Report on the Financial Statements

We have audited the accompanying financial statements of Indiana Resource Center for Families With Special Needs, Inc., which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Indiana Resource Center for Families With Special Needs, Inc. as of June 30, 2017 and 2016,

and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal and nonfederal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and *Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Government Sources* issued by the Indiana State Board of Accounts, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 15, 2018 on our consideration of Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting and compliance.

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

NOTE 1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization:

Indiana Resource Center for Families with Special Needs, Inc., doing business as In*Source, (the "Organization") is an Indiana nonprofit corporation that administers programs designed to gather and disseminate information on education services for the handicapped, to cooperate with public and private agencies in increasing educational opportunities for the handicapped, and to counsel parents of handicapped persons so as to enable their children to reach their fullest potential as persons and citizens. The Organization's operations are supported primarily by grants from governmental agencies.

Significant Accounting Policies:

Use of estimates:

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily related to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

An estimate that is particularly susceptible to change in the near-term is revenue earned from cost-reimbursement awards. The majority of the Organization's revenue is earned on such awards from governmental agencies that are governed by federal and State cost principles and other administrative and programmatic regulations and are subject to audit by regulatory authorities. It is at least reasonably possible that revenue earned under such awards will be adjusted upon audit.

The costs of providing the programs and supporting services have been summarized on a functional basis in the statements of activities and functional expenses. Expenses that are directly identifiable with functions are charged to those functions. Expenses related to more than one function are allocated to functions based on estimates of employee time spent on functions, space used by function, and other factors driving costs.

Net asset classes:

The Organization reports its activities and financial position by the following classes of net assets:

- *Unrestricted net assets* are those currently available for use by the Organization.
- *Temporarily restricted net assets* are those received with donor stipulations that limit the use of the donated assets. When stipulated time restrictions expire or purpose restrictions are accomplished, these net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

Cash and cash equivalents:

The Organization considers time deposits, certificates of deposit, and all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

Property and equipment:

Property and equipment is recorded at cost, if purchased, or at fair value at the date of donation, if donated. Depreciation is computed by the straight-line method over the estimated useful life of the assets, generally from three to five years.

Gifts and grants:

The Organization reports gifts and grants of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Conditional promises to give are not included as revenue until the conditions are substantially met. Gifts and grants received with conditions that have not been substantially met are reported as refundable grant advances in the accompanying statements of financial position.

Income taxes:

The Organization is exempt from income tax under Internal Revenue Code Section 501(c)(3) and a similar section of the Indiana Code, except for taxes on unrelated business income. Consequently, the accompanying financial statements generally contain no provision for income taxes. The Organization is classified by the Internal Revenue Service as other than a private foundation under Internal Revenue Code Section 509(a)(1).

The Organization recognizes the tax benefit from an uncertain tax position only if it is more likely than not that the position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Examples of tax positions include the tax-exempt status of the Organization and positions related to the potential sources of unrelated business taxable income. Management has not identified any uncertain tax positions taken or expected to be taken in a tax return, and there are no unrecognized tax benefits recorded as liabilities in the accompanying financial statements. The Organization classifies interest and penalties, if any, associated with uncertain tax positions as a component of income tax expense. There was no accrued interest or penalties related to unrecognized tax benefits at either June 30, 2017 or 2016, or any interest or penalties expense related to unrecognized tax benefits for the years then ended. The

NOTES TO FINANCIAL STATEMENTS
June 30, 2017 and 2016

Organization is no longer subject to examination by the Internal Revenue Service or the State of Indiana for periods ended prior to June 30, 2014.

Subsequent events information:

The date through which events occurring subsequent to June 30, 2017 have been evaluated for possible adjustment to the financial statements or disclosure is February 15, 2018, date on which the financial statements were available to be issued. Management identified no such events except that the Organization was notified that one state grant, which provided approximately 23% of total revenues for the year ended June 30, 2017, would not be renewed effective July 1, 2017.

NOTE 2. GRANTS RECEIVABLE

Grants receivable at both June 30, 2017 and 2016 consist of amounts unconditionally promised to the Organization for various programs. All amounts are expected to be collected in the next year, and no allowance for doubtful accounts is considered necessary.

Less accumulated depreciation	<u>(46,314)</u>	<u>(28,546)</u>

The line bears interest at 100 basis points over Wall Street Journal Prime and is secured by all of the Organization's business assets. The interest rate in effect at June 30, 2017 was 5.25%.

NOTE 5. NET ASSETS INFORMATION

Net assets were released from restrictions for the year ended June 30, 2016 by incurring expenses for "Answers for Autism" training.

NOTE 6. LEASE INFORMATION

The Organization leases certain equipment under capital leases requiring monthly payments of \$1,419 through July 2017 and \$901 through September 2020. The assets and liabilities under these leases were recorded at the lower of the present value of the minimum lease payments or the fair value of the assets. The assets are being amortized over the lesser of the related lease terms or their estimated useful lives. Amortization of the capital-leased assets included in depreciation expense for the years ended June 30, 2017 and 2016 is \$13,666 and \$12,818, respectively. The net book value of the capital-leased assets is as follows at June 30, 2017 and 2016, respectively:

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Indiana Resource Center for Families With Special Needs, Inc.
South Bend, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Indiana Resource Center for Families With Special Needs, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to financial statements, and have issued our report thereon dated February 15, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Indiana Resource Center for Families With Special Needs, Inc.
South Bend, Indiana

Report on Compliance for Each Major Federal Program

We have audited Indiana Resource Center for Families With Special Needs, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Indiana Resource Center for Families With Special Needs, Inc.'s major federal programs for the year ended June 30, 2017. Indiana Resource Center for Families With Special Needs, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Indiana Resource Center for Families With Special Needs, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Indiana Resource Center for Families With Special Needs, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Indiana Resource Center for Families With Special Needs, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Indiana Resource Center for Families With Special Needs, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Indiana Resource Center for Families With Special Needs, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Indiana Resource Center for Families With Special Needs, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
