Board of Commissioners
Housing Authority of the City of Rockport
PO Box 173
Rockport, IN 47635

We have reviewed the audit report of the Housing Authority of the City of Rockport, which was opined upon by Goldie Roberts, CPA, Independent Public Accountant, for the period October 1, 2019 to September 30, 2020. Per the *Independent Auditor's Report*, the financial statements included in the report present fairly the financial condition of the Housing Authority of the City of Rockport as of September 30, 2020, and the results of its operations for the period then ended, on the basis of accounting described in the report.

In our opinion, Goldie Roberts, CPA, prepared the audit report in accordance with the guidelines established by the State Board of Accounts.

The audit report is filed with this letter in our office as a matter of public record.

A handwritten signature in blue ink that reads "Paul D. Joyce".

INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Housing Authority of The City of Rockport
601 Washington Street
Rockport, Indiana

I have audited the accompanying financial statements of the Housing Authority of the City of Rockport ("the Authority") which comprise the Statement of Net Position as of September 30, 2020, and the related Statements of Revenues, Expenses and Changes in Fund Net Position, and Cash Flows for the year then ended, and the related Notes to the Financial Statements, which collectively comprise the Housing Authority of the City of Rockport's financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Housing Authority of the City of Rockport as of September 30, 2020, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages i through v and Schedule of the Proportionate Share of the Net Pension Liability and the Schedule of the Authority's Contributions on pages 20 through 21 be presented to supplement the financial statements. Such information, although not a part of the financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. I have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to my inquiries, the financial statements, and other knowledge I obtained during my audit of the financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

My audit was conducted for the purpose of forming an opinion on the Authority's financial statements as a whole. The accompanying Financial Data Schedule and the other supplemental information as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements.

In regard to, the Financial Data Schedule and the other supplemental information as listed in the table of contents, such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the Financial Data Schedule and the other supplemental information as listed in the table of contents is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated February 26, 2021 on my consideration of the Housing Authority of the City of Rockport's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Housing Authority of the City of Rockport's internal control over financial reporting and compliance.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana
MANAGEMENT DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020

The management of the Housing Authority of Rockport presents the following discussion and analysis of the Housing Authority's financial activities for the fiscal year ending 09/30/2020. This represents an overview of financial information. Please read this discussion and analysis in conjunction with the Authority's audited financial statements, which follows.

FINANCIAL HIGHLIGHTS

- The Housing Authority's assets exceeded its liabilities by \$1,392,048 at the close of the fiscal year ended 09/30/2020

Of this amount, \$60,363 of unrestricted assets may be used to meet the Housing Authority's ongoing obligations to citizens and creditors. This amount equals 15% of the total operating expenses for the fiscal year 2020, excluding depreciation, which means the Authority could operate about 2 months using the unrestricted assets alone.

The remainder of \$1,331,685 represents a restriction equal to the net amount invested in land, building, furnishings, leasehold improvements, equipment, and construction in progress.

- The Authority spent \$27,152 on capital assets additions and renovation construction in progress during the current fiscal year and purchased a lot for the future development.
- The Housing Authority continues to operate without the need for debt borrowing.

OVERVIEW OF THE FINANCIAL STATEMENTS

This MD&A is intended to serve as an introduction to the Housing Authority's basic financial statements. The Housing Authority is a special-purpose government engaged in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements, comprised of two components: (1) fund financial statements and (2) a series of notes to the financial statements. These provide information about the activities of the Housing Authority as a whole and present a longer-term view of the Housing Authority's finances. This report also contains other supplemental information in addition to the basic financial statements themselves demonstrating how projects funded by HUD have been completed.

REPORTING ON THE HOUSING AUTHORITY AS A WHOLE

One of the most important questions asked about the Authority's finances is, "is the Housing Authority as a whole better off, or worse off, as a result of the achievements of fiscal year 2020?" The Statement of Net Position and the Statement of Revenues, Expenses, and Changes in Net Position report information about the Housing Authority as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana
MANAGEMENT DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020
(Continued)

FUND FINANCIAL STATEMENTS

All of the funds of the Housing Authority are reported as proprietary funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Housing Authority, like other enterprises operated by state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. For reporting purposes all housing funds are reported in one housing enterprise fund.

