We have reviewed the audit report opined on by Goldie Roberts, CPA, Independent Public Accountant, for the period April 1, 2018 to March 31, 2019. Per the Independent Auditor's Report, the financial statements included in the report present fairly the financial condition of the Greendale Housing Authority as of March 31, 2019, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts.

The audit report is filed with this letter in our office as a matter of public record.

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of the Town of Greendale
489 Ludlow
Greendale, IN 47025

I have audited the accompanying financial statements of Housing Authority of the Town of Greendale (the Authority") which comprise the Statement of Net Position as of March 31, 2019, and the related Statements of Revenues, Expenses and Changes in Fund Net Position, and Cash Flows for the year then ended, and the related Notes to the Financial Statements, which collectively comprise the Housing Authority of the Town of Greendale's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the Town of Greendale as of June 24, 2019, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages i through vi be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the financial statements, and other knowledge I obtained during my audit of the financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

My audit was conducted for the purpose of forming an opinion on the Authority's financial statements as a whole. The accompanying Financial Data Schedule and the other supplemental information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

In regard to, the Financial Data Schedule and the other supplemental information as listed in the table of contents, such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Financial Data Schedule and the other supplemental information as listed in the table of contents is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated June 24, 2019 on my consideration of the Housing Authority of the Town of Greendale's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the Town of Greendale's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS
MARCH 31, 2019

This section of the HOUSING AUTHORITY OF THE TOWN OF GREENDALE ("the Authority") annual financial report presents our management's discussion and analysis of the Authority's financial performance during the fiscal year ended on March 31, 2019. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. Please read and consider the information presented in conjunction with the financial statements as a whole.

For accounting purposes, the Housing Authority is classified as an enterprise fund. Enterprise funds account for activities similar to those found in the private business sector, where the determination of net income is necessary or useful to sound financial administration. Enterprise funds are reported using the full accrual method of accounting in which all assets, all deferred outflows of resources, all liabilities, and all deferred inflows of resources, associated with the operation of these funds are included on the Statement of Net Position. The focus of enterprise funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL HIGHLIGHTS

- The term "net position" refers to the difference between assets plus deferred outflows of resources less liabilities and deferred inflows of resources. The Authority's total net position as of March 31, 2019 was \$513,048. The net position increased by \$10,026.
- Revenues for the Authority were \$228,579, for the year ended March 31, 2019. This was an increase of \$2,169 from the prior year.
- Expenses for the Authority were \$272,567 for the year ended March 31, 2019. This was a decrease of \$928 from the prior year.
- Rental income for the Authority was \$161,428 for the year ended March 31, 2019. This was an increase of \$2,537 from the prior year. Federal operating grants for the Authority was \$41,729 for the year ended March 31, 2019. This was a decrease of \$1,520 from the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report includes this *Management Discussion and Analysis* report, the *Basic Financial Statements* and the *Notes to the Financial Statements*. The Authority's financial statements are presented as fund level financial statements because the Authority only has proprietary funds.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Required Financial Statements

The financial statements of the Housing Authority report information of the Authority using accounting methods similar to those used by private sector companies. These statements offer short- and long-term financial information about its activities. The Statement of Net Position includes all the Authority's assets, deferred outflows of resources, liabilities, and deferred inflows of resources and provides information about the nature and amounts of investments in resources (assets and deferred outflows of resources) and obligations of the Authority creditors (liabilities and deferred inflows of resources). It also provides the basis for evaluating the capital structure of the Authority and assessing the liquidity and financial flexibility of the Authority.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Fund Net Position. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the Statement of Cash Flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

HUD Reporting

HUD has established *Uniform Financial Reporting Standards* that require Housing Authority's to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) for the year ended March 31, 2019 and is required to be included in the audit reporting package.

FINANCIAL ANALYSIS

Net position may serve, over time, as a useful indicator of a government's financial position. As stated in the table below, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$513,047 at the close of the year ended March 31, 2019, up from \$503,021 in fiscal year 2018. The increase in net position of \$10,026 was due to the reasons noted below.

