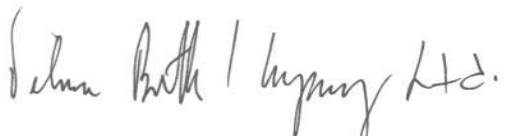

that might be material weakness or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of Fort Wayne (Authority) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Authority's major federal programs for the year ended June 30, 2017. The Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control Over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal controls over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

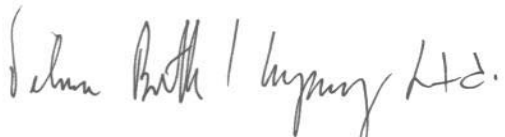

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal controls over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the Authority as of and for the year ended June 30, 2017, and have issued our report thereon dated December 9, 2016, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purpose of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.
