We have reviewed the audit report of the Vincennes Housing Authority, which was opined on by Barry E. Gaudette, CPA, Independent Public Accountant, for the period July 1, 2018 to June 30, 2019. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of the Vincennes Housing Authority, as of June 30, 2019 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts.

The audit report is filed with this letter in our office as a matter of public record.

Independent Auditor's Report

Board of Commissioners
Vincennes Housing Authority
Vincennes, Indiana

Report on the Financial Statements

We have audited the accompanying financial statements of the business-type activities of the Vincennes Housing Authority, Indiana, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the Vincennes Housing Authority, Indiana's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Vincennes Housing Authority, Indiana, as of June 30, 2019, and the respective changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 4 to 8 and the Schedule of the Proportionate Share of the Net Position Liability and the Schedule of Contributions on pages 29 and 30 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Vincennes Housing Authority, Indiana's basic financial statements. The financial data schedule shown on pages 32 to 35 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and is also not a required part of the basic financial statements.

The financial data schedule and the schedule of expenditures of federal awards are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 9, 2019, 2018, on our consideration of the Vincennes Housing Authority, Indiana's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Vincennes Housing Authority, Indiana's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Vincennes Housing Authority, Indiana's internal control over financial reporting and compliance.

Analysis of Entity Wide Expenditures

Total Expenditures for Fiscal Year Ending June 30, 2019 were \$4,147,379 as compared to \$3,890,679 of total expenditures for Fiscal Year Ending June 30, 2018. Comparatively, Fiscal Year Ending 2019 expenditures were more than Fiscal Year Ending 2018 expenditures by \$256,700. Changes by major expense category will be presented below.

Administrative expenditures increased by \$6,121 or 1%. There was an increase in salaries and employee benefits.

Tenant services decreased by \$4,290 or 88% due to less tenant activities.

Utilities increased by \$6,092 or 2% due to normal fluctuations in usage and costs and a hot summer.

General expenditures decreased by \$16,178 or 7%.

Extraordinary Maintenance decreased by \$11,559 or 17%. This was mostly due to a decrease in plumbing repairs.

Housing Assistance Payments increased by \$163,691 or 12% due to an increase in HUD funding and the related number of units that could be funded.

The table below illustrates our analysis:

	<u>2019</u>	<u>2018</u>	<u>Net Change</u>	<u>Percent Variances</u>

BUDGETARY ANALYSIS

The Authority adopts a consolidated annual operating budget for all programs. The budget for Low Income Public housing is adopted on the basis of accounting prescribed by the Housing and Urban Development, which differs in some respects from generally accepted accounting principles. Program budgets for the Section 8 Programs are approved by the U.S. Department of Housing and Urban Development.

The Authority prepares a budget on a calendar year because HUD is based on calendar year. Therefore, it is difficult to create a budgetary analysis since the Authority's budget is based on a calendar year and the audit is based on fiscal year ending June 30. The Authority is permitted four years to expend capital funds. Income is only recognized as funds are expended.

ANALYSIS OF CAPITAL ASSET ACTIVITY

As of June 30, 2019, the Authority's investment in capital assets was \$8,147,348 (net of accumulated depreciation). The investment includes land, buildings, and equipment. See notes to the financial statements for addition disclosures on capital assets. Capital outlays for the year were \$352,551 consisting of the following purchases:

- Doors and locks at 2-1 \$163,384
- 2-2 Wall repairs and paint \$77,223
- Flat roof 2-2 \$48,000
- Tiling 2-1 rec room \$11,230
- 2-4 concrete slab, retaining wall, and painting \$18,816
- 2-3 concrete work and 2-2 & 2-3 landscaping \$9,600
- 2 mowers \$12,998
- 10 Washers \$11,300

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Vincennes Housing Authority (“VHA” or “Housing Authority”) is an independent municipal entity created by the City of Vincennes pursuant to Indiana state law and the National Housing Act of 1937. Although the Housing Authority maintains close ties with the City of Vincennes in several respects, the Housing Authority is not a component unit of the City, as defined by the Governmental Accounting Standards Board, since the City is not financially accountable for the operations of the Housing Authority, and has no responsibility to fund its deficits or receive its surpluses. The Housing Authority operates under a Board of Commissioner form of government to provide safe and decent housing for eligible low and moderate income families and elderly individuals. The Board is comprised of seven members, all City residents, appointed by the City Mayor. The Board appoints an Executive Director who acts as the Secretary of the Housing Authority.