The Housing Authority's financial statements report its net position and changes in them. One can think of the Housing Authority's net position – the difference between assets and liabilities – as one way to measure the Authority's financial health, or financial position. Over time, increases and decreases in the Authority's net other non-financial factors, however, such as the changes in the Authority's occupancy levels or its legal obligations to HUD, to assess the overall health of the Housing Authority.

USING THIS ANNUAL REPORT

The Housing Authority's annual report consists of financial statements that show combined information about the Housing Authority's most significant two programs, the Low Rent Housing Program and Public Housing Capital Fund Program.

The Housing Authority's auditors provided assurance in their independent auditors' report, located immediately preceding the MD&A, that the basic financial statements are fairly stated. The auditors provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditors' report carefully to determine the level of assurance provided for each of the other parts of the report.

REPORTING THE HOUSING AUTHORITY'S MOST SIGNIFICANT FUNDS

The Housing Authority's financial statements provide detailed information about the most significant programs. Some programs are required to be established by the Department of Housing and Urban Development (HUD). However, the Housing Authority establishes other programs to help it control and manage money for particular purposes, or to show that it is meeting legal responsibilities for using grants and other money.

The Housing Authority's enterprise funds use the following accounting approach or Proprietary funds: All of the Housing Authority's services are reported in enterprise funds. The focus of proprietary funds is on income measurement, which, together with the maintenance of net position, is an important financial indicator.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana
MANAGEMENT DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2020
(Continued)

Compared with the prior fiscal year, total operating revenues increased \$16,324, which was due to a \$83,416 increase in rental revenue and \$67,092 decrease in other tenant revenue. Federal funding decreased by \$26,138.

Compared with the prior fiscal year, total operating expenses increased \$41,837, which was mainly due to a \$50,153 increase in ordinary maintenance and operations. The Authority also had a \$27,047 increase in depreciation due to purchase of assets that went to the depreciation schedule and a \$1,493 decrease in utilities. This was partially offset by a \$7,560 decrease in general and other, and a \$8,318 decrease in administrative expense.

Another factor affecting the financial statement is recording of Net Pension Liability.

These changes led to an increase in Total Net Position to \$126,795. With these changes, there is still \$1.75 of current assets covering each dollar of liability.

Debt

Noncurrent liabilities at September 30, 2020, consist of the following:

	<u>6/30/19</u>	<u>Additions</u>	<u>Deletions</u>	<u>06/31/20</u>	<u>Due within one year</u>	<u>Total</u>
Accrued Compensated absences	\$ 6,000	\$ 4,222	\$ 0	\$ 10,222	\$ 3,805	\$ 14,027
Pension	<u>103,118</u>	<u>0</u>	<u>36,971</u>	<u>66,147</u>	<u>0</u>	<u>66,147</u>
Total	<u>\$ 109,118</u>	<u>\$ 4,222</u>	<u>\$ 36,971</u>	<u>\$ 76,369</u>	<u>\$ 3,805</u>	<u>\$ 80,174</u>

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by Federal budget than by local economic conditions. The capital budgets for September 30, 2020 fiscal year have already been submitted to HUD for approval and no major changes are expected.

The Capital fund programs are multiple year budgets and have remained relatively stable. Capital Funds are used for the modernization of public housing properties including administrative fees involved in the modernization.

CONTACTING THE HOUSING AUTHORITY'S FINANCIAL MANAGEMENT

Our financial report is designed to provide our citizens, investors, and creditors with a general overview of the Housing Authority's finances, and to show the Housing Authority's accountability or the money it receives. If you have questions about this report, or wish to request additional financial information, contact Angela Norris, Executive Director, Rockport Housing Authority, Box 173, Rockport, IN 47635.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

NOTE 1 - Summary of Significant Accounting Policies and Organization:

The Housing Authority of the City of Rockport was established by the City of Rockport pursuant to the laws of the State of Indiana, to transact business and to have powers as defined therein. The Housing Authority was established to provide low-rent housing for qualified individuals in accordance with the rules and regulations prescribed by the Department of Housing and Urban Development and other applicable Federal Agencies.

Reporting Entity - The entity is a political subdivision, legally separate, fiscally independent, and governed by the Board of Commissioners. As required by generally accepted accounting principles, these financial statements present the financial position and results of operations of the Housing Authority of the City of Rockport, a primary government. There are no component units to be included herewith, but this report does include all programs which are controlled by the entity's governing body.

