Board of Directors
Aging & Community Services of South Central Indiana, Inc.
1531 13th Street, Suite G900
Columbus, IN 47201

We have reviewed the audit report of Aging & Community Services of South Central Indiana, Inc. which was opined upon by Barnes, Dennig & Co., Ltd., Independent Public Accountants, for the period July 1, 2015 to June 30, 2016. Per the *Independent Auditors' Report* the financial statements included in the report present fairly the financial condition of Aging & Community Services of South Central Indiana, Inc., as of June 30, 2016, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Barnes, Dennig & Co., Ltd., prepared the audit report in accordance with guidelines established by the State Board of Accounts.

This report is filed with this letter in our office as a matter of public record.

Paul D. Joyce, CPA

Independent Auditors' Report

Board of Directors
Aging & Community Services of
South Central Indiana, Inc.
Columbus, Indiana

Report on the Financial Statements

We have audited the accompanying financial statements of Aging & Community Services of South Central Indiana, Inc. (the Organization), which comprise the statements of financial position as of June 30, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2016 and 2015, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by *Government Auditing Standards*

In accordance with Government Auditing Standards, we have also issued our report dated XXXX, 2016 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

AGING & COMMUNITY SERVICES OF
SOUTH CENTRAL INDIANA, INC.
(A MEMBER OF THRIVE ALLIANCE)
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2016 AND 2015

1. NATURE OF THE ORGANIZATION

Aging & Community Services of South Central Indiana, Inc. (the Organization) is a not-for-profit corporation. The Organization was founded in 1981 to provide services to elderly and disabled persons in the Bartholomew, Brown, Decatur, Jackson and Jennings County areas in the state of Indiana. The Organization is primarily supported through federal and state government grants. In 2013, the Organization created a supporting organization called Thrive Alliance.

The Organization's direct services include: information and referral, care management, congregate meals, home delivered meals, homemaker, handy chore, outreach, advocacy, Foster Grandparents Program, nursing home preadmission screening, Medicaid Waiver, Caring Connections (volunteers), Guardianship, health prevention and First Steps. The Organization provides grants through Older Americans Act funds for: senior center operations, transportation, legal services, nursing home ombudsman, adult day care and medication assistance. Through the use of state funds, the Organization purchases on behalf of consumers: attendant care, homemaker services, home health aide, respite care, owner occupied rehabilitation and emergency response systems.

2. SIGNIFICANT ACCOUNTING POLICIES

The Organization maintains its accounts on the accrual basis and in accordance with the principles of fund accounting. Fund accounting is the procedure by which resources are classified for internal accounting purposes into funds that are associated with specific activities or objectives.

In accordance with accounting standards, unrestricted net assets include all assets over which the Organization has full discretion as to use. Temporarily restricted net assets include net assets whose use by the Organization is limited by donor-imposed restrictions that either expire by the passage of time or are fulfilled by the Organization. As the restrictions are met, the net assets are released from restrictions and included in unrestricted net assets. Contributions for which the restrictions are met in the same period in which the contribution is received are also recorded as temporarily restricted. Permanently restricted net assets include net assets subject to donor-imposed stipulations that neither expire by the passage of time nor can be fulfilled or otherwise removed by actions of the Organization.

The costs of providing the various programs and other activities have been summarized in the statement of functional expenses. Costs are charged directly to the programs they benefit whenever possible. Certain overhead costs that cannot be directly charged to an individual program are allocated to the various programs they benefit using relevant statistical allocation bases.

(Continued)

2. SIGNIFICANT ACCOUNTING POLICIES – Continued

Receivables are charged to bad debt expense when they are determined to be uncollectable based upon periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require the allowance method to be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual amounts may differ from these estimates.

The Organization is exempt from income taxation under the Internal Revenue Code Section 501(c)(3). Management believes that the Organization has adequately addressed all relevant tax positions and that there are no unrecorded tax liabilities.

The Organization has recorded in-kind contributions for space and professional services in the statement of activities in accordance with financial accounting standards. These standards require that only contributions of service received that create or enhance a nonfinancial asset or require a specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by the donation be recorded.