1. Reporting Entity

The Housing Authority’s financial statements include the accounts of all of the Housing Authority’s operations. The Housing Authority maintains its accounting records by program and operates the following programs:

Low Income Public Housing

This program accounts for all activities relating to the leasing and operation of apartments in buildings that were constructed and are owned by the Housing Authority. These units are rented to low income families and low income elderly, disabled, and special needs individuals. The properties were constructed with grants and/or loans provided by the U.S. Department of Housing and Urban Development (HUD). The Housing Authority receives grants from HUD to subsidize operating costs. Tenants are charged rents based on a percentage of their incomes. HUD subsidizes 347 federal public housing units through this program.

Public Housing Capital Fund

HUD provides grant funds to authorities with Low Rent Public Housing units on a formula basis. The funds are predominantly used to make physical improvements to buildings and dwelling units owned by the Housing Authority under the Low Income Public Housing Program. A designated portion of these funds may also be used to support operations and to make improvements in the management and operation of the Housing Authority’s Low Income Public Housing Program.

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

1. Reporting Entity (Continued)

Section 8 Housing Choice Vouchers

HUD provides grants to the Housing Authority to subsidize rents paid by low income families and issued vouchers affording them choices in renting from private landlords. The Housing Authority subsidizes the landlord for the differences between the rent requested and the tenant's share of the rent not to exceed a predetermined payment standard. This program provided rental assistance to approximately 372 families and individuals this year.

2. Basis of Presentation and Accounting

In accordance with uniform financial reporting standards for HUD housing purposes, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP) as applicable to special purpose governments engaged in business type activities.

Proprietary funds are accounted for using the "economic resources" measurement, focus and the accrual basis of accounting. Accordingly, all assets, deferred outflow of resources, liabilities, and deferred inflow of resources are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Fund Net Position present increases (revenues) and decreases (expenses) in net position. Under the Accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

This special purpose government engaged in activities similar to business activities uses an enterprise fund to account for those operations that are financed and operated in a manner similar to private business, or where the Board has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability. The intent of the governing body is that the costs (expenses including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through cost charges.

3. Budgets and Budgetary Accounting

The Housing Authority adopts a formal operating budget each year for its operating programs and on a project-length basis for its capital expenditures, which are approved by the board of Commissioners and submitted to the U.S. Department of Housing and Urban Development for their approval, if required.

4. Cash and Cash Equivalents

Cash and cash equivalents consist of checking accounts. The cash equivalents are recorded at cost, which approximates market.

5. Tenant Accounts Receivable and Allowance for Bad Debts

Accounts receivable have been adjusted for all known uncollectible accounts.

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

6. Prepaid Expenses

Prepaid expenditures, such as insurance premiums and deferred costs, which are expected to be written off within the next fiscal year, are included in net current assets.

7. Compensated Absences

Housing Authority employees are granted vacation and sick leave in varying amounts. In the event of termination, an employee is paid for accumulated vacation days according to contract or personnel policies. In the event of termination by retirement or death, an employee is paid for accumulated sick days according to contract or personnel policies.

8. Inter-Program Activity

During the course of operations, transactions occur within individual programs that may result in amounts owed or transfers between programs. Offsetting inter-program receivables and payables as well as offsetting inter-program transfers are eliminated for financial statement presentation. For the year ended June 30, 2019, there were no inter-program receivables and payables due from any of the programs and there was \$211,785 in operating transfers.

9. Buildings and Equipment

Buildings and equipment are recorded at historical cost. Costs in excess of \$1,000 that materially add to the productive capacity and extend the life of an asset longer than one year are capitalized, while maintenance and repair costs are expensed as incurred. Buildings and equipment are depreciated using the straight-line method over the following estimated useful lives:

Buildings	7	-	40 years
Equipment	5	-	15 years
Building improvements	7	-	40 years

Land and land improvements include approximately \$400,156 of capitalized land that is not subject to depreciation.

