Board of Directors
Housing Authority of the City of Crawfordsville
220 E. Main Street
Crawfordsville, IN 47933

We have reviewed the audit report for the Housing Authority of the City of Crawfordsville, which was opined upon by Goldie Roberts, CPA, Independent Public Accountant, for the period July 1, 2019 to June 30, 2020. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of the Housing Authority of the City of Crawfordsville, as of June 30, 2020 and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, the audit report was prepared in accordance with the guidelines established by the State Board of Accounts.

The audit report is filed with this letter in our office as a matter of public record.

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of the City of Crawfordsville
220 East Main Street, PO Box 421
Crawfordsville, IN 47933

Report on the Financial Statements

I have audited the accompanying financial statements of the Housing Authority of the City of Crawfordsville ("the Authority") which comprise the Statement of Net Position as of June 30, 2020, and the related Statements of Revenues, Expenses and Changes in Fund Net Position, and Cash Flows for the year then ended, and the related Notes to the Financial Statements, which collectively comprise the Housing Authority of the City of Crawfordsville's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the City of Crawfordsville as of June 30, 2020, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages i through vi be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the financial statements, and other knowledge I obtained during my audit of the financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

My audit was conducted for the purpose of forming an opinion on the Authority's financial statements as a whole. The accompanying Financial Data Schedule, Schedule of Expenditures of Federal Awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards*, and the other supplemental information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

In regard to, the Financial Data Schedule, Schedule of Expenditures of Federal Awards, and the other supplemental information as listed in the table of contents, such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Financial Data Schedule, Schedule of Expenditures of Federal Awards, and the other supplemental information as listed in the table of contents is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated December 15, 2020 on my consideration of the Housing Authority of the City of Crawfordsville's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the City of Crawfordsville's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2020

This section of the HOUSING AUTHORITY OF THE CITY OF CRAWFORDSVILLE ("the Authority") annual financial report presents our management's discussion and analysis of the Authority's financial performance during the fiscal year ended on June 30, 2020. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. Please read and consider the information presented in conjunction with the financial statements as a whole.

For accounting purposes, the Housing Authority is classified as an enterprise fund. Enterprise funds account for activities similar to those found in the private business sector, where the determination of net income is necessary or useful to sound financial administration. Enterprise funds are reported using the full accrual method of accounting in which all assets, all deferred outflows of resources, all liabilities, and all deferred inflows of resources, associated with the operation of these funds are included on the Statement of Net Position. The focus of enterprise funds is on income measurement, which, together with the maintenance of equity, is an important financial indication.

FINANCIAL HIGHLIGHTS

- The term "net position" refers to the difference between assets plus deferred outflows of resources less liabilities and deferred inflows of resources. The Authority's total net position as of June 30, 2020 was \$111,340. The net position increased by \$23,345, an increase of 26.5% over the prior year.
- Revenues for the Authority were \$2,396,440 for the year ended June 30, 2020. This was a decrease of \$200,853 or 7.7% from the prior year.
- Expenses for the Authority were \$2,373,095 for the year ended June 30, 2020. This was a decrease of \$189,287 or 7.4% from the prior year.
- Federal operating grants for the Authority was \$2,365,123 for the year ended June 30, 2020. This was a decrease of \$215,268 or 8.3% from the prior year.

OVERVIEW OF THE FINANCIAL STATEMENTS

This annual report includes this *Management Discussion and Analysis* report, the *Basic Financial Statements* and the *Notes to the Financial Statements*. The Authority's financial statements are presented as fund level financial statements because the Authority only has proprietary funds.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Required Financial Statements

The financial statements of the Housing Authority report information of the Authority using accounting methods similar to those used by private sector companies. These statements offer short- and long-term financial information about its activities. The Statement of Net Position includes all the Authority's assets, deferred outflows of resources, liabilities, and deferred inflows of resources and provides information about the nature and amounts of investments in resources (assets and deferred outflows of resources) and obligations of the Authority creditors (liabilities and deferred inflows of resources). It also provides the basis for evaluating the capital structure of the Authority and assessing the liquidity and financial flexibility of the Authority.

All of the current year's revenues and expenses are accounted for in the Statement of Revenues, Expenses, and Changes in Fund Net Position. This statement measures the success of the Authority's operations over the past year and can be used to determine whether the Authority has successfully recovered all its costs through its user fees and other charges, profitability and credit worthiness.

The final required financial statement is the Statement of Cash Flows. The statement reports cash receipts, cash payments, and net changes in cash resulting from operations, investing and financing activities and provides answers to such questions as where did cash come from, what was cash used for, and what was the change in the cash balance during the reporting period.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the basic financial statements and provide more detailed data.

