## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
Career Academy of South Bend, Inc.  
South Bend, Indiana

### **Report on the Financial Statements**

We have audited the accompanying financial statements of Career Academy of South Bend, Inc. (a nonprofit organization), which comprise the statements of financial position as of June 30, 2018 and 2017, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Career Academy of South Bend, Inc. as of June 30, 2018 and 2017 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## Other Matters

### *Other Information*

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated February 21, 2020, on our consideration of Career Academy of South Bend, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Career Academy of South Bend, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Career Academy of South Bend, Inc.'s internal control over financial reporting and compliance.

Respectfully submitted,

Certified Public Accountants

## **NOTES TO FINANCIAL STATEMENTS**

June 30, 2018 and 2017

### **NATURE OF BUSINESS**

Career Academy of South Bend, Inc. (the "School") is a public benefit not-for-profit School incorporated under the laws of the State of Indiana. The School operates a public charter school established under Indiana Code 20-24. During the years ended June 30, 2018 and 2017, the School was sponsored by Trine University.

Revenues primarily come from resources provided under the Indiana Charter Schools Act (the "Act"). Under the Act, the School receives an amount per student in relation to the funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment, and is paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized in the year in which the educational services are rendered.

A portion of the School's revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants in the amount of costs and expenses at the time they are incurred.

### **NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **BASIS OF PRESENTATION**

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America on the accrual basis of accounting.

The School adheres to Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 958-205, which sets standards for reporting on financial statements of not-for-profit Schools. ASC 958-205 requires the classification and presentation of net assets in three categories: unrestricted, temporarily restricted, and permanently restricted net assets.

Unrestricted net assets represent the portion of net assets that is neither permanently restricted nor temporarily restricted by donor-imposed stipulations. Unrestricted net assets include expendable funds available for the support of operations.

Temporarily restricted net assets represent the portion of net assets resulting from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that either expire by the passage of time or by actions of the School or its School. Temporarily restricted net assets also include cumulative appreciation and reinvested gains on permanently restricted net assets, which have not been appropriated by management.

Permanently restricted net assets represent the portion of net assets resulting from contributions and other inflows of assets whose use is limited by donor-imposed stipulations that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the School or its School.

#### **USE OF ESTIMATES**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2018 and 2017

### CASH AND CASH EQUIVALENTS

For purposes of the Statement of Cash Flows, the School considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents. Cash is held at local banks and is insured up to the respective limits by the FDIC. It is common for cash to exceed insured limits in the ordinary course of business.

### ACCOUNTS RECEIVABLE

Accounts receivable is stated at the amount management expects to collect from outstanding balances and is presented net of the allowance for doubtful accounts. Management has determined that no allowance for doubtful accounts is required at June 30, 2018 or 2017. Factors considered in determining collectibility include past collection history, an aged analysis of receivables, economic conditions, as well as historical trends. Balances still outstanding after management has used reasonable collection efforts are written off through a charge to the allowance for doubtful accounts and credit to accounts receivable. Interest is not typically charged on past due accounts.

### GRANTS RECEIVABLE

Grants receivable relate primarily to activities funded under federal programs and legislation enacted by the State of Indiana. The School believes that it is operating in compliance with regulatory requirements and as such no allowance for doubtful accounts is deemed necessary.

### PROPERTY AND EQUIPMENT

Donations of property and equipment are recorded at their estimated fair value. The donation is recorded as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, expirations of donor restrictions are reported when the donated or acquired assets are placed in service as instructed by the donor. Temporarily restricted net assets are reclassified to unrestricted net assets at that time. There were no donated assets for the year ended June 30, 2018. The School received donated assets in the amount of \$73,803 for the year ended June 30, 2017.

Purchased property and equipment are stated at cost. Expenditures for additions, improvements, and replacements are added to the property and equipment accounts. Repairs and maintenance are charged to expense as incurred. When equipment is retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the respective accounts and any gain or loss arising from the disposition is reflected in income. Depreciation is provided for over the estimated useful lives of the assets using the straight line method. Depreciation expense for the years ended June 30, 2018 and 2017 was \$1,456,620 and \$1,429,758, respectively. Construction in progress of \$26,754 and \$20,884 was not depreciated as of June 30, 2018 and 2017, respectively.

