INDEPENDENT ACCOUNTANT'S REPORT

To the Indiana State Board of Accounts and
Management of Indianapolis-Marion County Public Library

We have examined Indianapolis-Marion County Public Library's ("Library") compliance with the Indiana State Board of Accounts' *Accounting and Uniform Compliance Guidelines Manual For Special Districts* during the period January 1, 2020 to December 31, 2020. Management of the Library is responsible for the Library's compliance with the specified requirements. Our responsibility is to express an opinion on the Library's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Library complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Library complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Library's compliance with specified requirements.

In our opinion, the Library complied, in all material respects, with the aforementioned requirements during the period January 1, 2020 to December 31, 2020.