HUD Reporting

HUD has established *Uniform Financial Reporting Standards* that require Housing Authority's to submit financial information electronically to HUD using the FDS format. This financial information was electronically transmitted to the Real Estate Assessment Center (REAC) for the year ended June 30, 2020 and is required to be included in the audit reporting package.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2020

FINANCIAL ANALYSIS

Net position may serve, over time, as a useful indicator of a government's financial position. As stated in the table below, assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$111,340 at the close of the year ended June 30, 2020, up from \$87,995 in fiscal year 2019. The increase in net position of \$23,345 was due to the reasons noted below.

- Current assets include cash, receivables, and prepaid expenses. Of the \$67,132 increase in this category, cash increased \$66,925, receivables decreased \$646, and prepaid expenses increased \$853.
- Capital assets increased \$1,889 because current year capital asset additions exceeded current year depreciation expense. Change in capital assets is explained in section titled "Capital Assets" of this analysis.
- Current liabilities increased \$45,675 mostly due to an increase in unearned revenue of \$32,552 and an increase in accounts payable of \$9,281. The Authority also had an increase in accounts payable due to HUD of \$5,200, which was partially offset by a decrease in current portion of accrued compensated absences of \$2,404.
- Noncurrent liabilities increased \$1 from FY 2018.

MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2020

FINANCIAL ANALYSIS (CONTINUED)

The unrestricted net position was \$67,549 as of June 30, 2020. This amount may be used to meet the Authority's ongoing obligations. The Authority has sufficient funds to meet requirements for cash outlays for three months. The restricted net position was \$34,329 as of June 30, 2020. This amount may only be used for housing assistance payments in the Housing Choice Voucher program. At the end of the current fiscal year, the Authority is able to report positive balances in all categories of net position. The same situation held true for the prior fiscal year.

While the Statement of Net Position shows the change in financial position of net position, the Statements of Revenues, Expenses, and Changes in Net Position provides answers as to the nature and source of these changes.

As can be seen in the table on the following page, total revenues decreased \$200,853 due to the reasons noted below.

- Federal operating grants decreased \$215,268 primarily due to a \$227,740 decrease in funding for the Section 8 Housing Choice Voucher program. The Authority also had a \$6,668 decrease in funding for the Mainstream Voucher program. This was partially offset by a \$19,140 increase in funding from Section 8 CARES Act funds.
- Interest income increased \$45 from FY 2019.
- Other income increased \$14,370 from FY 2019 mainly due to a \$15,290 increase in revenue from fraud recoveries.

Total expenses decreased \$189,287 due to the reasons noted below.

- Administrative expense decreased \$15,434 or 6.7% from FY 2019 primarily due to a decrease in administrative salaries and benefits of \$12,478 or 8.2%. The Authority also had a \$5,604 decrease in auditing fees, which was partially offset by a \$2,652 increase in advertising expenses.
- The Authority had tenant service expense of \$14,295 in FY 2020 for COVID related expenditures.
- General expense increased \$1,760 or 15.2% from FY 2019 mainly due to a \$2,121 increase in expense for compensated absences. This was partially offset by a \$389 decrease in other general expenses.
- The Authority had a \$560 or 23.4% increase in Depreciation, which is the write-off of capital assets over their estimated useful life.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2020

NOTE A - Summary of Significant Accounting Policies:

The financial statements of the HOUSING AUTHORITY OF THE CITY OF CRAWFORDSVILLE ("the Authority") have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Government Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The HOUSING AUTHORITY OF THE CITY OF CRAWFORDSVILLE is a political subdivision both corporate and politic and was established under the provision of Indiana Statutes, to provide adequate housing at rents which persons of low-income can afford in areas where there exists a shortage. To accomplish this purpose, the Authority has entered into an annual contributions contract with the U.S. Department of Housing and Urban Development (HUD) to be the Administrator of a Section 8 Program (Contract No. IN-047).

Reporting Entity

The entity is a public corporation, legally separate, fiscally independent, and governed by the Board of Commissioners. As required by generally accepted accounting principles, these financial statements present the financial position and results of operations of the Housing Authority of the City of Crawfordsville, a primary government. There are no component units to be included herewith, but this report does include all programs which are controlled by the entity's governing body.

The financial statements of the HOUSING AUTHORITY OF THE CITY OF CRAWFORDSVILLE include the following:

The authority had 497 units in management at June 30, 2020:

<u>Project</u>	<u>Units</u>
Section 8 Vouchers	477
Mainstream Vouchers	20

Basis of Presentation and Accounting: In accordance with uniform financial reporting standards for HUD housing programs, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP) as applicable to special purpose governments engaged only in business type activities.