The financial statements of the HOUSING AUTHORITY OF THE CITY OF ROCKPORT include Low-Income Public Housing under Annual Contributions Contract A-2855.

The authority had 144 units in management at September 30, 2020:

<u>Project</u>	<u>Units</u>
Authority owned	144

The authority was also administering Capital Fund Programs.

Basis of Presentation and Accounting: In accordance with uniform financial reporting standards for HUD housing programs, the financial statements are prepared in accordance with U.S. generally accepted accounting principles (GAAP) as applicable to special purpose governments engaged only in business type activities.

Proprietary funds are accounted for using the "economic resources" measurement focus and the accrual basis of accounting. Accordingly, all assets, deferred outflow of resources, liabilities, and deferred inflow of resources are included in the Statement of Net Position. The Statement of Revenues, Expenses and Changes in Net Position present increases (revenues) and decreases (expenses) in net position. Under the Accrual basis of accounting, revenues are recognized in the period in which they are earned while expenses are recognized in the period in which the liability is incurred.

This special purpose government engaged in activities similar to business activities uses an enterprise fund to account for those operations that are financed and operated in a manner similar to private business, or where the Board has decided that the determination of revenues earned, costs incurred, and/or net income is necessary for management accountability. The intent of the governing body is that the costs (expenses including depreciation) of providing services to the general public on a continuing basis be financed or recovered primarily through user charges.

Generally accepted accounting principles for state and local governments requires that resources be classified for accounting and reporting purposes into the following net position categories:

Investment in Capital Assets: Capital assets, net of accumulated depreciation and outstanding principal balances of debt attributable to the acquisition, construction or improvement of those assets.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
(Continued)

NOTE 1 - Summary of Significant Accounting Policies and Organization: (Continued)

Restricted: Net position whose use by the Authority is subject to externally imposed stipulations that can be fulfilled by actions of the Authority pursuant to those stipulations or that expire by the passage of time. Such assets include assets restricted for capital acquisitions and debt service.

Unrestricted: Net positions that are not subject to externally imposed stipulations. Unrestricted net position may be designated for specific purposes by action of management or the Authority Board or may otherwise be limited by contractual agreements with outside parties.

Budgets: Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. The capital fund budgets are adopted on a "project length" basis. Budgets are not, however, legally adopted nor legally required for financial statement presentation.

Cash and Cash Equivalents - Deposits consist of checking accounts, Money Market accounts and Certificates of deposit and are stated at fair value. Deposits are fully collateralized or vested in securities of the United States Government and are identified specifically in the name of the Authority.

For the purposes of the Statement of Cash Flows, the Authority considers all highly liquid cash deposits and cash equivalents with a maturity of three months or less when purchased to be cash equivalents. There were no noncash investing, capital, and financing activities during the year.

State statutes authorize the Housing Authority to invest in securities including, but not limited to, federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by political subdivisions.

Interprogram Receivables and Payables: Interprogram receivables/payables are all current, and are the result of the use of the Low Income Program as the common paymaster for shared costs of the Authority. Cash settlements are made periodically, and all interprogram balances net zero. Offsetting due to/due from balances is eliminated for the financial statement presentation.

Investments: Investments are recorded at fair value. Investment instruments consist only of items specifically approved for public housing agencies by HUD. Investments are either insured or collateralized using the dedicated method. Under the dedicated method of collateralization, all deposits and investments over the federal depository insurance coverage are collateralized with securities held by the Authority's agent through the State of Indiana's Collateralization Program. It is the Authority's policy that all funds on deposit are collateralized in accordance with both HUD requirements and requirements of the State of Indiana.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
(Continued)

NOTE 1 - Summary of Significant Accounting Policies and Organization: (Continued)

Inventories: Inventories (consisting of materials and supplies) are valued at cost using the first in, first out (FIFO) method. If inventory falls below cost due to damage, deterioration or obsolescence, the Authority establishes an allowance for obsolete inventory. In accordance with the consumption method, inventory is expensed when items are actually placed in service.

Prepaid Items: Payments made to vendors for goods or services that will benefit periods beyond the fiscal year end are recorded as prepaid items.

Restricted Assets: Certain assets may be classified as restricted assets on the balance sheet because their use is restricted by contracts or agreements with outside third parties and lending institutions.