- Current assets include cash, receivables, prepaid expenses, and materials inventory. Of the \$6,119 increase in this category, cash increased \$6,782, prepaid expenses decreased \$1,285, and inventory increased \$618.
- Capital assets increased \$38,424 due to current year depreciation expense and capital asset disposal. Change in capital assets is explained in section titled "Capital Assets" of this analysis.
- A one time decrease in Accumulated Depreciation of \$31,301 to was taken to correct prior accumulated depreciation errors.
- Current liabilities increased \$5,592 from FY 2018.

FINANCIAL ANALYSIS (CONTINUED)

The unrestricted net position was \$513,047 as of March 31, 2019. This amount may be used to meet the Authority's ongoing obligations. The Authority has sufficient funds to meet requirements for cash outlays for next fiscal year. The Authority did not have any net position classified as restricted that is subject to external restrictions on how they may be used. At the end of the current fiscal year, the Authority is able to report positive balances in all categories of net position. The same situation held true for the prior fiscal year.

MARCH 31, 2019**

While the Statement of Net Position shows the change in financial position of net position, the Statements of Revenues, Expenses, and Changes in Net Position provides answers as to the nature and source of these changes.

As can be seen in the table on the previous page, total revenues increased \$1,731 due to the reasons noted below.

- Rental income decreased \$2,169 from FY 2018 due to an increase in average dwelling rental charge of \$1.10
- Federal operating grants decreased \$1,520 due to an decrease in capital fund grants used for operating expenditures of \$21,472. This was partially caused by an decrease in public housing operating subsidy of \$43,249.
- Interest income increased \$81 from FY 2018.
- Other income decreased \$1,267 from FY 2018.

Total expenses decreased \$1,228 due to the reasons noted below.

- Administrative expense increased \$2,622 from FY 2018.
- Utilities decreased \$6,622 from FY 2018 mainly due to a decrease in electric of \$4,265.
- Ordinary maintenance and operation increased \$9,014 from 2018 primarily due to an increase in maintenance activity.
- General expense decreased \$1,107 mostly due to a \$1,633 decrease in insurance.
- The Authority had a \$3,435 increase in Depreciation which is an increase in capital assets over their estimated useful life.

The Public Housing occupancy rate for fiscal year March 31, 2019 was 99%, from 99% in FY 2018. The Authority currently has 50 Public Housing units.

CAPITAL ASSETS

Capital Assets - The Housing Authority of the Town of Greendale's net investment in capital assets, as of March 31, 2019 amounts to \$339,809. The investment in capital assets includes equipment and accumulated depreciation.

The total decrease in the Authority's investment in capital assets for the current fiscal year was .48% in terms of net book value. Depreciation charges for the year totaled \$60,692. Additional information on the Authority's capital assets can be found in the notes to the financial statements. A charge of \$31,301 was made to the accumulated depreciation to adjust for prior period errors to the retained earnings account.

	Beginning	Additions	Depreciation	Ending
Capital assets	\$339,809	\$38,424	\$28,921	\$349,312

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET AND RATES

The Board of Commissioners and Management of the Housing Authority considered many factors when approving the fiscal year 2019 Public Housing budget. The user charges are based on a tenant's income as established by HUD guidelines and are not adjustable. Operating subsidy is based on occupied units and approved vacancies, utility consumption and rates, approved add-ons, formula income, and transition funding. The amount of funding is also established and approved by HUD. Formula income is based on rental income from the Authority's rent roll records for the period specified by HUD. Most operating expenses are expected to increase by the economy's inflation rate.

REQUEST FOR INFORMATION

This financial report is designed to provide a general overview of the Authority's finances for all those with an interest in its finances. Questions concerning any of the information provided in this report or request for additional financial information should be addressed to Executive Director, Housing Authority of the Town of Greendale, 489 Ludlow, Greendale, Indiana 47025.

HOUSING AUTHORITY OF THE TOWN OF GREENDALE

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2019

NOTE 1 - Summary of Significant Accounting Policies and Organization:

The Housing Authority of the Town of Greendale was established by the City of Greendale pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-income Public Housing for the Elderly and Disabled in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Reporting Entity - The entity is a public corporation, legally separate, fiscally independent, and governed by the Board of Commissioners. As required by generally accepted accounting principles, these financial statements present the financial position and results of operations of the Housing Authority of the Town of Greendale, a primary government. There are no component units to be included herewith, but this report does include all programs which are controlled by the entity's governing body.

