Report on the Financial Statements

We have audited the accompanying financial statements of Indiana Resource Center for Families With Special Needs, Inc., which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Indiana Resource Center for Families With Special Needs, Inc. as of June 30, 2020 and 2019,

and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and *Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Government Sources* issued by the Indiana State Board of Accounts, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 18, 2021 on our consideration of Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting and compliance.

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2020 and 2019

NOTE 1. NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization:

Indiana Resource Center for Families with Special Needs, Inc., doing business as In*Source, (the Organization, we, us, our) is an Indiana nonprofit corporation that administers programs designed to gather and disseminate information on education services for the handicapped, to cooperate with public and private agencies in increasing educational opportunities for the handicapped, and to counsel parents of handicapped persons so as to enable their children to reach their fullest potential as persons and citizens. Our operations are supported primarily by awards from governmental agencies.

Significant Accounting Policies:

Use of Estimates:

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Such estimates primarily related to unsettled transactions and events as of the date of the financial statements. Accordingly, upon settlement, actual results may differ from estimated amounts. Significant estimates used in the accompanying financial statements include:

- Revenue recognized from government-funded grants and contracts. We earn revenue from awards that are governed by federal and State cost principles and other administrative and programmatic regulations and are subject to audit by regulatory authorities. It is at least reasonably possible that revenue earned under such awards will be adjusted upon audit.
- The allocation of expenses among functions. Expenses that are directly identifiable with functions are charged to those functions. Expenses related to more than one function are allocated to functions based on estimates of employee time spent on functions, space used by function, and other factors driving costs.

Net Asset Classes:

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

- *Net assets without donor restrictions* – Net assets available for use in general operations and not subject to donor restrictions.
- *Net assets with donor restrictions* – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity; however, to date we not received any such net assets. Donor-imposed restrictions are released when a restriction expires; that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2020 and 2019

restricted has been fulfilled, or both. We had no net assets with donor restrictions at either June 30, 2020 or 2019.

Cash and Cash Equivalents:

We consider highly liquid financial instruments with original maturities of three months or less and that are neither held for nor restricted by donors for long-term purposes to be cash and cash equivalents.

Grants and Contracts Receivable:

Unconditional promises to give (grants and contracts receivable) that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value, using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in revenue in the statements of activities. The allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written-off when deemed uncollectable.

Property and Equipment:

Property and equipment is recorded at cost, if purchased, or at fair value at the date of donation, if donated. Depreciation is computed by the straight-line method over the estimated useful life of the assets, generally from three to five years.

Revenue and Revenue Recognition:

As discussed later in this note, effective July 1, 2019, we adopted new revenue recognition guidance for contracts with customers using the modified retrospective transition method, applying the guidance to contracts with customers that were not substantially complete at that date.

Contributions and grants:

Contributions and grants are recognized as revenue when cash, securities or other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional contributions are not recognized as revenue until the conditions on which they depend have been substantially met. Amounts received from conditional contributions are reported as refundable grant advances in the statement of financial position until the conditions are satisfied.

Revenue from cost-reimbursable and fee-for-service awards are recognized as revenue when allowable expenditures are incurred or allowable services are performed. Amounts received in advance of incurring allowable costs or performing allowable services are reported as refundable grant advances in the statement of financial position.

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.
NOTES TO FINANCIAL STATEMENTS
June 30, 2020 and 2019

Contributions and grants expected to be collected within one year are recorded at net realizable value. Contributions and grants expected to be collected in more than one year are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using interest rates applicable to the periods in which the promises are received. Amortization of the discounts is included in contributions revenues.

We consider all contributions to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or are restricted by the donor for specific purposes are reported as net assets with donor restrictions.

Donated marketable securities and other non-cash donations are recorded as contributions at their fair values at the date of donation. Contributions of services that create or enhance non-financial assets or that require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated, are recorded at their fair value in the period received. No amounts for contributed services were recognized in the accompanying financial statements; however, a substantial number of unpaid volunteers make significant contributions of their time to us that do not meet the requirements to be recognized in the financial statements.

Functional Allocation of Expenses:

The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function and report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include personnel, insurance, communications, office supplies, equipment maintenance, and others, which are allocated on the basis of estimates of time and effort or other factors driving expenses.

Income Taxes:

We are exempt from income tax under Internal Revenue Code Section 501(c)(3) and a similar section of the Indiana Code, except for taxes on unrelated business income. Consequently, the accompanying financial statements generally contain no provision for income taxes. The Internal Revenue Service classifies the Organization as other than a private foundation under Internal Revenue Code Section 509(a)(1).