10. Income Taxes

The Housing Authority is a quasi-governmental entity. The Housing Authority is not subject to Federal or State income taxes.

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

11. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

12. Deferred Outflows/Inflows of Resources

In addition to assets and liabilities, the statement of financial position will, when applicable, report separate sections for deferred outflows or resources and deferred inflows of resources. *Deferred outflows of resources*, a separate financial statement element, represents a consumption of net position or fund balance, respectively, that applies to a future period and will not be recognized as an outflow of resources (expense/expenditure) until that time. *Deferred inflows of resources* a separate financial statement element, represents an acquisition of net position or fund balance, respectively, that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

13. Unearned Revenue

The Housing Authority reports unearned revenue in connection with resources that have been received, but not yet earned.

14. Comparative Data

Comparative data for the prior year has not been presented in the accompanying financial statements since their inclusion would make the statements unduly complex and difficult to read.

15. Net Position

Net positions are comprised of three categories (1) net investment in capital assets, (2) restricted, and (3) unrestricted. The Housing Authority's positive value of unrestricted net position in the primary government may be used to meet ongoing obligations. When an expense is incurred for purposes for which both restricted and unrestricted net position is available, the Housing Authority's policy is to first apply restricted resources. Each component of net position is reported separately on the statement of net position.

- i. Net Investment in capital assets – This category consists of capital assets (including restricted capital assets), net of accumulated depreciation and reduced by any outstanding balances of bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, and improvements of those assets.

NOTE A: DESCRIPTION OF THE HOUSING AUTHORITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

15. Net Position (Continued)

- ii. Restricted – This category equals the restricted cash of the Housing Authority and consists of net position restricted for use by (1) external groups such as grantors, creditors, or laws and regulations of other governments or (2) law through constitutional provisions or enabling legislation.
- iii. Unrestricted – This category includes all of the remaining net position that do not meet the definition of the other two categories.

16. Subsequent Events

The financial statements and related disclosures include evaluation of events through and including December 9, 2019, which is the date the financial statements were available to be issued.

NOTE B: CASH AND CASH EQUIVALENTS

Indiana Code authorizes local governmental units to make deposits and invest in the accounts of federally insured banks, credit unions, and savings and loan associations that have offices in Indiana. The local unit is allowed to invest in bonds, securities, and other direct obligations of the United States or any agency or instrumentality of the United States; repurchase agreements; bankers' acceptances of United States banks; commercial paper rated within the two highest classifications, which matures not more than 270 days after the date of purchase; obligations of the State of Indiana or its political subdivisions, which are rated as investment grade; and mutual funds composed of investment vehicles that are legal for direct investment by local units of government in Indiana.

The Housing Authority has designated one bank for the deposit of its funds. The Housing Authority's deposits are included on the balance sheet under the classification cash and cash equivalents and consist of the following:

Cash – operations	\$ 914,953
Total	<u>\$ 914,953</u>

The above deposits are classified by Governmental Accounting Standards Board Statement Nos. 3 and 40 in the following categories as of June 30, 2019:

Bank deposits (checking, savings, and treasury obligation accounts)	\$ 914,460
Petty cash	100
Change fund	<u>393</u>
Total	<u>\$ 914,953</u>

NOTE B: CASH AND CASH EQUIVALENTS (CONTINUED)

Custodial Credit Risk of Bank Deposits – Custodial credit risk is the risk that in the event of a bank failure, the Housing Authority’s deposits may not be returned to it. The Housing Authority does not have a deposit policy for custodial credit risk. At year end, the Housing Authority had no bank deposits that were uninsured and uncollateralized.

NOTE E: COMMITMENTS AND CONTINGENCIES (continued)

The Housing Authority is subject to possible examination by Federal and State authorities who determine compliance with terms, conditions, laws and regulations governing other grants given to the Housing Authority in the current and prior years. No significant violations of finance-related legal or contractual provisions occurred.

