## INDEPENDENT ACCOUNTANT'S REVIEW REPORT

TO: THE OFFICIALS OF THE CLAY-OWEN SOLID WASTE  
MANAGEMENT DISTRICT, CLAY COUNTY, INDIANA

We have reviewed the accompanying financial statements of the Clay-Owen Solid Waste Management District (District), for the period of January 1, 2016 to December 31, 2019. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the District's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with a regulatory basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6); which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. This includes determining that the basis of accounting the District uses is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatements whether due to fraud or error.

### ***Accountant's Responsibility***

Our responsibility is to conduct the review engagement in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the prescribed basis of accounting described in Note 1. We believe that the results of our procedures provide a reasonable basis for our conclusion.

***Accountant's Conclusion***

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the prescribed basis of accounting described in Note 1.

***Basis of Accounting***

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

CLAY-OWEN SOLID WASTE MANAGEMENT DISTRICT  
NOTES TO FINANCIAL STATEMENTS

**Note 1. Summary of Significant Accounting Policies**

**A. Reporting Entity**

The District was established under the laws of the State of Indiana. The District operates under a governing board.

The accompanying financial statements present the financial information for the District.

**B. Basis of Accounting**

The financial statements are reported on a regulatory basis of accounting prescribed by the Indiana State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting involves the reporting of only cash and investments and the changes therein resulting from cash inflows (receipts) and cash outflows (disbursements) reported in the period in which they occurred.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America, in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

**C. Cash and Investments**

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

**D. Receipts**

Receipts are presented in the aggregate on the face of the financial statements. The aggregate receipts include the following sources:

*Other receipts.* Amounts received from various sources, including, but not limited to, the following: net proceeds from borrowings; interfund loan activity; transfers authorized by statute, ordinance, resolution, or court order; internal service receipts; and fiduciary receipts.

**E. Disbursements**

Disbursements are presented in the aggregate on the face of the financial statements. The aggregate disbursements include the following uses:

*Supplies.* Amounts disbursed for articles and commodities that are entirely consumed and materially altered when used and/or show rapid depreciation after use for a short period of time. Examples of supplies include, but are not limited to, the following: office supplies, operating supplies, and repair and maintenance supplies.

*Other services and charges.* Amounts disbursed for services including, but not limited to, the following: professional services, communication and transportation, printing and advertising, insurance, utility services, repairs and maintenance, and rental charges.

CLAY-OWEN SOLID WASTE MANAGEMENT DISTRICT  
NOTES TO FINANCIAL STATEMENTS  
(Continued)

*Other disbursements.* Amounts disbursed for various other purposes including, but not limited to, the following: interfund loan payments; loans made to other funds; internal service disbursements; and transfers out that are authorized by statute, ordinance, resolution, or court order.

**Note 2. Budgets**

The operating budget is initially prepared and approved at the local level. The fiscal officer of the District submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

**Note 3. Deposits and Investments**

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana, at year end, should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the District to invest in securities including, but not limited to, the following: federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

**Note 4. Risk Management**

The District may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job-related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third-party. The establishment of a self-insurance fund allows the District to set aside money for claim settlements. The self-insurance fund would be included in the financial statements. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

**Note 5. Subsequent Events**

Owen County Commissioners passed a resolution on March 9, 2020, authorizing the withdrawal from the District and to dissolve the District. As of July 29, 2020, the withdrawal agreement had not been signed by Clay County.

CLAY-OWEN SOLID WASTE MANAGEMENT DISTRICT  
REVIEW RESULTS AND COMMENTS

***ADOPTION OF AND TRAINING ON INTERNAL CONTROL STANDARDS***

*Condition and Context*

The District had not adopted the minimum level of internal controls as required by statute. The District also had not provided the required training on internal control standards to appropriate personnel.

*Criteria*

Indiana 5-11-1-27(g) states:

"After June 30, 2016, the legislative body of a political subdivision shall ensure that:

- (1) the internal control standards and procedures developed under subsection (e) are adopted by the political subdivision; and
- (2) personnel receive training concerning the internal control standards and procedures adopted by the political subdivision."

***CERTIFICATION ON INTERNAL CONTROL STANDARDS***

*Condition and Context*

The District incorrectly certified, in the Indiana Gateway for Government Units financial reporting system, that the District had adopted internal control standards and trained appropriate personnel on the internal control standards.

REVIEW RESULTS AND COMMENTS  
(Continued)

*Criteria*

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every municipality and every state or local governmental unit, entity, or instrumentality financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

**ANNUAL FINANCIAL REPORT**

A similar comment also appeared in prior Report B47110.

*Condition and Context*

The District incorrectly submitted the financial information for 2016, 2017, 2018, and 2019, with no activity for the Annual Financial Report (AFR) entered into the Indiana Gateway for Government Units financial reporting system, which was the source of the financial statements. In July 2020, the District made corrections to the AFR to accurately reflect the financial activity during the audit period.

*Criteria*

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every municipality and every state or local governmental unit, entity, or instrumentality financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

CLAY-OWEN SOLID WASTE MANAGEMENT DISTRICT  
EXIT CONFERENCE

The contents of this report were discussed on August 27, 2020, with Debra James, Fiscal Officer, and Paul R. Sinderson, District Board member.
