Chair of the Township Board	Judy Goforth	01-01-17 to 12-31-21

INDEPENDENT ACCOUNTANT'S REVIEW REPORT

TO: THE OFFICIALS OF SALT CREEK TOWNSHIP, JACKSON COUNTY, INDIANA

We have reviewed the accompanying financial statements of Salt Creek Township (Township), for the period of January 1, 2017 to December 31, 2020. A review includes primarily applying analytical procedures to management's financial data and making inquiries of the Township's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with a regulatory basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6); which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. This includes determining that the basis of accounting the Township uses is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatements whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with *Statements on Standards for Accounting and Review Services* promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the prescribed basis of accounting described in Note 1. We believe that the results of our procedures provide a reasonable basis for our conclusion.

INDEPENDENT ACCOUNTANT'S REVIEW REPORT
(Continued)

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the prescribed basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the prescribed basis of accounting that demonstrates compliance with the reporting requirements established by the Indiana State Board of Accounts as allowed by state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

Paul D. Joyce, CPA
State Examiner

SALT CREEK TOWNSHIP, JACKSON COUNTY
NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies

A. Reporting Entity

The Township was established under the laws of the State of Indiana. The Township operates under a township trustee/township board form of government and provides some or all of the following services: public safety (fire), health and social services (township assistance), culture and recreation (parks and/or community centers), and general administrative services (weed and dog control).

The accompanying financial statements present the financial information for the Township.

B. Basis of Accounting

The financial statements are reported on a regulatory basis of accounting prescribed by the Indiana State Board of Accounts in accordance with state statute (IC 5-11-1-6), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The basis of accounting involves the reporting of only cash and investments and the changes therein resulting from cash inflows (receipts) and cash outflows (disbursements) reported in the period in which they occurred.

The regulatory basis of accounting differs from accounting principles generally accepted in the United States of America, in that receipts are recognized when received in cash, rather than when earned, and disbursements are recognized when paid, rather than when a liability is incurred.

C. Cash and Investments

Investments are stated at cost. Any changes in fair value of the investments are reported as receipts in the year of the sale of the investment.

D. Receipts

Receipts are presented in the aggregate on the face of the financial statements. The aggregate receipts include the following sources:

Taxes. Amounts received from one or more of the following: property tax, certified shares (local option tax), property tax replacement credit (local option tax), county option income tax, wheel tax, innkeeper's tax, food and beverage tax, county economic development income tax, boat and trailer excise tax, county adjusted gross income tax, and other taxes that are set by the Township.

Intergovernmental receipts. Amounts received from other governments in the form of operating grants, entitlements, or payments in lieu of taxes. Examples of intergovernmental receipts include, but are not limited to, the following: federal grants, state grants, cigarette tax distributions received from the state, motor vehicle highway distributions received from the state, local road and street distributions received from the state, financial institution tax received from the state, auto excise surtax received from the state, commercial vehicle excise tax received from the state, major moves distributions received from the state, and riverboat receipts received from the county.

SALT CREEK TOWNSHIP, JACKSON COUNTY
NOTES TO FINANCIAL STATEMENTS
(Continued)

Other receipts. Amounts received from various sources, including, but not limited to, the following: net proceeds from borrowings; interfund loan activity; transfers authorized by statute, ordinance, resolution, or court order; internal service receipts; and fiduciary receipts.

E. Disbursements

Disbursements are presented in the aggregate on the face of the financial statements. The aggregate disbursements include the following uses:

Personal services. Amounts disbursed for salaries, wages, and related employee benefits provided for all persons employed. In those units where sick leave, vacation leave, overtime compensation, and other such benefits are appropriated separately, such payments would also be included.

Other services and charges. Amounts disbursed for services including, but not limited to, the following: professional services, communication and transportation, printing and advertising, insurance, utility services, repairs and maintenance, and rental charges.

Other disbursements. Amounts disbursed for various other purposes including, but not limited to, the following: interfund loan payments; loans made to other funds; internal service disbursements; and transfers out that are authorized by statute, ordinance, resolution, or court order.

F. Interfund Transfers

The Township may, from time to time, make transfers from one fund to another. These transfers, if any, are included as a part of the receipts and disbursements of the affected funds and as a part of total receipts and disbursements. The transfers are used for cash flow purposes as provided by various statutory provisions.

G. Fund Accounting

Separate funds are established, maintained, and reported by the Township. Each fund is used to account for amounts received from and used for specific sources and uses as determined by various regulations. Restrictions on some funds are set by statute while other funds are internally restricted by the Township. The amounts accounted for in a specific fund may only be available for use for certain, legally-restricted purposes. Additionally, some funds are used to account for assets held by the Township in a trustee capacity as an agent of individuals, private organizations, other funds, or other governmental units, and, therefore, the funds cannot be used for any expenditures of the unit itself.

Note 2. Budgets

The operating budget is initially prepared and approved at the local level. The fiscal officer of the Township submits a proposed operating budget to the governing board for the following calendar year. The budget is advertised as required by law. Prior to adopting the budget, the governing board conducts public hearings and obtains taxpayer comments. Prior to November 1, the governing board approves the budget for the next year. The budget for funds for which property taxes are levied or highway use taxes are received is subject to final approval by the Indiana Department of Local Government Finance.

