**REQUIRED REPORTS**

We tested both biannual financial reports filed by the School. Although the ending cash balance per the biannual financial report reconciled to the ending cash balance per the financial statements, individual fund information was inaccurate.

Charter schools are required to comply with all grant agreements, rules, regulations, bulletins, directives, letters, letter rulings and filing requirements concerning reports and other procedural matters of federal and state agencies, including opinions of the Attorney General of the State of Indiana, and court decisions. Charter schools shall file accurate reports required by federal and state agencies. Noncompliance may require corrective action. In response to the supplemental audit comment by Donovan CPA, the management of Charter School of the Dunes proposes to put in place oversight mechanisms to ensure greater accuracy of the biannual financial report such as:

1. Keep abreast of all changes to accounting changes put forth by State Board of Accounts
2. Monitor cash expenses more closely to ensure accurate fund balances
