Board of Directors
Volunteers in Medicine Clinic of Monroe County, Inc.
811 W. 2nd St.
Bloomington, IN 47402

We have reviewed the report prepared by Volunteers in Medicine Clinic of Monroe County, Inc. and opined upon by Crowe Horwath LLP, Independent Public Accountants, for the period January 1, 2017 to December 31, 2017. Per the *Independent Auditor's Report* the financial statements included in the report present fairly the financial condition of Volunteers in Medicine Clinic of Monroe County, Inc. as of December 31, 2017 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Crowe Horwath LLP prepared all required independent auditor's reports in accordance with generally accepted auditing standards and guidelines established by the State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

Report on Financial Statements

We have audited the accompanying financial statements of the Volunteers in Medicine Clinic of Monroe County, Inc. ("VIM"), which comprise the statements of assets, liabilities and net assets-modified cash basis as of December 31, 2017 and 2016, and the related statements of revenues, expenses and changes in net assets-modified cash basis, and the statements of functional expenses-modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

(Continued)

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities and net assets of the Volunteers in Medicine Clinic of Monroe County, Inc. as of December 31, 2017 and 2016, and the changes in its net assets for the years then ended, on the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

VOLUNTEERS IN MEDICINE CLINIC OF
MONROE COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations: Volunteers in Medicine Clinic of Monroe County, Inc. (VIM) is a not-for-profit organization, formed in 2006, whose mission is to provide the following services without cost to the medically underserved in Monroe and Owen Counties.

- Easily accessible, quality primary and preventative healthcare
- Treatment for both acute and chronic conditions
- Health education that empowers individuals to take responsibility for their own well-being.

VIM seeks to partner with others in closing the gap by providing a meeting place to bring them together with compassion observed and dignity preserved, for healing, health and hope. VIM's revenues and support are derived principally from contributions, grants, and in-kind support provided by the IU Health Bloomington Hospital (Hospital). Program expenses on the statement of functional expenses represent the expenses associated with providing services to the medically underserved.

Basis of Accounting: The financial statements are prepared on a modified cash basis, which differs from accounting principles generally accepted in the United States of America (GAAP) because revenues are recognized when collected rather than when earned or pledged, and expenditures generally are recognized when paid rather than when incurred. In addition, VIM also capitalizes property and equipment, recognizes donated services, records a liability for payroll liabilities withheld from employee paychecks but not yet transmitted for benefits, and recognizes unrealized gains and losses on funds held by others. The financial statements are not intended to comply with GAAP.

Use of Estimates: The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of support and revenues, expenses, and changes in net assets during the reporting period. Actual results could differ from those estimates.

Income Taxes: VIM is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and a similar provision of state law. However, VIM is subject to federal tax on any unrelated business taxable income.

Cash Equivalents: VIM considers all liquid investments with an original maturity of three months or less to be cash equivalents. Cash equivalents consist of bank deposits in an account that is federally insured up to \$250,000. At December 31, 2017 and 2016, VIM's bank deposits were not above the insured limit.

Property and Equipment: Property and equipment with a cost basis of \$1,000 or greater are recorded at cost. Depreciation is computed using the straight-line method over the asset's estimated useful lives, which range from three to five years. Leasehold improvements are depreciated over the shorter of the asset's useful life or the lease term.

Funds Held by Others: Funds held by others consist of investments held in the pooled funds of the Bloomington Hospital Foundation (Foundation), as described in Note 2. Investment return includes dividend, interest and other investment income; and realized and unrealized gains and losses on investments carried at fair value.

(Continued)

VOLUNTEERS IN MEDICINE CLINIC OF
MONROE COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Net Assets: Net assets are reported separately by three classifications, as follows:

Unrestricted net assets: The unrestricted net asset class represents the portion of VIM's net assets that have not been designated for a specific purpose, nor permanently or temporarily restricted by donor-imposed stipulations.

Temporarily restricted net assets: The temporarily restricted net asset class represents the portion of VIM's net assets related to contributions with explicit donor-imposed restrictions that have not been met as to specified purpose, or to later periods of time or after specified dates. Temporarily restricted net assets totaling \$35,488 and \$35,071 have been released from restriction due to the purpose or time restriction being met during 2017 and 2016. The Organization did not have any temporarily restricted net assets at December 31, 2017. At December 31, 2016, the temporarily restricted net asset balance of \$2,034 was restricted for mammography support.

Permanently restricted net assets: The permanently restricted net asset class represents the portion of VIM's net assets related to contributions with explicit donor-imposed restrictions that the funds be held in perpetuity as an endowment. Donor-imposed restrictions limiting the use of the assets or its economic benefit neither expire with the passage of time nor can be removed by satisfying a specific purpose. The Organization had no permanently restricted net assets at December 31, 2017 upon receiving notification of a change in donor intent from a donor in 2017 related to a previously recorded permanently restricted gift.

Contributions: Gifts of cash and other assets received without donor stipulations are reported as unrestricted revenue. Gifts received with a donor stipulation that limits their use are reported as temporarily or permanently restricted revenue. When a donor stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of revenues, expenses and change in net assets as released from restrictions.

Donated Services: Contributions of services are recognized if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Included in these in-kind services are hospital services, professional services, rent, supplies, and equipment, which are primarily provided by the Hospital. For the years ended December 31, 2017 and 2016, the total amount of in-kind services received was \$289,957 and \$335,162.

In addition, a substantial number of volunteers have donated significant amounts of their time and effort assisting with operations and administrative involvement; however, no amounts have been reflected in the accompanying financial statements for the value of these donated services because they do not meet the recognition criteria.

Functional Allocation of Expenses: The costs of supporting the various programs and other activities have been summarized on a functional basis in the statement of activities. Certain costs have been allocated among the program, management and general, and fund raising categories based on the actual direct expenditures and cost allocations based upon estimates by VIM personnel.

Charity Care: VIM's operations support the needs of medically underserved individuals in Monroe and Owen counties. All of VIM's expenditures for 2017 and 2016 relate to charity care services.

VOLUNTEERS IN MEDICINE CLINIC OF
MONROE COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(Continued)

Change in Donor Intent: The Organization received notification from a donor regarding a change in donor intent related to their intentions for gifts recognized in prior years. As a result, net assets were reclassified by restriction. The reclassification had no effect on total net assets.

Subsequent Events: Management has performed an analysis of the activities and transactions subsequent to December 31, 2017, to determine the need for any adjustments or disclosures to the audited financial statements for the year ended December 31, 2017. Management has performed their analysis through May 22, 2018, the date the financial statements were available to be issued.

NOTE 2 - RELATED PARTY TRANSACTIONS AND FUNDS HELD BY OTHERS

VIM is affiliated with the Hospital and the Foundation. The bylaws of VIM state that the Hospital's Board of Directors will appoint three of the members of VIM's Board of Directors, which does not constitute a majority. The Hospital provides VIM with hospital services and the services of medical professionals at no cost. These amounts are recorded as in-kind contributions and expenses, as noted in Notes 1 and 6. Effective August 1, 2017, the Hospital and VIM entered into a 3-year agreement where VIM agreed to employ individuals that had previously been Hospital employees and relieve the Hospital of all employment-related costs in exchange for cash considerations. VIM received \$90,041 during 2017, which is recorded as part of contributions and grants on the statement of revenues, expenses, and changes in net assets. Beginning January 1, 2018, VIM will receive monthly installments of \$22,305.

VIM and the Foundation have an agreement for certain services performed by the Foundation on behalf of VIM. Per the agreement, the Foundation acts as a fundraising agent of VIM and holds contributed amounts until requested by VIM.

Funds held and invested by the Foundation on VIM's behalf totaled \$1,511,858 and \$1,392,308, respectively, at December 31, 2017 and 2016. These funds are part of the Foundation's investment pool, and investment earnings are allocated to these funds by the Foundation. The Foundation does not have variance power over these funds. VIM reimburses the Foundation for certain fees and costs associated with the fundraising process, including an administrative fee of 0.5% of contributions received. In addition, VIM is annually charged a 1.25% fee of total funds held in the Foundation's pooled fund up to a \$1,000,000 balance, and a 1% fee of funds over \$1,000,000 held in the Foundation's pooled fund. These fees and costs totaled \$18,188 and \$16,998 during 2017 and 2016.

VIM also receives in-kind rent from an organization which is a subsidiary of a company that employs a Board member in the amount of \$63,600 for the years ended December 31, 2017 and 2016. The lease agreement is renewed annually.

VOLUNTEERS IN MEDICINE CLINIC OF
MONROE COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 3 - INVESTMENTS

VIM's investments as of December 31, 2017 and 2016 are invested in the pooled funds of the Foundation. The fair value of investments held by the Foundation is based upon VIM's proportionate share (net asset value) of the fair value of the Foundation's pooled investment portfolio. Investments held by the Foundation are reported by the Foundation as level 1 or level 2 holdings. Either party may agree to dissolve this agreement by giving written notification to the other party in writing 180 days before the effective date of dissolution. In addition, VIM management receives an audited financial statement from the Foundation, and reviews the valuations and returns in comparison to industry benchmarks and other information provided by the Foundation. Pursuant to the adoption of ASU 2015-07, *Fair Value Measurement*, investments which are valued at net asset value are excluded from the fair value hierarchy.

The tables below present reconciliations of investment activity and the statement of activities classification of gains and losses for the years ended December 31, 2017 and 2016:

	<u>2017</u>	<u>2016</u>
Beginning balance, January 1	\$ 1,392,308	\$ 1,334,682
Total gains/losses included in earnings:		
Interest and dividend income	24,239	29,188
Net realized gains on investments	6,209	82,834
Net unrealized gain (loss) on investments	124,076	(22,475)
Transfer into funds held by others	423,214	387,322
Transfers out of funds held by others	<u>(458,188)</u>	<u>(419,243)</u>
	<u>\$ 1,511,858</u>	<u>\$ 1,392,308</u>

NOTE 4 - PROPERTY AND EQUIPMENT

Property and equipment at December 31, 2017 and 2016 consists of the following:

	<u>2017</u>	<u>2016</u>
Furnishings and equipment	\$ 199,356	\$ 170,874
Leasehold improvements	68,455	68,455
Software	<u>32,820</u>	<u>32,820</u>
	300,631	272,149
Less accumulated depreciation	<u>(230,693)</u>	<u>(219,959)</u>
	<u>\$ 69,938</u>	<u>\$ 52,190</u>

NOTE 5 - PENSION PLAN

VIM participates in a 401(k) plan. Employees are eligible to participate in the plan after three months of employment and contributions become fully vested after 12 months of employment. Employer contributions to the plan were \$14,495 and \$16,913 for the years ended December 31, 2017 and 2016.

VOLUNTEERS IN MEDICINE CLINIC OF
MONROE COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 6 - CONCENTRATION OF IN-KIND SERVICES

Substantially all in-kind services are donated to VIM by the Hospital or through services provided by Hospital employees or other medical professionals.

NOTE 7 - ENDOWMENT COMPOSITION DISCLOSURE

VIM's endowment consists of a single fund held at the Foundation to provide a distribution of endowment assets to assist in its operation. As required by accounting standards, net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Endowment net asset composition by type of fund as of December 31, 2017:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-restricted endowment	\$ -	\$ -	\$ -	\$ -

Endowment net asset composition by type of fund as of December 31, 2016:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-restricted endowment	\$ -	\$ -	\$ 82,805	\$ 82,805

There were no changes in endowment net assets for year ended December 31, 2016. For 2017, the Organization received notification from a donor related to their intentions to change the intent of an endowment gift recognized in prior years. As a result, the permanently restricted endowment net asset balance has been reclassified to unrestricted net assets for the year ended December 31, 2017.

Interpretation of Relevant Law: The Board of Volunteers in Medicine, Inc. has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, Volunteers in Medicine, Inc. classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the organization in a manner consistent with the standard of prudence prescribed by SPMIFA.

VOLUNTEERS IN MEDICINE CLINIC OF
MONROE COUNTY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 7 - ENDOWMENT COMPOSITION DISCLOSURE (Continued)

In accordance with SPMIFA, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Volunteers in Medicine, Inc. and the donor-restricted endowment fund
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the organization
- (7) The investment policies of the organization.

Investment Objectives: VIM's Board has adopted Foundation's investment and spending policies for endowment assets that attempt to preserve the real (i.e., after-inflation) purchasing power of the endowment and to provide a relatively predictable, stable and, in real terms, constant stream of current income for annual operating needs. The concept of maintenance of purchasing power presumes that today's Foundation Board has an obligation to the future as well as the present.

The investment objective for the endowment is to earn long-term growth and produce a stable stream of income.

The financial and the investment objectives for the endowment should be achieved within acceptable risk levels, while striving to avoid large short-term declines in market value.

Spending Policy: Annually spending may be up to 4.5% of permanent endowments based on the endowed funds' average value for the previous 16 trailing quarters, however, no recommendation for a payout shall be made until the annual payout reaches a level of at least 2.5% of the non-in-kind annual operating expense.

NOTE 8 - STATE AND LOCAL ASSISTANCE

VIM received grants from the following state and local governmental sources for the years ending December 31, 2017 and 2016, respectively, which are recorded as part of contributions and grants on the statements of revenue, expenses, and changes in net assets :