We recognize the tax benefit from an uncertain tax position only if it is more likely than not that the position will be sustained on examination by taxing authorities based on the technical merits of the position. The tax benefits recognized in the financial statements from such a position are measured based on the largest benefit that has a greater than 50% likelihood of being realized upon ultimate settlement. Examples of tax positions include our tax-exempt status and positions related to the potential sources of unrelated business taxable income. Management has not identified any uncertain tax positions taken or expected to be taken in a tax return, and there are no unrecognized tax benefits recorded as liabilities in the accompanying financial statements. We classify interest and penalties, if any, associated with uncertain tax positions as a component of income tax expense. There was no accrued interest or penalties related to unrecognized tax benefits at either June 30, 2020 or 2019, or any interest

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.

NOTES TO FINANCIAL STATEMENTS

or penalties expense related to unrecognized tax benefits for the years then ended. We are no longer subject to examination by the Internal Revenue Service or the State of Indiana for periods ended prior to June 30, 2017.

Recent Accounting Pronouncements and Accounting Changes:

Effective July 1, 2019, we adopted the provisions of Accounting Standards Update 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which superseded most revenue recognition guidance as well as certain cost recognition guidance. That update, together with other clarifying updates, requires that the recognition of revenue for the transfer of goods or services to customers reflect the consideration to which the entity expects to be entitled in exchange for those goods or services. The update also requires additional qualitative and quantitative disclosures about the nature, amount, timing, and uncertainty of revenues and cash flows arising from customer contracts, including significant judgments and changes in judgments and information about contract balances and performance obligations.

We adopted the new revenue recognition guidance using the modified retrospective method for contracts not substantially complete at July 1, 2019. However, we determined that there was no material difference between revenue previously reported from such contracts and revenue determined under the new guidance, and so no cumulative adjustment has been made to net assets at July 1, 2019. The effect on the 2019 financial statements of adopting the new guidance was not material.

Effective July 1, 2019, we also adopted the provisions of ASU 2018-08, *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, which provides guidance for distinguishing between contributions and exchange transactions and between conditional and unconditional contributions. Under that standard, any changes are applied only to that portion of revenue not yet recognized at July 1, 2019 and no prior period results are restated and no cumulative-effect adjustment is made to net assets at July 1, 2019. We determined that there was no material difference between revenue previously reported from contributions and revenue determined under the new guidance.

Subsequent Events Information:

The date through which events occurring subsequent to June 30, 2020 have been evaluated for possible adjustment to the financial statements or disclosure is February 18, 2021, date on which the financial statements were available to be issued.

NOTE 2. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure (that is, without donor or other restrictions limiting their use) within one year of June 30, 2020 and 2019 are as follows:

	<u>2020</u>	<u>2019</u>
Cash and cash equivalents	\$ 71,153	\$ 671
Grants and contracts receivable	98,643	200,085
<i>Total financial assets available for general expenditure</i>	<u>\$ 169,796</u>	<u>\$ 200,756</u>

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

As part of our liquidity management, we have a policy to structure our financial assets to be available as our general expenditures, liabilities, and other obligations come due. In addition, as discussed in Note 5, we have available a \$300,000 bank line of credit.

NOTE 3. GRANTS AND CONTRACTS RECEIVABLE

Grants and contracts receivable at both June 30, 2020 and 2019 consist of amounts unconditionally promised to us for various programs. All amounts are expected to be collected in the next year, and no allowance for doubtful accounts is considered necessary. In addition, at June 30, 2020, we had also received approximately \$1,800,000 in conditional promises to give in excess of allowable costs incurred under cost-reimbursement grants. Such promises will be recognized as revenue if and when allowable costs are incurred.

NOTE 4. PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30, 2020 and 2019, respectively:

	<u>2020</u>	<u>2019</u>
Equipment	\$ 84,129	\$ 84,129
Less accumulated depreciation	<u>(81,515)</u>	<u>(71,088)</u>
<i>Net property and equipment</i>	<u>\$ 2,614</u>	<u>\$ 13,041</u>

NOTE 5. NOTE PAYABLE, BANK

Note payable, bank, with balances of \$-0- and \$68,600 at June 30, 2020 and 2019, respectively, represent borrowings on a \$300,000 bank line of credit that expires in June 2021. The line bears interest at 100 basis points over Wall Street Journal Prime and is secured by all of our business assets. The interest rate in effect at June 30, 2020 was 3.25%.