NOTE F: RETIREMENT PLAN

Description of Pension Plan

The Public Employees' Retirement Fund (PERF) is a cost-sharing, multiple-employer defined benefit plan based on 35 IAC 21-1-1, 35 IAC 21-1-2 and amended IC 5-10.2-2-11(b). PERF was established to provide retirement, disability, and survivor benefits to full-time employees of the State of Indiana not covered by another plan, those political subdivisions that elect to participate in the retirement plan, and certain INPRS employees. Political subdivisions mean a county, city, town, township, political body corporate, public school corporation, public library, public utility of a county, city, town, or township, and any department of, or associated with, a county, city, town, or township, which department receives revenue independently of, or in addition to, funds obtained from taxation. There are two (2) aspects to the PERF Plan. The first is the Public Employees' Defined Benefit Plan (PERF Hybrid Plan) and the second is the Public Employees' Annuity Savings Account Only Plan (PERF ASA Only Plan). Currently, the PERF ASA Only Plan is available only to employees of the State.

Membership

PERF members are officers and employees of units of State and local governments in Indiana (referred to as political subdivisions), including counties, cities, towns, townships, libraries, and school corporations. The political subdivisions become participants by ordinance or resolution of the governing body, which specifies the classifications of employees who will become members of the PERF Hybrid Plan. The ordinance or resolution is filed with and approved by INPRS. In order to be a member, employees hired after June 30, 1982, except employees of a participating school corporation, must occupy positions normally requiring performance of service of more than 1,000 hours during a year. Effective July 1, 2008, members who have at least one (1) year of service in both PERF and TRF have the option of choosing from which of these funds they would like to retire.

Contributions

The State of Indiana is obligated by statute to make contributions to the PERF Hybrid Plan or the PERF ASA Only Plan. Any political subdivision that elects to participate in the PERF Hybrid Plan is obligated by statute to make contributions to the plan. The required contributions are determined by the INPRS Board of Trustees based on actuarial investigation and valuation in accordance with IC 5-10.2-2-11. The funding policy provides for periodic employer contributions at actuarially determined rates that, expressed as percentages of annual covered payroll, are sufficient to fund the pension benefits when they become due. As PERF is a cost-sharing plan, all risks and costs, including benefit costs, are shared proportionately by the participating employers.

NOTE F: RETIREMENT PLAN (continued)

Hybrid Plan

The PERF Hybrid Plan or the PERF ASA Only Plan members contribute three (3) percent of covered payroll to their annuity savings account, which is not used to fund the defined benefit pension for the PERF Hybrid Plan. For the PERF Hybrid Plan, the employer may elect to make the contributions on behalf of the member. The employer shall pay the member's contributions on behalf of the member for the PERF ASA Only Plan. In addition, members of the PERF Hybrid Plan (effective 7/1/2014 the PERF ASA Only Plan may also participate) may elect to make additional voluntary contributions, under certain criteria, of up to 10 percent of their compensation into their annuity savings accounts.

