RESULTS AND COMMENTS

**BANK ACCOUNT RECONCILIATIONS**

A similar comment also appeared in prior Reports B44509.

Depository reconciliations of the fund balances to the bank account balances were not provided for evaluation. The variance between the December 31, 2017 bank balance and financial statement balance was \$495.

Indiana Code 5-13-6-1(e) states: "All local investment officers shall reconcile at least monthly the balance of public funds, as disclosed by the records of the local officers, with the balance statements provided by the respective depositories."

At all times, the manual and/or computerized records, subsidiary ledgers, control ledger, and reconciled bank balance must agree. If the reconciled bank balance is less than the subsidiary or control ledgers, the amount needed to balance may be the personal obligation of the responsible official or employee. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)

**ADOPTION OF INTERNAL CONTROL STANDARDS**

The Township had not adopted the acceptable minimum level of internal control standards as defined by the Indiana State Board of Accounts.

Indiana 5-11-1-27(g) states:

"After June 30, 2016, the legislative body of a political subdivision shall ensure that:

- (1) the internal control standards and procedures developed under subsection (e) are adopted by the political subdivision; and
- (2) personnel receive training concerning the internal control standards and procedures adopted by the political subdivision."

**CERTIFICATION ON INTERNAL CONTROL STANDARDS**

The Township certified with the Annual Financial Report filed on Gateway that it had adopted the minimum internal control standards as required by Indiana Code 5-11-1-27(e); however, during the engagement, the Trustee indicated that the Township had not adopted the minimum internal control standards.

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every municipality and every state or local governmental unit, entity, or instrumentality financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."