A summary of the range of lives by asset category is as follows:

Buildings	10 - 40 years
Office furniture and equipment	3 - 10 years

### REVENUE RECOGNITION

Revenues generally come from resources provided under the Act. The School receives an amount per student in relation to the funding received by other public schools in the same geographic area. Funding from the State of Indiana is based on enrollment, and paid in monthly installments in July through June coinciding with the academic school year. Revenue is recognized in the year in which educational services are rendered.

A portion of the School's revenue is the product of cost reimbursement grants. Accordingly, the School recognizes revenue under these grants in the amount of costs and expenses at the time they are incurred.

### CONTRIBUTIONS

Contributions, including promises to give, are recorded when the contribution is deemed unconditional. Contributions are reflected in the financial statements at the earlier of the transfer of the assets or at the time an unconditional promise to give is made. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor.

Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. Upon expiration, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as an increase in unrestricted net assets if the restrictions are met in the fiscal year in which the contributions are received.

### ADVERTISING COSTS

Various costs relating to advertising are considered period costs and are therefore expensed as incurred. Advertising costs for the years ended June 30, 2018 and 2017 were \$88,745 and \$65,246, respectively.

### FUNCTIONAL EXPENSES

The costs of providing the program and other activities have been summarized on a functional basis in the Statements of Activities. Accordingly, costs are directly assigned to program or management and general based on the nature of the cost. There were no fundraising expenditures for the years ended June 30, 2018 or 2017. Contributions primarily consist of debt forgiveness by the School's founder. Gifts in kind represents services received from the founder's attorney.

### DONATED SERVICES AND MATERIALS

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958-605 states that in order to recognize donated services as contributions in the Organization's financial statements the services must require specialized skills, be provided by individuals who possess those skills, and typically need to be purchased if not contributed.

Material gift-in-kind items used in the Organization's programs and donated goods distributed are recorded as income and expense at the time the items are received, which is normally also the time they are placed into service or distributed. Donated services and materials are recorded in the Statement of Activities as In-kind donations revenue for the years ended June 30, 2018 and 2017.

### INCOME TAXES

The School is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The Internal Revenue Service has determined that the School is not a private foundation within the meaning of Section 509(a).

The Income Taxes Topic FASB ASC 740 clarifies the accounting for uncertainty in income taxes recognized in an enterprise's financial statements. ASC 740 requires an enterprise to disclose the nature of uncertain tax positions taken, if any, when filing its income tax return utilizing a two-step process to recognize and measure any uncertain tax positions taken. The School recognizes a tax benefit only if it is more likely than not the position would be sustained in a tax examination, with a tax examination being presumed to occur. No tax benefit will be recorded on tax positions not meeting the more likely than not test. Interest and penalties accrued or incurred, if any, as a result of applying ASC 740 will be recorded to interest expense and other expense, respectively.

Based on its evaluation, the School has concluded that there are no uncertain tax positions requiring recognition in the financial statements. The evaluation was performed for all federal and state tax periods still subject to examination. The School's 2014 through 2016 federal and state exempt School returns remain subject to examination by the IRS and state taxing authorities.

### CONCENTRATION OF CREDIT RISK

Financial instruments with potential credit risk consists principally of cash and cash equivalents and accounts receivable. Concentration of credit risk with respect to cash and cash equivalents generally relates to deposits held at the bank which may exceed the amount of insurance provided on the deposits and the potential inability to access liquidity in the financial institutions where the cash and cash equivalents are concentrated. The risk is managed as the cash and cash equivalents may be redeemed upon demand and are maintained in a financial institution with reputable credit and, therefore, bear minimal credit risk. Grants receivable potentially subjects the School to a concentration of credit risk. Virtually all of the School's outstanding grants receivable was due from federal grant agencies as of June 30, 2018 and 2017.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2018 and 2017

Long-term debt, less current portion, is scheduled to mature as follows for the years ending June 30:

2020	454,144
2021	464,991
2022	351,983
2023	319,385
Thereafter	26,375,185
<b>Total</b>	<b>27,965,688</b>

Interest expense for the years ended June 30, 2018 and 2017 was \$319,642 and \$336,435, including \$256,571 and \$264,878 that is aggregated into the notes due to the Garatoni Family Foundation and Larry Garatoni at June 30, 2018 and 2017, respectively.