PERF Hybrid Plan

Plan Description

The PERF Hybrid Plan was established by the Indiana Legislature in 1945 and is governed by the INPRS Board of Trustees in accordance with Indiana Code (IC) 5-10.2, IC 5-10.3, and IC 5-10.5. There are two (2) aspects to the PERF Hybrid Plan defined benefit structure. The first portion is the monthly defined benefit pension that is funded by the employer. The second portion of the PERF Hybrid Plan benefit structure is the annuity savings account (ASA) that supplements the defined benefit at retirement. Retirement Benefits – Defined Benefit Pension the PERF Hybrid Plan retirement benefit consists of the sum of a defined pension benefit provided by employer contributions plus the amount credited to the member's annuity savings account. Pension benefits (non-ASA) vest after 10 years of creditable service. The vesting period is eight (8) years for certain elected officials. Members are immediately vested in their annuity savings account. At retirement, a member may choose to receive a lump sum payment of the amount credited to the member's annuity savings account, receive the amount as an annuity, or leave the contributions invested with INPRS. Vested PERF members leaving a covered position, who wait 30 days after termination, may withdraw their annuity savings account and will not forfeit creditable service or a full retirement benefit. However, if a member is eligible for a full retirement at the time of the withdrawal request, he/she will have to begin drawing his/her pension benefit in order to withdraw the annuity savings account. A non-vested member who terminates employment prior to retirement may withdraw his/her annuity savings account after 30 days, but by doing so, forfeits his/her creditable service. A member who returns to covered service and works no less than six (6) months in a covered position may reclaim his/her forfeited creditable service. A member who has reached age 65 and has at least 10 years of creditable service is eligible for normal retirement and, as such, is entitled to 100 percent of the pension benefit component. This annual pension benefit is equal to 1.1 percent times the average annual compensation times the number of years of creditable service. The average annual compensation in this calculation uses the highest 20 calendar quarters of salary in a covered position. All 20 calendar quarters do not need to be continuous, but they must be in groups of four (4) consecutive calendar quarters. The same calendar quarter may not be included in two (2) different groups. For PERF members who serve as an elected official, the highest one (1) year (total of four (4) consecutive quarters) of annual compensation is used. Member contributions paid by the employer on behalf of the member and severance pay up to \$2,000 are included as part of the member's annual compensation. A member who has reached age 60 and has at least 15 years of creditable service is eligible for normal retirement and, as such, is entitled to 100 percent of the pension benefit. A member who is at least 55 years old and whose age plus number of years of creditable service is at least 85 is entitled to 100 percent of the benefits as described above. A member who has reached at least age 50 and has at least 15 years of creditable service is eligible for early retirement with a reduced pension. A member retiring early receives a percentage of the normal annual pension benefit.

NOTE F: RETIREMENT PLAN (continued)

PERF Hybrid Plan

Plan Description (continued)

The percentage of the pension benefit at retirement remains the same for the member's lifetime. For age 59, the early retirement percentage of the normal annual pension benefit is 89 percent. This amount is reduced five (5) percentage points per year (e.g., age 58 is 84 percent) to age 50 being 44 percent.

The monthly pension benefits for members in pay status may be increased periodically as cost survivor option available for retirement benefits. A surviving spouse or surviving dependent children are also entitled to a survivor benefit upon the death in service after January 1, 2007, of a member who was at least 65 years of age and had at least 10 but not more than 14 years of creditable service. Retirement Benefits – Annuity Savings Account Members are required to participate in an Annuity Savings Account (ASA). The ASA consists of the member's contributions, set by statute at three (3) percent of compensation as defined by IC 5-10.2-3-2 for PERF, plus the interest/earnings or losses credited to the member's account. The employer may elect to make the contributions on behalf of the member. In addition, under certain conditions, members may elect to make additional voluntary contributions of up to 10 percent of their compensation into their annuity savings accounts. A member's State or political subdivision. Investments in the members' annuity savings accounts are individually directed and controlled by plan participants who direct the investment of their account balances among the following eight (8) investment options, with varying degrees of risk and return potential: Guaranteed Fund – This fund's objective is to provide stability of principal and a competitive interest rate. The interest rate is set by the INPRS Board of Trustees each year and is guaranteed for the fiscal year. Market risk is assumed by the Fund. Large Cap Equity Index Fund – This fund's objective is to seek investment growth/capital appreciation through passive investment in the stocks of the 500 largest U.S. companies. Market risk is assumed by the member. Small/Mid Cap Equity Fund – This fund's objective is to seek investment growth/capital appreciation through both active and passive investment in stocks of small- and mid-sized U.S. companies. Market risk is assumed by the member. International Equity Fund – This fund's objective is to seek investment growth/capital appreciation through both active and passive investment in stocks of non-U.S. companies in both developed and emerging markets. Market risk is assumed by the member. Fixed Income Fund – This fund's objective is to seek total return, consisting of income and capital appreciation. Market risk is assumed by the member. Inflation-Linked Fixed Income Fund – This fund's objective is to provide investors inflation protection and income consistent with investment in inflation-indexed securities. Principal and interest payments are adjusted in response to changes in inflation. Market risk is assumed by the member. Target Date Funds – The Funds are designed to seek an appropriate amount of total return, commensurate with risk, given the specific time horizon of each Fund. The Target Date Funds provide participants with a one-stop shop for investing. Participants simply choose the Fund most appropriate for them based on the year in which they plan to withdraw their money (usually their retirement year). Once a participant selects the appropriate Fund, the underlying asset allocation automatically adjusts over time. Market risk is assumed by the member. Money Market Fund – This fund's objective is to provide a market rate of return consistent with the preservation of capital through a shorter maturity, high quality portfolio. Market risk is assumed by the member. Members may make changes to their investment directions daily and investments are reported at fair market value of living adjustments (COLA). Such increases are not guaranteed by statute and have

