To the Board of Directors  
Boys and Girls Club of Huntington County, Inc.  
Huntington, Indiana

We have audited the accompanying financial statements of Boys and Girls Club of Huntington County, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Boys and Girls Club of Huntington County, Inc. as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

Note 1: Organization and summary of significant accounting policies -

Organization - The Boys and Girls Club of Huntington County, Inc. (the Organization) is a nonprofit corporation organized for the purpose of providing and supervising program activities in personal and educational development, citizenship and leadership development, cultural enrichment, health and physical education, social, recreation in outdoors, and environmental education for the youth of Huntington County, ages six through eighteen. The Organization strives to develop the qualities necessary for youth to become responsible citizens and leaders.

Basis of accounting - The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under the accrual basis of accounting, revenues are recorded as earned and expenses are recorded when liabilities are incurred. Also, equipment purchased through grant awards is charged to expense in the period during which it is approved by funding sources and purchased. The equipment acquired is owned by the Organization while used in current or other future authorized programs. The funding sources have a reversionary interest in the equipment purchased with grant funds; therefore, its disposition as well as the ownership of any sale proceeds, is subject to funding source regulations.

Basis of presentation - The financial statements have been prepared in accordance with FASC 958, which requires, among other things, that the financial statements report the changes in, and totals of each net asset class based on the existence of donor restrictions, as applicable. Net assets are classified as unrestricted, temporarily restricted or permanently restricted and are detailed as follows:

Unrestricted - Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors or may otherwise be limited by contractual agreements with outside parties. Donor-imposed stipulations are reported as unrestricted net assets if the stipulations expire in the reporting period in which the revenue is recognized.

Note 1: Organization and summary of significant accounting policies  
(Continued) -

Basis of presentation (Continued) -

Temporarily restricted - Net assets whose use by the Organization is subject to donor-imposed stipulations that can be fulfilled by actions of the Organization pursuant to those stipulations or that expire by passage of time.

Permanently restricted - Net assets whose use by the Organization is subject to donor-imposed restrictions requiring that the principal be invested in perpetuity and the income only be utilized for purposes specified by the donor. At December 31, 2017 and 2016, there were no permanently restricted net assets.

Cash and cash equivalents - For the purpose of reporting cash flows, the Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

Pledges receivable - When a donor has unconditionally promised to contribute funds to the Organization in future periods, the Organization recognizes a pledge receivable. Pledges expected to be collected within one year are recorded as support and a receivable at net realizable value. Pledges expected to be collected in future years are recorded as support and a receivable at the present value of expected future cash flows.

Fixed assets - Fixed assets are stated at cost or, if donated, at fair value at the date of the gift. Items with a cost or value of \$500 or more and a useful life of one year or more are capitalized. The Organization follows the policy of providing depreciation on the straight-line method for financial reporting purposes over the estimated useful lives of the related assets.

Depreciation - Depreciation charged against income was \$102,043 and \$99,274 for the years ended December 31, 2017 and 2016, respectively.

Note 1: Organization and summary of significant accounting policies  
(Continued) -

Depreciation (Continued) -

The Company depreciates assets over their estimated useful lives, using the straight-line method of computing depreciation for financial statement purposes. Estimated useful lives for computing depreciation were as follows:

<u>Assets</u>	<u>Years</u>
Building	20-40
Equipment	5- 7
Furniture and fixtures	5- 7
Land improvements	15
Vehicles	5

Contributions - Under FASC 958, all contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Gifts of cash and other assets are reported as temporarily restricted or permanently restricted support if they are received with donor stipulations that limit their use. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Donor-restricted contributions are recorded in the temporarily restricted class for restrictions expiring during the fiscal year, and then reclassified to the unrestricted class. By definition, permanently restricted support must be maintained in perpetuity. Restrictions on these net assets do not expire and no assets are reclassified in the statements of activities.

Income tax status - The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code, and qualifies for the 50% charitable contributions deduction limitation, and is not considered to be a private foundation under Section 509(a) of the Code.

The Organization has adopted the accounting standard on accounting for uncertainty in income taxes. This standard addresses the determination of whether tax benefits claimed, or expected to be claimed, on a tax return should be recorded in the financial statements. Under this guidance, the Organization may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained

on examination by taxing authorities, based on the technical merits of the position. The tax benefits that could be recognized in the financial statements from such positions would be measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. The guidance on accounting for uncertainty in income taxes also addresses derecognition, classification, interest and penalties on income taxes, and accounting in interim periods. At December 31, 2017 and 2016, there were no unrecognized tax benefits identified or recorded as liabilities. The Organization files Form 990 and the related state of Indiana return.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results could differ from those estimated.

Advertising - Advertising costs are charged to operations as incurred. Total advertising costs expensed during the years ended December 31, 2017 and 2016 was \$5,076 and \$4,841, respectively.

Note 2: Pledges receivable - Pledges due in periods greater than one year have been discounted using the five-year Treasury Bill rate of 1.76%, which has been deemed commensurate with the credit risk of the donors. Additionally, management does not believe an allowance for uncollectible pledges is necessary for the year ended December 31, 2017. Pledges receivable as of December 31, 2017 and 2016 are as follows:
