Board of Directors
Dependent Care Management, Inc.
1555 W. Oak St., Suite 60
Zionsville, IN 46077

We have reviewed the report prepared by Dependent Care Management, Inc. and opined upon by Pettit & Company, LLC, Independent Public Accountants, for the period January 1, 2016 to December 31, 2017. Per the *Independent Auditor's Report* the financial statements included in the report present fairly the financial condition of Dependent Care Management, Inc. as of December 31, 2017 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Pettit & Company, LLC prepared all required independent auditor's reports in accordance with generally accepted auditing standards and guidelines established by the State Board of Accounts.

The report is filed with this letter in our office as a matter of public record.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Dependent Care Management, Inc.
Zionsville, Indiana

Report on the Financial Statements

We have audited the accompanying financial statements of Dependent Care Management, Inc. (a nonprofit organization), which comprise the statements of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Dependent Care Management, Inc. as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated August 09, 2018, on our consideration of Dependent Care Management, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Dependent Care Management, Inc.'s internal control over financial reporting and compliance.

DEPENDENT CARE MANAGEMENT, INC.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of operations

Dependent Care Management, Inc. (the “Organization”) is a nonprofit corporation, operating in Zionsville Indiana, assisting family day care homes and ministries that participate in the Federal Child and Adult Care Food Program of the U.S. Department of Agriculture. Funds are passed through the Indiana Department of Education for eligible children under agreement 1060010.

Programs

Dependent Care Management, Inc. is a sponsor in the Department of Agriculture’s Child and Adult Care Food program, which flows through the Indiana Department of Education. A sponsor administers funds that are passed through to licensed child care providers, centers and ministries in Indiana.

Basis of accounting

The Organization’s financial statements have been prepared on the accrual basis of accounting. The financial statements presentation is in accordance with Accounting Standards Codification 958 (“ASC 958”) – *Not For-Profit Organizations*. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the Organization’s net assets and changes therein are classified and reported as follows:

- Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations and may be used at the Organization’s discretion.
- Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or passage of time.
- Permanently restricted net assets – Net assets subject to donor-imposed stipulations that the Organization maintains the assets permanently.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

DEPENDENT CARE MANAGEMENT, INC.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Cash and cash equivalents

For the statement of cash flows, all unrestricted investment instruments with original maturities of three months or less are cash equivalents. As of December 31, 2017 and 2016, cash and cash equivalents consisted of two checking accounts.

Accounts receivable

Accounts receivable - CACFP is recorded at the amount the Organization expects to collect on balances outstanding at year-end. These funds are reimbursed by the federal government and are entirely collectable; therefore, establishing a delinquency policy is not necessary. Management closely monitors outstanding balances and writes off, as of year-end, all balances that have not been collected by the time the financial statements are issued. Federal regulations do not allow Dependent Care Management, Inc. to charge interest on outstanding receivables.

Allowance for bad debts

Dependent Care Management, Inc. uses the allowance for doubtful accounts method to record uncollected receivables. The Organization incurred no bad debt costs nor was an allowance for doubtful accounts recorded for years ended December 31, 2017 and 2016.

Property and equipment

The Organization follows the policy of providing depreciation on the straight-line method for financial reporting purposes over the estimated useful lives of the related assets. It is not the Organization's policy to imply time restrictions expiring over the useful life of the donated assets. In the absence of donor-imposed restrictions on the use of the asset, gifts of long-lived assets are reported as unrestricted support. When assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized as income or loss for the period. The cost of maintenance and repairs is charged to expense as incurred; significant renewals and betterments are capitalized.

Accounting for the impairment or disposal of long-lived assets

Accounting for the Impairment or Disposal of Long-Lived Assets, requires that long-lived assets and certain identifiable intangibles held and used by an entity be reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Accounting for the Impairment or Disposal of Long-Lived Assets has not materially affected the Organization's reported earnings, financial condition or cash flows.

DEPENDENT CARE MANAGEMENT, INC.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income taxes

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code, and qualifies for the 50% charitable contributions deduction limitation. Dependent Care Management, Inc. has been classified as an Organization that is not a private foundation under Section 509(a) of the Internal Revenue Code. The income tax filings are subject to audit by various taxing authorities. The Organization is no longer subject to income tax examinations by taxing authorities for tax years ending on or before December 31, 2014.

Advertising

Advertising cost are charged to operations as incurred. There were no advertising costs during the years ended December 31, 2017 and 2016.

Recent accounting standards

The Corporation has assessed the potential impact of accounting standards that have been issued, but not yet effective, and have determined that no such standards are expected to have a material impact to the financial statements.

During 2017, the Corporation adopted Accounting Standards Update (ASU) No. 2014-15, Presentation of Financial Statements – Going Concern (Topic 205-40): Disclosure of Uncertainties about an Entity's Ability to Continue as a Going Concern. ASU No. 2014-15 requires management to evaluate whether there are conditions or events that raise substantial doubt about the Corporation's ability to continue as a going concern for a period of one year from the date the consolidated financial statements are issued. When conditions or events that raise substantial doubt exist, additional disclosures will be required to enable financial statement users to understand those conditions or events, management's evaluation of them and management's plans that either alleviated substantial doubt or are intended to mitigate the conditions or events that raise substantial doubt. The adoption of ASU No. 2014-15 did not have a material effect on the accompanying consolidated financial statements.

Management's review of subsequent events

Management has performed an analysis of the activities and transactions subsequent to December 31, 2017, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year ended December 31, 2017. Management has performed their analysis of subsequent events through August 09, 2018, the date the financial statements were available to be issued.

Going concern evaluation

Management evaluates whether there are conditions or events that raise substantial doubt about the Corporation's ability to continue as a going concern for a period of one year from the date the financial statements are issued. Management has completed its evaluation as of August 09, 2018, and concluded that there are no conditions or events that raise substantial doubt about the entity's ability to continue as a going concern under ASU No. 2014-15.

DEPENDENT CARE MANAGEMENT, INC.

NOTE 2 – ECONOMIC DEPENDENCY

Dependent Care Management, Inc. receives approximately 99% in 2017 and 99% in 2016 of its revenue from the Indiana Department of Education (IDE) who, in turn, receives funding from the U.S. Department of Agriculture. Should funding of the Child and Adult Care Food Program cease, Dependent Care Management, Inc. would not be able to generate sufficient revenue to continue the Child and Adult Care Food Program. As of December 31, 2017 and 2016, \$233,263 and \$549,734, respectively, are due from the IDE.

NOTE 3 – LINE OF CREDIT

The Organization has a revolving credit agreement with a bank with a maximum borrowing limit of \$25,000. The revolving credit agreement is renewed on a month to month basis. Interest is accrued and payable at a variable rate at 1% over the bank's prime rate, which was 4.25 % and 4.25 %, at December 31, 2017 and 2016, respectively. There was no balance due on the line of credit at December 31, 2017 and 2016.

NOTE 4 – OPERATING LEASES

On June 1, 2017 the Organization entered into an operating lease to rent office space. The length lease for the office space expires on November 30, 2019. The monthly rent for the office space is \$439 plus common area maintenance of approximately \$347.

In February 2016 Dependent Care Management, Inc. entered into an operating lease to rent a new copier. The lease is for three years and calls for \$193 monthly payment.

Minimum future rental payments under operating leases for each of the next five years are:

2018	\$ 11,748
2019	8,839
2020	-0-
2021	-0-
2022	-0-
Thereafter	<u>-0-</u>
Total	<u>\$ 20,587</u>

DEPENDENT CARE MANAGEMENT, INC.

NOTE 5 – DEFINED BENEFIT PLANS

The Organization has established a defined contribution pension plan. Defined contribution plan expense for 2017 and 2016 were \$25,858 and \$20,019, respectively. The Organization contributed \$20,334 and \$25,758 to the defined contribution pension plan for the years ended December 31, 2017 and 2016. As of December 31, 2017 and 2016 the Organization accrued \$25,858 and \$20,000 respectively.

The Organization also sponsors a 403 (b) plan for employee's salary deferrals. There were no employer contributions to the plan for years ended December 31, 2017 and 2016.

NOTE 6 – CONTRIBUTIONS

Contributions received are recorded as unrestricted, temporarily, or permanently restricted net assets depending on the existence or nature of any donor restriction.

<i>Passed Through the State of Indiana Department of Education</i>				
Child and Adult Care Food Program	10.558	1060010	\$ 3,136,942	\$ 3,462,808

NOTE 1 – BASIS OF PRESENTATION

The accompanying Schedule of Federal Awards includes the federal grant activity of Dependent Care Management, Inc. and is presented in accordance with the requirements of *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in preparation of, the basic financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Dependent Care Management, Inc. has elected not to use the 10% de minimus indirect cost rate allowed under the Uniform Guidance.

NOTE 3 – SUB-RECIPIENTS

The Organization provided grants to approximately 250 licensed home day care providers and registered day care ministries for carrying out the federal program.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of
Dependent Care Management, Inc.
Zionsville, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Dependent Care Management, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017 and 2016, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated August 09, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Dependent Care Management, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Dependent Care Management, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Dependent Care Management, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Dependent Care Management, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM
GUIDANCE**

To the Board of Directors of
Dependent Care Management, Inc.
Zionsville, Indiana

Report on Compliance for Each Major Federal Program

We have audited Dependent Care Management, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Dependent Care Management, Inc.'s major federal programs for the years ended December 31, 2017 and 2016. Dependent Care Management, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Dependent Care Management, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Dependent Care Management, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Dependent Care Management, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Dependent Care Management, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the years ended December 31, 2017 and 2016.

Report on Internal Control Over Compliance

Management of Dependent Care Management, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audits of compliance, we considered Dependent Care Management, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Dependent Care Management, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Pettit & Company, LLC

August 09, 2018

DEPENDENT CARE MANAGEMENT, INC.

**SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEARS ENDED DECEMBER 31, 2017 AND 2016**