The financial statements of Housing Authority of the Town of Greendale include Low-Income Public Housing for the Elderly and Disabled under Annual Contributions Contract C-2079.

The authority had 50 units in management at March 31, 2019:

<u>Project</u>	<u>Units</u>
Authority owned	50

The authority was also administering Capital Fund Programs.

Basis of Presentation and Accounting: In accordance with uniform financial reporting standards for HUD housing programs, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP) as applicable to special purpose governments engaged only in business type activities.

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets, deferred outflow of resources, liabilities, and deferred inflow of resources are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position present increases (revenues) and decreases (expenses) in net position. Under the Accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

This special purpose government engaged in activities similar to business activities uses an enterprise fund to account for those operations that are financed and operated in a manner similar to private business, or where the Board has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability. The intent of the governing body is that the costs (expenses including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through user charges.

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following net position categories:

HOUSING AUTHORITY OF THE TOWN OF GREENDALE
Greendale, Indiana

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2019
(Continued)

NOTE 1 - Summary of Significant Accounting Policies and Organization: (Continued)

Investment in Capital Assets: Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

Restricted: Net position whose use by the Authority is subject to externally imposed stipulations that can be fulfilled by actions of the Authority pursuant to those stipulations or that expire by the passage of time. Such assets include assets restricted for capital acquisitions and debt service.

Unrestricted: Net positions that are not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Authority Board or may otherwise be limited by contractual agreements with outside parties.

Budgets: Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. The capital fund budgets are adopted on a "project length" basis. Budgets are not, however, legally adopted nor legally required for financial statement presentation.

Cash and Cash Equivalents - Deposits consist of checking accounts, Money Market accounts and Certificates of deposit and are stated at fair value. Deposits are fully collateralized or vested in securities of the United States Government and are identified specifically in the name of the Authority.

For the purposes of the Statement of Cash Flows, the Authority considers all highly liquid cash deposits and cash equivalents with a maturity of three months or less when purchased to be cash equivalents. There were no noncash investing, capital, and financing activities during the year.

State statutes authorize the Housing Authority to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by political subdivisions.

Interprogram Receivables and Payables: Interprogram receivables/payables are all current and are the result of the use of the Low-income Public Housing for the Elderly and Disabled Program as the common paymaster for shared costs of the Authority. Cash settlements are made periodically, and all interprogram balances net zero. Offsetting due to/due from balances is eliminated for the financial statement presentation.

Investments: Investments are recorded at fair value. Investment instruments consist only of items specifically approved for public housing agencies by HUD. Investments are either insured or collateralized using the dedicated method. Under the dedicated method of collateralization, all deposits and investments over the federal depository insurance coverage are collateralized with securities held by the Authority's agent through the State of Indiana's Collateralization Program. It is the Authority's policy that all funds on deposit are collateralized in accordance with both HUD requirements and requirements of the State of Indiana.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2019
(Continued)

NOTE 1 - Summary of Significant Accounting Policies and Organization: (Continued)

Inventories: Inventories (consisting of materials and supplies) are valued at cost using the first in, first out (FIFO) method. If inventory falls below cost due to damage, deterioration or obsolescence, the Authority establishes an allowance for obsolete inventory. In accordance with the consumption method, inventory is expensed when items are actually placed in service.

Prepaid Items: Payments made to vendors for goods or services that will benefit periods beyond the fiscal year end are recorded as prepaid items.

Restricted Assets: Certain assets may be classified as restricted assets on the balance sheet because their use is restricted by contracts or agreements with outside third parties and lending institutions.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Capital Assets:

a. Book Value: All purchased capital assets are valued at cost when historical records are available. When no historical records are available, capital assets are valued at estimated historical cost. Land values were derived from development closeout documentation.

Donated capital assets are recorded at their fair value at the time they are received. Donor imposed restrictions are deemed to expire as the asset depreciates.

All normal expenses of preparing an asset for use are capitalized when they meet or exceed the capitalization threshold.

b. Depreciation: The cost of buildings and equipment is depreciated over the estimated useful lives of the related assets using the straight-line method.