NOTE 6. LEASE INFORMATION

We lease certain equipment under a capital lease requiring monthly payments of \$901 through September 2020. The asset and liability under that lease were recorded at the lower of the present value of the minimum lease payments or the fair value of the asset. The asset is being amortized over the lesser of the related lease term or the estimated useful life. Amortization of the capital-leased asset included in depreciation expense was \$8,677 for both the years ended June 30, 2020 and 2019. The net book value of the capital-leased asset is as follows at June 30, 2020 and 2019, respectively:

	<u>2020</u>	<u>2019</u>
Gross cost of asset	\$ 43,387	\$ 43,387

NOTES TO FINANCIAL STATEMENTS

June 30, 2020 and 2019

Total minimum future rental payments due under this lease at June 30, 2020 are \$2,703, all of which are due in the next year. The obligation under capital lease of \$2,663 and \$12,736 at June 30, 2020 and 2019, respectively, is net of imputed interest of \$40 and \$777, respectively.

We also lease office facilities under an operating lease that expired in June 2020 and which has continued since then on a month-to-month basis. Total rent expense under the operating lease and other short-term leases was \$35,600 and \$33,975 for the years ended June 30, 2020 and 2019, respectively.

NOTE 7. RETIREMENT PLAN

We maintain a defined-contribution retirement plan that covers substantially all of our full-time employees. Retirement expense was \$67,484 and \$65,179 for the years ended June 30, 2020 and 2019, respectively.

NOTE 8. CONCENTRATIONS

Our contributors and activities are concentrated in Indiana. Accordingly, our contributions and other sources of support and revenue may be affected by conditions in that area. In addition, of total revenues for the year ended June 30, 2020, approximately 77% was earned from one state grant and approximately 20% was earned from one federal grant. Of total revenues for the year ended June 30, 2019, approximately 79% was earned from two state grants and approximately 19% was earned from one federal grant.

Financial instruments that expose us to concentrations of credit risk consist primarily of grants receivable. At June 30, 2020, of total grants receivable, approximately 71% and 18%, respectively, was due from Indiana Department of Education and U. S. Department of Education. At June 30, 2019, of total grants receivable, approximately 87% was due from Indiana Department of Education.

NOTE 9. UNCERTAINTIES REGARDING PANDEMIC

In March 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a pandemic. On March 23, 2020 the Governor of Indiana declared a health emergency and issued an executive order that closed all nonessential businesses, ordered residents to stay-at-home, and placed restrictions on public gatherings until further notice. The order was lifted in May 2020, but has been largely reinstated since then. While our funding and operations have been relatively unaffected by the pandemic, the full scope of the related impact of the pandemic on our future operating results and cash flows cannot be reasonably estimated at this time.

INDIANA RESOURCE CENTER FOR FAMILIES WITH SPECIAL NEEDS, INC.
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
Year Ended June 30, 2020

NOTE 1. BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activities of Indiana Resource Center for Families with Special Needs, Inc. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (the Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Indiana Resource Center for Families with Special Needs, Inc., it is not intended to and does not present our financial position, changes in net assets, or cash flows of Indiana Resource Center for Families with Special Needs, Inc.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3. INDIRECT COST RATE

Indiana Resource Center for Families with Special Needs, Inc. has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors
Indiana Resource Center for Families With Special Needs, Inc.
South Bend, Indiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Indiana Resource Center for Families With Special Needs, Inc., which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated February 18, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Indiana Resource Center for Families With Special Needs, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Indiana Resource Center for Families With Special Needs, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Indiana Resource Center for Families With Special Needs, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND
ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
Indiana Resource Center for Families With Special Needs, Inc.
South Bend, Indiana

Report on Compliance for Each Major Federal Program

We have audited Indiana Resource Center for Families With Special Needs, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Indiana Resource Center for Families With Special Needs, Inc.'s major federal programs for the year ended June 30, 2020. Indiana Resource Center for Families With Special Needs, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Indiana Resource Center for Families With Special Needs, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Indiana Resource Center for Families With Special Needs, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Indiana Resource Center for Families With Special Needs, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Indiana Resource Center for Families With Special Needs, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control over Compliance

Management of Indiana Resource Center for Families With Special Needs, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Indiana Resource Center for Families With Special Needs, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Indiana Resource Center for Families With Special Needs, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
