Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of AIDS Ministries-AIDS Assist of North Indiana, Inc. as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

In accordance with Government Auditing Standards, we have also issued a report dated September 17, 2019 on our consideration of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control over financial reporting or on compliance. AIDS MINISTRIES-AIDS ASSIST OF NORTH INDIANA, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2019

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

AIDS Ministries-AIDS Assist of North Indiana, Inc.'s (the Organization) mission is to help create a world that supports and enhances the lives of people infected with and affected by HIV and AIDS. The Organization provides both client services and preventive services. Client services include care coordination, housing programs, social support, medical needs assessment, and provides direct assistance and support for those infected and/or affected by HIV/AIDS in northern Indiana. Prevention programs include education, a resource center, preventive educational services, testing, and counseling for members of the community.

Income Taxes

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code, and has been classified as an organization that is not a private foundation under Section 509(a) of the Internal Revenue Code.

Recent Accounting Guidance

During 2019, the Organization adopted ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The standard addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Organization has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily relate to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts.

(continued)

1. **ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**(continued)

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the Organization considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

Receivables

The Organization provides an allowance for doubtful accounts, if considered necessary, which is based on management's estimate of losses that will be incurred in the collection of all receivables.

Property and Equipment

Property and equipment are stated at cost or, if donated, at fair value at the date of the gift. The Organization follows the policy of providing depreciation on the straight-line method for financial reporting purposes over the estimated useful lives of the related assets. Items with a cost in excess of \$1,000 and a useful life in excess of one year are capitalized.

Net Assets

Net assets without donor restrictions are available for use at the discretion of the Organization's management and the board of directors. From time to time the board designates a portion of these net assets for specific purposes, which makes them unavailable for use at management's discretion.

Net assets with donor restrictions consist of assets whose use is limited by donor-imposed time and/or purpose restrictions. The Organization reports gifts of cash and other assets as revenue with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, the net assets are reclassified as net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. If a donor restriction is satisfied in the period the gift is received, the support is reported as net assets without donor restrictions.

(continued)

1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES(continued)

In-kind Contributions

In-kind contributions of facilities, services, equipment and supplies are recognized as support and expense or property and equipment and are recorded at market value as of the date received. The Organization also receives substantial contributions of nonprofessional services. The fair market value of the donated nonprofessional services is not reflected in the financial statements because it does not meet the recognition criteria set forth in FASB ASC 958-605.

Functional Allocation of Expense

The costs of providing the Organization's programs and supporting services have been summarized on a functional basis in the statements of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. Expenses allocated based on time and effort include salaries, employee benefits and payroll taxes. Expenses allocated based on square footage include building expenses, office expense, insurance, telephone and postage.

Subsequent Events

Management has evaluated subsequent events through September 17, 2019 the date which the financial statements were available for issue.

2. GRANTS AND CONTRIBUTIONS RECEIVABLE

Grants and contributions receivable consist primarily of amounts due under government cost reimbursement grants. All receivables are due within one year.

3. PENSION PLAN

The Organization sponsors a defined contribution SIMPLE plan under Section 408(p) of the Internal Revenue Code. The plan covers any full-time employee who has passed their 90-day probationary period. INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
AIDS Ministries-AIDS Assist of North Indiana, Inc.
South Bend, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of AIDS Ministries-AIDS Assist of North Indiana, Inc. which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 17, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether AIDS Ministries-AIDS Assist of North Indiana, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

We have audited AIDS Ministries-AIDS Assist of North Indiana, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s major federal programs for the year ended June 30, 2019. AIDS Ministries-AIDS Assist of North Indiana, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about AIDS Ministries-AIDS Assist of North Indiana, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on AIDS Ministries-AIDS Assist of North Indiana, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, AIDS Ministries-AIDS Assist of North Indiana, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control Over Compliance

Management of AIDS Ministries-AIDS Assist of North Indiana, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of AIDS Ministries-AIDS Assist of North Indiana, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