Depreciation commences on modernization and development additions in the year following completion.

The useful lives of buildings and equipment for purposes of computing depreciation are as follows:

Buildings & Improvements	10-27 1/2 years
Furniture, Equipment & Machinery	3-7 years

c. Maintenance and Repairs Expenditures: Maintenance and repairs expenditures are charged to operations when incurred. Betterments in excess of \$1,000 are capitalized. When buildings and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations.

HOUSING AUTHORITY OF THE TOWN OF GREENDALE
Greendale, Indiana

NOTES TO FINANCIAL STATEMENTS

MARCH 31, 2019

(Continued)

NOTE 1 - Summary of Significant Accounting Policies and Organization: (Continued)

Litigation Losses: The Authority recognizes estimated losses related to litigation in the period in which the occasion giving rise to the loss occurred the loss is probable and the loss is reasonably estimable.

Annual Contribution Contracts: Annual Contribution Contracts provide that HUD shall have the Authority to audit and examine the records of public housing authorities. Accordingly, final determination of the Authority's financing and contribution status for the Annual Contribution Contracts is the responsibility of HUD based upon financial reports submitted by the Authority.

Risk Management: The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority carries commercial insurance for all property and equipment, employee health and accident insurance, general liability, fire and extended coverage, fidelity bond, automobile, and Director and Officers liability. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. Additionally, there have been no significant reductions in insurance coverage from the prior year.

Operating Revenues and Expenses: Operating revenues and expenses generally result from providing and producing goods and/or services in connection with providing Low income Public Housing for Elderly and Disabled programs. Operating expenses include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Deferred Outflows of Resources: Deferred outflows of resources represent a consumption of net position that applies to future periods and, therefore, will not be recognized as an outflow of resources (expense) until that time.

Deferred Inflows of Resources: Deferred inflows of resources represent an acquisition of net position that applies to future periods and, therefore, will not be recognized as an inflow of resources (revenue) until that time.

Restricted Assets: When both restricted and unrestricted resources are available for use, it is the Authorities policy to use unrestricted resources first, then restricted, as they are needed.

Leasing Activities (as Lessor): The Authority is the Lessor of dwelling units mainly to low-income residents. The rents under the leases are determined generally by the resident's income as adjusted for eligible deductions regulated by HUD, although the resident may opt for a flat rent. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.

Revenues associated with these leases are recorded in the financial statements and schedules as "Rental Revenue". Rental Revenue per dwelling unit generally remains consistent from year to year, but is affected by general economic conditions, which impact personal income such as local job availability.

NOTE 2 - Deposits, Cash and Cash Equivalents and Investments:

1. HUD Deposit Restrictions

HUD requires Authorities to invest excess HUD program funds in obligations of the United States, certificates of deposit or any other federally insured instruments.

HUD also requires that deposits of HUD program funds be fully insured or collateralized at all times. Acceptable security includes FDIC/FSLIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

2. Risk Disclosures

A. Interest Rate Risk: As a means of limiting its exposure to fair value losses arising from rising interest rates, the Authority's investment policy limits the Authority's investment portfolio to maturities not to exceed two years at time of purchase. At March 31, 2019, the Authority's deposits and investments were not limited and all of which are either available on demand or have maturities of less than two years.

B. Credit Risk: This is a risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The Authority's investment policy is that none of its total portfolio may be invested in securities of any single issuer, other than the US Government, its agencies and instrumentalities.

C. Custodial Credit Risk: This is the risk that in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are held by the counterparty. All of the Authority's investments in securities are held in the name of the Authority. The Authority's custodial agreement policy prohibits counterparties holding securities not in the Authority's name.

Deposits made in accordance with state statute (Indiana Code 5-13) with financial institutions in the State of Indiana should be covered to the extent not covered by insurance of any federal deposit insurance agency.

At March 31, 2019, the carrying amount of the Authority's deposits was \$186,870. The deposits are either covered by federal depository insurance, by collateral held by the Authority's agent in the Authority's name or by the Federal Reserve Banks acting as third party agents or by a collateralization agreement. Restricted cash consists of tenant security deposits.