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets, deferred outflow of resources, liabilities, and deferred inflow of resources are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Fund Net Position present increases (revenues) and decreases (expenses) in net position. Under the Accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

HOUSING AUTHORITY OF THE CITY OF CRAWFORDSVILLE
Crawfordsville, Indiana

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2020
(Continued)

NOTE A - Summary of Significant Accounting Policies: (Continued)

This special purpose government engaged in activities similar to business activities uses an enterprise fund to account for those operations that are financed and operated in a manner similar to private business, or where the Board has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability. The intent of the governing body is that the costs (expenses including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through user charges.

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following net position categories:

Investment in Capital Assets: Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets. The Authority has no debt.

Restricted: Net position whose use by the Authority is subject to externally imposed stipulations that can be fulfilled by actions of the Authority pursuant to those stipulations or that expire by the passage of time. Such assets include assets restricted for capital acquisitions and debt service.

Unrestricted: Net position that are not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Authority Board or may otherwise be limited by contractual agreements with outside parties.

Accounting Policies - The financial statements of the Authority have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units. The Government Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles.

Use of Enterprise Accounting - The Authority presents its financial statements using enterprise accounting, as allowed by governments. Although the Authority accounts for its programs using accounts for its internal reporting, the Authority is considered to be a unified enterprise fund for reporting purposes. Accordingly, the Authority uses the economic resources measurement focus and the related accrual basis of accounting. Under the economic resources measurement focus, the Authority accounts for all assets and liabilities. Under the accrual basis of accounting expenses are recorded when the goods and services are received, irrespective of when paid for, and revenues are recorded as earned, irrespective of when cash is received.

NOTE A - Summary of Significant Accounting Policies: (Continued)

Budgets - Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle.

Budget compared to actual presentation has been omitted because the Authority does not annually adopt a legally authorized budget. The Authority's budget is adopted by the Authority's board. This budget does not represent an appropriated budget that has been signed into law or a non appropriated budget authorized by constitution. The Authority's budget represents budgetary execution and management by its board; therefore, budgetary data and presentation is not required.

Cash and Cash Equivalents - Deposits consist of Checking and Savings accounts and Certificate of Deposit and are stated at fair value. Deposits are fully collateralized or vested in securities of the United States Government and are identified specifically in the name of the Authority. Certificates of deposit that are redeemable immediately with little or no penalty are considered cash equivalents.

For the purpose of the Statement of Cash Flows, the Authority considers all highly liquid deposits (including restricted assets) with a maturity of three months or less when purchased and non negotiable Certificates of Deposit to be cash equivalents. There were no non cash investing, non capital, capital and financing activities during the year.

State statutes authorize the Housing Authority to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restriction apply to all investments made by political subdivisions.

Tenant Receivables - Receivables (if any) for rentals and service charges are reported at net of an allowance for doubtful accounts. The Authority board takes monthly action as required to write off specific uncollectible accounts receivable balances.

Prepaid - Prepays represent payments made to vendors for services that will benefit beyond June 30, 2020.

Inventories - Inventories (if any) are valued at cost, which approximates market value, using the first-in/first/out (FIFO) method. The consumption method is applied and expense is charged when inventory items are used for the units.

NOTE A - Summary of Significant Accounting Policies: (Continued)

Capital Assets - Capital assets purchased are capitalized at the time of purchase. Such assets are recorded at cost. Donated assets are recorded at fair market value at the date of donation. Because developments and major capital repairs or improvements are financed through cash advances from HUD, there are no capitalized interest costs in current programs. The Authority's policy is to capitalize assets costing \$250 or more.

Depreciation of property and equipment is computed by the straight-line method based upon the estimated useful lives of the assets as follows:

<u>Class</u>	<u>Life</u>
Buildings and improvements	10-40 years
Maintenance and Office equipment	5-10 years

Compensated Absences - Compensated absences (if any) are those absences for which employees will be paid, such as vacation and sick leave. A liability for compensated absences that is attributable to services already rendered and that are not contingent on a specific event that is outside the control of the Authority and its employees, is accrued as employees earn the rights to the benefits. Compensated absences that relate to future services or that are contingent on a specific event that is outside the control of the Authority and its employees, are accounted for in the period in which such services are rendered or in which such events take place.

Operating Revenues and Expenses - Operating revenues and expenses generally result from providing and producing goods and/or services in connection with providing low income housing programs. Operating expenses include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Restricted Assets - When both restricted and unrestricted resources are available for use, it is the Authority's policy to use unrestricted resources first, and then restricted resources as they are allowed.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Deposits, Cash and Cash Equivalents:

1. HUD Deposit Restrictions

HUD requires Authorities to invest excess HUD program funds in obligations of the United States, certificates of deposit or any other federally insured instruments.