Use of Estimates: The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Capital Assets:

a. Book Value: All purchased capital assets are valued at cost when historical records are available. When no historical records are available, capital assets are valued at estimated historical cost. Land values were derived from development closeout documentation.

Donated capital assets are recorded at their fair value at the time they are received. Donor imposed restrictions are deemed to expire as the asset depreciates.

All normal expenses of preparing an asset for use are capitalized when they meet or exceed the capitalization threshold.

b. Depreciation: The cost of buildings and equipment is depreciated over the estimated useful lives of the related assets using the straight-line method.

Depreciation commences on modernization and development additions in the year following completion.

The useful lives of buildings and equipment for purposes of computing depreciation are as follows:

Buildings & Improvements	10-25 years
Furniture, Equipment & Machinery	3-7 years

c. Maintenance and Repairs Expenditures: Maintenance and repairs expenditures are charged to operations when incurred. Betterments in excess of \$100 are capitalized. When buildings and equipment are sold or otherwise disposed of, the asset account and related accumulated depreciation account are relieved, and any gain or loss is included in operations.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
(Continued)

NOTE 1 - Summary of Significant Accounting Policies and Organization: (Continued)

Compensated Absences: Compensated absences are those absences for which employees will be paid, such as vacation and sick leave computed in accordance with *GASB Standards*. A liability for compensated absences that is attributable to services already rendered and that are not contingent on a specific event that is outside the control of the Authority and its employees, is accrued as employees earn the rights to the benefits. Compensated absences that relate to future services or that are contingent on a specific event that is outside the control of the Authority and its employees are accounted for in the period in which such services are rendered or in which such events take place.

Litigation Losses: The Authority recognizes estimated losses related to litigation in the period in which the occasion giving rise to the loss occurred the loss is probable and the loss is reasonably estimable.

Annual Contribution Contracts: Annual Contribution Contracts provide that HUD shall have the Authority to audit and examine the records of public housing authorities. Accordingly, final determination of the Authority's financing and contribution status for the Annual Contribution Contracts is the responsibility of HUD based upon financial reports submitted by the Authority.

Risk Management: The Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority carries commercial insurance for all property and equipment, employee health and accident insurance, general liability, fire and extended coverage, fidelity bond, automobile, and Director and Officers liability. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years. Additionally, there have been no significant reductions in insurance coverage from the prior year.

Operating Revenues and Expenses: Operating revenues and expenses generally result from providing and producing goods and/or services in connection with providing low income housing programs. Operating expenses include the cost of sales and services, administrative expenses and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

Restricted Assets: When both restricted and unrestricted resources are available for use, it is the Authorities policy to use unrestricted resources first, then restricted, as they are needed.

Leasing Activities (as Lessor): The Authority is the Lessor of dwelling units mainly to low-income residents. The rents under the leases are determined generally by the resident's income as adjusted for eligible deductions regulated by HUD, although the resident may opt for a flat rent. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.

Revenues associated with these leases are recorded in the financial statements and schedules as "Rental Revenue". Rental Revenue per dwelling unit generally remains consistent from year to year, but is affected by general economic conditions, which impact personal income such as local job availability.

(Continued)

NOTE 2 - Deposits, Cash and Cash Equivalents and Investments:

1. HUD Deposit Restrictions

HUD requires Authorities to invest excess HUD program funds in obligations of the United States, certificates of deposit or any other federally insured instruments.

HUD also requires that deposits of HUD program funds be fully insured or collateralized at all times. Acceptable security includes FDIC/FSLIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

2. Risk Disclosures

A. Interest Rate Risk: As a means of limiting its exposure to fair value losses arising from rising interest rates, the Authority's investment policy limits the Authority's investment portfolio to maturities not to exceed two years at time of purchase. At September 30, 2020, the Authority's deposits and investments were not limited and all of which are either available on demand or have maturities of less than two years.

B. Credit Risk: This is a risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The Authority's investment policy is that none of its total portfolio may be invested in securities of any single issuer, other than the US Government, its agencies and instrumentalities.

C. Custodial Credit Risk: This is the risk that in the event of the failure of the counterparty, the Authority will not be able to recover the value of its investments or collateral securities that are held by the counterparty. All of the Authority's investments in securities are held in the name of the Authority. The Authority's custodial agreement policy prohibits counterparties holding securities not in the Authority's name.