### NOTE 3 - OPERATING LEASES

The School leases certain items of equipment under operating leases. The equipment leases provide for monthly lease payments in the amount of \$3,254 through July 2020. Lease expense under operating leases was \$39,046 for each of the years ended June 30, 2018 and 2017.

The future minimum payments under leases are as follows for the year ending June 30:

2019	39,046
2020	39,046
2021	3,254
<b>Total</b>	<b>81,346</b>

### NOTE 4 - RETIREMENT PLANS

The School's certified employees are covered by the Indiana State Teacher's Retirement Fund (TRF), which is a multiple employer defined benefit retirement plan governed by the State of Indiana and administrated by the Indiana Public Retirement System ("INPRS") Board. Contribution requirements of plan members are established by the INPRS Board. Employees are eligible as of their hire date. The School made contributions of 7.5% of employee gross wages to the fund during the year. If the School withdrew from TRF, the School could receive a withdrawal fee. The School's contributions are an insignificant percentage of the total contributions received by TRF.

Alternatively, employees can opt to participate in a section 401(k) retirement plan offered through Freedom Retirement Plan Consultants, Inc. in lieu of participating in TRF. The School also contributes 7.5% of compensation to the 401(k) plan.

Substantially all full-time employees are eligible to participate in either plan. Retirement expense under both plans was \$391,500 and \$381,906 for the years ended June 30, 2018 and June 30, 2017, respectively.

## NOTES TO FINANCIAL STATEMENTS

June 30, 2018 and 2017

### NOTE 5 - RELATED PARTY TRANSACTIONS

The Garatoni Foundation and Larry Garatoni, individually periodically provide financing to the School. Larry Garatoni is the President of the School's Board of Directors and the Chief Executive Officer of HQ Investments Corporation, which manages the investments of The Garatoni Family Foundation. The School also received contributions through debt forgiveness totaling \$1,800,000 and \$1,150,000, from The Garatoni Family Foundation in the years ended June 30, 2018 and 2017, respectively.

### NOTE 6 - LEGAL AND OTHER CONTINGENCIES

The School is subject to various legal proceeding and claims that arise in the ordinary course of business. In accordance with generally accepted accounting principles, the School records a liability when it is probable that a loss has been incurred and the amount can be reasonably estimated. There is significant judgment required in both the probability determinations and as to whether an exposure can be reasonably estimated. In management's opinion, the School does not have a potential liability related to any current legal proceeding and claims that would individually or in aggregate materially adversely affect financial conditions or operating results. However, the outcomes of legal proceedings and claims brought against the School are subject to significant uncertainty. Should the School fail to prevail in any of these legal matters, or should several of these legal matters be resolved against the School in the same reporting period, the operating results of a particular reporting period could be materially adversely affected.

In the normal course of operations, the School receives grant funds from various Federal and State agencies. The grant programs are subject to audit by agents of the granting authority, the purpose of which is to insure compliance with conditions precedent to the granting funds. Any liability for reimbursement which may arise as the result of these audits is not believed to be material.

Included in the School's Statement of Financial Position are costs of property and equipment obtained with federal funds. Consequently, there is a continuing federal interest in the related property and equipment. The property and equipment may not (1) be used for any purpose inconsistent with the statute and any program regulations governing the award under which the property and equipment was acquired; (2) mortgaged or otherwise used as collateral without written permission; or (3) sold or transferred to another party without written permission. The cost of property and equipment obtained with federal funds included in the Statement of Financial Position was \$235,676 at both June 30, 2018 and 2017.

### NOTE 7 - SUBSEQUENT EVENTS

The School has evaluated subsequent events through February 21, 2020, the date the financial statements were available to be issued. No events or transactions occurred in the mandatory evaluation period requiring recognition or disclosure in the financial statements.