historically been provided on an “ad hoc” basis and can only be granted by the Indiana General Assembly. Disability and Survivor Benefits the PERF Hybrid Plan also provides disability and survivor benefits. A member who has at least five (5) years of creditable service and becomes disabled while in active service, on FMLA leave, receiving workers’ compensation benefits, or receiving employer-provided benefits.

ASA Only Plan

Plan Description

The PERF ASA Only Plan was established by the Indiana Legislature in 2011 with an effective date of February 21, 2013 and is governed by the INPRS Board of Trustees in accordance with IC 5-10.3-12, and IC 5-10.5. This plan is funded by an employer and a member for the use of the member, or the member’s beneficiaries or survivors, after the member’s retirement. PERF ASA Only Plan members are full-time employees of the State of Indiana (as defined in IC 5-10.3-7-1(d)), who are in a position eligible for membership in the PERF Hybrid Plan and who elect to become members of the PERF ASA Only Plan. The PERF ASA Only Plan membership does not include individuals who: (1) before February 21, 2013 were members of the PERF Hybrid Plan or (2) on or after February 21, 2013 do not elect to participate in the PERF ASA Only Plan. Any government agency that pays employees through the Auditor of the State is a mandatory participant in the ASA Only Plan and must offer eligible employees the ASA Only Plan option. Quasi-government agencies and State educational institutions may choose to offer the ASA-Only Plan as an option to their employees. Since inception 759 members have selected the ASA Only Plan, or approximately 8 percent of eligible new hires of the State. Currently, the PERF ASA Only Plan is available only to employees of the State. As of July 1, 2017, employees for political subdivisions may be eligible to participate. Retirement Account the PERF ASA Only Plan maintains an annuity savings account for each member. Each member’s account consists of two (2) subaccounts within the annuity savings account structure. There is a member contribution subaccount (which is the same as the annuity savings account in the PERF Hybrid Plan) and an employer contribution subaccount. The member’s contribution subaccount consists of the member’s contributions, set by statute at three (3) percent of covered payroll as defined by IC 5-10.3-12-23 plus the interest/earnings or losses credited to the member’s contribution subaccount. The State shall pay the member’s contributions on behalf of the member. The employer contribution subaccount consists of the employer’s contributions and the earnings on the employer’s contributions. The employer contribution rate is set by INPRS Board of Trustees in accordance with IC 5-10.2-2-11. The PERF ASA Only Plan allows members to actively participate in managing their retirement benefits through self directed investment options. All contributions made to a member’s account (member contribution subaccount and employer contribution subaccount) are invested as a combined total according to the member’s investment elections. The members can direct their investments among the following aforementioned eight (8) investment options: Large Cap Equity Index Fund, Small/Mid Cap Equity Fund, International Equity Fund, Fixed Income Fund, Inflation-Linked Fixed Income Fund, Money Market Fund, Stable Value Fund, and Target Date Funds. A description of each of these Funds is earlier in this note in the PERF Hybrid Plan Retirement Benefits – Annuity Savings Account section, except for the Stable Value Fund: Stable Value Fund (available only to PERF ASA Only members) - This fund’s objective is to provide a market rate of return consistent with the preservation of principal through a shorter maturity, high quality portfolio. A member is immediately vested in the member contribution subaccount. In order to receive contributions and earnings from the employer contribution subaccount, a member must meet vesting requirements (full years of participation) to qualify for a distribution.

