### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. **NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The following is a summary of the accounting policies adopted by the Organization that have a significant effect on the financial statements.

**Nature of the Organization**

The Organization was incorporated on December 28, 1995 to stimulate and improve the communities within Elkhart County through the creation of employment opportunities in both traditional manufacturing industries and in technology-based industries. The mission of the Organization is to create an economically vibrant community by recruiting, retraining, strengthening our economic base, and being a catalyst for diversification, innovation, and economic change. This includes the continual education of the current workforce, the promotion of Elkhart County as a quality place to live and work to prospective businesses looking to either relocate or begin operations, and working with existing businesses to help them become more efficient and competitive in their respective markets. Support for the Organization comes from Elkhart County and the municipalities and business entities located within Elkhart County.

**Tax Status of the Organization**

The Organization is a not-for-profit organization as defined under Section 501(c) (3) of the Internal Revenue Code and as such is exempt from income taxes. The Organization is not considered a private foundation.

**Basis of Accounting**

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

**Basis of Presentation**

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its FASB ASC 958-205 – *Not-for-Profit Entities*. Under FASB ASC 958-205, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. There were no permanently restricted net assets as of December 31, 2016 and 2015 and therefore this class has not been reported on the statements of financial position or statements of activities.

**Cash Equivalents**

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with maturity of three months or less and gift certificates to be cash equivalents.

**Pledges Receivable**

Unconditional pledges receivable are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional pledges receivable are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

**Advertising**

The Organization expenses advertising costs as they are incurred. Advertising expenses for the years ended December 31, 2016 and 2015 were \$36,824 and \$9,101, respectively.

**Note 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Property, Equipment, and Depreciation**

Property and equipment are stated at cost or, in the case of donated fixed assets, at fair value at date of donation. The Organization capitalizes all expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets. The cost of assets retired or otherwise disposed of and the related accumulated depreciation are eliminated from the accounts in the year of disposal with any resulting gain or loss reflected in earnings. Depreciation is computed using the straight-line method over the useful lives of the property and equipment ranging from 3-10 years. Total depreciation expense for the years ended December 31, 2016 and 2015, was \$28,069 and \$29,193 respectively.

**Donated Materials and Services**

Donated materials are recorded as contributions in the accompanying statements at fair market value at date of receipt. During the years ended December 31, 2016 and 2015, the Organization received various in-kind contributions. These contributions along with an expense equal to the contribution have been recognized in the Statement of Activities. These contributions include a computer support/service agreement totaling \$17,603 and \$10,000 for years ended December 31, 2016 and 2015, respectively. The Organization also received a membership in another organization valued at \$315 for the years ended December 31, 2016 and 2015. A donation to offset utility expenses totaling \$1,500 and \$2,000 for the years ended December 31, 2016 and 2015, respectively was received. A donation to offset repairs and maintenance expenses totaling \$200 for 2016. Contributions in the form of gift certificates totaling \$1,000 were received for the years ended December 31, 2016 and 2015. In-kind contributions received totaled \$20,618 and \$15,315 for the years ended December 31, 2016 and 2015, respectively.

The Organization pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific assistance programs and various committee assignments.

**Restricted and Unrestricted Revenue and Support**

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose of the restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions.

**Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on periodic time and expense studies; which may vary from year-to-year.