## INDEPENDENT AUDITOR'S REPORT ON SUPPLEMENTARY INFORMATION

To the Board of Directors  
Career Academy of South Bend, Inc.  
South Bend, Indiana

We have audited the financial statements of Career Academy of South Bend, Inc. as of and for the years ended June 30, 2018 and 2017, and our report thereon dated February 21, 2020, which expressed an unmodified opinion on those financial statements, appears on pages 1 and 2. Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The following supplementary information, including the statements of financial position, activities, and functional expenses by division, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Respectfully submitted,

## NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

For the Year Ended June 30, 2018

### NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards ("Schedule") includes the federal award activity of Career Academy of South Bend, Inc. (the "School") under programs of the federal government for the year ended June 30, 2018. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the School, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the School.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following costs principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, wherein certain types of expenditures are not allocable or are limited as to reimbursement.
2. The School has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

ADDITIONAL REQUIRED REPORTS AND  
INFORMATION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND  
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors  
Career Academy of South Bend, Inc.  
South Bend, Indiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Career Academy of South Bend, Inc. (the "School") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 21, 2020.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the School's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control. Accordingly, we do not express an opinion on the effectiveness of the School's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. However, as described in the accompanying schedule of findings and questioned costs, we did identify certain deficiencies in internal control that we consider to be material weaknesses and significant deficiencies.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the deficiency described in the accompanying schedule of findings and questioned costs as item 2018-001 to be a material weakness.

*A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies described in the accompanying schedule of findings and questioned costs as items 2018-002 and 2018-003 to be significant deficiencies.

## **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the School's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which is described in the accompanying schedule of findings and questioned costs as item 2018-004.

## **Career Academy of South Bend, Inc.'s Response to Findings**

The School's response to the findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

## **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the School's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the School's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH  
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER  
COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors  
Career Academy of South Bend, Inc.  
South Bend, Indiana

**Report on Compliance for Each Major Federal Program**

We have audited Career Academy of South Bend, Inc.'s (the "School") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the School's major federal programs for the year ended June 30, 2018. The School's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

**Management's Responsibility**

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

**Auditor's Responsibility**

Our responsibility is to express an opinion on compliance for each of the School's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the School's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our unmodified opinion on compliance for major federal programs. However, our audit does not provide a legal determination of the School's compliance.

## **Opinion on Each Major Federal Program**

In our opinion, the School complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2018.

## **Other Matters**

The results of our auditing procedures disclosed an instance of noncompliance, which is required to be reported in accordance with the Uniform Guidance and which is described in the accompanying schedule of findings and questioned costs as item 2018-007. Our opinion on each major federal program is not modified with respect to this matter.

The School's response to the noncompliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

## **Report on Internal Control over Compliance**

Management of the School is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the School's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that will not be identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be material weaknesses and significant deficiencies.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2018-005 to be a material weakness.

*A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2018-006 to be a significant deficiency.

The School's response to the internal control over compliance findings identified in our audit is described in the accompanying schedule of findings and questioned costs. The School's response was not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### MATERIAL WEAKNESS

2018-001

CUTOFF

*Condition:* The School recorded non-federal grant receipts subsequent to year end that related to non-federal grant expenditures incurred during the year ended June 30, 2018 as revenue in fiscal year end June 30, 2019.

*Criteria:* The School is required to design, implement and maintain a system of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

*Cause:* Cutoff was not properly applied.

*Effect:* We proposed two material audit adjustments to recognize revenue in the proper period.

*Recommendation:* We recommend that management review grant and revenue recognition standards for nonprofit entities under accounting principles generally accepted in the United States of America (GAAP) and apply proper cutoff procedures prospectively.

*Identification of repeat findings:* Not a repeat finding.

*Views of Responsible Officials and Planned Corrective Actions:* Management agrees with the finding and will review its internal controls over the financial reporting process to ensure that all material transactions are reflected in the proper period in the future.

## SCHEDULE OF FINDINGS AND QUESTIONED COSTS

For the Year Ended June 30, 2018

### SIGNIFICANT DEFICIENCY

2018-002

#### SEGREGATION OF DUTIES

*Condition:*

There were deficiencies in the internal control system of the School pertaining to cash receipts.

During our audit of the financial statements for the year ended June 30, 2017, we noted that the School did not have controls in place to ensure proper segregation of duties surrounding cash receipts. Management represented that controls were implemented during the fiscal year ended June 30, 2018 to properly segregate these duties, however, based on our audit, there was no verifiable evidence indicating a change in controls.

*Criteria:*

The School is required to design, implement and maintain a system of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

*Cause:*

The School failed to implement a practice that includes verifiable evidence that the duties have been segregated.

*Effect:*

We could not verify proper segregation of duties to determine the risk was mitigated.

*Recommendation:*

The School should implement internal controls that can be verified and traced to the responsible individual.