Deposits made in accordance with state statute (Indiana Code 5-13) with financial institutions in the State of Indiana should be covered to the extent not covered by insurance of any federal deposit insurance agency.

At September 30, 2020, the carrying amount of the Authority's deposits was \$207,487. The deposits are either covered by federal depository insurance, by collateral held by the Authority's agent in the Authority's name or by the Federal Reserve Banks acting as third party agents or by a collateralization agreement. Restricted cash consists of tenant security deposits.

Deposits consist of the following:

Checking accounts	\$ 35,327
Certificates of Deposit	<u>158,357</u>
Total	<u>\$ 193,684</u>

NOTE 6 - Capital Assets: (Continued)

Major construction renovation through the Capital Fund Program costs of \$408,610 are yet to be expended under the current programs. HUD has approved funding for the above amount. Depreciation expense for the year ended September 30, 2020, was \$150,320.

NOTE 7 - Pension Plan:

Description of Pension Plan

The Housing Authority of the City of Rockport (Housing Authority) participates in a cost-sharing multiple-employer pension plan (Pension Plan), as defined in Governmental Accounting Standards Board Statement No. 67, *Financial Reporting for Pension Plans*. The Pension Plan is administered by the Indiana Public Retirement System (INPRS) and is based on Title 35 of IAC 21-1-1, 35 IAC 21-1-2 and amended IC 5-10.2-2-11(b). The Public Employees' Retirement Fund (PERF) Hybrid Plan was established by the Indiana Legislature in 1945 and is governed by the INPRS Board of Trustees. INPRS financial reports are available online at www.in.gov/inprs/annualreports.htm.

Description of Defined Benefit Funds

Public Employees' Defined Benefit Account (PERF DB)

PERF DB is a cost-sharing, multiple-employer defined benefit fund providing retirement, disability, and survivor benefits to full-time employees of the State of Indiana not covered by another plan and those political subdivisions (counties, cities, townships, and other governmental units) that elect to participate in the retirement fund. Administration of the fund is generally in accordance with IC 5-10.2, 5-10.3, 5-10.5, 35 IAC 1.2, and other Indiana pension law. PERF DB is a component of the Public Employees' Hybrid plan (PERF Hybrid).

PERF Hybrid consists of two components: PERF DB, the monthly employer-funded defined benefit component, along with the Public Employees' Hybrid Members Defined Contribution Account (PERF DC), a member-funded account. First time new employees hired by the State or a participating political subdivision who offers a choice have a one-time election to join either the PERF Hybrid plan or PERF My Choice: Retirement Savings Plan for Public Employees (PERF MC DC). Refer to the Description of Defined Contribution Funds for discussion of both the PERF DC and PERF MC DC accounts. A new hire that is an existing member of PERF Hybrid and was not given the option for the PERF MC DC plan is given the option to elect PERF MC DC or remain in PERF Hybrid.

Members who have at least one year of service in both PERF DB and the Teachers' Retirement Fund (TRF Pre-'96 DB or TRF '96 DB) have the option of choosing from which of these funds they would like to retire.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
(Continued)

NOTE 7 - Pension Plan: (Continued)

Eligibility for Pension Benefit Payment

Full Retirement Benefit

- At age 65 with at least 10 years of creditable service (eight years for certain elected officials).
At age 60 with at least 15 years creditable service.
- At age 55 if age and creditable service total at least 85 ("Rule of 85").
- At age 55 with 20 years of creditable service and active as an elected official in the PERF-covered position.
- At age 70 with 20 years of creditable service and still active in the PERF-covered position.

Early Retirement Benefit

Age 50 and minimum of 15 years of creditable service (44 percent of full benefit at age 50, increasing five percent per year up to 89 percent at age 59).

Disability Benefit

An active member qualifying for Social Security disability with five years of creditable service may receive an unreduced retirement benefit for the duration of their disability (minimum of \$180 per month).

Survivor Benefit

While in active service, a spouse or dependent beneficiary of a member with a minimum of 15 years of creditable service receives a benefit as if the member retired the later of age 50 or the age the day before the member's death. While receiving a benefit, a spouse or dependent receives the benefit associated with the member's selected form of payment: Five Year Certain & Life, Joint with 100 percent Survivor Benefits, Joint with Two-Thirds Survivor Benefits, or Joint with One-Half Survivor Benefits.