NOTE F: RETIREMENT PLAN (continued)

The vesting schedule is as follows: disability insurance benefits may retire for the duration of the disability, if the member has qualified for social security disability benefits and has furnished proof of the qualification. The disability benefit is calculated the same as that for a normal retirement without reduction for early retirement. The minimum benefit is \$180 per month, or the actuarial equivalent. Upon the death in service of a member with 15 or more years of creditable service as of January 1, 2007, a survivor benefit may be paid to the surviving spouse to whom the member had been married for two (2) or more years, or surviving dependent children under the age of 18. This payment is equal to the benefit which would have been payable to a beneficiary if the member had retired at age 50 or at death, whichever is later,

One (1) year of participation = 20%
Two (2) years of participation = 40%
Three (3) years of participation = 60%
Four (4) years of participation = 80%
Five (5) years of participation = 100%

A member who terminates service with their employer is entitled to withdraw the total amount in the member contribution subaccount. In addition, the member is entitled to withdraw amounts in the employer contribution subaccount to the extent the member is vested in this account. The member must be separated from employment for at least 30 days before the member may take a withdrawal from the member's account. The amount available for withdrawal is the fair value of the participant's account on the processing date. The withdrawal amount can be paid in a lump sum, a direct rollover to another eligible retirement plan, or if the member has attained normal retirement age and met other criteria established by the INPRS Board of Trustees as a monthly annuity provided through INPRS. If a member becomes disabled while in active service, subject to the member providing proof of the member's qualification for social security disability benefits to the Board of Trustees, a member may withdraw the total amount in the member contribution subaccount. To the extent that the member is vested, the member may make a withdrawal from the member's employer subaccount. The withdrawal amount can be paid in a lump sum, a direct rollover to another eligible retirement plan, or a monthly annuity provided through INPRS if the member has attained normal retirement age and met other criteria established by the INPRS Board of Trustees. If a member dies while in active service or after terminating service in a position covered by the PERF ASA Only Plan, but before withdrawing the member's account, all of the member's contribution subaccount, and to the extent that the member is vested, the employer contribution subaccount, will be paid to the beneficiary or beneficiaries designated by the member. The amount available for payment is the fair value of the participant's account. The beneficiary may elect to have member's account paid as a lump sum, a direct rollover to another eligible retirement plan, or as a monthly annuity in accordance with the rules of the INPRS Board of Trustees. The monthly annuity is an option only on or after the beneficiary attains normal retirement age and meets other criteria established by the INPRS Board of Trustees. If a member dies in the line of duty while in active service, the designated beneficiary or beneficiaries or surviving spouse or dependents, are entitled to payment of the member's account as described above. In addition, if the member was not fully vested in the employer contribution subaccount, the account is deemed to be fully vested for purposes of withdrawal.

NOTE F: RETIREMENT PLAN (continued)

Basis of Accounting

The financial statements of INPRS have been prepared using the accrual basis of accounting in conformity with generally accepted accounting principles (GAAP) as applied to government units. Under the accrual basis, revenues are recognized when earned, and expenses are recognized when liabilities are incurred, regardless of the timing of related cash flows. The Governmental Accounting Standards Board (GASB) is the accepted standards setting body for established governmental accounting and financial reporting principles. INPRS applies all applicable GASB pronouncements in accounting and reporting for its operations.

Net Pension Liability

At June 30, 2019 and 2018, the Housing Authority reported a liability of \$413,420 and \$615,247, respectively, for its proportionate share of the net pension liability.

Actuarial Assumptions

Significant actuarial assumptions and other inputs used to measure the total pension liability:

Discount Rate	<p>6.75%</p> <p>The discount rate is equal to the expected long-term rate of return on plan investments, net of investment expense and including price inflation. There was no change in the discount rate from the prior measurement date.</p> <p>The INPRS Board of Trustees has established a funding policy of setting the employer contribution rate equal to the greater of 11.2% (the current contribution rate) or a rate equal to the actuarially determined contribution rate, which is based on the assumptions and methods selected by the Board for the annual actuarial valuations and projected covered member payroll. The June 30, 2018 actuarial valuation assumes a long-term rate of return on assets of 6.75%, a 20-year level dollar closed method for amortizing the future layers of unfunded actuarial accrued liability (30 years for amortization layers established prior to June 30, 2016), and a 5-year smoothing method for recognizing investment gains and losses in the actuarial value of assets.</p> <p>In the past several years, the Board has followed its current funding policy and the State has complied in its contributions to the plan. Therefore, if past practice is continued, the appropriations will be sufficient to fully fund the plan within 20 to 30 years. In the past, deterministic projections have shown the actuarially determined contribution rate to reach a peak of 10.9% which is slightly below the current rate. As a result, it is presumed that the projected plan assets will be sufficient to cover the future benefit payments for current members and a detailed projection of plan assets and cash flows has not been prepared.</p>