Deposits consist of the following:

Checking accounts	\$ 132,878
Money Market	<u>53,992</u>
Total	<u>\$ 186,870</u>

NOTE 8 - Accounts Payable:

Accounts payable at March 31, 2019 consist of the following:

Vendors' Accounts Payable	<u>\$ 6,870</u>
---------------------------	-----------------

NOTE 9 - Accrued Liabilities:

Accrued liabilities at March 31, 2019, consist of the following:

Payments in lieu of taxes	<u>\$ 13,656</u>
---------------------------	------------------

NOTE 10 - Federal Operating Grants:

HUD contributed operating subsidies approved in the operating budgets under the Annual Contributions Contract. These subsidy contributions for the operating year ended March 31, 2019 were as follows:

Low Rent Public Housing	\$ 41,729
Capital Funds	<u>19,471</u>
Total	<u>\$ 61,200</u>

NOTE 11 - Federal Capital Grants:

The Authority receives federal capital grants from HUD for capital fund program improvements. Capital grants recognized for the fiscal year ended March 31, 2019 were \$22,712.

NOTE 12 - Economic Dependency:

The Authority receives approximately 28% of its revenues from the U.S. Department of Housing and Urban Development (HUD). If the amount of revenues received from HUD falls below critical levels, the Authority's operations could be adversely affected.

NOTES TO FINANCIAL STATEMENTS
MARCH 31, 2019
(Continued)

NOTE 13 - Commitments and Contingencies:

Litigation: At March 31, 2019, the Authority was not involved in any threatened litigation.

Examinations: The Authority is subject to possible examinations made by federal and state authorities who determine compliance with terms, conditions, laws, and regulations governing other grants given to the Authority in the current and prior years. There were no examinations concerning the year ended March 31, 2019.

Grant Disallowances: Amounts received or receivable from HUD are subject to audit and adjustment by HUD. Any disallowed claims, including amounts already collected, may constitute a liability of the Authority. Other than the amounts listed in the paragraph above, the amounts, if any, of expenses which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

Construction Projects: There are certain major construction projects in progress at March 31, 2019. These include modernizing rental units at the project sites. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred. These costs will be paid by grants committed to the Authority by HUD.

NOTE 14 - Conduit Type Debt:

Debt related to the original acquisition and early modernization of the public housing developments is funded, guaranteed and serviced by the United States Department of HUD. There is no debt or pledge of faith and credit on the part of the Authority. Accordingly, this debt has not been recorded in the financial statements of the Housing Authority of the Town of Greendale.

HUD no longer provides the Authority with debt service information since the Authority has no obligation for the debt.

NOTE 15 - Subsequent Events:

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated the activity of the Authority through June 24, 2019 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTES TO SUPPLEMENTAL FINANCIAL INFORMATION
FOR THE YEAR ENDED March 31, 2019

NOTE A - FINANCIAL DATA SCHEDULE:

As required by HUD, the Authority prepares its financial data schedule in accordance with HUD requirements in a prescribed format. The schedule's format excludes depreciation expense and extraordinary maintenance expense from operating activities, includes investment revenue, HUD capital grants, revenue, and gains and losses on the disposal of capital assets in operating activities, and reflects tenant revenue and bad debt expense separately, which differs from the presentation of the financial statements.

Report On Internal Control Over Financial Reporting and on Compliance and
Other Matters Based On An Audit Of Financial Statements Performed In
Accordance With *Government Auditing Standards*

Independent Auditor's Report

Board of Commissioners
Housing Authority of the Town of Greendale
489 Ludlow
Greendale, IN 47025

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing Authority of the Town of Greendale, as of and for the year ended March 31, 2019, and the related notes to the financial statements, which collectively comprise the Housing Authority of the Town of Greendale's basic financial statements and have issued my report thereon dated June 24, 2019.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Housing Authority of the Town of Greendale's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the Town of Greendale's internal control. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of the Town of Greendale's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Housing Authority of the Town of Greendale's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

I noted certain matters that I reported to the management of the Housing Authority of the Town of Greendale in a separate letter dated June 24, 2019.

Purpose Of This Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