Contribution Rates

Contributions are determined by the Board based on an actuarial valuation. Employers contribute 11.2 percent of covered payroll, with 0.43 percent funding a supplemental reserve account for postretirement benefits. Contributions from employers with PERF MC DC plan members, who either currently offer or have offered PERF Hybrid, fund PERF DB's unfunded liability at 8.2 percent of covered payroll for the State and 7.4 percent for political subdivisions. No member contributions are required.

Benefit Formula & Postretirement Benefit Adjustment

Lifetime Annual Benefit = Years of Creditable Service x Average Highest Five-Year Annual Salary x 1.1 percent (minimum of \$180 per month). Average annual compensation is outlined in IC 5-10.2-4-3 and includes compensation of not more than \$2,000 received from the employer in severance.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020

(Continued)

NOTE 7 - Pension Plan: (Continued)

Postretirement benefit increases are granted on an ad hoc basis pursuant to IC 5-10.2-12.4 and administered by the Board. For the year ended June 30, 2019, postretirement benefits of \$29.6 million were issued to members as a 13th check.

Investment Oversight and Policy

Oversight of INPRS assets is the fiduciary responsibility of the Board. As stated in IC 5-10.3-5-3(a) and IC 5-10.4-3-10(a) "The Board shall invest its assets with the care, skill, prudence, and diligence that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character with like aims." Accordingly, the Board must sufficiently diversify the portfolio to minimize the risk of large losses unless, under the circumstances, it is clearly prudent not to do so. Primary risk measures are volatility in the plan's assets, funded status, and contribution rates.

Indiana law permits the Board to establish investment guidelines and limits on all types of investments and take other actions necessary to fulfill its duty as a fiduciary for all assets under its control. On June 30, 2019, cash and investments were held by banks or trust companies under custodial agreements with INPRS. The Investment Policy Statement, adopted by the Board, includes target asset allocation and allowable ranges that are expected to meet rates of return over a period while minimizing risk.

Defined Benefit Assets

The following global asset classes, target allocations, and target ranges were approved by the INPRS Board on October 23, 2015 for DB funds, based on a formal asset-liability study and shall remain in place until revised by the INPRS Board. An asset-liability study is conducted every five years. Detailed information on each asset class is included in the Investment Section

Global Asset Classes	Target Allocation	Target Range
Public Equity	22.0%	19.5 to 24.5%
Private Markets	14.0	10.0 to 18.0
Fixed Income-Ex Inflation-Linked	20.0	17.0 to 23.0

Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2020

(Continued)

NOTE 7 - Pension Plan: (Continued)

Discount Rate

The discount rate used to measure the total pension liability was 6.75% and is equal to long-term expected return on plan investments, net of administrative expenses. The INPRS Board of Trustees has established a funding policy of setting the employer contribution rate equal to the greater of: 1) the current contribution rate of 11.2%, or 2) the actuarially determined contribution rate computed by the actuary using the assumptions and methods selected by the Board for the annual actuarial valuations.

Sensitivity of the Authority's proportionate share of the net pension liability to changes in the discount rate

The following presents the Housing Authority's proportionate share of the net pension liability calculated using the discount rate of 6.75%, as well as what the Authority's proportionate share of the net position liability would be if it were calculated using a discount rate that is 1-percentage point lower (5.75%) or 1-percentage point higher (7.75%) than the current rate:

Total Pension Liability (TPL) is determined by the actuaries in accordance with GASB Statement No. 67, as part of their annual actuarial valuation for each defined benefit retirement plan. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts (e.g., salaries, credited service, etc.) and assumptions about the probability of occurrence of events in the future (e.g., mortality, disabilities, retirements, employment terminations, etc.). Actuarially determined amounts are subject to review and modifications, as actual results are compared with past expectations and new estimates are developed. In 2020, none of the actuarial assumptions or methods changed.

The Schedule of Contributions in the Required Supplementary Information presents trend information about the amounts contributed to the plan by employers and a nonemployer contributing entity in comparison to the Actuarially Determined Contribution (ADC). The ADC represents a level of funding that, if paid on an ongoing basis, is projected to cover the normal cost for each year and the amortization of any unfunded actuarial accrued liability.