HUD also requires that deposits of HUD program funds be fully insured or collateralized at all times. Acceptable security includes FDIC/FSLIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

2. Risk Disclosures

A. **Interest Rate Risk:** As a means of limiting its exposure to fair value losses arising from rising interest rates, the Authority's investment policy limits the Authority's investment portfolio to maturities not to exceed two years at time of purchase. At June 30, 2020, the Authority's deposits and investments were not limited and all of which are either available on demand or have maturities of less than two years.

B. **Credit Risk:** This is a risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The Authority's investment policy is that none of its total portfolio may be invested in securities of any single issuer, other than the US Government, its agencies and instrumentalities.

C. **Custodial Credit Risk:** This is the risk that in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are held by the counterparty. All of the Authority's investments in securities are held in the name of the Authority. The Authority's custodial agreement policy prohibits counterparties holding securities not in the Authority's name.

Deposits made in accordance with state statute (Indiana Code 5-13) with financial institutions in the State of Indiana should be covered to the extent not cover by insurance of any federal deposit insurance agency.

The carrying amounts of the Authority's cash deposits were \$ 135,448 at June 30, 2020. Bank balances before reconciling items were \$ 138,017 at that date, the total amount of which was collateralized or insured with securities held by an unaffiliated banking institution in the Authority's name.

Deposits consist of the following:

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2020

(Continued)

NOTE K - Commitments and Contingencies: (continued)

Grant Disallowances: Amounts received or receivable from HUD are subject to audit and adjustment by HUD. Any disallowed claims, including amounts already collected, may constitute a liability of the Authority. The amounts, if any, of expenses which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

NOTE L - Risk Management:

The Authority is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority carries commercial insurance coverage for these risks to the extent deemed prudent by Authority management which includes public officials, workman's compensation, and auto insurance. Settled claims have not exceeded this commercial coverage in any of the past 3 years.

NOTE M - Economic Dependency:

The Authority receives approximately 99% of its revenues from HUD. If the amount of revenues received from HUD falls below critical levels, the Authority's operations could be adversely affected.

NOTE N - Subsequent Events:

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated the activity of the Authority through December 15, 2020 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

NOTES TO SUPPLEMENTAL FINANCIAL INFORMATION
FOR THE YEAR ENDED JUNE 30, 2020

NOTE A - Financial Data Schedule:

As required by HUD, the Authority prepares its financial data schedule in accordance with HUD requirements in a prescribed format. The schedule's format excludes depreciation expense and extraordinary maintenance expense from operating activities, includes investment revenue and HUD capital grants in operating activities, and reflects tenant revenue and bad debt expense separately, which differs from the presentation of the financial statements.

Notes to Schedule of Expenditures of Federal Awards

Note 1 Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Housing Authority of the City of Crawfordsville under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Housing Authority of the City of Crawfordsville, it is not intended to and does not present the financial position, changes in net position or cash flow of Housing Authority of the City of Crawfordsville.

Note 2 Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting as described in Note A. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The Housing Authority of the City of Crawfordsville has not elected to use the 10-percent de minimis indirect cost rate as allowed under Uniform Guidance.

Report On Internal Control Over Financial Reporting and on Compliance and Other Matters Based On An Audit Of Financial Statements Performed In Accordance With *Government Auditing Standards*

Independent Auditor's Report

Board of Commissioners
Housing Authority of the City of Crawfordsville
220 East Main Street, PO Box 421
Crawfordsville, IN 47933

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing Authority of the City of Crawfordsville, as of and for the year ended June 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Crawfordsville's basic financial statements and have issued my report thereon dated December 15, 2020.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Housing Authority of the City of Crawfordsville's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Crawfordsville's internal control. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of the City of Crawfordsville's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Crawfordsville's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance

with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose Of This Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance For Each Major Federal Program; Report on Internal Control Over
Compliance Required by Uniform Guidance

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of the City of Crawfordsville
220 East Main Street, PO Box 421
Crawfordsville, IN 47933

Report on Compliance for Each Major Federal Program

I have audited the Housing Authority of the City of Crawfordsville's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Housing Authority of the City of Crawfordsville's major federal programs for the year ended June 30, 2020. The Housing Authority of the City of Crawfordsville's major federal programs are identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the federal statues, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

My responsibility is to express an opinion on compliance with each of the Housing Authority of the City of Crawfordsville's major federal programs based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority of the City of Crawfordsville's compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination of the Housing Authority of the City of Crawfordsville's compliance.

Opinion on Each Major Federal Program

In my opinion, the Housing Authority of the City of Crawfordsville, complied in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the Housing Authority of the City of Crawfordsville is responsible for establishing and maintaining effective internal control over the type of compliance requirements referred to above. In planning and performing my audit of compliance, I considered the Housing Authority of the City of Crawfordsville's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of the City of Crawfordsville's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that a material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. I did not identify any deficiencies in internal control over compliance that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of my testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