NOTE F: RETIREMENT PLAN (continued)

Sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate

The following presents the Housing Authority's proportionate share of the net pension liability calculated using the discount rate of 6.75%, as well as what the Authority's proportionate share of the net position liability would be if it were calculated using a discount rate that is 1-percentage point lower (5.75%) or 1-percentage point higher (7.75%) than the current rate:

<u>1% Decrease (5.75%)</u>	<u>Discount rate (6.75%)</u>	<u>1% Increase (7.75%)</u>
\$650,790	\$413,420	\$215,480

Pension Expense

For the year ended June 30, 2019, the Housing Authority recognized pension expense of \$72,969, which includes the changes in the collective net pension liability, projected earnings on pension plan investments, and the amortization of deferred outflows of resources and deferred inflows of resources for the current period.

NOTE G: RISK MANAGEMENT

The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to, or destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters. The Housing Authority carries commercial insurance coverage to cover this risk. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Housing Authority. Settled claims have not exceeded this insurance coverage in any of the past three fiscal years.

NOTES TO THE SCHEDULE OF FEDERAL AWARDS

Basis of Accounting - - The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal grant activity of the Housing Authority under programs of the federal government for the year ended June 30, 2019. Expenditures reported on the Schedule are reported on the same basis of accounting as the basic financial statements, although the basis for determining when federal awards are expended is presented in accordance with the requirements of the Uniform Guidance, Audit of States, Local Governments, and Non-Profit Organizations. In addition, expenditures reported on the Schedule are recognized following the cost principles contained in Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), wherein certain types of expenditures are not allowable or are limited as to reimbursement. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of the financial statements.

Because the Schedule presents only a selected portion of the operations of the Housing Authority, it is not intended to and does not present the financial position, changes in net assets, or cash flows, if applicable, of the Housing Authority.

Indirect Cost Rate - - The Authority did not elect to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

REPORTS ON INTERNAL CONTROL AND COMPLIANCE

*Barry E. Gaudette, CPA, PC
731 S. Garfield Avenue
Traverse City, Michigan 49686*

**Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an
Audit of Financial Statements Performed in Accordance
with *Government Auditing Standards***

To the Board of Housing Commissioners
Vincennes Housing Authority
Vincennes, Indiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Vincennes Housing Authority, Indiana, as of and for the year ended June 30, 2019, and the related notes to the financial statements, which collectively comprise the Vincennes Housing Authority, Indiana's basic financial statements, and have issued our report thereon dated December 9, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Vincennes Housing Authority, Indiana's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Vincennes Housing Authority, Indiana's internal control. Accordingly, we do not express an opinion on the effectiveness of the Vincennes Housing Authority, Indiana's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Vincennes Housing Authority, Indiana's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report on Compliance for Each Major Program
and on Internal Control over Compliance Required by the Uniform Guidance**

To the Board of Housing Commissioners
Vincennes Housing Authority
Vincennes, Indiana

Report on Compliance for Each Major Federal Program

We have audited the Vincennes Housing Authority, Indiana's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Vincennes Housing Authority, Indiana's major federal programs for the year ended June 30, 2019. Vincennes Housing Authority, Indiana's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Vincennes Housing Authority, Indiana's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Vincennes Housing Authority, Indiana's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Vincennes Housing Authority, Indiana's compliance.

Opinion on Each Major Federal Program

In our opinion, the Vincennes Housing Authority, Indiana, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2019.

Report on Internal Control over Compliance

Management of the Vincennes Housing Authority, Indiana, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Vincennes Housing Authority, Indiana's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Vincennes Housing Authority, Indiana's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