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employers and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing benefit costs between the employers and plan members. The projection of benefits for financial reporting purposes does not explicitly incorporate the potential effects of legal or contractual funding limitations.

Actuarial calculations reflect a long-term perspective. For a newly hired employee, actuarial calculations will take into account the employee's entire career with the employer and also take into consideration the benefits, if any, paid to the employee after termination of employment until the death of the employee and any applicable contingent annuitant. In many cases, actuarial calculations reflect several decades of service with the employer and the payment of benefits after termination.

NOTE 13 - Federal Operating Grants:

HUD contributed operating subsidies approved in the operating budgets under the Annual Contributions Contract. These subsidy contributions for the operating year ended September 30, 2020 were as follows:

Low Rent Public Housing	\$ <u>209,732</u>
-------------------------	-------------------

NOTE 14 - Federal Capital Grants:

The Authority receives federal capital grants from HUD for capital fund program improvements. Capital grants recognized for the fiscal year ended September 30, 2020 were \$325,953.

HOUSING AUTHORITY OF THE CITY OF ROCKPORT
Rockport, Indiana

NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2020
(Continued)

NOTE 15 - Economic Dependency:

The Authority receives approximately 51% of its revenues from the U.S. Department of Housing and Urban Development (HUD). If the amount of revenues received from HUD falls below critical levels, the Authority's operations could be adversely affected.

NOTE 16 - Commitments and Contingencies:

Litigation: At September 30, 2020, the Authority was not involved in any threatened litigation. The Authority has not used an attorney.

Examinations: The Authority is subject to possible examinations made by federal and state authorities who determine compliance with terms, conditions, laws, and regulations governing other grants given to the Authority in the current and prior years. There were no examinations concerning the year ended September 30, 2018.

Grant Disallowances: Amounts received or receivable from HUD are subject to audit and adjustment by HUD. Any disallowed claims, including amounts already collected, may constitute a liability of the Authority. Other than the amounts listed in the paragraph above, the amounts, if any, of expenses which may be disallowed by the grantor cannot be determined at this time although the Authority expects such amounts, if any, to be immaterial.

Construction Projects: There are certain major construction projects in progress at September 30, 2020. These include modernizing rental units at the project sites. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred. These costs will be paid by grants committed to the Authority by HUD.

NOTE 17 - Conduit Type Debt:

Debt related to the original acquisition and early modernization of the public housing developments is funded, guaranteed and serviced by the United States Department of HUD. There is no debt or pledge of faith and credit on the part of the Authority. Accordingly, this debt has not been recorded in the financial statements of the Housing Authority of the City of Rockport.

HUD no longer provides the Authority with debt service information since the Authority has no obligation for the debt.

NOTE 18 - Subsequent Events:

Events that occur after the balance sheet date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the balance sheet date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the balance sheet date require disclosure in the accompanying notes. Management has evaluated the activity of the Authority through February 26, 2021 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Rockport, Indiana

NOTES TO SUPPLEMENTAL FINANCIAL INFORMATION
FOR THE YEAR ENDED SEPTEMBER 30, 2020

NOTE A - Financial Data Schedule:

As required by HUD, the Authority prepares its financial data schedule in accordance with HUD requirements in a prescribed format. The schedule's format excludes depreciation expense and extraordinary maintenance expense from operating activities, includes investment revenue, HUD capital grants, revenue, gains and losses on the disposal of capital assets and interest expense in operating activities, and reflects tenant revenue and bad debt expense separately, which differs from the presentation of the financial statements.

Report On Internal Control Over Financial Reporting and on Compliance and
Other Matters Based On An Audit Of Financial Statements Performed In
Accordance With *Government Auditing Standards*

Independent Auditor's Report

Board of Commissioners
Housing Authority of The City of Rockport
601 Washington Street
Rockport, Indiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Housing Authority of The City of Rockport, as of and for the year ended September 30, 2020, and the related notes to the financial statements, which collectively comprise the Housing Authority of The City of Rockport's basic financial statements and have issued my report thereon dated February 26, 2021.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered the Housing Authority of The City of Rockport's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of The City of Rockport's internal control. Accordingly, I do not express an opinion on the effectiveness of the Housing Authority of The City of Rockport's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of The City of Rockport's financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose Of This Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
