This report is supplemental to the audit report of the Star City Regional Sewer District (District), for the period from January 1, 2013 to December 31, 2017. It has been provided as a separate report so that the reader may easily identify any Examination Findings that pertain to the District. It should be read in conjunction with the financial statement audit report of the District, which provides an opinion on the District's financial statements. This report may be found at www.in.gov/sboa/.

As authorized under Indiana Code 5-11-1, we engaged private examiners under our review to perform the audit of the District and perform procedures to determine compliance with applicable Indiana laws and uniform compliance guidelines established by the Indiana State Board of Accounts. The Examination Findings and Results contained herein describe the identified reportable instances of noncompliance found as a result of these procedures.

We have reviewed the Supplemental Audit Report for Star City Regional Sewer District prepared by Crowe LLP, Independent Public Accountants, for the period January 1, 2013 to December 31, 2017. In our opinion, the Supplemental Audit Report was prepared in accordance with the guidelines established by the State Board of Accounts.

INDEPENDENT ACCOUNTANT'S REPORT

To the Indiana State Board of Accounts and
Management of Star City Regional Sewer District

We have examined Star City Regional Sewer District's ("Unit") compliance with the Indiana State Board of Accounts' *Accounting and Uniform Compliance Guidelines Manual For Special Districts* during the period January 1, 2017 to December 31, 2017. Management of the Unit is responsible for the Unit's compliance with the specified requirements. Our responsibility is to express an opinion on the Unit's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Unit complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Unit complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our qualified opinion.

Our examination does not provide a legal determination on the Unit's compliance with specified requirements.

Our examination disclosed material noncompliance with the *Accounting and Uniform Compliance Guidelines Manual For Special Districts* applicable to the Unit during the period January 1, 2017 to December 31, 2017, as described in item 2018-001 on the following Schedule of Examination Findings and Results.

In our opinion, except for the material noncompliance described in the preceding paragraph, the Unit complied, in all material respects, with the aforementioned requirements during the period January 1, 2017 to December 31, 2017.

The results of our examination procedures disclosed instances of noncompliance which are described in the accompanying Schedule of Examination Findings and Results as item 2018-002. Our opinion is not modified with respect to the matters reported in finding 2018-002.

SCHEDULE OF EXAMINATION FINDINGS AND RESULTS
January 1, 2017 to December 31, 2017

FINDING 2018-001: MINIMUM LEVEL OF INTERNAL CONTROLS

Criteria: The Indiana State Board of Accounts (SBOA) is required under Indiana Code 5-11-1-27(e) to define the acceptable minimum level of internal control standards. To provide clarifying guidance, the State Examiner compiled the standards contained in the manual, *Uniform Internal Control Standards for Indiana Political Subdivisions*. All political subdivisions subject to audit by SBOA are expected to adhere to these standards. The standards include adequate control activities. According to this manual: "*Control activities are the actions and tools established through policies and procedures that help to detect, prevent, or reduce the identified risks that interfere with the achievement of objectives. Detection activities are designed to identify unfavorable events in a timely manner whereas prevention activities are designed to deter the occurrence of an unfavorable event. Examples of these activities include reconciliations, authorizations, approval processes, performance reviews, and verification processes. An integral part of the control activity component is segregation of duties. . . . There is an expectation of segregation of duties. If compensating controls are necessary, documentation should exist to identify both the areas where segregation of duties are not feasible or practical and the compensating controls implemented to mitigate the risk. . . .*"

Condition: During testing, we noted that the Unit did not have formal documentation regarding the implementation of internal controls.

FINDING 2018-002: ANNUAL FINANCIAL REPORT

Criteria: Indiana Code 5-11-1-4(a) states, "*The state examiner shall require from every municipality and every state or local governmental unit, entity, or instrumentality financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under IC 5-14-3.8-7.*"

Condition: During testing of Annual Financial Report submissions, we noted that the Unit did not submit its Annual Financial Report in 2013, 2014, 2015 and 2016. As a result, no financial statements were presented and we were unable to test receipts, disbursements and ending cash balances during 2013, 2014, 2015 and 2016. Therefore, no financial statement audit opinion nor compliance examination opinion was provided over these years.