*Identification of repeat findings:*

This finding is a repeat finding previously included as finding number 2017-002 in the audit of the financial statements for the year ended June 30, 2017.

*View of Responsible Officials and Planned Corrective Actions:*

Management agrees with the finding and will implement policies and procedures during the summer of 2020 in order to ensure compliance with the guidelines for Indiana Charter Schools established by the State Board of Accounts.

### SIGNIFICANT DEFICIENCY

2018-003

#### DOCUMENT RETENTION

*Condition:*

There were deficiencies in the internal control system of the School related to document retention.

We were unable to verify support for a non-federal employee travel reimbursement.

*Criteria:*

The School is required to design, implement and maintain a system of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

*Cause:*

The supporting documentation for the selected transactions were misplaced and unable to be located.

*Effect:*

It was not possible to ensure that the reimbursed expenses were for valid business purposes.

*Recommendation:*

The School should review best practice guidelines pertaining to document retention and implement the necessary controls.

*Identification of repeat findings:*

This finding is a repeat finding previously included as finding number 2017-003 in the audit of the financial statements for the year ended June 30, 2017.

*View of Responsible Officials and Planned Corrective Actions:*

Management agrees with the finding and will review internal control procedures in order to ensure retention of necessary documentation. Management will adopt a document retention policy during the summer of 2020.

### NONCOMPLIANCE WITH LAWS AND REGULATIONS

2018-004                      UNIFORM COMPLIANCE GUIDELINES - STATE BOARD OF ACCOUNTS

*Condition:*                      The School is out of compliance with uniform compliance requirements established by the Indiana State Board of Accounts.

*Criteria:*                        The School is required to comply with the uniform compliance guidelines established by the Indiana State Board of Accounts under Ind. Code § 5-11-1-24.

*Cause:*                            The School was inattentive to the compliance guidelines mentioned above.

*Effect:*                            The School is not in Compliance with guidelines for charter schools which could cause issues with the School's charters.

*Recommendation:*            The School should implement controls in order to comply with the Uniform Compliance Guidelines set forth by the Indiana State Board of Accounts.

*Identification of repeat findings:*    This finding is a repeat finding previously included as finding number 2017-004 in the audit of the financial statements for the year ended June 30, 2017.

*View of Responsible Officials and Planned Corrective Actions:*    Management agrees with the finding and will begin implementing policies and procedures to comply with the uniform compliance requirements established by the State Board of Accounts.

*Condition:* The School's accounting and procedures manual did not include written policies or procedures that address all applicable compliance areas under the Uniform Guidance; for instance, cash management, allowable costs, and period of performance.

*Criteria:* The School must establish and maintain effective internal controls over Federal awards that provide reasonable assurance that the non-Federal entity is managing Federal awards in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award.

*Cause:* The School was inattentive to all of the requirements in the Uniform Guidance.

*Effect:* The absence of documented policies and procedures could result in noncompliance with the terms of federal awards.

*Recommendation:* The School should document and adhere to written policies and procedures that reflect current OMB requirements under the Uniform Guidance. This accounting and procedures manual should be monitored and revised annually as necessary.

*Identification of repeat findings:* This finding is a repeat finding previously included as finding number 2017-005 in the audit of the financial statements for the year ended June 30, 2017.

18611-544-PN01,18619-544-PN01

*Condition:*                              A unallowed cost was included in the calculation of a federal draw request that had not yet been submitted.

*Criteria:*                                The School must establish and maintain effective internal controls over Federal awards that provide reasonable assurance that the non-Federal entity is managing Federal awards in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award.

*Cause:*                                  Deficiencies in the internal control system of the School related to reimbursement request review resulted in the Business Manager including an unallowed cost on the initial reimbursement request which was subsequently approved by the Director of Special Education. The review by the Director of Special Education did not identify the unallowed cost included. The School was able to modify the draw request before agency approval and disbursement based on audit testing.

*Effect:*                                  The School could have drawn federal funds for an unallowed cost which may result in recapture by the federal agency.

*Recommendation:*                      The School should review and modify internal controls and assigned responsibilities as necessary to ensure only costs allowed under the grant are included in draw requests.

*Identification of  
repeat findings:*                        This is not a repeat finding.

*View of Responsible  
Officials and Planned
