This report is supplemental to the audit report of the Delaware County Airport Authority (District), for the period from January 1, 2014 to December 31, 2016. It has been provided as a separate report so that the reader may easily identify any Audit Results and Findings that pertain to the District. It should be read in conjunction with the financial statement audit report of the District, which provides an opinion on the District's financial statements. This report may be found at www.in.gov/sboa/.

As authorized under Indiana Code 5-11-1, we engaged private examiners under our review to perform the audit of the District and perform procedures to determine compliance with applicable Indiana laws and uniform compliance guidelines established by the Indiana State Board of Accounts. The Examination Findings and Results contained herein describe the identified reportable instances of noncompliance found as a result of these procedures.

We have reviewed the Supplemental Audit Report for Delaware County Airport Authority prepared by Katz, Sapper & Miller, Independent Public Accountants, for the period January 1, 2014 to December 31, 2016. In our opinion, the Supplemental Audit Report was prepared in accordance with the guidelines established by the State Board of Accounts.

We call your attention to the findings in the report. Page 3 contains two Examination Findings and Results. Management's response may be found on page 5.

The report is filed with this letter in our office as a matter of public record.

Independent Auditors' Supplemental Audit Report

Board of Directors
Delaware County Airport Authority

We have audited, in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the *Uniform Compliance Guidelines for Audit of Hospitals and State and Local Governments by Authorized Independent Public Accountants*, issued by the Indiana State Board of Accounts, the financial statements of Delaware County Airport Authority (the Airport Authority) as of and for the years ended December 31, 2016, 2015, and 2014, and have issued our report thereon dated January 25, 2019.

In connection with our audits, nothing came to our attention that caused us to believe that the Airport Authority failed to comply with the conditions of the *Accounting and Uniform Compliance Guidelines Manual for Special Districts*, established by the Indiana State Board of Accounts, as it applies to airport authorities, except as stated in the Audit Results and Comments.

This report is intended solely for the information and use of the Board of Directors and management of the Airport Authority and the Indiana State Board of Accounts, and is not intended to be and should not be used by anyone other than these specified parties.

AUDIT RESULTS AND COMMENTS Years Ended December 31, 2016, 2015, and 2014

Lack of Capital Asset Policy

The Delaware County Airport Authority (the Airport Authority) lacks a written policy regarding capital assets. The State Board of Accounts requires each unit to have a written capital asset policy in place that details the threshold at which an item is considered a capital asset (*Accounting and Uniform Compliance Guidelines Manual*, Chapter 1 – Prescribed Forms, Taxes, General Information, Local Policies, and Deposits and Investments).

Furthermore, the Airport Authority should ensure that a physical inventory is being completed every two years. Any dispositions of capital assets should meet sale requirements of IC 5-22-22-4 and IC 5-22-22-5, as required by the State Board of Accounts.

Lack of Bad Debt Policy

The Airport Authority lacks a written policy regarding writing off of bad debt. The State Board of Accounts requires each unit to have a written policy concerning a procedure for the writing off of bad debts, uncollectible accounts receivable, or any adjustment to record balance (*Accounting and Uniform Compliance Guidelines Manual*, Chapter 1 – Prescribed Forms, Taxes, General Information, Local Policies, and Deposits and Investments).