3. CASH

The Organization maintains its cash in deposit accounts, the cumulative balance of which may exceed federally insured limits. As of June 30, 2016 and 2015, such excess totaled approximately \$783,000 and \$304,000, respectively. The Organization has not experienced any losses in its accounts and management believes it is not exposed to any significant credit risk on cash.

4. RELATED PARTIES

In 2013, the Organization and Housing Partnerships, Inc. (HPI) formed a supporting organization called Thrive Alliance. The Organization and HPI remain separate entities. The executive director of the Organization is contracted to be HPI's executive director with a portion of the executive director's time to be billed back to HPI.

Amounts owed to HPI totaled \$12,820 and \$23,173 as of June 30, 2016 and 2015 respectively. Amounts due from HPI totaled \$19,237 and \$19,403 as of June 30, 2016 and 2015 respectively.

On July 1, 2015, \$100,000 was loaned to HPI as a line of credit. Interest is earned at .5% each year with quarterly interest only payments required. The note matured June 30, 2016, but was renewed by HPI for another year.

5. PENSION PLAN

The Organization provides pension benefits for all of its full-time employees through a 403(b) Plan. The Organization matches 1% of the participating employee's annual pay. The number of participating employees was 10 for 2016 and 12 for 2015. The Organization's contributions to the plan for the year ended June 30, 2016 and 2015, were \$16,127 and \$15,724, respectively.

6. OPERATING LEASES

The Organization holds various operating leases for their administrative office, outreach offices, and equipment. The terms of the lease agreements require monthly payments for the duration of the lease. Total rental expense for the years ended June 30, 2016 and 2015 was \$169,753 and \$167,233, respectively. The Organization's obligation for future operating leases is as follows:

2017	\$	156,961
2018		145,200
2019		72,600
2020		-
2021		-

7. BOARD DESIGNATED CASH

The Organization utilizes a third party to handle unemployment claims. Quarterly deposits are made into the account based on the projected unemployment claims as established by the third party. In 2014, the third party stated that excess funds held in the account could be returned to the Organization if not needed. The Board is currently leaving the cash in the account with the third party for use on future unemployment claims.

8. TEMPORARILY RESTRICTED NET ASSETS

Temporarily restricted net assets consist of the following at June 30, 2016 and 2015:

	<u>2016</u>	<u>2015</u>
Program contributions	\$ 100,266	\$ 101,531
Carolyn Ayers fund	5,456	5,456
Orville Pitts scholarship fund	<u>247</u>	<u>247</u>
Total temporarily restricted net assets	<u>\$ 105,969</u>	<u>\$ 107,234</u>

9. GRANT REVENUE AND RECEIVABLE

The Organization's grant revenue and related receivables at June 30, 2016 and 2015 consists of the following:

Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

Board of Directors
Aging & Community Services of
South Central Indiana, Inc.
Columbus, Indiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Aging & Community Services of South Central Indiana, Inc. (the Organization), which comprise the statement of financial position as June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 14, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing and not to provide an opinion on the effectiveness of the Organization's internal control over compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable of any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program;
Report on Internal Control Over Compliance;
and on the Schedule of Expenditures of Federal Awards
Required by Uniform Guidance

Board of Directors
Aging & Community Services of
South Central Indiana, Inc.
Columbus, Indiana

Report on Compliance for Each Major Federal Program

We have audited Aging & Community Services of South Central Indiana, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2016. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Uniform Guidance. Accordingly, this report is not suitable of any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by Uniform Guidance

We have audited the financial statements of the Organization as of and for the year ended June 30, 2016, and have issued our report thereon dated December 14, 2016, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

Aging & Community Services of South Central Indiana, Inc.
(A member of Thrive Alliance)
Note to the Schedule of Expenditures of Federal Awards
For the Year Ended June 30, 2016

The following describes the significant accounting policies used in the preparation of the schedule of expenditures of federal awards:

Basis of Presentation – The accompanying schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of the Organization under programs of the federal government for the year ended June 30, 2016. The information in this schedule is presented in accordance with the requirements of the *Uniform Guidance*. Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements. Because the schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

Summary of Significant Accounting Policies – Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the *Uniform Guidance*, whereby certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available. No election has been made regarding the 10% de minimis indirect cost rate. The Organization provided no federal awards to subrecipients.