SALT CREEK TOWNSHIP, JACKSON COUNTY
NOTES TO FINANCIAL STATEMENTS
(Continued)

Note 3. Property Taxes

Property taxes levied are collected by the County Treasurer and are scheduled to be distributed to the Township in June and December; however, situations can arise which would delay the distributions. State statute (IC 6-1.1-17-16) requires the Indiana Department of Local Government Finance to establish property tax rates and levies by December 31 of the year preceding the budget year or January 15 of the budget year if the Township is issuing debt after December 1 or intends on filing a shortfall appeal. These rates were based upon the assessed valuations adjusted for various tax credits from the preceding year's lien date of January 1. Taxable property is assessed at 100 percent of the true tax value (determined in accordance with rules and regulations adopted by the Indiana Department of Local Government Finance). Taxes may be paid in two equal installments which normally become delinquent if not paid by May 10 and November 10, respectively.

Note 4. Deposits and Investments

Deposits, made in accordance with state statute (IC 5-13), with financial institutions in the State of Indiana, at year end, should be entirely insured by the Federal Depository Insurance Corporation or by the Indiana Public Deposit Insurance Fund. This includes any deposit accounts issued or offered by a qualifying financial institution.

State statutes authorize the Township to invest in securities including, but not limited to, the following: federal government securities, repurchase agreements, and certain money market mutual funds. Certain other statutory restrictions apply to all investments made by local governmental units.

Note 5. Risk Management

The Township may be exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; job-related illnesses or injuries to employees; medical benefits to employees, retirees, and dependents; and natural disasters.

These risks can be mitigated through the purchase of insurance, establishment of a self-insurance fund, and/or participation in a risk pool. The purchase of insurance transfers the risk to an independent third-party. The establishment of a self-insurance fund allows the Township to set aside money for claim settlements. The self-insurance fund would be included in the financial statements. The purpose of participation in a risk pool is to provide a medium for the funding and administration of the risks.

SALT CREEK TOWNSHIP, JACKSON COUNTY
REVIEW RESULTS AND COMMENTS

RECEIPT ISSUANCE

Condition and Context

The Township did not issue receipts during the review period. Revenue was posted directly to the Financial and Appropriation Record. Additionally, the following posting errors occurred, which resulted in an overstatement of the Township fund of \$5,344, and the corresponding understatement of the Township Assistance fund:

1. December 2018 CVET: \$10 Township Assistance distribution posted to Township fund.
2. June 2020 Property & License Excise Tax: \$3,293 Township Assistance distribution posted to Township fund.
3. December 2020 Property & License Excise Tax: \$2,028 Township Assistance distribution posted to Township fund.
4. December 2020 CVET: \$13 Township Assistance distribution posted to Township fund.

Criteria

Receipts shall be issued and recorded at the time of the transaction. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)

Officials and employees are required to use prescribed and approved forms in the manner prescribed. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 1)

The Township Trustee's Receipt (Form 16-Rev. 2006) is to be used for receipt of each item of money received. Indicate in the space "On Account Of" the fund or funds to which the receipt is to be posted and identify the receipt, such as a Tax Distribution, Fire Protection Agreement, Temporary Loan, Bank Loan for Equipment, etc. Give the original to the payor, and retain all duplicates in the bound record. Payment amount for cash, check, money order, credit card/bank card, EFT, and other shall be designated on each receipt.

If a printing company is not used, the trustee can print this form on Township equipment and stock. It is required that the Township's accounting system have proper internal controls in place that would assign receipt numbers to the transaction entered in the system, which would match the prenumbered receipt forms. (Accounting and Uniform Compliance Guidelines Manual for Townships, Chapter 3)

SALT CREEK TOWNSHIP, JACKSON COUNTY
REVIEW RESULTS AND COMMENTS
(Continued)

CERTIFICATION ON INTERNAL CONTROL STANDARDS

Condition and Context

For 2017, 2018, 2019, and 2020, the Township certified on the Annual Financial Reports that it had adopted the minimum internal control standards as required by Indiana Code 5-11-1-27(e); however, during the engagement, the Trustee indicated that the Township had not adopted the minimum internal control standards.

Context

Indiana Code 5-11-1-4(a) states:

"The state examiner shall require from every audited entity financial reports covering the full period of each fiscal year. These reports shall be prepared, verified, and filed with the state examiner not later than sixty (60) days after the close of each fiscal year. The reports must be in the form and content prescribed by the state examiner and filed electronically in the manner prescribed under [IC 5-14-3.8-7](#)."

ADOPTION OF INTERNAL CONTROL STANDARDS

Condition and Context

The Township did not adopt the acceptable minimum level of internal control standards as defined by the Indiana State Board of Accounts, and as a result, appropriate personnel did not receive training over internal control standards.

Criteria

Indiana Code 5-11-1-27(g) states in part:

"After June 30, 2016, the legislative body of a political subdivision shall ensure that:

- (1) the internal control standards and procedures developed under subsection (e) are adopted by the political subdivision; . . ."

SALT CREEK TOWNSHIP, JACKSON COUNTY
EXIT CONFERENCE

The contents of this report were discussed on October 26, 2021, with Floyd E. Fisher, Trustee, and Judy Goforth, Chair of the Township Board.
